BOBCATS EXPECT REAL BATTLE WITH S. P. CLUB SUNDAY

Calling on his players to "take a cut at the ball" and not to be called out on strikes "with the bat on their shoulders," Manager Charles Luther is using all the strategy he can muster to place a winning combination on the diamond tomorrow afternoon when the Bobcats meet the Southern Pacific Stores baseball team here. He will shove his pitching Ace into the battle line and expects Adams to give the visitors a hard battle. Adams has been pitching fine ball it is hoped he can turn back the invaders as he has other strong teams this season.

Luther has called upon Rice and will probably use him at second base, in which case Gullixson will play the outfield. Gilly has a sore hand, preventing him from playing first base in his old time form. Gilly is hitting well, however, and will be kept in the lineup.

Contrary to his usual procedure, Luther did not announce his lineup today but is determined to use the best material he has. Canton will play first base, a position he handles to perfection. Voyle is a heady player and knows what to do in a pinch. He is also a good hitter and can be expected to touch Bigelow for a basehit or two.

"I expect this to be one of the best games of the year and we are determined to win if possible" Luther said this morning. All of which means that the baseball fan can rest assured he will get his money's worth and then some at tomorrow's game.

Bigelow Ready To Tame Cats Sunday, Adams Will Start

The lineup of the Southern Pacific Stores baseball team of Oakland, which defeated the Bobcats here 7 to 1 May 8, was received here today by Manager Charles Luther. The Oakland team meets the locals in a return game at 2:30 o'clock Sunday afternoon on the Red Bluff diamond.

Three new men are listed in the lineup, Clifford being slated to start in place of Williams at second; Fregi replacing Winchester at first and Annunzio doing the catching instead of Doody. Bigelow, who held the Bobcats to two singles, both by Canton, in the last game, will be on hand, as well as Schmidt, who is reported to be just as good.

Luther will start Adams in an effort to stop the invaders and is hoping his boys can do at least a little hitting Sunday . The batting order of the S.P. team is:

Fernandez, lf; Emeldi, ss; Ivaldi, cf; Ferreria, 3b; Labetich, rf; Clifford, 2b; Fregi, 1b, Annunzio, c; Schmidt or Bigelow, p.

S. P. STORES AGAIN TRIM BOBCATS 8-5

The Southern Pacific Stores baseball team of Oakland again defeated the Bobcats 8 to 5 here yesterday afternoon in a game which saw both sides playing some excellent and also some ragged ball. The wind caused the outfielders some trouble in judging fly balls with the result that ordinary putouts were converted into three-baggers.

Adams pitched fine ball. The score shows 10 hits were made by the visitors but three or four of these would have been easy outs under better playing conditions. In contrast to the outfield, the local infield played excellent ball and the Cats showed a big improvement in the hitting department. As in their previous appearance here, the visitors displayed fine team play and backed up their pitcher, Gugich, in fine form. Emeldi, S. P. shortstop, was hit in the face with a pitched ball. He gamely stayed in the lineup, however, and was the main cog in a fast double play which retired the last two Bobcats in the ninth inning.

Both Score in First

The S. P. boys started off with two runs in the first inning on a triple by Fernandez, a walk to Emeldi, a single by Ivaldi which scored Fernandez, Emeldi being caught at third and a triple by Ferreria.

The Cats scored one on successive singles by Varney and Moore, the latter's hit scoring Varney when Labetich let Moores single get away from him.

The crushing blow to the Bobcats came in the third when Fernandez was hit by a pitched ball and stole second. Emeldi walked. Ivaldi hit to Shepherd who threw to Brandt to force Fernandez. Labetich hit a fly to Varney in right which went over his head, three runners crossing the plate. Varney misjudged the ball in the wind.

at Gugich's delivery, scoring one in the fourth on Gullixson's triple and a sacrifice fly by Baker. They scored another in the fifth on a single by Varney and a double by Canton.

The visitors scored one in the eighth when Labetich hit to left, the ball bounding over the fence for a home run. It was his second homer of the day.

The Bobcats scored two in their half of the inning on singles by Moore and Canton and Hoznour's double.

The final runs of the game were made by the S. P. boys in the ninth. Gugich singled and was forced at second by Fernandez, Adams to Shepherd. Fernandez was caught stealing, Hoznour to Shepherd. Emeldi was hit by a pitched ball. Ivaldi scored him with a triple and came home on Moore's error on Ferreria's fly ball.

ASSOCIATION TIPS

By Charles Tye

"Pat" Clifford the valuable second baseman of the S. P. Store team is also a very acommodating fellow. "Pat" was standing at the corner of 19th and Broadway the other night, where an argument was taking place in regards to baseball. "Pat" was called over by one of the contestants, to help settle the question. "Pat" almost broke his neck trying to get over to the argument, when the other fellow spoke up, with these words: "No sidewalk attorney can decide this question for me," "Pat" has decided to think twice before he attempts to settle any more baseball arguments.

ESPEE STORE HURLERS WIN

Making it two in a week-end, the S. P. Stores defeated Alameda Merchants and then proceeded to take Red Bluff's nine on the latter's home field. The Merchants were defeated 8 to 3 and the Bluff nine fell 8 to 5.

The S. P. Stores team, is the biggest bunch of pests in town—and Andy Ivaldi is the pestiest so-and-so.

Frank "Red" Bigelow the well known righthander has been playing for the S. P. Store team and now finds himself laid up with a cold in his arm. We all hope "Red" recovers soon as he is a credit to our game.

S. P. Storemen Defeat Davids

The Colored House of David baseball team today prepared for two more games in Oakland, after finding the shoots of Lefty Gugich too baffling last night as they dropped a 7 to 3 decision to the Southern Pacific Stores at the Coast League Park.

The House of David tossers will tangle with the Athens Colored Elks at the same park Sunday and will meet the Moffat Packers Monday at 3 p. m.

The visitors put up a great game against the S. P. team last night, collecting 10 hits, but Gugich was steady in the pinches and fanned 12 batters when outs were most needed.

The score:	R.	H.	E.
House of David	3	10	1
S. P. Stores	7	12	1

Batteries: Young, Abreu and Drake; Gugich and Abreu.

OAKLAND STORE DEPARTMENT TEAM STARTS ON GOOD SEASON

Pounding out 20 hits for a total of 22 runs, the Southern Pacific baseball team of West Oakland district stores on June 17 defeated San Leandro to score their seventh win of the season. The San Leandro team was only able to obtain 2 runs off of the pitching of Ross and Duncan.

Since the season started on April 22, the store team has suffered only one defeat, Barron Tires having defeated them by a score of 9-6. Their victories in order were over Martinez, Crockett, Boone Bros.

The excellent pitching by Duncan and Ross featured the game with Martinez, while Craig with a triple and single, Duncan with a triple and Pinex with two singles were the heavy stickers.

In the game at Crockett, Ross displayed rare form in the box, allowing but three scattered hits and fanning seven. Craig again was heavy sticker, collecting three hits.

After a week's rest Duncan chucked a great game against the Boone Bros. team from Alameda, allowing but two hits and sending 15 opponents to the bench, via the strike-out route. Pinex with a home-run and a single, Abrew with a home-run and a double and Clifford with three singles featured the batting.

In the game with the Howard Radios, a fast team from Alameda, Ross was again the master, holding down the losers to seven scattered hits. Panella playing first base did himself proud by sensational fielding and hitting a triple and double at bat. Ruby also hit a triple for the stores.

Barron Tires broke the winning streak and gave the Stores their first defeat of the season, which was largely due to poor fielding and the absence of Pitcher Ross.

The game at Pleasanton was somewhat a hitting contest, the losers making fifteen while the winners collected twenty-five. Panella and Clifford tied for honors at bat for the Stores with five hits each. While there was plenty of hitting both teams displayed great form in fielding, making but one error in the entire game.

Manager J. M. Day is especially anxious to obtain games with Southern Pacific teams within a reasonable traveling distance from

SANTA CRUZ COPS

Special Dispatch to The Chronicle

SANTA CRUZ, July 1.—The Padras, playing their fifth errorless game in a row, had little trouble in taking the Southern Pacific into camp today by a score of 8 to 2. While the Espee crew connected for ten hits, they failed to hit in the pinches, and especially so when runners were on bases. Valla struck out ten batters and kept his hits well scattered. The Padres play the San Jose State League team here on Independence day. Summary:

The S. P. will line up as follows: Murray, cf; Ruby, 2b; Thermix, lf; Pannelli, 1b; Clifford, 3b; Mendoza, ss; Fernandez, rf; Abrew, c; Duncan Ross and Schmidt, p; Krache, extra.

—

The local team will be the same as has played such good ball in the last few games, namely: Valla, p; Volkman, c; Burke, 1b; Tierney, 2b; Cook, 3b; Andrews, ss; Moore, lf; McEarchen, cf; C. Valla, rf.

The baseball program for this city has been second to none and the fans could go further and see worse games. None of the surrounding towns have seen anything like the class of ball put up here. Wednesday the Padres play the San Jose state league team. The following Sunday they take on the Jeffersons. After that there will be more high class talent shown here.

Joe Devine today signed Basil Panella, first baseman, of Oakland for the Pittsburgh Nationals.

Panella will report at training camp next spring.

Eighteen years of age, Panella weighs 180 pounds, and lays them all on a heavy bat.

His batting average with S. P. Shops' team, where he plays, is reported to be high.

This winter Panella will be with the Oakland Billiards club in the Winter league.

"Panella looks like he will be a good ball player," Devine said. "I have watched him and consider him a major league prospect."

From the thousands of bush ball players in California, Devine picks Panella as the best prospect at this moment.

Devine signed Ray Kremer, Paul and Lloyd Waner, Dick Bartell, Joe Cronin and others for the Pirates, and has enjoyed the pleasure of seeing every "find" stay in the major leagues. He has a perfect record. For that reason Panella will be watched closely.

Panella is righthanded.

ESPEE BALL TEAM TO INVADE PADRES' STRONGHOLD TODAY

By C. B. BRADLEY

Gene Valla and his Santa Cruz Padres will be on hand at 2:30 at Bay St. park and give an example of how to hit the ball. Stanton, the midget who plays first base, will no doubt be able to make some long hits today, as he has been having trouble on these cloudy days in seeing the ball. It was thought by some of the fans that he was so tall he was up in the fog and couldn't see any of the fast pitches.

Doc Tiernan, who plays second base "as she should be played," got some timely hits last week, and he sure looked good at the bat. Doc put a couple of them over the rf.

Fernandez made one hit and fielded like a wiz on short. Crow hit a couple of hard ones; but he plays ball on that base, and how?

It is not known as yet who will be in left field, but it is certain that as soon as Wales gets his face back in shape so he can smile without its creaking, he will be behind the bat.

We have been telling you about the Espee team all week, and, of course, you know all about them by now.

The game today will make the second time the Southern Pacific team has been to Santa Cruz. They played here last year and got a licking that time.

With Valla pitching the kind of a game he has been, we don't see how any of the visiting teams can win. A member of the Southern Pacific office at San Jose told this writer that he was glad to hear about Valla being back on the job, as it made things better for Santa Cruz. It does, and how!

The game will start at 2:30, and the fans will all have to get there and get seated before that time, as promptness is one of the virtues of the Padres. Al Earl, who has been the manager of the Spaulding booking office at Oakland, has been promoted to the San Francisco office.

Jim McEarchen celebrated his return last week by hitting everything that was sent up to him. If he only gets one hit today, it will be o.k. But the right-hand pitcher that pitches to McEarchen with men on bases must be insured. Mac is almost certain to hit a right hander, and he did not look so bad before a southpaw last week.

The lineups for the game today are:

Espee—Abrew, c; Craig, p; Pries, 1b; Clifford, 2b; Lorenzana, ss; Labetich, 3b; Panella, rf; Murray, cf; Fernandez, lf; Roff, Eblich, ex.

Padres—Moore, c; G. Valla, p; Stanton, 1b; Tiernan, 2b; Fernandez, ss; Crow, 3b; C. Valla, rf; McEarchen, cf; Smith, lf.

PADRES COP AGAIN

SANTA CRUZ, April 29.—The Padres continued their unbroken streak of victories today by giving the Southern Pacific All Stars of Oakland and San Francisco a lesson in baseball, the final score being 11 to 2. Gene Valla, late of Hollywood, had an easy day of it in the box and had the railroad outfit at his mercy at all stages of the game. Stanton at first was the hitting star of the day for the Padres with four safe drives to his credit.

S. P. Stores vs. Cronin All Stars.
Sunday, April 27th, 1930.
Albany Park, Albany.

Ross, S. P. chucker lost a hard fought game to "Pop" Cronin's All Stars by the score of 4 to 2. The railroad boys were out in front by a 2 to 1 margin until the seventh, when Ross's throwing arm started troubling him, and he was forced to ease up for the balance of the game. Mattos for the winners hurled steady ball, and outside of allowing two runs on as many hits in the fourth, kept the remaining six hits well scattered, besides fanning nine of the opposition.

S. P. Stores vs. Alameda Y. M. I.
Sunday May 4th, 1930.
Bayview Park, Oakland.

The S. P. Stores Ball Club had little diffaculty in downing the Alameda Young Mens Institute by the score of 10 to 2. McKelligon, Allende, and Schmidt, shared the pitching honors for the winners, allowing four hits between them. Tracey for the losers was hit hard. Big Fred Schmidt, pitching for the first time for the Espees, showed plenty of stuff, allowing only one hit during the four innings he worked, and should make the Railroad boys hard to beat this season. Clifford, Labetich, and Panella, were the heavy hitters for the day.

West Oakland Ball Team Leads East Bay District

The Stores Department baseball team of West Oakland was organized April 10, 1927, being composed primarily of employes of the department. From the sandlots, this team has developed with few changes into the leading amateur baseball team of the East Bay District. To broaden its scope, it is this year challenging any team within reasonable traveling distance.

Individual accomplishments of the players are as follows: First Baseman Panella signed by Joe Devine to report to the Pittsburg Pirates in the spring of 1929 and later refused to be farmed to a minor league. He was signed by the San Francisco Missions in 1930, but later secured his release. He was offered a contract with the San Francisco Seals this spring, but declined, and is still first baseman. Shortstop Labetich signed and played the latter two months of 1929 with Seattle in the Pacific Coast League. Declined to sign contract in 1930 and later signed with St. Louis Cardinals and was farmed to Topeka in the Western League. When player quota was cut in middle of the season, he returned to the Stores Team. This spring he signed with the Missions in Pacific Coast League.

The battery of last year, consisting of Schmidt, pitcher, and Abrew, catcher, was signed up this spring by the San Francisco Seals of the Pacific Coast League. In the Seals spring training camp at Monterey, Calif., Schmidt pitcher five innings against a group of major leaguers and allowed only one run. Abrew, through injuries, was forced to return to us.

In the four years the team has been organized, they have been shut out but once, have won sixty-two contests as against twenty-five losses, and have scored 739 runs to 370 for their opponents. The team now enjoys the distinction of being the oldest organized industrial team in the East Bay District.

The S. P. Stores Department baseball team from Oakland will open its season next Sunday. The Espee nine made the best semi-pro record last summer when it won twenty and lost only five games against the best teams around the bay. The team will be without the services of Pitcher Fred Schmidt and Infielder Johnny Labetich. The former is with the Seals and the latter with the Missions. Here is the way the Espees line up this season: Fernandez, left field; Clifford, second base; Panella, first base; Jackovich, right field; Ivaldi, center field; Vannucci, third

---

With the summer season reaching its early stages, Manager George Geritchen and his S. P. Stores have come out of the moth balls and are planning to do things in a big way around the semi-pro fields.

Due credit must be handed the S. P. manager for the flossy array of athletes he has assembled to defend the splendid feat of last season when his charges chalked up 24 wins out of 30 played.. Whetsler and Abrew comprise a stellar battery and should make many hitsmiths moan—"murder."

With the summer season reaching its early stages, Manager George Geritchen and his S. P. Stores have come out of the moth balls and are planning to do things in a big way around the semi-pro fields.

Due credit must be handed the S. P. manager for the flossy array of athletes he has assembled to defend the splendid feat of last season when his charges chalked up 24 wins out of 30 played.. Whetsler and Abrew comprise a stellar battery and should make many hitsmiths moan—"murder."

Phil Gugich is radiating with pitching effectiveness for the S. P. Stores these days. Gugich had a short trial with the Angels and the experience he gained in his whirl at professional ball should prove valuable in working his way back to another crack at professional ball.

"Midge" Fernandez, the hustling captain and leftfielder of the S. P. Stores, is one of the reasons for the stellar season enjoyed by the Railroaders. Fernandez has been playing a dandy game in leftfield and is always managing to get on base.

The S. P. Stores Department in Oakland have a young pitcher by the name of "Wiz" Whetzler who is causing plenty of favorable comment by some outstanding pitching. Beside doing some nifty twirling, Whetzler can hit. In the last eighteen innings the "Wiz" is responsible for only two runs, and has wriffed seventeen batters.

S. P. Nine Noses Out Banks, 8-7, in 11th

With Harl Maggart Jr. hitting two home runs and a double and Abrew smacking out five singles in a row, a fancy assortment of hits featured Sunday's eleven-inning game at San Pablo Park which was won by the Southern Pacific Store nine over the Central Bank forces, 8 to 7.

Despite the heavy barrage of base blows, the game was nip and tuck from start to finish. The Banks led off with two runs in the first half of the first inning but the S. P. outfit came right back in the same frame to gain a 3 to 2 lead. In the third the Banks went ahead, 5 to 2, only to have the railroad players knot the count at 5-all in the fifth.

Both teams tallied once in the sixth. Then the bankers scored again in the eighth but their opponents again tied it up at 7-hall in the last of the ninth. Neither side could do anything in the tenth and the Banks were held scoreless in the eleventh. The S. P. players won out in the last half of that session, however, by putting a runner across the plate.

Maggart's two homers and double featured the Bank team's attack. "Bud" Stewart clouted a long homer and a single for the same team and Ed Stewart was credited with a double that just missed going over the right field fence for a record home run.

Abrew, catcher and clean-up hitter for the S. P. Store team, was the most timely hitter of the day with five singles in a row in six times at bat.

Espees Beat Thomas Motors

With Bill Schmidt allowing six scattered hits and fanning eight batters, the S. P. Stores Dept. stopped the winning streak of the Thomas Motors, 6 to 2.

Bill Schmidt younger brother of Fred Schmidt is another prospect that is improving with every start. He is pitching for the S. P. Store team. He is a lad of model habits and is sure to make the "grade" in a year or so.

Johnny Gira Short Stop of the S. P. Store team is the fielding sensation of the East Bay diamonds. He is the subject of favorable comment where ever the ball fans meet. The Oaks have him signed for 1932 delivery.

Eagles Bow To Oakland Espee Outfit, 8 To 2

(By CLAUDE ADAMS)

The Eagles took their second defeat of the season at the hands of The Southern Pacific nine of Oakland by the score of 8 to 2.

The S. P. boys were a bunch of young fellows and had a very nice and fast ball club. They played an errorless game in the field and their hits came at the right time to score runs. They clicked ten safeties among which was one triple and three doubles.

The Eagles rapped out twelve hits, one of them going for extra bases, being a triple when A. Lucchesi hit a line drive past the right fielder. The main reason the Eagles did not score more runs was that M. Lucchesi had an off-day and could not connect safely. Moch has been hitting very regularly in the last few games, having had an average of 500 before this game. A. Lucchesi, Maroni and Soberanes hit safely three times apiece but Moch could not bring them in. Palucci clicked two for singles and Stornetta one. The leading hitter for the visitors was Ivaldi with a double and two singles.

Gugich, pitching for the Southern Pacific, struck out six, and walked two, while Hanson was not up to his usual good form, and struck out four, walked six and hit one batter.

The S. P. scored their first run in the first inning. Fernandez out to Mitolo unassisted; Clifford singled and went to second when Ivaldi was thrown out at first and scored on single by Abrew; Labetich forced Abrew at second. They scored two more in the third. Ivaldi singled; Abrew doubled, scoring Ivaldi: Labetich walked; Panella walked, filling the bases; Abrew scored on a fielder's choice when Jackovich was safe at first, Labetich being out at second and Panella was thrown out at the plate; Gira flew out to M. Lucchesi. They scored one more in the fourth. Gugich walked; Fernandez forcing him at second; Clifford out, M. Lucchesi to Mitolo; Ivaldi doubled, scoring Fernandez; Abrew fanned. Another run came across in the fifth inning. Labetich flew out to Piezzi; Panella out, Maroni to Mitolo; Jackovich walked, stole second and scored on single by Gira; Gugich cut, Hansen tto Mitolo. They scored three more in the ninth. Clifford flew out to Arfsten; Ivaldi singled; Abrew fanned; Labetich doubled, scoring Ivaldi; Panella tripled, scoring Labetich, and Panella scored on a wild pitch; Jackovich fanned.

The Eagles scored one run in the third inning. Hansen fanned; A. Lucchesi tripled; Maroni out, Gugich to Panella; Soberanes singled, scoring A. Lucchesi; M. Lucchesi out, Labetich to Panella. Their other run came across in the ninth inning. Arfsten out, Clifford to Panella; Irving, batting for Hansen, fanned; A. Lucchesi walked, went to second on Maroni's hit and scored on single by Soberanes; M. Lucchesi fanned. The Eagles had good chances to score in the fifth and seventh innings. In the fifth A. Lucchesi, Maroni and Soberanes all singled, filling the bases with oue out, but were held scoreless. In the seventh A. Lucchesi and Maroni singled; Soberanes hit a line drive at the pitcher which he had to catch to protect himseld which he turned into a double play, but the Eagles should not feel too bad about losing this game as they were up against a sweet ball club.

7-26-31

Phil Gugich is radiating with pitching effectiveness for the S. P. Stores these days. Gugich had a short trial with the Angels and the experience he gained in his whirl at professional ball should prove valuable in working his way back to another crack at professional ball.

"Noisy" Abrew, S. P. Store receiver, is performing elegantly behind the pan and his giving the old horsehide a merry lambasting. If Abrew continues his good work it won't be long before some professional club gives him a trial behind the plate with the present scarcity of good catchers.

FRANKIE GIRA JOINS PHOENIX

Frankie Gira, diminutive shortstop, who had been held in reserve by the Oakland ball club for several months, was sent to the Phoenix club of the Arizona State league today for farming.

Gira, who joined the Oaks after graduating from McClymonds high school here, was with the Oaks on week days and played with the Southern Pacific club on Sundays. He hit .410 for the Espees.

Carl Zamloch, manager of the Oaks, regards Gira as a future Lyn Lary.

The Oakland Ball Club has a future great infielder in Frankie Gira, the 17 year old McClymonds High School lad who was sent to the Phoenix team in the Arizona league for further seasoning. Gira will gain valuable experience and he will also fill the yawning gap in the Phoenix infield.

When you talk about good pitching, don't forget that Phil Gugich of the S. P. Store nine, has plenty of stuff on the ball, and is liable to tumble the best of them.

* * *

The S. P. Stores are coming in for a nice run of compliments, the way they are winning ball games. On the team is a young short stop by the name of Gira, who percolates beautifully at the short patch. He is going to get some where before many seasons.

"Midge" Fernandez, the hustling captain and leftfielder of the S. P. Stores, is one of the reasons for the stellar season enjoyed by the Railroaders. Fernandez has been playing a dandy game in leftfield and is always managing to get on base.

EAGLES LOOK FOR WIN OVER ESPEE

Petaluma Argus-Courier

TWO SECTIONS DAILY EVENING EDITION SECOND SECTION

EAGLES DROP CLOSE GAME TO S. P.

Hansen, "Moch" Itch To Avenge 8 To 2 Defeat

That old sage with the gray beard who wagged his head and croaked: "Vengeance is sweet," may or may not have had something on the ball. Granting he was right. Then the Eagles are counting on some particularly saccharine enjoyment in turning the tables Sunday on the S. P. Stores team of Oakland, which outfit caused the Eagles considerable pain and anguish last July by giving the team an 8 to 2 boot in their tail feathers.

Syd Hansen and Moch Luchessi, particularly, are ambitious of putting the skids under the Espees. It was Hansen and Moch who were blamed for the Eagles' defeat the last time they faced the railroad men. Hansen, because he twirled on that day like he had a broken arm, and Moch because all he could hit was a lot of ozone. If the balls used that day had been filled with T. N. T. everybody would have been quite out of harm's way, because their was no danger of Moch connecting with them. And when Moch, kingpin of the Eagles' sticking crew, isn't hitting 'em the Birds are almost invariably doomed to defeat.

The Espees are considered the strongest of any of the teams, with only one or two exceptions at the most, that have performed here this season. They were runnerups in the Oakland Mid-Winter League last year and have been mowing down their opponents with ease in their 1931 campaign.

Their shortstop, Gira, and third baseman, Labetich, are good for the eyes when seen in action. Gira is on the regular payroll of Oakland's Pacific Coast League squad, and Labetich was with Seattle, Topeka, the Mission and Tucson teams this year. He was released by Tucson, his last berth before joining the Espees, because of a Charley horse, but is in top shape now.

Gugich, Espee pitcher, has enough stuff on the ball to force Hansen to extend himself, but that is just what Syd likes.

The game starts at 2 o'clock.

Espees Trim Petaluma Nine

With "Lefty" Gugich pitching a five hit game, the S. P. Stores defeated the Petaluma Eagles Sunday, 4 to 3.

Abrew with a double and two singles was the heavy hitter of the game, while Johnny Labetich featured in the field with a spectacular catch in the sixth inning.

"Lefty" Gugich Holds Eagles To 5 Hits, 3 Runs

Inability to hit in the pinches and errors when they meant runs for their opponents sent the Petaluma Eagles down to defeat in their struggle with the bay city Southern Pacific team at Kenilworth park Sunday. The score was Espees 4, Eagles 3.

Gugich for the winners twirled an excellent game, allowing but five hits and no earned runs. With men on bases he was invincible, the local runs being scored on errors. Hansen in the box for the "Birds" performed valiantly, allowing but 7 hits, his downfall being errors at the crucial moment. His control seemed better than that of Gugich, giving only three bases on balls to his opponents six.

The hitting was light, owing to the effectiveness of the hurlers, Abrew of the Southern Pacific leading his teammates with two blows in five times at bat, and Hansen the local attack with two out of two, walking once and sacrificing his other time up. Gugich of the visitors registered the longest hit of the day with a double to deep right field.

The crowd was one of the largest of the season. The game was remarkably free of crabbing, good sportsmanship reigning supreme.

Labatich at short made a beautiful one-handed catch of a line drive off the bat of Mitolo for the fielding sensation of the day. The blow looked like a sure two bagger before the Espee shortpatcher got his gloved hand on it. Maroni in the short field for the locals, showed up well, handling a super-abundance of chances with but one error to his discredit. Gonella, Occidental back-stop star, caught a nice contest in the absence of Palucci, who is out of the game temporarily with injuries.

In the outfield A. Lucchesi won applause by a long running catch of a fly ball in right center.

A fast double play finished the contest, Clifford to J. Labatich to Panella.

Here's how the runs scored:

Eagles

Fourth Inning — Soberanes walked, and was safe at second when Ferrara manhandled Moch Lucchesi's fast hopper. A. Lucchesi flied out to third in an attempt to bunt. Mitolo walked, filling the sacks, and Soberanes scored on Irving's fly to center. Gonella struck out.

Fifth Inning—Hansen singled and Maroni was safe at first on Panella's error. Hansen went to third and Maroni to second on a passed ball. Arfsten walked to fill the bags and Hansen was forced out at home when Soberanes hit to the infield. Maroni scored on M. Lucchesi's fly to right field. Ange Lucchesi flied out to second base.

Seventh Inning—Arfsten singled, advancing to second when Soberanes was safe on Gugich's bad throw to first. M. Lucchesi grounded out, Gugich to Panella, Arfsten and Soberanes going to third and second. A. Lucchesi flied out to short. Arfsten scored on a passed ball. Mitolo struck out.

Southern Pacific

First Inning—Fernandez walked. Clifford flied out to Maroni. Ivaldi singled and Fernandez scored while Maroni was throwing out Abrew. Ferrara fouled out to Gonella.

Seventh Inning—Gugich doubled. Fernandez was out at first, Mitolo unassisted. Clifford singled to score Gugich. Ivaldi popped out to short. Abrew was safe on Maroni's error, but Ferrara flied out to Irving.

Eighth Inning — J. Labatich singled, Panella going out at first, Mitolo unassisted, Labatich going to second. M. Labatich hit to send his brother to third. Gugich hit to M. Lucchesi, who threw wild to Gonella, J. Labatich scoring, M. Labatich going to third on the play. Fernandez flied out to Piezzi, M. Labatich scoring after the catch. Gugich was forced out at second on Clifford's hopper to M. Lucchesi.

S. P. Stores vs. Lodi, Battery F.
Sunday, April 17th, 1932
Lodi, California.

S. P. Stores 9, Lodi Battery F 10.
(11 innings)

The Southern Pacific Stores Baseball Team traveled to Lodi, to take on the local Battery F club, and after a wierd free hitting exhibition, had to be content with the short end of a 10 to 9 score.

Bigelow S. P. chucker was hit hard, as was Sargenti for the Batterymen. The railroaders slamed out 15 hits off Sargenti and Bonham, while the Batterymen were collecting 18 off Bigelow and Schmidt. With the S. P. leading 9 to 8 going in to the last half of the ninth, Dondero led off with a double, was sacrificed to third by Prentice, and with the squeeze play hung up, M Mettler bunted, the throw to the plate had the runner by six feet, Abrew was crouching waiting to tag him as he attempted to score, but Dondero forgeting sportsmanship jumped at Abrew feet first, knocking him over and causing him to drop the ball. Abrew's leg was hurt on this play (he was laid up for several months with his ankle in a cast, having broken it on this play) and Bigelow went behind the plate with Schmidt doing the chucking.

S. P. Store Nine To Invade Lodi

The S. P. Stores ball club invades Lodi Sunday to meet the home guard at 2:30 p. m. The Stores, who won every out-of-town contest last season, will use a lineup of Fernadez, lf; Clifford, 2b; Ivaldi, cf; Labetich, rf; Winchester, 1b; Ferriera, 3b; Emeldi, ss; Abrew, c, and Bigelow or Schmidt, p.

Battery Tossers Idle Sundav; Plav Strong S.P. Team Next Week

Battery F's baseball team will enjoy a rest tomorrow, as Manager Virgil Ledbetter was unable to book a game for this week. The Guardsmen were slated to play at either Vallejo or Richmond, but plans fell through.

The local team's next game will be played a week from tomorrow at Lawrence park, with the flashy Southern Pacific nine of Oakland providing the opposition. The Railroaders have won the Pacific division title for the past two years and claim one of the best semi-pro aggregations on the coast.

"Pep" Abrew the fine catcher who has been the backbone of that wonder team the S. P. Store club has received a broken bone in his foot that will put him on the shelf for about five weeks. This will cripple the S. P. Stores to a certain extent but the S. P. are noted for their fighting spirit and we know they will carry on and show Abrew that the boys will win so that he will be cheered up. Fellows Abrew works for the S. P. and has hospital insurance but where would he have been if he did not have this protection. If you have no protection, you had better investigate that plan that Harry Smith is talking to you about.

Battery F Tossers Will Meet Strong S. P. Outfit At Lawrence Park Sunday

Lodi's Battery F will send a flashy brigade of local cavorters against the highly touted Southern Pacific nine at Lawrence park tomorrow afternoon. The Guardsmen boast as fast an amateur organization as can be found in this section of the state, and local followers believe that the Battery could give any of the famed semi-pro outfits in the bay district a close run.

The S. P. team happens to be one of these famed semi-pro nines, as the Railroaders hail from Oakland, where they have just finished winning the Mid-winter league title. The invaders hold the championship of the S. P. Pacific Syetem for 1930 and 1931, so tomorrow at the local ballyard will be Lodi's chance to see how the Guardsmen rate with a top-notch aggregation.

LODI TEAM STRONG

Win or lose, the Railroaders will know that they have been in a baseball argument, for the Battery has assembled a combination sparkling in every department, with brilliant fielding ability and unusual punch at the plate. The line-up is strong in every position.

The infield looks like the U. S. F. grid team, with three Dons sporting the local colors. Sharkey Siemering at first, Tony Donadio at short and Johnny Pucheu at third are the local boys returning home from college for tomorrow's tussle. Marv Mettler completes the quartet at second base, and although he is still a prep, he is right at home among the collegians in the matter of diamond ability.

NEW PITCHERS SIGNED

In the absence of Big Ernie Bonham, the Battery's regular moundsman, two new chuckers will be on hand to turn back the slugging S. P. pastimers. Gordon, who pitched the win over Walnut Grove, will be back for duty, as will Mossman, a tall southpaw who is reported to have plenty of deception on his unorthadox offerings. Leon Mettler, the chunky receiver, will function behind the plate.

The outfield sports plenty of ballsnaring power in Marv Dilliard, Walt Blohm and Dick Bates, for all three are fast covering the wide territory. "Quee" Prentice will also be on hand and his strategy and cleverness at the bat will be big factors in Lodi's favor.

RAILROAD LINE-UP

The S. P. line-up contains the names of many of the best semi-pro tossers in the east bay section. Bigelow and Schmidt are the pitchers, while Abrew works as the receiving end of the battery. The infield includes Winchester at first, Clifford covering second, Emeldi guarding the short territory and Ferriera on third. Fernandez, Labatich and Ivaldi comprise the outfield trio. Labatich is the clean-up batter and big slugger of the visiting team.

Bonham pitched great ball at Lodi Sunday. The big fellow has a fine future in the diamond sport if he is not hurried along too fast. The S. P. team boasted a fancy assemblage of sluggers, yet the high school lad set them down for six innings with only four hits. The Battery turned in a fine team performance against the favored Railroaders, and eking out a victory, no matter how close, is quite a feather in the Battery's chapeau. It seems that at last Lodi has a representative baseball team of local players, something which has not happened here for the past four or five years.

RAILROAD TEAM MEETS BATTERY OUTFIT SUNDAY

The bay district's leading industrial team will display its wares in Lodi next Sunday afternoon when the highly-touted Southern Pacific nine of Oakland meets the local Battery F outfit at Lawrence park. In addition to other impressive laurels, the railroad team holds the Pacific division title for 1929, 30 and 31, which includes all company nines from Portland to New Mexico.

The S. P. aggregation just closed a successful campaign in the Berkeley Mid-Winter league by carrying off top honors. Five of the Winter circuit club have been signed by Coast league teams, with Labetich, Gera and Tobin being farmed out by Oakland to the Bisbee club of the Arizona league.

REMARKABLE RECORD

The Railroaders have marked up a great record since their organization in 1927. As a travelling club, the S. P.'s have participated in 87 contests, winning 62 and losing but 25. Of those defeats, the team has been shut out but twice. This fine record is attributed mainly to the fact that teamwork and spirit have been developed to a remarkable degree by years of continued association as a playing unit. Since 1927 the line-up has varied but little and of the team which comes to Lodi Sunday, six were with the original combination.

The team is the oldest industrial aggregation of semi-pro stars in the bay section. The team has consistently won a majority of its games and is now recognized as one of the leading semi-pro teams on the Pacific Coast.

BATTERY PREPARED

The Lodi team is prepared to give this colorful outfit a close argument Sunday, however, for the Battery has lined up one of the best brigades of local talent ever to play under one banner in this district. Big Ernie Bonham will not be on the mound Sunday, as he is still occupied with C. I. F. baseball at Ione high school, but Manager Virgil Ledbetter expects to have Gordon, the lad who worked so well against Walnut Grove, back on the mound again. Capable Leon Mettler will be the receiver.

Sharkey Siemering, Marv Mettler, Tony Donadio and Johnny Pucheu form the infield combination, while Marv Dillard, Walt Blohm and Dick Bates will guard the outer territory.

BATTERY NINE BEATS S. P. IN 11-FRAME TILT

Walt Blohm climaxed a banner day at the plate by slamming out a sure triple to bring "Quee" Prentice home with the winning run which gave Lodi Battery F an 11-inning 10 to 9 triumph over the Southern Pacific nine of Oakland in an exhibition tussle at Lawrence park last Sunday. Blohm only gets credit for a single, but his terrific smash to left field would easily have netted him three bases.

The Guardsmen turned in a flashy exhibition of baseball to down the highly rated east bay aggregation. Lodi's victory marked the first time in two years that the Railroaders have lost a verdict to an outside team. One of the largest crowds in local amateur history was on hand for the triumph of the Lodi team.

WORK SQUEEZE PLAY

The teams were deadlocked coming into the ninth, and the visitors made a bid for the win when Ferriera, youthful third baseman, connected for a lusty wallop over the right field fence. Lodi came right back fighting, however, and a little inside baseball tied the count again. Thomas led off with a double and "Quee" Prentice sacrificed him to third on a perfect play. The old "squeeze" play was hung up again and Marv Mettler dumped the ball down as Thomas scurried home. The ball beat the local shortstop to the plate, but he sensed the situation and jumped over the S. P. catcher's waiting glove, upsetting the surprised receiver and getting credit for the tieing run when the catcher dropped the ball.

Neither team threatened in the 10th, but in the 11th Lodi put on a rally which left no question as to superiority. Prentice singled, was sacrificed along by Marv Mettler, Lawrence drew a pass, and then Blohm came through with his mighty blast to left field.

BLOHM LEADS ATTACK

Blohm enjoyed one of his best days with the bludgeon. The local third sacker poled a home run over the center field wall in the fifth, with M. Mettler and Lawrence on the bags, and in the seventh he laced out a screeching triple. Thomas and M. Mettler also connected for three hits, with Thomas marking up a triple and double. Prentice, Lawrence and Dillard each hit two safeties. Lodi slammed Bigelow and Schmidt for 18 base knocks, while the invaders were touching Pete Sargenti for 10 in five frames and Ernie Bonham for but four in the remaining innings.

Sargenti was hit heavily in the opening cantos, with the Railroaders marking up eight runs in the first four innings. Bonham took over the mound work in the sixth and he pitched great ball, with Ferriera's homer being the only run recorded against him. Ferriera, incidentally, was the bright star of the visiting team, turning in a sparkling performance at third and whacking out a homer, a double and two singles.

S. P. Stores vs. Fruitvale Eagles
Sunday, May 1st, 1932
Coast League Park
Emeryville, Cal.

S. P. Stores 4, Fruitvale Eagles 3.

The Eagles scored one in their half,of the first, when after Gallagher flew out to leftfield, Swick was safe on an error, taking second on an overthrow at first, Williams singled, scoring Swick, and taking second on the play at the plate, Williams stold third and scored when Vannucci was being thrown out short to first, Figeroid walked, Elwood was out third to first. The Eagles scored their last run in the third inning, when after Swick popped out to first, Williams tripled, and scored when Vannucci was safe at first on an error, Fegeroid was out, Schmidt to Winchester, and Elwood struck out to end the scoring for the day.

Joe Doody did the catching for the S. P. Abrew having suffered a broken ankle in the game with Lodi, the Sunday before. Sorensen playing second base in the absence of Clifford.

FAST SEMI-PRO GAMES SUNDAY

Four of the fastest semi-pro ball clubs in northern California will furnish the attraction at Oakland Coast league park Sunday. The Philco Radios and the S. P. Stores clash at 12 o'clock sharp. At 2:30 o'clock the Fruitvale Eagles, runnersup in the class A winter league, clash with Dave Kyle's Langendorf Royals, winners of the Berkeley pennant. TOURNAMENT WILL GET UNDER WAY MAY 22nd

The Northern California Baseball Tournament will get under way May 22nd as the plans have been set by the Tournament Committee and the Oakland Tribune and Post-Enquirer have promised to do their share to make this Tournament a big success by giving us all the space possible in their sport pages. Arrangements have been made so that any team that wants to have their team pictures or some player's picture will be able to get it by arranging to have the pictures taken at their own expense. This Tournament should be very interesting as the main object of the committee was to pick the different teams for the respective divisions for their ability to hold their own with the other clubs in their divisions.

Here are the rules as set by the committee and these rules are subject to change if the committee sees fit, as this is our first effort to put a Tournament of this kind over in this community and there might be reason to make a change where it is shown that any rule is unfair to both parties.

1st—15 signed players to a club, and no signing of players after May 22nd.

2nd—Three Divisions: American, National and California, (A. B. C.)

3rd—A team that loses two (2) games will be eliminated from Tournament.

4th—All Professional ball players be allowed in the American Division except the battery men, who shall be barred if they have played in Class AA or Major League Ball within the last three years. This covers a pitcher who pitched 59 or more innings.

5th—Any ball player that has played 25 games or more in Professional ball in the past year cannot play in the National Division .

6th—All teams that play out of town teams that are not in the Tournament will have either a loss or win charged up to them in the standings of the Tournament.

7th—$5.00 deposit will be required not later than May 15th. This deposit will be returned at the time of either the winning or the elimination of the club involved, unless a team fails to appear to play the scheduled game, then the money will automatically be forfeited to the Association Treasury. If any manager is not satisfied with his rating tell Secretary Tye at the meeting Monday night.

With Monroe Dean nursing a sprained ankle, Al. Baker will have an opportunity to play second base in the two games. Johnny Labetich, the Oakland boy who has been going great in camp, will be used at third in place of Babe Pinelli, while Russell Olsen will play short with Leroy Anton on first.

A young fellow who dropped into camp a few days ago and is already attracting attention is Johnny Labetich, who played winter ball around Oakland and had a trial with the Mission Reds. For a lad who has not had more than the experience of a cup of coffee in the Reds' training camp, Labetich is a wise ballplayer. Although of the Babe Pinelli stature, Labetich can punish the baseball and has a throwing arm of iron. He appeared at third base in yesterday's contest and took care of six chances in the usual Pinelli or Johnny Vergez style.

Manager Carl Zamloch was impressed by his style of running the bases. On two occasions he had reasons to run from first to third and he looked like a Ty Cobb, heads up, and moving like a scared jack rabbit. A lot of boys have shown up as well as Labetich during the spring of other years and flivvered, and maybe Labetich will do the same, but he must have some of the real stuff in him in order to put on the exhibition he did yesterday.

Goes to Bisbee

JOHNNY LABETICH, third sacker, sent to Oaks' farm club today.

LABETICH, Berkeley boy, will play for Bisbee in Arizona loop.

BIGELOW HOLDS CATS TO TWO HITS; WINS 7-1

Bigelow, sorrel-topped pitcher for the Southern Pacific baseball club of Oakland, found the Bobcats tame yesterday afternoon and the East Bay winter league champions hammered out a 7 to 1 victory. As hitters, the Cats resembled charter members of the old lady's home, Voyle Canton being the only member of the locals to hit safely. Several hundred fans watched the game which was played on the high school diamond under the rays of a summer sun. The visitors made 11 hits while the Cats made two, both by Canton. The locals contributed four errors to two by the visitors.

Start Early

The visitors started early Fernandez, first man up, getting free transportation to first. Williams hit a high bounder to Canton which the pitcher partly stopped but which went for a hit when the ball was deflected beyond the reach of Rice. Fernandez scored on Ivaldi's single.

Another in Fourth

Winchester opened the fourth with a single and advanced to second on a wild pitch. He went to third on Ferriera's out, Gilly to Canton, Gilly making a nice play on a sizzling grounder, tossing to the pitcher who covered the bag. Winchester scored on Labetich's hit to Brandt which the third baseman was only able

to deflect, although he made a beautiful try.

Three in Fifth

Three unearned runs came in the fifth. Fernandez fouled out to Hoznour. Emeldi hit a grounder between third and second which Brandt fielded and tossed while on the run but the throw drew Gilly off the bag. On an attempted steal, Hoznour made a perfect peg to second but Rice failed to cover and Emeldi went to third, scoring on Williams fly to Baker. Ivaldi singled. Winchester singled ,scoring Emeldi. Lee's peg to third to get Ivaldi was perfect but hit the runner who scored, Winchester continuing to third. Ferriera singled to score Winchester for the third run of the inning.

The visitors scored two runs, one in the eighth and the other in the ninth, both off Adams who relieved Canton in the fifth.

Bobcats Score One

The Cats scored their lone marker in the fourth when Shepherd walked, went to second on Doody's poor peg to catch him stealing and came home on Canton's single. Canton not only pitched a good game during the time he occupied the mound, but showed the only hitting form for the locals. Bigelow was in fine form, invariably putting the first pitched ball over the bag for a strike and using a nice curve for the second strike, placing the batter in the hole from the start.

Umpires Show Form

The brightest spot of the game was the work of the officials, both Hunter and Taggart handling the game nicely.

A return game will be played here during June.

In order that you fellows will not be bored with one man's writing all the time, we have put "Midget" Fernandez the most popular ball player in West Oakland and captain of that well known S. P. Store team, and "Shorty" Perry, another popular fellow with the fans and ball players alike on our staff to write a column a week. These fellows will try and entertain you with all the latest gossip in bush baseball circles and we can assure you that they are capable of finding that "Gossip." As Bill Schmidt was the only chucker available, he was forced to assume the mond duties despite a bad cutin the palm of his right hand. The handicap was too much, for he was unable to control his curve ball, and "Iron Man" Ivaldi went to his assistance in the sixth inning, when three walks and three hits netted the Banks seven runs. Crosby hurled four hit ball for the winners, besides banging out three singles. Annunzio, rookie catcher for the railroaders, collected two of the four hits made by his team, one being good for two bases.

Stores traveled to Red Bluff and Lewis loaned Bert Williams to the Store's team for that game as "Pat" Clifford was injured and could not play. Manager Gerichten of the Stores is very thankful to Mr. Lewis.

There are still a few managers who have a tendency to "cut other managers throats" and they should follow in the footsteps of Lewis and play the game clean and fair on the diamond and off.

Joe Doody, catcher for the S. P. Stores in the absence of John Abrew who was injured recently, would like to hook on with an Oakland Club when Abrew is ready to catch again, which will be about another month. Joe lives in San Francisco but prefers playing ball over on this side, and he is a mighty sweet little catcher. Any manager interested please get in touch with "Midget" Fernandez.

S. P. Stores vs. Red Bluff Bobcats.
Sunday, June 5th, 1932
Red Bluff, Calif.

S. P. Stores 8, Red Bluff Bobcats 5.

The S. P. Stores met the Red Bluff Bobcats for the second time this season, and once again walked off with the long end of the score, defeating the Cats star hurler "Ace" Adams, who had not lost a game in the past three years. The final score being 8 to 5.

The visitors started their scoring in the first inning, when Fernandez, first man up, tripled, Emeldi walked, Ivaldi singled, scoring Fernandez, Ferriera tripled, scoring Emeldi, and Ivaldi was out at the plate, Labetich struck out. They added three more in the third, when Fernandez was hit by a pitched ball (Later it was discovered that he received a broken wrist) Emeldi walked, Ivaldi forced Fernandez at third, and was safe at first, Labetich hit a home run in deep rightfield, scoring Emeldi and Ivaldi ahead of him, Clifford making the third out. They made one more in the eighth on Labetich's second home run of the day, the ball bounding over the left field fence, a mighty wallop on any ball diamond. The railroaders scored their final two runs in the ninth, when Gugich singled, Fernandez forced Gugich at second, and was out stealing second, Emeldi was hit over the eye with a pitched ball, Ivaldi scored him by tripling, and scored himself on Ferriera's double, Labetich made the final out.

Ivaldi with four for five, one being good for three bases, Ferriera witha double and a triple, and Labetich with two home runs, were the hitting stars for the visitors, while Moore and Canton hit well for the home guard.

S. P. Stores vs. Reno Garage
Sunday, June 19th, 1932
Threlkel Park, Reno, Nevada.

S. P. Stores 4, Reno Garage 3.

The Southern Pacific Stores Baseball Team invaded Reno, Nevada, today, for their annual meeting with the Reno Garage Club, and after the smoke of battle had cleared, the railroaders, for the second consecutive year, walked off with the long end of a 4 to 3 score.

"Lefty" Gugich held the hard hitting garage boys to six scattered hits, while Morrison for the losers was nicked for nine. The locals had a 2 to 0 lead until the sixth, when after Emeldi was out, Reynolds to Beasley, Ivaldi was hit by a pitched ball, Labetich flew out to leftfield, Ferriera singled, Clifford hit a smashing drive to deep center, scoring Ivaldi and Ferriera, and was out when he collapsed a few feet from home plate(it was easily a home run) Tisone's throw from deep center going to Morrison, who relayed it to Hill for the putout. The visitors spelled defeat for the locals in the ninth, when two hits netted them two runs, Labetich walked to open the ninth, Ferriera singled, for his fourth hit in as many times at bat, Clifford singled, scoring Labetich and Ferriera, the latter scoring when Gill held the ball, Gabrilson struck out, and Abrew, batting for Annunzio, hit into a double play, Reynolds to Beasley. The Garagemen tried despertly to tie the score in their half of the ninth, when Tisone opened with a single, Freitag batting for Petrinovich, was safe on an error, Tisone scored on Hill's long fly, Morrison struck out, Baker walked, Reynolds made the last out ending the game.

Ferriera, young left handed slugger for the Southern Pacific, gave the home towners something to talk about, by having a perfect day at the bat, getting three singles and a double, in four trips to the plate.

RENO DEFEATED BY OAKLAND RAILROADERS

Garagemen Will Try to Even Up Old Grudge Today

The best of baseball is assured for today, when the Reno Garage team will endeavor to even an old score with the Southern Pacific club. Last year the locals took the short end of a 5-to-4 score, which has not been forgotten by Threlkel and his boys, who still maintain it should have been different.

Threlkel has worked overtime in practice and will not accept any excuses. He will give Lefty Morrison the box call and is hoping that the screwball artist will repeat his performance of last Sunday, when he allowed Portola a lone scratch hit. The Sparks lad is improving with each start and may yet live up to his Oak classification of being the second Walter Mails. The Garagemen have fallen considerable in their hitting, with the exception of Hill and Beasley, but should be due for a return to form. This is especially true for Tesone, who seems to delight in hitting against pitchers from the bay district. The addition of Pintar, the all-star athlete from Ely, should make a displacement in the squad, as he is a hard hitter and could be readily used if unable to outshine Lawlor and Morrison. Freitag is still on the cripple list.

Kilmer will take over the job of calling balls and strikes, as Burnhardt is on a business trip to the eastern part of the state.

The two teams will line up as follows:

Oakland Espees—Fernandez, lf.; Clifford, 2b; Iveldi, cf.; Labetich, rf.; Ferriera, 3b; Fregi, 1b; Emeldi, ss.; Abrew, c.; Schmidt, p.

Reno Garage—Baker, 3b; Reyonlds, 2b; Beasley, 1b; Lawlor, ss.; Tesone, cf.; Ambrose, lf.; Petrinovich, rf.; Hill, c.; Morrison, p.

RENO EVENING GAZETTE

RENO TEAM DROPS GAME TO FAST RIVALS

Playing to the largest crowd of the season, the Reno Garage was defeated 4 to 3 by the Southern Pacific baseball team from Oakland. Morrison and Gugich put up one of the prettiest pitching performances ever seen on a local diamond, the former striking out twelve and Gugich five, but the latter's slow curve was working perfectly and the Garagemen were unable to put over the necessary punch. The game was filled with sparkling plays and high class ball.

The Garagemen scored two in the second on a hit by Gill, Hill's triple and Baker's double, with the Espees tying score in the sixth when Ivaldi was hit by a pitched ball, Ferriera singled and Clifford's three base hit. The score remained knotted until the ninth, when both teams put on the fireworks, but the Reno Garage fell one short of the tying marker. In the Railroaders' half of the ninth Labetich drew a base on balls, Ferriera got his fourth hit of the day, and an error were good for two runs, while the best the Threlkel men could do was one. Tesone hit a single, Freitag repeating, and Hill's long fly to right scored Tesone, Freitag advancing to third, while Morrison struck out and Reynolds went out on an infield tap.

The Celtic Club of Sacramento will play here next Sunday.

Local Garagemen Take Short End Of 4 to 3 Count

The best baseball game seen here in many many years, yesterday left the Reno Garage on the short end of a 4 to 3 count with the Oakland Southern Pacific team.

It was filled with thrills and heartbreaks, with the grandstand in an uproar from the opening toss until the final out.

Jimmy Morrison pitched an excellent game but the goddess of luck was not at his beck and call, with the breaks making the winner. The Garagemen got off to an early start, making two in the second on Gill's single, Hill's triple and one for two bases by Baker, and staying in front until the sixth when the Railmen tied the count. Morrison hit Ivaldi, Ferreira singled and Clifford hit for three bases. Both teams showed their best in the closing stanza, but Threlkel was left with the tying run on third. The Espees completed the damage when Labetich walked, Ferreira again singled, and a mental lapse by Petrinovich and Morrison's error allowed the two markers.

The locals, however, made a strong bid, with Tesone singling to open the last stand, Freitag batting for Petrinovich got an infield hit and Hill's long fly scored the third run, but Morrison and Reynolds were unable to bring in Freitag.

Next Sunday the Celtic club of Sacramento will be the opposition.

Brauns, Espees In Crucial Tilt

Braun Painters' nine and S. P. Stores will meet in a baseball game Sunday that will eliminate one of the teams from the running in the Baseball Managers' association tournament.

S. P. Noses Out Braun Painters

Babe Emeldi and the two Ferriera brothers starred at bat, while Bill Schmidt fanned 11, the S. P. Stores nosing out the Braun Painters, 7 to 5.

"Duke" Fregi is another athelete who donned his spikes and uniform. He is playing first base for the S. P. Stores and is hitting that ball hard and is also fielding in great style.

The best country nine the S. P. Stores have ever played was the Reno Club whom they played this season. Jack Threlkel manager of the team and owner of the Reno Garage also owns the ball park at Reno. It is a nice park with a grass infield and outfield and must of cost quite a sum to build and Mr. Threlkel is due a great deal of credit to semi-pro ball.

MICKEY M'KAY WILL PITCH OPENING GAME AT STADIUM

Eureka Chiefs to Meet Snappy S. P. Ball Club Today

Baseball fans are offered a stiff brand of baseball at Albee Stadium at 2 o'clock this afternoon and again tomorrow afternoon at the same hour when the visiting Southern Pacific nine will meet the Eureka Chiefs in a two game series that promises to be worth while.

Manager Gene Girard has fortified his team by the addition of several strong players. Pep Prentice, leading hitter of the Redwood league, will be in uniform. Wes St. Louis, Lefty Lockwood, Sig Sampson and Mickey McKay will be the pitching staff.

Mickey McKay, pitching ace of St. Mary's, will start on the mound in the opener today.

The Chiefs' lineup to start will be:

H. Hadley, 1b; Tuohey, rf; Al Hadley, 3b; Evans, ss; Hemphill, 2b; L. Hadley, lf; R. St. Louis, c; Maffia, cf; McKay, p. Pep Prentice and Cobb Ballam will be on the bench ready to step into the game when needed.

The visiting S. P. team has a smooth fielding and hard hitting aggregation backed by a well rounded out pitching staff of right and left handers, which includes Roland Roberts, former Humboldt league star. There is a fine barance of experienced players and young timber.

They boast of an exceptional player in Ivaldi, centerfielder, who has consistently refused to sign on the dotted line despite offers made by coast and major league scouts. His hitting and fielding leave nothing to be desired.

Humboldt fans will remember "Dutch" Rodenberger, who holds down the left field assignment for the invaders, having played in the Humboldt league from 1920 to 1924, being the leading hitter in 1922 and always well up with the leaders.

Labetich and Seib, the other outfielders, are fly chasers and hitters of high caliber.

The infield, composed of Ferriara at third, Emaldi at short, Clifford at second, and Fregi on first, with Barron ready to fit in at any spot, furnish a smooth working combination.

The catchers, Annunzi and Abrew, are hard and accurate throwers and handle the pitchers cleverly.

They make no prediction and will offer no excuses, asserting that they are a good club and if they are beaten a good team will have accomplished it. Their theory is that good ball players come from Humboldt and therefore it takes a godd ball team to leave Humboldt with a win.

Manager McCarger and Coach Gerichten feel that their team will give any club a tough assignment.

No announcement is made as to the starting pitcher in the opening game of the series, it being the manager's theory that this practice tends to make the younger pitchers worry. Whoever looks and feels right usually gets the assignment.

Th probable lineup for the opening game will be: Rodenberger, lf; Emaldi, ss; Ivaldi, cf; Ferriera, 3b; Labetich, rf; Clifford, 2b; Fregi, 1b; Annunzio, 1b; Annunzio, c; Roberts, p; Barron, Seib, Abrew, utility.

The teams will assemble in front of Eureka Inn at 12:30 today and headed by the Southern Pacific band of 38 pieces, will proceed to Albee Stadium where the game will start at 2 o'clock. The big band will entertain the fans during the intermissions and before the games.

Espees Split Against Eureka

The combined S. P. Stores and S. P. Club divided a double bill with Eureka, losing the first contest, 6 to 5, and winning the second, 11 to 2. Roland Roberts was given poor support in the opener while Phil Gugich coasted through the second, aided by the slugging of Abrew, Emeldi, Ivaldi and John Ferriera.

REDMEN WIN OVER S. P. TOSSERS

Playing good ball behind the fine pitching of "Lefty" Lockwood, the Eureka Redmen baseball team defeated the Southern Pacific nine by a 6 to 5 score yesterday afternoon at Albee stadium. One of the largest crowds of the season witnessed the game.

The teams will play again this afternoon, the contest being scheduled for 2 o'clock.

Lockwood and Roland Roberts, former Eureka colt moundsman, hooked up in a pitching duel that lasted until the seventh inning when the Redmen broke a 1 to 1 tie. Reggie St. Louis' single started the fireworks in the seventh. He was sacrificed to second by Lockwood and when Bill Tuohey went to first on his fourth consecutive hit of the game, the boys pulled a double steal, Tuohey taking second and St. Louis sliding safely into home.

A home run by Al Hadley, a line drive to the right field bushes, brought in Tuohey ahead of him. The fourth run of the inning was scored by Evans, who came in on Hemphill's single.

Lockwood pitched fine ball and had the game under control at all times. He allowed only six hits and was seldom in trouble, although the invaders threatened to tie the score in the final inning. With two men on base and two down, Lockwood ended the game by striking out the third batter.

Bill Tuohey, Redmen outfielder, led the hitting for the winners with four bingles in five trips to the plate. Herb Hadley, first sacker, drove out three hits in five trips to the plate.

CHIEFS DIVIDE GAMES WITH S. P. OUTFIT

Sunday's Game Was Air-tight, Monday's Wide Open

The Eureka Chiefs played air tight ball behind Lefty Lockwood Sunday afternoon to defeat the Southern Pacific fast baseball team by a score of 6 to 5. Lockwood pitched the best game of his career, allowing the heavy hitters on the visiting team only six scattered hits.

Led by Bill Tuohey and Herb Hadley, the slabsters of the home team connected regularly with Roland Roberts' offerings, slamming out 13 clean hits, Tuohey getting four and Hadley three. They sent Roberts to the showers in the seventh inning. Smith who relieved him stopped the hitting spree of the locals.

The brand of baseball dished out by the Chiefs on Sunday was all that could be desired and with such playing they will be able to give a good account of themselves in the after season games that Manager Gene Girard has lined up for them.

But what a difference there was yesterday. The Eureka infield resembled a seive. Mickey McKay started the pitching for the Chiefs and was going all right, but the support back of him left a lot to be desired. He was relieved by Lockwood who lasted "quick." The Southern Pacific train mangled him from the start. Eneidi for the visitors knocked the ball so far he was able to tour the bases before the left fielder could get within hailing distance of the sphere and right on top of that Ivaldi clouted a circuit and Chesty was through for the day. Sig Jackson went in and stopped the boys from the south, but the help came too late. The damage was irreparable. The final score was 11 to 2. Herb Hadley and Tuohey got the only runs for the home team. Tuohey's was a home run. With two men on in the ninth inning Pep Prentice went in to pinch hit and did the very thing that nobody expected him to do, knocked the ball into a double play. It was an off day for Eureka.

STORES BEAT MARINE NINE AT NAVY YARD

"Lefty" Gugich had too much stuff on the ball for the Marine batters, while his teammates found the delivery of four hurlers to their liking, to give the S. P. Stores of Oakland a 12 to 6 victory yesterday afternoon at the barracks diamond.

Gugich was a bit wild at the start and his wild streak cost him two runs to send the Marines off to a flying start, but their lead was short lived for Emeldi hit a homer wit htwo on in the second to give the visitors a 3 to 2 lead.

As the game progressed the S. P. team added to their lead and in the seventh they scored five runs to make victory certain.

Featuring the game was "Red" Warburton's home run in the sixth with one Marine on base. It was a long drive, far over the center fielder's head, the longest home run hit of the season.

CALATONE WATERS 11, ALAMEDA EAGLES 5

Phil Gugich pitched a steady game. Pat Clifford, Slim Winchester, Busso and Brute Labetich smacked the ball hard and often for the water boys. Ike Spackman did a nice job in the relief role for the Eagles while pitching.

This is the last game for these lads under the Calatone Water banner. They will now be known as the S. P. Store team, with George Gerichten as manager and Midge Fernandez as captain. These same fellows won the championship last year in the Berkeley league as the Langendorf team.

Bill McDermott, who has been playing ball around these parts for a good number of years has been signed up with the S. P. Stores for the coming season. He will play utility. "Mac" is a smart player and will prove a valuable addition to the store team.

The Calatone Waters, champions of the East Bay Winter league, will be known as the S. P. Store team, with George Gerichten as the manager. The S. P. team is in demand all over northern California, with games scheduled at Reno, Red Bluff, Yountville, Napa State hospital, San Quentin and other points. Athens Athletic club issues a challenge to this team.

Calatone Waters will disband for the summer, and play under the banner of the S. P. Stores. With such players as Gugich, Ivaldi, "Midge" Fernandez, "Babe" Emeldi, Pat Clifford and the Labetich brothers they will give them all a hard tussel this coming season.

The fast S. P. Stores, who play a number of out of town games each year, have beeb booked with the following teams for games this summer: Red Bluff, Eureka and Reno, and are now negotiating for games with Lakeport, Napa and Vacaville. S. P. Stores vs. Associated Oil
Sunday April 16th, 1933.
Avon, California.

S. P. Stores 2, Associated Oil 3

The S. P. Stores lost a hard fought game to the "Flying A" baseball team, at Avon, when in the tenth inning with the score tied at two all, a high infield fly was carried by the wind away from the infielders, allowing it to fall safe, and the winning run to score.

It was a heart breaker for pitcher Gugich to loose, after pitching wonderful ball for ten innings, striking out seven, and issuing only two passes to first base. It was the first defeat charged to him since the Sparky Barber game in August of last year.

Galindo singled and Humphry homed to give the Associated Oil a two run lead in the third, only to have it tied up in the sixth when Winchester and Bussa singled and Abrew doubled. The score remained tied until the tenth, when Humphry, lead off man, walked, and was sacrificed to second by Northcott. Johnson was out on a fly to centerfield, and the ball game was over when McCoy's infield fly fell safe for a base hit.

The Southern Pacific Stores traveled to Red Bluff to meet the "Bobcats" in the annual meeting for the year 1933, dropping the game by the score of 7 to 5. Caught short handed on pitchers, the railroad boys were forced to use the only pitcher available, Fagundas, who pitched a nine inning game the day before. Six hits combined with three errors in the third saw "Gunny" on his way to the showers, and the "iron man" of the S. P. team, Andy Ivaldi, amble in from centerfield, to take up the pitching duties, and only allowing three hits and one run in the remaining five innings. Besides doing a nifty job of relief hurling, garnered three hits off of pitcher Pillsbury, to lead his team mates for batting honors for the day. Labetich, Bussa, and Emeldi, hit two apiece for the losers.

One of the hardest working player in the bushes is this fellow Andy Ivaldi who patrols the center garden for the S. P. Stores. With never a complaint he is always doing his best whether his team is behind or ahead and even pitches when necessary. And he's not a pansey when it comes to pitching, either.

B. PILLSBURY HURLS CATS TO VICTORY 7-5

Bill Pillsbury ambled in from the outfield yesterday to take his place in the box for the Bobcats against the Southern Pacific stores club of Oakland. After two hours of toil Bill shuffled off the field with a 7 to 5 victory to his credit. The game was one of those free hitting affairs which delight the fans and keep the players on edge.

Each side had one bad inning but the locals mixed nine hits in theirs, together with three errors by the S. P. boys, to chalk up six runs in the third frame. The visitors scored three runs on one hit in the fourth when the Cats bunched three of their five errors The Oakland club had scored one run in each of the first two innings, but after that fourth stanza were held from the plate.

Hoznour was late in arriving and Davies was drafted for the backstopping berth. He made a creditable showing as a catcher during the inning he worked. Hoznour arriving in time to take up the duties in the second inning.

Clifford opened the first inning by working Pillsbury for a walk after Fernandez went out to Gilly, unassisted. He advanced to second on a passed ball, went to third on Ivaldi's out. Van Sant to Gilly, and scored on Labetich's single.

The S. P. boys scored again in the second on a single by Bussa, the runner going to second when Gilly let a throw to catch the runner off the bag get away from him. Emeldi flew out to Spencer in left and Voyle Canton took Abrew's long drive to center for the second out. Fagundas delivered a single, however, to score Bussa.

With a two run lead, the visitors seemed on the way to vict-

ory. Then came the fourth. Shepherd opened the inning with a single and Van Sant doubled, Shpeherd going to third. Brandt hit to short, Emeldia fumbling the ball, Shepherd scoring and Van Sant taking third. Canton drove a hard grounder to second which Clifford muffed, Van Sant scoring and Brandt going to second. Pillsubry singled, Brandt scoring, Canton perching on third Gullixson singled Canton home, Pillsbury advancing to third.

Gullixson attempted to steal of second but was tossed out, Abrew to Clifford, Pillsbury scoring. Hoffman singled and Spencer lifted one over second. Unable to reach the ball, Ivaldi took it on the bounce and tossed Hoffman out at second. Spencer stole second and Hoznour scored him with a single. Shepherd and Van Sant singled, filing the bases.

Ivaldi came in from center to take up the pitching burden and made good by forcing Brandt to go out, short to first. Six runs came in on nine hits in this frame.

One run by the locals in the fifth inning ended the scoring for the day. Hoffman singled, took third on Spencers one-base rap. The two boys worked a double steal, Hoffman scoring.

Pillsbury chucked a splendid game, allowing only one hit an inning except the second when two singles were bunched. Voyle Canton's fine work in center and the steady playing of Van Sant on second made the club look much better than a week ago.

Spencer made a good showing and Davies looked like a coming player in the one inning he worked behind the bat.

The Stockton Seventeen club will be the next opponents of the Cats here next Sunday:

S. P. Stores vs. Veterans Home.
Sunday May 14th, 1933.
Yountville, California.

S. P. Stores 6, Veterans Home 5.
(11 Innings)

The S. P. Stores defeated the Veterans Home at Yountville 6 to 5 in a fast eleven inning game. Fagundas for the winners , and Comphel for the losers, hooked up in a pitching duel, both going the entire route, the former allowing seven hits and the latter nine. The railroad boys were leading 5 to 1 in the first half of the ninth, when three hits and a peculiar decision enabled the home towners to tie the score. J. Massoni opened up the last half of the ninth with a single, and advanced to second on a balk by pitcher Fagundas. Kaffo then struck out, but Schultz tripled to score J. Massoni, and Clark singled scoring Schultz. Ward walked, and with two balls on Lande, "Gunny" called for another ball, and time out. When the umpire refused to change the ball, catcher Abrew threw it over the grandstand. This started a great argument, the manager of the home team demanding that the two runners on base be allowed to score. Time out had been called by the base umpire, and even after showing him the ruling on this, in the "Official Baseball Rule Book" he insisted that the runners be allowed to score, or he would call the game, and we would receive no expense money. Naturally he won the argument. After twenty minutes of milling around the diamond, play was finally resumed. Lande walked and was out stealing second, and G. Massoni popped up to Abrew to end one of the wildest innings witnessed in many a day.

In the eleventh with two away, Clifford was safe at first on an error, stole second, and scored when J. Massoni muffed Ivaldi's infield fly. Clifford, Labetich, Madruga, and Abrew, were the heavy hitters for the day for the visitors, getting two hits apiece, while Schultz hit three for the losers.

S. P. Stores vs. Reno Garage.
Sunday May 28th, 1933.
Threlkel Park, Reno, Nevada.

S. P. Stores 6, Reno Garage 3.

Once more the S. P. Stores traveled to Reno, Nevada, and upheld their spotless record, by defeating the home towners, for the third time in as many years, by the score of 6 to 3. Phil Gugich, star left hander for the railroad boys, again subdued the fast Reno Garage team, allowing them 7 hits, and fanning 5.

For five innings it was a pitchers duel between Gugich and Morrison, two of the best lefthanders in the business, but the sixth inning saw Morrison's downfall, when four successive singles, coupled with two walks and another one base hit, scored five runs, and caused manager Threlkel to yank Morrison, and rush Lowthian in to halt the merry-go-round. The railroad boys were never headed after that and coasted to a well earned decision.

The hitting honors for the day went to centerfielder Ivaldi, of the visitors, who in five trips to the plate, smashed out a home run, a double, and two singles. Cummings, hard hitting catcher for the Garage boys, was next, with two singles and a double, in four attempts at the plate. Clifford and Bussa hit two apiece for the winners, one of the latters hits going for three bases.

OAKLAND S. P. RAILROADERS DEFEAT TRECKELMEN, 6 to 3

Southern Pacific Ball Tossers Will Battle Reno Today

The main rukus for all confirmed believers in fresh air and clear thinking will be witnessed at Threlkel field today when at 2:45 p. m., the Southern Pacific will send one of its niftiest outfits against the Reno Garage.

George Gerichten, who handles the recreation department for the transportation officials, has a nice team. A bunch of boys that play baseball in connection with their daily work in the stores' department. Winter and summer, these lads remain organized and ade as fit as a keen-eyed hunter tackling a bear in a dense forest.

Jimmy Morrison will do the agate handling for Jack and a warm day should see the big boy make the bay outfit swing and think. His speed ball is tough to follow and his left-handed ability gives him an added advantage.

Digging down in the baseball semi- pro records the folowing men, who appear here today, are classed as some of the best: Fernandez, left field; Clifford, second base; Ivaldi, center; Labetich, right; Madruga, first; Bussa, third; Emeldi, short; Abrew, catcher; Gugich and Fagundas, pitchers. McDermott and Anunzio are the extra men.

Reno Garage will probably start Baker, third; Reynolds, second; Freitag, short; Tesons, center; Meyers, figrst; Lowthian, right; Gill or Andrade, left; Cummings, catcher; Morrison, pitcher, with Mike Doyle and George Harding on the reserve seat.

Californians in a Well-Earned Win On Reno Ball Lot

Rustless rails and de luxe service enabled the Oakland Southern Pacific Stores' team to grab a well-earned nine-round decision over Reno Garage yesterday afternoon, with the final tickets reading 6 to 3.

A welcome warm sun greeted the squads and both teams went through the motions like they meant business. Good clean hitting spiced with practically an errorless game and several fielding features were thrown in good naturedly. Morrison tossed a fast one by Meyers at first base in attempting to trap a runner and the ball sneaked to the fence, spoiling the almost spotless affair.

Ivaldi turned the tide for the victors by his punch. He drove in two runs and scored a similar number, which would beat Jack's boys single handed. He hit one for four sacks and then cam' back to get his fourth bingle in the way of a double. Ivaldi was the engineer and the other eight rail workers performed in healthy style.:

Bert Cummings kept the locals in the ball game when he drove in two markers and scored the final run for Reno Garage on Gill's hit. His average for the season is well up in the figures and is getting to be a favorite with followers.

Morrison twirled an average game or better. His mates were helpless at the plate and the fielding could have been better by several notches. Three or four chances in the outfield were turned into doubtful choices as to the extra base value. He was kicked for only eight hits, still the bay boys took advantage of every turn to plow around the sacks to the home platter.

Emeldi and Freitag handled the short patch in capable fashion and were entitled to the high hand they received in choking off plays. Two boys who make infielding look easy.

It will be American Legion day at Threlkel park tomorrow afternoon, when the vets from Sacramento will be the opposition. They are the Winter league champs and the summer program continues to fatten their winning stride.

RENO GARAGE

OAKLAND ESPEE

GAME CALLED AT 2:45

THRELKEL BALL PARK

Reno Evening Gazette

RENO NINE PLAYS S. P. TEAM HERE SUNDAY

With two cancellations marring his schedule, Jack Threlkel, manager of the Reno Garage baseball team, is hopeful tomorrow will see a resumption of baseball activities at Threlkel park where the local squad meets the Oakland Southern Pacific nine. Tuesday, Memorial Day, the Reno team will meet the American Legion post No. 61 of Sacramento.

The Oakland Southern Pacific team won the title in the Oakland Mid-Winter League and will present one of the outstanding lineups from the Bay district. The Espees have been on the long end on their last three seasonal visits here and appear tomorrow with practically the same lineup as last year when they countered twice in the ninth for a 4 to 3 victory. Then it was Lefty Gugich and his hook ball who turned the trick and he will be on the firing line again tomorrow. An all-star infield and Ivaldi, an outstanding semi-pro covering the center, wil lbe behind Gugich. Ivaldi is signed for another tryout with the Oaks and should fare better with this season's experience.

Threlkel will counter with his southpaw, Morrison, who offered against the same team last year with Bob Lowthien in right field and Meyers playing first base.

The lineups for tomorrow are:

Southern Pacific—Fernandez left field, Clifford second base, Ivaldi center field, Labetich right field, Madruga first base, Bussa third base, Emeldi shortstop, Abrew catcher, Gugich pitcher, Fagunda pitcher, Annunzio and McDermott utility.

Reno Garage — Baker third base, Reynolds second base, Freitag shortstop, Tesone center field, Lowthein right field, Cummings catcher, Gill left field, Meyers first base, Morrison pitcher, Doyle and Andrada utility.

S. P. NINE BEATS RENO CLUB IN FAST GAME

The Oakland Southern Pacific baseball team again earned the verdict over the Reno Garage yesterday by a score of 6 to 3. Going into the sixth inning the Garagemen were leading 2 to 1 through the efforts of Bert Cummings, who had collected three hits but the work of Ivaldi, centerfielder for the Espees was one better and he started the fireworks which retired Morrison and accounted for five counters. It was a snappy article of ball but the heat showed on the players before the end. Freitag and Emeldi, opposing shortstops, turned in the field features, while Gugich pitched a steady brand of ball with Cummings the only player able to do any damage.

Tomorrow the American Legion post of Sacramento will furnish the Memorial Day opposition with Dewey Elliott presenting a lineup that won the flag in the "A" division of the Sacramento Winter league. It features a brother battery in Cy and Ralph Young. With warm weather assured Cy will cause the locals plenty of trouble, while Lowthein will start for the Threlkelites.

The lineup for the Legion includes: R. Young catcher, Cy Young pitcher, Hickey first base, Kornstein second base, Hepting shortstop, Nicholaus third base, McNeeley leftfield, Asbill centerfield, Shaver rightfield, Ziegler, Stassi and Elliott utility.

S. P. Stores vs. Robak Beverage.
Sunday June 4th, 1933.
Elmhurst, California.

S. P. Stores 6, Robak Beverage 0.

Just another case of too much Gugich, caused the Robak Beverage Ball Club of East Oakland, to take their second defeat this season, at the hands of the S. P. Stores. Phil Gugich was in great form, allowing 8 scattered hits, and fanning 7. For six innings it was a pitchers duel between Gugich fo the winners, And "Chassie" Silva of the losers, the score being 1 to 0 in favor of the railroad boys, due to three hits in the third netting one run. The seventh was the big inning for the S. P. boys, Callegari (substituting for Abrew) led off with a single, McDermott walked, Gugich forced McDermott at second, Fernandez struck out, Clifford singled, scoring Callegari, Ivaldi singled, scoring Gugich, Labetich doubled, scoring Clifford and Ivaldi, and that was the end of "Chassie" Silva. Manager Robak then sent in his ace Louie Brazil, to stop the slaughter, but Madruga greeted him with a smashing double to score Labetich. Bussa flew out to right field to end the inning.

Clifford, Ivaldi, Labetich, Madruga, and Callegari, were the sluggers for the winners, While Martin and Silva were the only ones who could solve Gugich's curve ball.

Captain "Midget" Fernandez was laid up with a bad case of poison oak, contracted at Reno the week before, which necessitated several changes in the line up.

Hand All-Stars Initial Defeat In Ninth Inning Five Run Batting Rally

Canchola Weakens After Holding Opponents To Four Hits In Six Frames; Gugich Winning Pitcher; Erceg Driven From Mound

San Quentin, Calif. , July 23—Operating on a definite express schedule here today, the Southern Pacific Baseball Club performed something that eight other teams have found impossible to do—they handed the All-Stars a 7 to 2 defeat by putting on full steam ahead in the ninth to break a 2 to 2 tie that had existed since the seventh.

"WHITEY" BROOK

For six innings, the locals appeared to have number 9 put away safe in the bag as the team had driven one pitcher to cover and had two runs placed to their credit on the books. To make the victory seem certain Jess Canchola was hurling unhittable ball, allowing four scattered bingles and a total of no runs.

Jumping on the offerings of Erceg, the starting chucker for the railroad men, in the first, Lawerence lined a single to right on the first pitched ball. Jefferies sacrificed him to second and "Whitey" Brook advanced him to third on a single, from where he tallied on Goode's bingle to right center. Brook was caught trying to make home on the play and Johnson ended the inning with a fly to left field.

In the third the visitors threw quite a scare into the local fans when Abrew drove a double to the center field bleachers to start the inning. Canchola put on some more power and sent the next two batters, Erceg and Emeldi back to the bench talking to themselves by the way of the strikeout rout. Clifford ended the first attempt to shatter the local's winning streak, by hitting a hard bounder to Fryer at third which was converted into the third out of the inning.

Labetich tripled in the fourth, this time with one down; but after Thomas drew a walk, Madruga popped to Aguilar and Bussa made the third out by also hitting to Fryer who threw to Brook a step ahead of the runner.

The local swatsmiths added another run to their meager total in the last half of the fourth when Brook drove a long one to center that looked like a certain circuit clout until the Gods that control such things placed a thin wire across the horizon and the ball smacked it solidly, to drop onto the field for a measly single. Goode singled off the first baseman's glove and "Whitey" pulled up at second. Manager McCargar decided that a new engineer was needed for his express train and relieved Erceg of further duty and countered with "Lefty" Gugich, his ace chucker.

Johnson greeted his entry into the game with a grounder to short which advanced both runners while he was being retired. Fryer scored Brook with a beautiful bunt which was returned to the catcher a step too late to get the tow-head. Aguilar followed with another bunt and Ray Clark ended any possibility of more runs by grounding out to the pitcher.

In the fifth Gugich showed his ability under fire when the All-Stars came through with three singles, a sacrifice, and a hit batter; yet were unable to cross the rubber. Canchola led off with a single off the Jute Mill wall---the first hit he has gotten this season in All-Star play. In this respect Wilcy Moore of the Yankees is Jess' only rival. The shock proved too much for Jess and a moment later he was nabbed off the bag on a fast throw by Abrew, the sure-firing catcher of the visitors.

The lucky seventh started with Thomas leading off with a single. Madruga doubled and the visitors started to perk up a bit---even Charley Tye, who was seated among the visiting delagation, could see a little sunshine in the clouds of defeat that were hovering over the S. P. crew. Bussa lofted a high fly to Lawerence in right field and that usually sure fly hawk let the ball bounce out of his hand to score Thomas with the first marker the visitors were able to secure off Jess. Madruga reached third on this misplay. Abrew came to bat and drove a hot one to Fryer at third, who threw to Jefferies in time to retire Madruga at the pay-off station. Gugich whiffed and Emeldi knotted up the game with a single to center which brought Bussa

scampering home.

From all appearances this game seemed headed for another extra-inning game. McGargar suffered two defeats in ten inning tussles in his two previous trips to San Quentin---once in 1932 with the same club, and in 1931 with the Alameda Studebakers.

But in the ninth inning a different aspect was put on the game when Madruga led off the inning with a single and Bussa fouled out to Jefferies. Abrew came through with his second single of the day and Jess put himself further in a hole by passing Gugich to fill the bags.

Emeldi made it two out by fanning the air on three pitched balls. Clifford, who had been doing nothing much with the willow all day came to the plate and smote one on the nose scoring Madruga and Abrew and sending the visitors into the lead for the first time. Not content with these two runs Ivaldi singled filling the bags again and causing Jimmy Carroll to yank Jess and replace him with Roy. The speed ball merchant was wild and hit the next two men to face him, forcing in two more runs to bring the total runs scored in this hectic ninth to five.

A flock of pinch hitters made a valiant attempt to spring a miracle in the last of the ninth but to no avail. Daniels batting for Aguilar lifted a high one to right field where Labetich camped under it. Kolins swinging for Clark lined a base hit into right field. This blow proved useless as Roy fanned; and after DeCanio walked in place of Lawerence, Stoponski ended the game with another fly to right field.

S. P. Stores vs. Chapel Of The Oaks.
Sunday July 30th, 1933.
Bayview Park, Oakland.

S. P. Stores 3, Chapel Of The Oaks 6.
(This game was forfieted to S. P. Stores by umpire in sixth inning, when Chapel Of The Oaks refused to resume play with in specified time. Later game was played out as an exhibition. The committee at a special meeting decided that the game would be called no contest, and would have to be replayed the following Sunday. Through a mutual agreement between the managers of the S. P. Stores, Chapel of the Oaks, and Robak Buffet, it was agreed that Chapel Of The Oaks would play Robak Buffet next Sunday for the right of the winner to meet S. P. Stores the following for the championship.

The S. P. Stores with a lead of 3 to 1 in the sixth inning were well on their way to ending the tournament, and winning the championship. Lefty Sheehan was no mystery to the S. P. boys in this game, having struck out only 1, were in the previous game he had 11 struck out in six innings. In the last of the sixth with two outs and one on, Sheehan hit Gugich on the hand with a pitched ball, the umpire called it a ball at first, but when he saw the injury, allowed him to take first base. The whole Chapel do the Oaks charged the umpire and refused to resume play, after fifteen minutes the umpire pulled his watch and gave them one minute to resume play, and when they refused, declared the game forfited to the S. P. Stores. There being considerable confusion as the collection had already been taken up, and the fans were demanding to see a ball game, it was decided to finish the game as an exhibition. The Chapel Of The Oaks scoring five runs in the eighth, on three hits, a walk, and an error.

BASEBALL NEWS

Chapel of the Oaks 6, S. P. Stores 3

Chapel of the Oaks, with Jackie Mattioda hitting two home runs, one with a man on, combined with the great chucking of Lefty Sheehan subdued the S. P. Stores. This win throws the East Bay tournament into a three-way tie for first place, providing a protest by S. P. Stores is not allowed. In the sixth inning, Lefty Gugich, pitcher of S. P., was at bat. He was hit on the hand by a pitched ball and Umpire Slim Mathews called it a ball and after seeing the injured hand of Gugich, allowed him to take his base. The whole Chapel of the Oaks team charged Mathews and after arguing for some time, Mathews yelled, "play ball!" The Oaks team refused to take the field. Matchews gave them one minute, then declared the game forfeited to S. P. Chapel of the Oaks then agreed to play and S. P. Stores accepted. Mathews called the remainder of the game an exhibition.

RAILROAD NINE SEEKS TITLE

Four teams still in the running for the Class A championship of the Eastbay baseball tournament promise to attract the largest crowd of the season to Bay View playground, in West Oakland this afternoon.

Southern Pacific Stores, who hold the top spot in the tournament, will meet Chapel of Oaks on one diamond while on the other Robak Buffet tangles with Silva's Grocery. A victory for the Stores will cinch the championship and Maxwell trophy for them, but otherwise there will be a three-way tie and the tournament committee will decide at tomorrow night's meeting on what will be done.

The Chapel defeated the Store team the last time they met for the only loss suffered by the leaders in tournament play. "Lefty" Sheehan, young southpaw who fanned 15 S. P. batters in the last game, will be on the job and be opposed by Phil "Lefty" Gugich, rated as one of the best young pitchers in the Eastbay.

The meeting of the Robaks and Silvas comes as a result of the committee ordering a replay of a game last Sunday which was halted when fans swarmed onto the Elmhurst diamond in the final inning and would not clear the field for the finish of the game.

Sunday August 6th, 1933
Petaluma, California.

S. P. Stores 6, Petaluma 7

The S. P. Stores taking a breather before playing for,the championship next Sunday, traveled to Petaluma and dropped a close decision to the home team by the score of 7 to 6. Johnny Erceg for the S. P. was hit hard and had to be relieved in the eighth by "Lefty" Gugich, who had the "egg City" boys eating out of his hand for the balance of the game. The game was enlivened by an old fashioned free for all, by members of both teams, and the fans, over an umpire's decision. Ivaldi, Bussa, Thomas, and Erceg, hit two apiece for visitors, while Fuller, Silva, and M. Lucchesi did the same for the winners.

Petaluma Wins From Southern Pacific, 7 To 6

A spectacular old-fashioned brawl between the members of two ball teams and a handful of excited fans was the highlight of Petaluma's baseball combat with the Southern Pacific Stores of Oakland at Kenilworth Park Sunday afternoon.

When the debris of battle had been cleared and the maimed and wounded laid aside, a check-up indicated Petaluma's fist throwers got the best of the scrap. At least there appeared to be more Southern Pacific players on the ground.

It has been several years since Petaluma ball fans have been treated to an honest-to-gosh gang fight and Sunday's melee was simply elegant. There were at least thirty in there in a dizzy whirl of dukes and one woman, name unlearned, armed herself with a baseball bat and threatened to inflict some real damage, but was disarmed before she could carry out her threat.

An umpire's decision started the row. Babe Silva, Petaluma shortstop, had the ball concealed in his glove and tagged a player off second base. The umpire, who did not see the play, called a balk on Dewey Brown, who was standing several feet off the pitcher's mound at the time, fumbling with a piece of resin. During the hue and cry that followed two Southern Pacific men walked to home plate to score runs.

All this took place in a hectic eighth inning.

A general shaking of hands followed the hostilities, which were halted by Chief of Police Robert Peters, and the ninth and final inning played, with Petaluma emerging victorious, 7 to 6.

Up to the cataclysmic eighth inning riot, the teams had displayed some A-1 baseball with Petaluma having the edge. Three colorful double plays, Silva to Rossi to Fuller in two instances, and Rossi to Silva to Fuller in the third, smacked of big league stuff.

The Espees drew first blood in the third frame, getting two runs. Ercey doubled, scored on Madiego's single, and Madiego scored on Ivaldi's single after going to third on Jimmy Brown's error in the field.

Petaluma came right back to score four in their half of the third. Palucci was hit by a pitched ball, Hansen walked and Jimmy Brown singled to fill the bases. Silva singled, scoring Palucci and Hansen. Moch Luchessi singled, scoring Brown and Rossi singled to score Silva.

The Espees brought in two more during the sixth. Thomas singled, Labetich singled. Brusso singled, scoring Thomas. Labetich scored on fielder's choice.

Petaluma tallied again in the 6th. Mitola hit by pitched ball. Dewey Brown singled. Moch scored on Fuller's single. The lead went to the locals in the 7th. Angelo Luchessi singled. Rossi was safe on a fielder's choice. Vallier safe on error. Mitola walked, forcing Angelo, and Dewey Brown walked to force Rossi.

All of the four pitchers used during the game, Hansen and Brown for Petaluma, and Erceg and Gugich for the S. P. were hit freely. Eight hits were tallied against Hansen in six innings and Dewey was touched for three in finishing the game.

Erceg was nicked for 12 in six innings and Gugich, pitching the others, was hit once.

Although no real damage grew out of the fisticuffs, mishaps forced three players to retire from the game. Sprained ankles, received during the game, forced Moch Luchessi and Rossi, Petaluma players, to the sidelines and an injured hand retired the S. P. catcher, Abrew.

Oaks, Robaks In Semi-Final

Through a mutual agreement between managers of Chapel of Oaks, S. P. Stores and Robak Buffet, the latter club will meet the Oaks tomorrow afternoon at Bayview diamond in West Oakland. The three teams are almost deadlocked for top honors in the Class A division of the Eastbay Managers tournament. Last Sunday the game between S. P. Stores and Chapel of Oaks ended in a row and the association ordered the game replayed.

The managers met and agreed that the tournament could be brought to a close before the start of the Oakland Tribune Northern California championship play, by having Robaks and Oaks meet tomorrow and the winner meet the S. P. Stores the following Sunday. The association officers agreed to this.

ROBAKS TAME SILVA GROCERS

The Robak Buffet team moved a notch nearer the Single A championship in the baseball tournament being conducted by the Eastbay Managers Association when they defeated Silva's Grocery, 6 to 4, in a great 11 inning ball game at Bay View Playground. Until last night Robaks were in a first place tie with S. P. Stores and Chapel of the Oaks, but a board of arbitration overruled a decision of Umpire "Slim" Matthews, who awarded the S. P. team a win by forfeit when the Chapel players refused to resume play within time ordered. The teams later agreed to play out the game, the Chapel winning, 6 to 3. The arbitration committee refused neither side a win and ordered the game to be replayed next Sunday. If the Chapel should win, a triple tie will again result, but a win for S. P. will cinch them the championship.

Robaks to Play Chapel of Oaks

Robaks will play the Chapel of the Oaks Sunday at Bay View No. 1 diamond at 2:45.

The winner will play S. P. Stores the following Sunday for the championship of the East Bay tournament. Last Sunday Chapel of the Oaks won from S. P. Stores 6 to 3, but it was ordered this game be replayed.

Championship Game.

S. P. Stores 9, Robak Buffet 8.

The Southern Pacific Stores, playing the Robak Buffet's for the Championship of the East Bay Summer Tournament, left no doubt as to their right to top honors, when they defeated,for the third time in this tournament, and for the fourth this season, the hard hitting Robak Buffet Club, of East Oakland, by the score of 9 to 8. The Robak's lost but three games in the entire tournament, all to the S. P. Club.

Scoring twice in the first inning, the railroaders looked to be on their way to an easy victory, but Robak's tied it up when J. Ferriera tripled scoring Strodmierand Swick. The S. P. forged ahead by one run in the first half of the fourth, when Bussa singled, stoled second and scored on Abrew's single, only to have it tied up again in the last half of the fourth, when Mesple was safe on an error, and scored on T. Ferriera's hit. Things looked bad for the S. P. boys when Robak's scored 5 runs on four hits in the last half of the sixth. Antone was out to Clifford, Florence and Mesple singled, T. Ferriera flew out to right field, Strodmier singled, scoring Florence and Mesple, Brazil was safe on an error, Strodmier taking third, Freitas singled scoring Strodmier, Swick walked, J. Ferriera was safe on an error, scoring Brazil and Swick. Gugich was then replaced by Dick Elling, S. P's ace in the hole, who forced Antone to pop to short, ending the inning.

The S. P. Stores showed the fans in the first half of the seventh, that they are one of the scrappiest teams ever to be seen in this vicinity, never knowing when they are licked, and never acknowledging defeat until the last man is out ending the ball game, when they came back to score 6 runs on 5 hits, putting them in the lead again, and changing an almost sure defeat into victory.

Emeldi and Madruga singled, Ivaldi walked, Thomas struck out, Labetich tripled along the right field foul line, scoring Emeldi, Madruga, and Ivaldi. Bussa tripled in the same place, scoring Labetich, and with Clifford at bat, the squeeze play was executed to perfection, scoring Bussa with the tying run, and being safe himself when they made the play at the plate trying to get Bussa. Clifford stoled second and crossed the plate with what proved to be the winning run when Emeldi got his second single in the same inning. Madruga popped to Florence to end one of the most exciting innings ever witnessed on the East Bay Ball Diamonds. Dick Elling had no trouble in setting the opposition down in the eigth and ninth innings, and received credit for the win.

The largest crowd ever to witness a bush game was on hand, there being between five and six thousand fans spread around the field. The entire collection of over $60.00 was turned over to Teddy Martin, Robak player, who was operated on the week before for appendicitis, to help off set his hospital expenses.

The Maxwell trophy was presented to the winners on the ball field after the game, and all players of the S. P. team, celebrated their winning the championship, at a dinner given at Andy Ivaldi's home in East Oakland.

ROBAK, STORES BID FOR TITLE

Attendance records at Bayview baseball diamond, Eighteenth and Wood Streets are due to be shattered tomorrow afternoon when Southern Pacific Stores and Robak Buffett will tangle for the senior championship of the tournament being conducted by the Eastbay Managers Association.

Last Sunday when Robaks eliminated Chapel of Oaks, at least three thousand fans were on hand and playing conditions were not what they should have been although the better team won. Bodie Wallman, acting chief of police will send some of the boys in blue down to the west end to keep the crowd off the playing field and also to be prepared for anything else.

The contest not only will decide the championship for summer play by Eastbay teams, but will also help to defray the expenses of an operation for Teddy Martin, sensational and hard hitting young outfielder who was stricken with appendicitis while helping his team win last Sunday.

Records fell one after another during the last three tournament games at Bayview and officials of the Eastbay Managers Association are prepared, with the help of the Oakland police, to handle the crowd tomorrow which is likely to break all records.

Robaks and S. P. Stores are among the 24 teams to compete in the Northern California championship tourney which the Oakland Tribune will conduct at the Oakland Coast League Park starting a week from Tuesday.

Arrangements have been made with Acting Chief of Police Bodie Wallman for extra police protection at Bay Viey No. 1 diamond Sunday when the S. P. Stores are scheduled to play Robaks Buffet for the championship of the Eastbay tournament and also the benefit of Teddy Martin, one of the most popular Eastbay ball players, who was operated on for appendicitis last Sunday after playing great ball all season for Robaks. The winner of this game will receive a beautiful trophy donated by Maxwell Hardware Company at the finish of this contest. The police are needed as these tournament games have been breaking all attendance records and this game is the climax.

Tom Robello, San Leandro boy, who was signed and sent to Rock Island in the Mississippi Valley league by Professorf E. C. Chapman, scout of the Reds, has been recalled by Cincinnati to finish the season with them. Robello hit over 340, sixteen home runs, nine triples and led the league with 37 doubles. Second in runs batted in with 72. Robello claims to have plenty of confidence to hit big league pitching and perhaps will have the chance soon. Bill "Beartracks" Schmidt, young Berkeley boy, who also played for Rock Island, has won ten games and lost five. Robello claims that Schmidt has the best control and curve ball in the league. Pretty nice for the first year of organized ball for these two Eastbay products.

FINAL CHAMPIONSHIP OF EAST BAY TOURNAMENT

Robak's Buffet vs. S. P. Stores, at Bay View No. 1, 2:45 p. m. Ryan and Carter.

Entire collection to go to Teddy Martin, member of Robak's team, who was operated on for appendicitis last Sunday.

Bushball Notes

S. P. Stores defeated the Robak Buffet team for the East Bay summer title a remarkable uphill fight. Going into the seventh inning the score was three to three when Robaks scored five runs to jump into a heavy lead. S. P.'s then scored six runs in the first of the eighth. Elling, who relieved Gugich, stopped Robaks cold in their tracks. Babe Emeldi and Brute Labetich hit three apiece with Labetich hitting a triple to score three ahead of him. Between five and 6000 people witnessed the game.

RAILROAD NINE WINS SUMMER TITLE

Attendance Records Smashed as S. P. Trims Robaks

All attendance records for amateur and semi-pro baseball were shattered yesterday afternoon at Bayview playground in West Oakland when two teams entered in the Oakland Tribune Northern California Semi-pro championship tournament, which starts at the Oaks' Ball Park a week from tomorrow night, battled for the Summer championship of the Eastbay. Southern Pacific Stores defeated Robak Buffet of East Oakland, 9 to 8, in one of the most thrilling contests ever witnessed on an Eastbay bush diamond.

Six police were necessary to handle the crowd, which filled every bleacher seat and formed a human circle of fixe and six deep around the entire infield and the deepest part of the outfield. The crowd was estimated to be between 4500 and 5500, and but for the fact that police were on hand and that cables were stretched around the entire field, it is doubtful if the game would have been finished, as rivalry sometimes hit the pitch where there would have been much trouble.

RAILROADERS RALLY

The railroad men won the game in the seventh inning when they put over six runs by nicking Louie Brazil for five hits. Outside of this one frame, Brazil pitched great ball for Robaks. Emeldi, Labetich and Bussa starrred with the willow for the winners, each getting three hits. Labetich and Bussa hit triples.

Phil Gugich and Dick Elling shared the pitching for the railroad men. Swick of Robaks nicked them for three hits, while J. Ferriera touched them for a triple and single.

The contest was just a sample of what the fans can expect to see in the Northern California championship play which will be held at the Oakland Coast League park for two weeks. After the game fans leaving the game were saying that they would like to see The Tribune tournament draw work out so that the same two teams will be able to tangle again.

There never was such interest in semi-pro baseball as since teams started getting ready for The Trib-

une event, and fans are due to see some great games. The opening night, a week from tomorrow, will see two games, with Alameda lodge of Elks meeting the Thirtieth Infantry of San Francisco, and Longo-Tanovitz Market of Rodeo battling Robaks.

ANOTHER GREAT GAME

The Rodeo team won a great 5 to 4 contest from Square Deal Malts at Rodeo yesterday. The Malts are also entered in the tournament, so their game with Rodeo yesterday is just another sample of the keen competition the fans can expect. Bobby Hurst, former Oak, pitched for Rodeo. Nelson, pitcher for the Malts, suffered some tough breaks. Steve Smaker hit a triple, while Campbell and Norman Peterson made some great catches in the outfield for Rodeo.

With only one exception, all The Tribune tourney entrants had a good day. Central Banks defeated Alameda Merchants, 5 to 3, as Vigre, sensational 17-year-old pitcher, won his eighth game in nine starts. This lad promises to be a sensation in the tournament.

S. P. Stores vs. Reno Garage.
Sunday August, 20th, 1933.
Threlkel Park, Reno, Nevada.

S. P. Stores 5, Reno Garage 3.

The Southern Pacific Stores Baseball Team, for the second time this year, invaded Reno, Nevada, and as they have done in all their previous games there, sent the home town fans talking to them selves. For the second time in as many weeks they did the impossible, turned almost certain defeat into victory. This is one for Ripley's "Believe It Or Not". Trailing 3 to 0 in the ninth, with two outs and two strikes on the batter, they rallied to score 5 runs and sew up the old ball game. Morrison star left hander for the garage boys was in rare form, and for eight and two thirds innings, held the S. P. to two scattered hits and no runs. The ninth inning brought the fans, some of whom were already heading for the gates, back to their seats. Annunzio, batting for Clifford, struck out, Ivaldi flew out to left field, Labetich was safe on Reynolds error, and the railroaders were off to the races. Bussa drew a walk, Thomas singled scoring Labetich, Abrew doubled, scoreing Bussa and Thomas, and the ball game was tied up. Madruga singled, Abrew holding third, Peacock walked, and Emeldi's single drove in Abrew and Peacock with the winning runs.

PLAYS GARAGE TODAY

Invaders Given Edge Over Reno Baseball Outfit

Two of the best semi pro teams in season to season play, will battle today at Threlkel park in the attempted solution of baseball strategy between the Southern Pacific Store team of Oakland and the Reno Garage outfit.

The Espee boys have quite an edge on the local tossers as the bay boys have the majority of wins. They come and go in an unflashy and unselfish style but are good enough to tuck away a victory and think nothing of it. Just another baseball game won seems to be their attitude and in bush circles about the coast they are smearing the opposition. During the past three weeks they have played to full houses in their district and last Sunday extra policemen and ground rules were placed in order to handle the crowd in a game which the Espee men won. The Oakland Tribune brands the rail boys, who are here today, as the best all-round club locally.

Threlkel enters the game with a few handicaps but the breaks of the game may offset this issue. First he is not entirely satisfied by the playing of some of his boys. Second, several reverses and several wins have displayed some bad mental strategy and has been costly and he has been desirous of keeping his club intact within the gate receipt value. Third, team play should be of peak-of-the-season calibre and it is certain the remaining games on the schedule will see some deep study.

The Oakland boys arrived early for the game with the following players: Fernandez, lf; Clifford, 2b; Ivaldi, cf; Labetich, 3b; Emeldi, rf; Madruga, 1b; Abrew, c; Bussa, ss; Gugich and Fagunda, pitchers. Ferrari is with the team and will see action. Bussa and Clifford had a big day with the stick in the first game.

Threlkel has Morrison and Leo Visintanier, pitchers; McGee, 1b; Misfeldt, c; Gill, lf; Freitag, ss; Baker or Mike Visintanier, 3b; Reynolds, 2b; Doyle, rf; Carl Lowthian, Meyers, Pradie, Starr, utility.

The game is set for 2:45 p.m.

S. P. Stores, a Tribune tournament team, as are the Moffat Packers, journeyed to Reno to down the strong Reno Garage team, 5 to 3. The game also featured a ninth-inning rally, the S. P. starting the ninth with the count 3 to 0 against it, and pounding out a triumph.

OAKLANDERS SCORE FIVE IN NINTH TO WIN

Espee Scoreless To Ninth, Rally With 2 Men Out

Several hundred fans left Threlkel Park yesterday in many different moods as one of those things happened that turned an almost certain victory into defeat for the Reno Garage boys when the Oakland Espee team scored five runs in the ninth to win, 5 to 3.

The local Garagers had things their own way for eight and two-thirds innings when the only error of the game entered the fray. Take out your score sheet and, with two men out, two strikes on the batter and the locals leading 3 to 0, figure out the percentage of a winner's chances of turning gladness into sadness. It happened, folks, and before the "fan family" knew what it was all about thir reverse was bitter, sharp and unbelievable.

Jimmy Morrison hurled one of the best games of his young life. He allowed but two hits until the fatal ninth, and the Oakland team, which is regarded highly in the top of amateur and semi-pro circles, looked like a bunch of redskins being shanghaied. Jimmy had them praying for base hits and his fast one looked like a streak and his sweeping curve was disgusting to watch. Even the fans in the stands could not believe their own eyes as Morrison's pitches banged to Misfeldt's padded glove with fire.

To open the ninth Annunizo struck out batting for Clifford. Ivaldi flew out to Gill. This made two outs. Morrison snapped two strikes on Labetich and on the third one he dribbled a bad roller to Reynolds. The play was mishandled and run number one was on first. Morrison then lost his control and confidence and walked Bussa, Thomas singled, Abrew doubled and Morrison was replaced by Visintainer. Leo was late in starting and Madruga singled, Peacock walked and Emeldi singled in the two winning runs. Annunizo, who did a Ripley hit for himself, making his second bow in the same inning, hit to Reynolds, who retired the side. It was some inning.

The Threlkel men secured 13 hits as compared to six for the Railroaders. They scored one run in the first and two more in the third inning, and these three runs looked liked an NRA emblem. Gill, Freitag, Doyle and McGee were responsible for the driving power, especially Gill.

Manager George Gerichten of the winners stated after the game that Morrison's pitching was the best his team has been pitted against in six years. This is quite an honor and he said "we should have been blanked."

Scott Motors and Reno Garage meet again next Sunday and it looks like a great day for all concerned.

SOUTHERN PACIFIC CLUB TO PLAY IN RENO

Another record crowd is assured for tomorrow's baseball tilt when the Southern Pacific Stores of Oakland play the Reno Garage. The Railroaders are one of the greatest attractions on the local schedule and play a superior brand of the national pastime.

They have an early season 6 to 3 decision over the Garagemen and Threlkel will put forth every effort for revenge, with the locals carefully groomed for the occasion. Milke Visintainer will probably start at third to increase the efficiency on the defense. Morrison will start on the mound with the younger Visintainer doing the relief duty.

The Espees have strengthened the line-up siince their last appearance and last week annexed the East Bay League pennant by winning from the Robaks by a 9 to 8 score. Their victory was played to a capacity crowd on the Oakland park and required the police to clear the playing field. The decision being earned in the latter innings when the heavy hitting of Ivaldi, Ferrera and Bussa scored six runs after Gugich had already succumbed to the stickwork of the opposition. The lefthander will work against the Garagemen tomorrow which will mean a battle of the southpaws.

The line-ups are: Oakland—Fernandez left field, Clifford second base, Ivaldi center field, Ferrera third base, Labetich right field, Madruga, first base, Abrew catcher, Gugich, Fagunda pitchers, Emeldi utility.

Reno Garage—Baker or M. Visintainer third base, Gill left field, Freitag shortstop, Tesone center field, Misfeldt catcher, McGee first base, Doyle left field, Reynolds second base, Morrison and L. Visintainer pitchers.

S. P. CLUB BEATS LOCAL NINE IN FINAL RALLY

The Oakland Southern Pacific put on one big ninth inning yesterday to score al their runs and defeat the Reno Garage five to three.

Morrison and Peacock showed one of the best pitching contests seen here in many moons with the local southpaw twirling nearly a perfect contest. It all happened with two out in the fatal inning when Reynolds let a slow roller get away. Up to this time the visitors had only secured two hits, but the lad was unnerved and he walked the next batter and Freitag was unable to hold a line drive which was followed with three successive hits.

The game was exceptionally fast with both teams turning in some brilliant fielding and the Garagemen totaling thirteen hits for their three runs.

One of the largest crowds of the season was on hand and was very enthusiastic in its deliberations.

Next Sunday the Scott Motors have the calendar date and blood and thunder will prevail.

Tonight's program calls for the Associated Flying A's of Avon to meet the Southern Pacific Stores, champions of the Eastbay summer tournament, the Stockton Merchants to clash with the Central Banks of Oakland, and for Sacramento (City Taxi) to tangle with Tubbs Senators of San Francisco.

FIRST GAME AT 5:30

The first tilt will start at 5:30 o'clock, with the second scheduled for 7:30 and the final for 9:30. Hundreds of fans are expected to come in from Crockett and Avon to lend their support to the Flying A's, who are leading the race for the championship of the Inter-Refinery League of Contra Costa County.

The Flying A's boast one of the strongest semi-pro teams organized in Alameda or Contra Costa Counties in months. Vincent Franks and Joe Olsen are listed as pitchers. Franks is a brother-in-law of Ray Kremer, Oak pitcher, and Joe Olsen was the leading pitcher in the Arizona-Texas League last year. Olsen probably will get the call for service on the mound tonight with Dick Elling or Phil Gugich working for Southern Pacific.

S. P. Stores 6, Associated Oil 5.
(10 Innings)

The Southern Pacific Stores Baseball Team, won their opening engagement, in the Oakland Tribune Northern California Baseball Tournament, by upsetting the dope, and handing the highly touted Associated Oil team a 6 to 5 defeat.

The railroaders started off like they meant business in the very first inning, when Emeldi, first man up tripled, Gallagher singled scoring Emeldi, Ivaldi sacrificed Gallagher to second, and was out at first. Labetich doubled, scoring Gallagher, Madruga was out second to first, and Bussa flew out to center, Two runs and two hits. The Flying "As" made one in their half of the second, when McCoy doubled, Borreani was safe on a fielders choice, Labetich was safe on an error, filling the bases. Hagerty singled, scoring McCoy, and Borreani was caught off third by a quick throw Emeldi to Bussa. Hagerty was nabbed off second, on a perfect throw Abrew to Emeldi. Galindo striking out. The S. P. came right back in their half of the second to score two more, when Clifford singled, Abrew walked, Gugich sacrificed, and was out third to first, Emeldi flew out to left field, Gallagher doubled, scoring Clifford and Abrew, and Ivaldi flew out to right field. The score remained 4 to 1 until the seventh, Gugich and House, who replaced Franks in the second for the Associated, were working nicely. The Associated scored two runs on two hits in the seventh, when McCoy singled, Borreani was safe on an error, Labetich flew out to center field, Hagerty popped out to second, Galindo doubled, scoring McCoy and Borreani, and House struck out. The score at the end of the seventh stood 4 to 3 in favor of the Stores. In the eighth Associated scored two more, to take the lead 5 to 4. Northcott singled, Johnson sacrificed and was out, Sharp singled, scoring Northcott, McCoy singled, scoring Sharp, and was out trying to reach second, Abrew to Emeldi. Borreani struck out. Associated looked liked they had the game sewed up, but the S. P. boys were not to be denied. In the ninth, with two out and nobody on, Gallagher got his second double of the evening, and scored the tying run on Ivaldi's single. Holding the A's scoreless in the first half of the tenth, the railroaders added another win to their record, when Madruga, first man up, singled, Bussa sacrificed him to second, and was out, and Clifford's single scored Madruga, winning the old ball game.

PLAY 10 AND 12 INNINGS.

The first contest ended in a 6 to 5 victory for Southern Pacific Stores over Associated Flying A's of Avon. The contest went 10 innings with the A's losing a great uphill fight. Not to be outdone by the A's and Railroad nine, the Stockton Merchants, managed by Tommy Lenahan, and Central Banks, managed by "Pop" Stewart, battled 12 innings to a 3 to 3 tie.

Southern Pacifics had a 4 to 1 lead over the Flying A's by the end of the second inning, but the boys from Avon, inspired by a big crowd of supporters, kept fighting and managed to overcome the lead by bunching three hits off Phil Gugich for two runs in the eighth. An error by Mitchell Labetich, S. P. right fielder, helped the A's in the eighth. Gallagher's double and Ivaldi's single tied the count in the ninth, and the tenth saw Madruga single, advance on Bussa's sacrifice and score the winning run when Pat Clifford singled.

"Gunny" Fagundas slim right hander for the S. P. Stores, kept his team in first place, in the Oakland Tribune Northern California Baseball Tournament, by trimming the Richmond Produce to the tune of 4 to 2.

Allowing seven scattered hits, and fanning the same number, Fagundas had his sweeping curve ball working to perfection, showing perfect control by not issuing a base on balls in the entire game.

Trailing 2 to 0 in the fifth, the railroaders came to life in their half of the sixth, when with one out, Emeldi singled and scored on Gallagher's double. Ivaldi's double scored Gallagher, Labetich drew a base on balls, and Madruga ended the inning by hitting into a double play. The S. P's put the game on ice in the next inning, when once again with one down, Bussa singled, and was scored by Abrew's smashing two base hit. After Fagundas was out second to first, Emeldi came through with a single to score Abrew, and Gallagher's fly to right field ended the scoring for the day.

Emeldi and Ivaldi for the winners, divided the hitting honors by getting two apiece, while Prolo and Green also hit two apiece for the Produce boys.

Four Games In Tribune Meet Today

Play-Off of Tie Features Semi-Pro Offerings At Ball Park

Followers of the Northern California semi-pro baseball tournament are to be provided plenty of entertainment at the Oakland Coast League Park today. Eight teams are scheduled to make their second showing in the tournament, and one of them is due to be eliminated.

The program follows:

10:30 a. m.—Richmond vs. S. P. Stores.

12:30 p. m.—Petaluma vs. Square Deal Malts.

2:30 p. m.—Piggly Wiggly-Safeway vs. Berkeley Colored Elks.

4:30 p. m.—Stockton Merchants vs. Central Banks.

Southern Pacific Stores have been installed favorites over the Richmond team due to the fact that they upset the dope by coming from behind to defeat Associated Flying A's, 6 to 5, in their first game, while the Richmond boys got their win on a protest after being defeated, 5 to 1, by Stockton Native Sons who used an ineligible player. Phil Gugich or Dick Elling will work on the hill for the railroad men, with "Jiggs" Wright due to work for the Producers.

Southern Pacific Stores won the first game of the day from Richmond Produce, 4 to 2, to tie with Alameda Elks for the lead.

The first game of the day between S. P. Stores and Richmond Produce was full of fight. Both teams had hundreds of fans supporting them and they scrapped from start to finish. Eddie Fagundas bested Jiggs Wright in a fine pitching duel when his teammates overcame a 2 to 0 lead by scoring two in the sixth when Emeldi singled, Gallagher tripled and Ivaldi doubled. They got two more in the seventh on a single by Bussa, a double by Abrew and another single by Emeldi.

Wednesday, August 30th, 1933
Coast League Ball Park,
Emeryville, Calif,
7:30 P.M.

S. P. Stores 2, Alameda Elks 10.

The Southern Pacific Stores dropped the third game of the tournament to the Alameda Elks, by the score of 10 to 2. Using three pitchers, in an effort to stop the Elks, but to no avail, the S. P. boys dropped their first game in the Oakland Tribune Tournament. The railroaders got off to a bad start, when in the third inning, Peacock, S. P. chucker, developed a wild streak, and together with some atrocious umpiring, walked the first four men to face him. Gugich star left hander was rushed in to take up the pitching duties, and after allowing Costa to single, struck out whetzler, walked McDermott, and caused Kenna to hit into a double play, Emeldi to Clifford to Madruga, ending the inning. The S. P's scored once in the second when Clifford doubled offthe left field fence, scoring Bussa who had walked, and once in the fourth, when Labetich singled, stoled second, and scored on Madruga's single. The Elks scored two in the sixth, when with out, Gould singled, Hawks was safe on a fielders choice, Hardy singled, scoring Gould and Hawks, J. Bill was safe on a fielders choice, Hardy being out a second, T. Bill flew out to center field to end the inning. They added two more in the seventh, when Coasta was safe on an error, Whetzler singled, McDermott was out Gugich to Madruga, Kenna's single scored Costa and Whetzler. The eighth inning saw the Elks add three more runs to their total, when Hawks tripled, Hardy singled, scoring Hawks, J. Bill singled and stoled second, T. Bill singled, scoring Hardy and J. Bill, Costa hit into a double play, Clifford to Madruga, Whetzler tripled, McDermott was out second to first.

Alameda Lodge of Elks and Southern Pacifics meet in the second contest, starting at 7:30 o'clock and the winner will move into the lead of the race for the fat golden purse, the Pacific Coast League trophy and the valuable prizes offered by The Oakland Tribune. Both teams have won their first two games and are deadlocked for the lead with three other clubs.

BEAUTY CONTEST TONIGHT

Before the Elks and Railroadmen start their crucial tangle, fans will be treated to a program of snappy entertainment to be provided by the Elks. Manuel Duarte, manager of the antlered herd, announced last evening that he has arranged with Antone Ferreria, accordanist, and Glen Spencer, banjo player, to direct a 30-piece orchestra from the Eastbay Banjo and Accordion Club, which will be on deck. They will play during a bathing beauty revue.

Both the Elks and Espees made great showings in their last two starts and many have doped them as favorites for the title.

Isle City Bills Go on Rampage With Bats To Triumph

By EDDIE MURPHY

Playing before the most enthusiastic crowd since the tournament got under way August 22, Alameda Lodge of Elks defeated Southern Pacific Stores at the Oakland Coast League ball park last night, 10 to 2, to take the lead in the race for the Northern Californai Semi-pro baseball championship.

The score, which was lopsided, does not tell the story of the hard battle the railrdoad men put up in hopes of taking the tournament lead. It was a fairly even battle until the Isle City Bills went on a rampage in the sixth inning to gather two more runs. They added another pair in the seventh and bunched five hits in the eights for three more runs. In the other two games, Thirtieth Infantry eliminated Richmond Produce by an 11 to 1 win, and Bay Bottle Supply defeated M. J. B. Coffe of San Francisco, 9 to 6.

The Elks are not to be out in front alone for long as tonight's program of three games, starting at 5:30 o'clock assures them of having the company of Square Deal Malts of Berkeley, or Tallant Tubbs' Senators of San Francisco. Both teams are undefeated and the winner this evening will move into a tie with the Elks.

Members of the Alameda Lodge of Elks dressed up as bathing beauties and put on a revue before their team battled Southern Pacific Stores for the tournament leadership. It was a great show, but now that the Elks are in the thick of the fight and are at present favorites to cop tournament honors, Manager Manuel Duarte and his assistants, Johnny Larkin and Harry Bartell, have promised a great show before the Elks meet their next opponents.

As was the first contest, the one between the Elks and railroad men was a thriller for five innings. As they went to bat in the sixth, the Elks had a 3 to 2 lead and grabbed a couple more runs to put the S. P. boys out of the running, although it must be said that the losers battled hard to the finish.

TOO MUCH GOULD

Albert (Pudgy) Gould, former Oak spitball pitcher, hurled a great game for the Eilks, turning the Railroaders back with four hits. Although the Bay Bottle Supply and M. J. B. Coffee game results might lead fans to believe that it was the closest and better game of the night, it did not have the fight of the first two games.

The S. P. boys and Richmond Produce nines, although going down to defeat, had that something that appealed to the fans. Look out for the S. P. Stores when they appear on the field again.

They promise to prove to the fans that they are a far better club than they showed last night although they gave no reason for fans to believe that they will not make trouble for any of the leaders.

S. P. Stores vs. Square Deal Malts
Saturday, September 2nd, 1933.
Coast League Ball Park,
Emeryville, Calif,
5:30 P.M.

S. P. Stores 3, Square Deal Malts 2.

Hurling two hit ball, "Lefty" Gugich put the Southern Pacific Stores back in the running for the championship of the Oakland Tribune Northern California Baseball Tournament, by defeating the Square Deal Malts by the score of 3 to 2. The Malts took the lead in the first inning, when Bernardo walked, Asaro Singled, Tierney sacrificed and was out, LaVeque was safe at first on a fielders choice, Bernardo scoring on the play at the plate, Sabine struck out to end the inning. Thr railroaders tied the score in the fourth, when after Ivaldi flew out to Left field, Labetich singled, Madruga walked, Labetich took third on an error, Bussa was safe at first on a fielders choice, Labetich scoring by beating the throw to the plate. Madruga was out stealing second, and Clifford popped out to second base. The S. P. forged ahead in the seventh, when Gugich walked, Emeldi sacrificed Gugich to second and was out at first, Gallagher popped out to first, Ivaldi singled scoring Gugich, Labetich doubled, Ivaldi stopping at third, Madruga flew out to center field. The Malts tied it up in the eighth, when Asaro walked, took second on an error, advanced to third on Tierney's out short to first, and scored on La Veque's out, short to first. Sabine struck out to end the inning. The railroaders won out in the last of the ninth, when with two out, three singles in a row, by Ivaldi, Labetich, and Madruga, scored the winning run. Madruga's hit bounded into the corner in deep centerfield, and would have been good for three bases, or a home run, had it not been the last half of the ninth.

ESPEES OUST MALTS

The second game of yesterday's program furnished a great pitching duel between Stanley Nelson of Square Deal Malts and Phil "Lefty" Gugich of the S. P. Stores. The Malts were eliminated from the tourney when the Railroadmen defeated them, 3 to 2. Madruga, second sacker for S. P., broke up the duel in the last of the ninth when he singled, with two away. The hit scored Gugich who opened the inning with a single and advanced to third on singles by Ivaldi and Mitchell Labetich.

Gugich turned the Malts back with only two hits. Bernado worked him for a walk and stole second in the first inning and Joe Asaro scored him with a clean single. Labetich's single, a walk to Madruga and Tierney's wild throw to first allowed the Railroadmen to tie the count in the fourth. Asaro walked and advanced to third on Madruga's error in the eighth to score on Tierney's long fly, but the Railroaders again tied the count in their half of the inning when Ivaldi singled and completed the circuit on Labetich's double.

Two Malts were retired in the ninth when Howard Salmon beat out a bunt and Nelson walked but Bernardo fanned for the last one. The Railroadmen show up today for a 3:30 o'clock date with the winner of the Alameda Elks-Tubbs'

S. P. STORES WIN

The last two games on the program kept the fans on their toes for the rest of the day. Tubbs' Senators, met their first defeat when the scrappy youngsters of the S. P. Stores won, 3 to 2, and Silva Grocers eliminated Alameda Elks, winning 4 to 2, in a game that was bitterly fought from start to finish. The Elks were listed among the favorites to win the championship, but they went out in a hurry after losing their first game Saturday night to Tubbs, 9 to 6.

OUT OF MONEY.

The losers of the Associated-Rodeo game today will be the only ones of the remaining six not to participate in the split of the big purse. Eastbay Bottles are the only undefeated team in the tourney, but they face a mighty tough foe in the S. P. team this afternoon.

No team in the tournament has more color than these Railroad boys. Just a scrappy bunch of youngsters who never quit fighting, they have built up a big following of fans since they started playing for the championship. Contra Costa County is certain to have a team battling in the games that may be the finals tomorrow night. Silvas, Rodeo and Tubbs are as scrappy as the Railroad boys so therc should be plenty of fireworks before the tournament comes to a close.

OUTSTANDING GAME.

Probably the greatest game of the tourney was that in which S. P. Stores defeated Tubbs. Frankie Peacock bested "Lefty" Dutcher in a great mound duel. Tubbs grabbed a run in the third and had another cut off on them in the sixth when Ivaldi, Railroad centerfielder, made the greatest throw of the tournament when he nailed Doyle at the plate as he tried to score from second on Eastland's single.

The locals took the lead in the sixth when they scored two on singles by Clifford, Ivaldi and Labetich. Strand dropped a throw at the plate when Maysonave tried to head off Ivaldi on an infield roller. Strand's home run over the left field wall deadlocked the teams two all in the seventh, and S. P. Stores won out in the eighth when Ivaldi walked, advanced on Labetich's single, and scored when Bussa also singled.

FIVE-HIT GAME.

Tubbs continued to press the leaders hard by winning from S. P. Stores 4 to 3, Eddie Fagundas losing a pitching duel to Stanley Botto who allowed only five hits. Although out of the first place money, the Railroad boys proved themselves one of the strongest teams in the tourney. In fact they and Tubbs are pretty evenly matched as S. P. beat them on Sunday, 3 to 2, in another thriller.

The Railroadmen put up a great fight yesterday. Tubbs gained a 4 to 0 lead by making three in the fourth and one in the fifth, before a score was made off Botto in the last of the fifth when Madruga was hit by a pitched ball, stole second and took third on Strand's error. Fagundas took it upon himself to drive in the run with a single. The other two runs were made in the seventh.

A single by Gomes, Hughes' sacrifice and Eastland's single scored what proved to be the winning run for Tubbs in the fifth.

S. P. Stores vs. Central Banks.
Sunday, March 11th, 1934
Bayview Park, Oakland

S. P. Stores 10, Central Banks 9.

The Southern Pacific Stores baseball team got off to flying start, when they opened their eighth consecutive season at Bayview Park, by defeating the Central Bank team of Berkeley by the score of 10 to 9. The game was preceded by opening day cermonies in which H. R. Gernreich, assistant superintendant, threw the first ball, C. A. Veale, assistant superintendant was the catcher, and H. W. Concannon, district storekeeper, was the batter. Peacock for the winners held the Bankers scoreless until the sixth, and had to be relieved in the ninth with the bases filled and four runs in. Once again, as he has done so many times in the past, "Iron Man" Andy Ivaldi was called in from centerfield to take up the pitching assignment, and once again he came through in great style, getting the next three batters out in succession. Another of the bright spots of the game was the way Art Agnew, playing his first game for the Southern Pacific Stores, lived up to all advanced notices, by fielding a great game, and hitting a home run, double, and single, in four times at bat, driving in four runs. Abrew, hard working catcher for the winners, showed the teams many followers that he has his batting eye again, by clouting three singles in four trips to the plate. Midget Fernandez came through in great style, when in the last of the ninth with the score tied and the bases full, he blasted a clean hit along the rightfield foul line to win the ball game.

The Railroaders scored twice in their half of the first, when Fernandez flew out to rightfield, Clifford flew out to centerfield, Ivaldi doubled, Agnew walked, Emeldi was safe at first, when B. Stewart dropped the ball, Labetich doubled, scoring Ivaldi and Agnew, Bussa was out short to first. They added another in the second when Abrew singled and advanced to second on Peacock's sacrifice bunt, Fernandez singled scoring Abrew, and stole.second, Clifford was out third to first, Fernandez taking third, Ivaldi walked, Fernandez was caught off third, Freeman to Van Arsdale. The fifth produced three more runs for the S. P's when Clifford walked, Ivaldi popped out to first, Agnew hit a home run over the rightfielder's head scoring Clifford ahead of him, Emeldi walked, Labetich singled, Bussa Singled, and Emeldi was out when he walked off third base, Abrew singled scoring Labetich, Peacock popped out to second base.

The Bankers broke into the run column in the sixth, when three hits netted two runs. Van Arsdale flew out to leftfield, B. Stewart singled, Maggert singled, E. Stewart fanned, Gerner singled, scoring B. Stewart and Maggert, and was out when he was caught off first.

The winners came right back in their half of the sixth to score twice, when Fernandez popped out to first, Clifford walked, and stole second, Ivaldi struck out, Agnew doubled, scoring Clifford, Emeldi singled, scoring Agnew, and stole second, Labetich popped out to third base.

4 UNDEFEATED TEAMS OUT TO HOLD LEADS

May 6th, 1934.

By EDDIE MURPHY

Only four teams remain undefeated in the Double A division of the Eastbay Tournament being conducted by The Eastbay Unit of the Northern California Baseball Managers Association, but most of the clubs still have a fighting chance to win their way into the Oakland Tribune California Semi-Pro Championship tourney, to be staged during the Summer.

Robak Buffet, Central Bank, S. P. Stores and New World Life are the teams without losses and are considered most likely to produce the two teams that will automatically qualify for The Tribune tourney by finishing first and second.

FIGHT FOR LEAD

Robaks have won four games, and tomorrow meet National Market on the Elmhurst diamond at 2:45 o'clock. Central Bank also has four wins, and will travel to Imola to play Napa State Hospital. S. P. Stores have a clean slate with three wins, and will play Tracy Merchants on the latter's diamond, while New World Life plays Al Cigars at Bayview at 2:45 o'clock.

8 CLUBS STILL IN RUNNING FOR TITLE

May 6th, 1934.

By EDDIE MURPHY

Inspired by the announcement that teams finishing in first and second places are to be automatically voted places in the California semi-pro championship tournament to be conducted by The Tribune, starting July 31, teams in the Double A Division of the Eastbay baseball tournament have been playing great baseball. Although competition in the tourney reaches the fifth round today, more than half the 16 teams are still conceded a chance to finish first or second.

Central Bank and S. P. Stores, undefeated teams, will be playing out-of-town games, leaving Robak Buffet and New World Life holding the local spotlight. Robaks, who have not lost in four starts, meet National Market, runners-up, at Elmhurst at 2:45 o'clock, while at the same time, New World will battle Al Cigars at Bayview diamond in West Oakland. The Espees play at Tracy, while Central Bank will meet Napa State Hospital at Imola.

S. P. Stores, one of the best known Northern California teams, has won its last seven games. Last Sunday Tracy fell a victim to the shoots of Lelty Gugich. The hitting of Art Agnew, Brute Labetich and Andy Ivaldi and the infield play of shortstop Babe Emeldi have had much to do with the team's success.

UNBEATEN NINES CLASH AS OTHER TEAMS BATTLE TO GET PLACE IN TRIBUNE TITLE PLAY

May 13th, 1934.

By EDDIE MURPHY

Southern Pacific Stores and Robak Cafe baseball teams, which attracted the biggest crowd ever to watch a game at Bay View Playground when they met last Summer for the Eastbay Summer Tournament titles, meet on the same diamond tomorrow afternoon, at 2:45 o'clock, in another crucial tilt in connection with the 1934 Eastbay Tournament. Robaks have five wins and no defeats, while the Railroaders have won four without any defeats. New World Life has four wins, and one defeat and clashes with E. Berovich and Sons at Bushrod diamond at 2:45 o'clock.

Wins for S. P. Stores and Bercovich would bring about a complicated situation as the tourney has about two more months to run and at least eight clubs would have to be considered in the runing.

Competition in the tourney this year is keener than ever as 16 teams started and all boasted strong lineups. Those now remaining in the running are planning to take on new timber within the next couple of weeks as they want to be at the strongest possible strength because of a desire to get into The Oakland Tribune California semi-pro championship tourney which gets under way July 31 at the Oakland Ball Park.

ROBAKS, STORES TO PLAY FOR LEAGUE LEAD

May 13th, 1934

History repeats itself in Eastbay bushball circles today when Southern Pacific Stores and Robak Buffet clash on the Bayview diamond in West Oakland at 2:45 o'clock in a game for the undisputed leadership of the Double A division of the Eastbay Managers' Association Summer tournament. These teams met last Summer in the final for the title, and today's game will mean almost as much, since Robaks have five wins and no defeats and the Railroaders also show a clean slate with four wins.

ROBAKS NEED WIN

The teams finishing first and second in the Double A race will automatically become eligible to compete in the State semi-pro championship tournament to be conducted by The Tribune. If Robaks win they will virtually assure themselves of a place in The Tribune event, leaving the S. P. with plenty of competition for second place honors, with New World Life, National Market, Moffat Packers, Tacoma Beer, E. Bercovich & Sons, Bay Cities Bottle Supply, and half dozen others still in the running.

World Life, topping the list of teams already defeated with four wins and one defeat, faces a crucial contest today against E. Bercovich & Sons at Bushrod at 2:45 o'clock. The Bercovich team will be considerably strengthened within the next week by the addition of high school and college stars, including Frank Sobrero, who starred for the University of Santa Clara.

Phil Gugich or Frank Peacock will hurl for the Railroaders, with Louie Brazil doing the honors for Robaks.

ROBAKS GAIN IN MANAGERS' TOURNEY

By EDDIE MURPHY

Two home runs by Mesple, and another by Ryan, featured an uphill battle staged by Robak Buffet and resulted in Southern Pacific Stores going down to a 9 to 7 defeat after having a 7 to 0 lead. It was the eighth consecutive win for the Robaks and their sixth straight in the Eastbay Managers' tournament, which they now lead by a full game and a half.

The defeat of the Railroaders brightened the chances of other clubs to finish in second place and enter the California Semi-Pro Championship tournament, to be staged by The Tribune. The first two clubs will be placed in The Tribune event.

BALL TOURNEY LEADERS FACE HARD TILTS

Two of the first three clubs in the Single A division of the Eastbay Summer Tournament will play out-of-town games tomorrow, and both will have to do some hustling against their opponents to come home holding the same positions.

Central Banks, who have five straight wins, play at Petaluma, while Southern Pacific Stores, who are in third place, clash with the Associated Flying A's at Avon. Both games start at 2:30 p. m.

LEADERS AT ELMHURST

Robak-Golden Glow and Tacoma Beer hold the local bush spotlight. Robaks lead the tourney with six wins and no defeats, with the Tacomas in a fourth place tie with New World Life. They clash at Elmhurst diamond in East Oakland at 2:30 o'clock.

ROBAK, TACOMA GAME HEADS BUSHBALL

By EDDIE MURPHY

The Elmhurst diamond will be the scene of today's main event in local bushball circles. Robak-Golden Glow tossers who lead the Eastbay Summer tournament with six victories and no defeats, clash with Tacoma Beer at 2:30 o'clock. The Tacomans won four of six games played and should give the leaders a stiff battle.

BANKERS TRAVEL

Central Bank is the only other undefeated team in the Double A division. The team travels to Petaluma for what also appears to be a hard contest. Southern Pacific Stores play the Flying A's at Avon, so there is likely to be a big shake-up among the leaders.

A double attraction, featuring four teams competing for the Eastbay tournament championship, is billed for Bayview playground at 2:45 o'clock. Oakland Parlor of Native Sons and E. Bercovich and Sons, deadlocked with three wins and as many defeats each, meet on diamond No. 2, while Moffat Packers and New World Life battle on No. 1 diamond.

Reno, Nev.

S. P. Stores 5, Reno Garage 3.

Winning out in the ninth inning seems to be a habit with the Southern Pacific Stores, who for the fifth consecutive time defeated the fast Reno Garage team, at Threlkel Park, Reno, Nevada, by the score of 5 to 3. Trailing 3 to 2 for eight innings, Peacock led off the ninth with his third single of day, Clifford was safe on Freitag's error, Fernandez Walked, filling the bases, Ivaldi fanned, Agnew hit a hard grounder to short, which Freitag just could handle, who threw to the plate getting Peacock, Hill then threw to second to catch Fernandez off, but Freitag failed to handle the ball, and it rolled into centerfield, Clifford scoring the tying run, J. Labetich then singled sharply to centerfield, scoring Fernandez and Agnew, with the neccessary 2 markers to win. Peacock pitched a great game allowing only seven hits and striking out six. Visintainer for Reno showed a world of stuff, being very stingy in the pinch with men on base, setting the heavy hitters down twice with the bags loaded and no outs. He showed a nice curve ball and will give trouble to any opposition he may meet. Besides pitching a masterful game, Peacock let his teammates at bat by getting three hits, Clifford, Fernandez, Ivaldi, J. Labetich, and M. Labetich hit two apiece for the winners. Visintainer being the only Reno player to get two hits off of Frankie Peacock.

The visitors scored one run in the first inning on three hits, when Clifford singled to left, Fernandez struck out, Clifford stole second, Ivaldi singled to centerfield, scoring Clifford, Agnew was safe at first on a fielders choice, Ivaldi being out at second, Freitag to Reynolds, J. Labetich singled to left, M. Labetich forced J. Labetich at second, Reynolds unassisted.

The Garagemen came right back in their half of the first to even the count, when Beasley was out, Clifford to Agnew, Reynolds singled to centerfield, and was forced at second by Baker, Emeldi to Clifford, Baker took second on a wild pitch, and scored on Freitag's single to right, Doyle was out, Agnew unassisted.

The Renoites jumped into the lead in their half of the third, when Beasley led off with a long triple to rightfield, Reynolds popped to short, Baker hit a Texas League to rightfield, scoring Beasley, Freitag flew out to center, Doyle singled to center, Baker holding second, Gill flew out to centerfield.

The losers scored their final run in the fourth, when Inda flew out to left, Hill was hit by a pitched ball, Visintainer singled to left, Beasley walked, filling the bases, Reynolds flew out to centerfield, Hill scoring after the catch, Baker flew out to rightfield.

The railroaders scored one run in the seventh, when Abrew and Peacock singled to leftfield, Clifford beat out a hit to third, filling the bases, Fernandez struck out, Ivaldi grounded out to first unassisted, Abrew scoring on the play, Agnew fanned.

The ninth was once again the big inning for the visitors, when Peacock led off with a single to left, his third hit of the afternoon, Clifford was safe at first on Freitag's error, Fernandez walked, filling the bases, Ivaldi fanned, Agnew hit a hard one to short forcing Peacock at the plate, and when Hill threw to second to catch Fernandez, Freitag let the ball get away, and Clifford crossed the plate with the tying run, J. Labetich then hit a sharp single to centerfield, scoring Fernandez and Agnew.

ROBAKS BATTLE NATIVES IN FEATURE

By EDDIE MURPHY

With three of the first five teams in the race for the Eastbay Double A Summer championship booked for games out of the city, the local semi-pro baseball program for tomorrow appears less attractive than it has for the past few Sundays, when record crowds were attracted to various playgrounds.

However, Robak Buffet tossers, who lead the race, will remain at home and try to strengthen their standing at the expense of Oakland Parlor of Native Sons on the Elmhurst diamond at 2:45 o'clock.

The other team among the first five to remain at home is New World Life, which will play Angrella Buffet at Bayview Playground at 2:45. World Life is one game behind Robaks.

GAMES TO COUNT

Although they will be on the road competing against teams not in the tourney, Tacoma Beer, Central Bank and S. P. Stores will be credited with wins or losses in the tourney records.

The Tacomas, who are tied with New World Life, play the Veterans Home at Yountville, Centrals travel to Red Bluff and the Railroaders meet Reno on the latter's home diamond in their annual game.

GARAGEMEN MEET S. P.

Oakland Team, Renoites Slate Hot Game Today

The old dope book might be hurled into an open trench this afternoon when the Southern Pacific Stores' baseball club of Oakland defies the Reno Garage nine at Threlkel Park at 2:45 p. m.

The main reason for a possible upset either way is due to the fact that Manager George Gerichten of the bay team is a subscriber of the Reno teams to check and double check the hitting and fielding ability of each Reno Garage player. This sort of strategy may conquer a pile of competitors and at other times it might not be the day for such statistics and the time for the dopester to take a reversal.

George Gerichten is assisted in his general theory by F. M. Connett, business manager; M. J. Fernandez, field captain, and 13 mates play ball in standard round table planning. Last night in their special Pullman car they probably had a session between poker chips figuring out the law of averages as to what to pitch to Freitag, or Reynolds or Gill or Baker and so on. That is why they win ball games and if they do not win them they make their losings mighty hot for opponents.

Threlkel is ready for the gang he would like to win one game from without too many consecutive losses. These Oakland boys have reversed him but Jack has his tire changers ready to win from the start in Baker, Freitag, Reynolds and Beasley on the infield; Gill, Inda and Doyle in the outfield, while Leo Visintainer will pitch and Jack Hill behind the platter. Walter Keenan is the utility pitcher and outfielder for the garagemen.

Gerichten will choose his lineup from the following players: Fernandez, left; Clifford, second; Ivaldi, center; Agnew, first; Emeldi, shortstop; Labetich, right; Bussa, third; Abrew, catcher; Peacock, Gugich and Erceg, pitchers; McDermott and Aguirre, utility players.

The Oakland delegation arrived last night with more than 30 followers to root for the visitors and give Reno the "once-over" during the interim. The same team and its followers will be back in Reno over Labor Day for a two-game series.

Reno Garagemen Meet S. P. Nine Here Tomorrow

Two comparatively evenly matched teams will take to the field at Threlkel park tomorrow afternoon when the Reno Garage meets the Southern Pacific Stores' baseball club of Oakland.

For several years back these two teams have battled for supremacy, with the Oakland boys winning most of the games by narrow margins. This has been a habit with Manager George Gerichten and his players in taking the local grease shoooters down the line in baseball trimmings. The same club is coming tonight that won from the Reno lads in a hectic game last year.

Looking into last year's records, Threlkels men were leading five to nothing in the last half of the ninth, with no one on bases and two out. An infield error was made and the railroad men came to life and banged out five consecutive hits to win the fray by one run. It was the most sensational finish in all of last season's games.

Jack Threlkel is not going to postpone this game, even if it rains between innings. His boys are just the right age and want baseball, and Jack is going to turn them loose. They are like a bunch of young thoroughbreds going to the barrier and are demanding action. They finished training last night with a two-hour workout and every man was in top shape.

RAILROADERS NOSE OUT RENO IN NINTH, 5 TO 3

When Locals Seem To Have Game In The Bag, Crew Gets Careless And Espee Team Brings In Two Tallies

The Oakland Southern Pacifics pulled the usual garrison finish to nose out the Reno Garage yesterday, 5 to 3.

The fans were treated to some real artistic flinging when both Visintainer and Peacock showed at their best with the winner always in doubt. Threlkels kid pitcher threw the best game of his career and looked a winner until his teammates got careless in the ninth and let the Espees score three for the big end. The kid set down the main attack twice with the bases loaded and none out, which is something to brag about considering that Ivaldi is considered the most dangerous hitter playing out of organized ball. Peacock also deserves praise as he worked like a veteran showing talent when it was needed.

The run account was: Clifford, first man up for the visitors, singled; Fernandez fanned; Ivaldi singled; Agnew flied to Freitag; J. Labetich sent Clifford over with another single. Reno Garage tied the count in their half of the first; Beasley was out at first; Reynolds hit to left, Baker forced Reynolds and went to second on a pass ball; Freitag doubled, scoring Baker. The Garagemen went to the front in the third when Beasley hit for three bases and scored on Baker's single, and added another in the fourth when Inda flied to Ivaldi; Hill was hit by a pitched ball; Visintainer singled and Hill romped to third; Beasley walked and Hill scored on Reynolds' infield out.

The visitors scored one in the seventh when Abrew singled; Peacock singled; Clifford was safe when Baker made a bad throw to second on a sacrifice, filling the bases; Fernandez struck out, but Abrew scored when Beasley's throw was late at the plate on Ivadli's roller, and Agnew struck out to end the trouble. The railmen came into their own in the fatal ninth when Peacock opened the inning with his third hit of the game. Clifford attempted to sacrifice but Freitag erred and Fernandez walked to load the bases. Agnew nearly drove Freitag off his feet but the shortstop made the play at home for the put-out, but Hill overthrew second and the score was tied. J. Labetich herewith singled sharply to center to add the necessary margin.

Next Sunday the Sunset Scavengers of San Francisco will furnish the opposition.

GOOD AND BAD BREAKS

The biggest crowd of the season was on hand to watch the Espee-Reno Garage festivities and received their money's worth as it was action from start to finish.

The players and fans took unkindly to some of Umpire Kilmer's decisions.

This was the fifth game for Manager Garechton of the visitors and was the fifth victory, and he will be back Labor day for a two-day bill.

A coincidence in yesterday's game was Freitag being unable to hold a line drive, the same thing occurred last year and if he could have held the ball the game would have been over with the locals on top.

The Railroad boys present a nice offense and defense and always give a good account on activities and rate with the best semi-pros in the west.

Jack Hill is developing fast as a catcher and may be in a Coast league uniform soon, as receivers are scarce.

Reno Evening Gazette

S. P. STORES TEAM TO PLAY HERE SUNDAY

A special Pullman car will convey the Southern Pacific Stores baseball team and its followers to Reno Saturday night as the railroaders meet the Reno Garage team Sunday afternoon at Threlkel park.

Manager George Gerictson is bringing thirteen players in the party. They comprise a strong club and include the same players that dealt out some fast games in the recent Oakland tournament. This gang has been playing together through several stormy sessions and it is not their first visit to Reno.

In a close game last year the Espee boys nosed out the Threlkel men in the ninth inning after two men were out. They had banged out three scattered hits up to this round and then they came through with a fusilade of base knocks for a win.

Jack Threlkel is anxious to win this contest as the Oakland boys have always been a thorn in the victory column. He is crowding his line-up to top position because of the last two weeks of spotted weather which hampered the boys in their preparation.

VISITING PLAYERS RIDE SPECIAL PULLMAN

Baseball will have a big inning at Threlkel park tomorrow afternoon when the Southern Pacific Stores baseball club oppose the Reno Garage team in the first of three scheduled games. The final two games will be played on a Labor Day booking in September.

Manager George Gerichten and his thirteen ball tossers will arrive tomorrow morning on train No. 10 in a special car. They will be accompanied by their wives and rooters to full capacity and hope to return tomorrow night with a scalp in their Pullman.

Captain M. J. Fernandez is in left field after a light year in 1933 with a broken leg. He is teamed with Ivaldi in center and Labetich in right. These men are consistent fly chasers and nice hitters. They have played in the outer ring for several seasons and a fly ball near them is certain to be taken into control.

Gerichten's infield includes: Agnew at first; Clifford, second; Emeldi, short, and Bussa, third. Little needs to be said about these four lads and infielding is a part of their contribution to the team co-operation and many victories.

The balance of the team is composed of Abrew catching and McDermott and Aguirre as utility players. Peacock, Erceg and Lefty Gugich are the three twirlers to select from and either Peacock or Guigich will be certain to start.

Threlkel's boys finished their workouts last night with one of the best of the season. They rattled off base hits in mid-season form and their fielding was steady. As a result of the workout Jack is more optimistic than ever. Beasley, Reynolds, Freitag and Baker will play the infield, while in the outfield will be Gill, Inda and Doyle. The express battery of Leo Visintainier and Jack Hill will do the pitching assignment, while Walter Keenan will be the utility man. He is an outfielder and pitcher and hit .408 in the winter league.

The game will start at 2:45 o'clock.

OAKLAND ESPEES DEFEAT RENO GARAGE NINE

The Reno Garage baseball team again fell short with the Oakland Southern Pacific team yesterday, losing by a five to three score. The local fans turned out en masse for a game billed as a classic and went home well pleased with the entertainment as the fracas was filled with breath taking and heart breaking moments.

Most spectacular was the play of Leo Visintainer who pitched the best brand of ball that is possible for one man, yet who emerged with a loss that should be charged to his teammates who fell asleep at the switch when the railroaders were giving the signals and running bases.

A young lad by the name of Peacock went to the hill for the Espees and was plumed for three earned runs before he saw the light of day and settled down after the fourth to give the locals some fat zeros.

Peacock led the field in hitting for the day, getting three safe hits while Visintainer, Freitag, Fernandez, Ivaldi, and J. Labetich were getting two. The latter broke up the game in the ninth when he hit a long single to score two and the finale.

The visitors took the lead in their opener with singles by Clifford, Ivaldi, and J. Labetich, counting one. The Garagemen made it even in their half when Reynolds singled, but was forced by Baker who advanced on a passed ball and scored when Freitag hit the fence for two bases. The locals came right on in the third to count one when Beasley tripled and scored on Baker's hit. They again counted in the fourth when Hill was hit, advanced to third on Visintainer's single, and scored when Reynolds was thrown out at first.

The lull settled and neither side could dent the rubber until the Espee's seventh, when Abrew and Peacock singled and Baker threw badly to second on Clifford's intended sacrifice filling the bases with no one out. Visintainer took a tighter grip and would have retired the side had not Beasley elected to make the play at first on Ivaldi before throwing to the plate and Abrew scored.

The Garagemen still led into the ninth but the visitors made three runs when Peacock collected his third hit, Clifford sacrificed but Freitag mishandled the ball, and Fernandez watched four bad ones and again the bases were bulging. Visintainer set the Oakland ace Ivaldi down on three pitched balls, and Agnew hit sharply to Freitag and Peacock was out at the plate, but Hill threw wild to second for a double play and Clifford scored. J. Labetich cleaned the bases with a sharp single to right for the final scores.

ROBAKS BATTLE MACEY MOVERS AT ELMHURST

By EDDIE MURPHY

The underdogs in the Double A Division of the Eastbay Summer Baseball Tournament get their big opportunity this afternoon to upset the dope bucket. The underdogs happen to be the Macy Movers, who have won only one game in nine, losing several by close scores. They are scheduled to meet Robak Buffet, leaders of the tourney, at the Elmhurst diamond at 2:30 o'clock.

Robaks have had things pretty much their own way since the start of the tourney, losing only one game in nine, and nothing would please Art Macy more than to see his Movers move right in on the Robaks for a win.

LEADERS CLOSE PRESSED

The leaders cannot afford to let up, as they have four clubs, Tacoma Beer, New World Life, S. P. Stores and Central Banks, all within a game of them, and a defeat for the Robaks today would see them tied with Tacoma or New World, who clash at Kenny Park in Berkeley at 2:45 o'clock.

The S. P. tossers tangle with E. Bercovich, the first team to make application to compete in the Oakland Tribune State Semi-Pro championship. They meet at Bayview diamond at 2:45. Another tournament game to be played on the opposite field at Bayview will be between Tallant Tubbs' Senators and the Nierman and Lefkovitz Bottle Supply.

The S. P. Stores will meet E. Bercovich and Sons at Bayview Number One at 2:45 o'clock, and this should be a real scrap, as the latter club has been going along well, while the railroaders are among the favorites to place first or second in the tourney.

S. P. Stores 5, E. Bercovich 3

Gugich allowed five hits and fanned seven. Serventi for Bercovich gave eight hits. Brute Labetich hit a homer with two on that won the game. Johnny Labetich hit two. Joe Annunzio, losing catcher, looked exceptionally good and hit two.

S. P. Stores 5, E. Bercovich & Sons 3.

The Southern Pacific Stores tightened their hold on second place in the Summer Tournament, when "Lefty" Gugich held the Bercovich team to five hits, striking out seven, while his team mates were pounding out a 5 to 3 win. The second inning was the winners big one, when after Agnew and J. Labetich walked, M. Labetich hit a home run over the centerfielders head. Fernandez and J. Labetich, with two hits apiece carried off the hitting honors for the winners, while Mudge and Annunzio hit the same number for the furniture boys.

The railroaders scored four runs on three hits, three walks, and an error, in the second, when Agnew and J. Labetich walked, and scored ahead of M. Labetich who crashed a home run to deep centerfield, Emeldi was out, Serventi to Goodell, Abrew singled to center, Gugich walked, both runners advanced on Goodell's error, Clifford flew out to centerfield, Fernandez singled passed short, Abrew scoring, Ivaldi popped out to Goodell.

The losers came within one run of tying the score in their half of the fifth, when Mangini was safe at first on Emeldi's error, Wulff forced Mangini at second, Clifford to Emeldi, Wulff stole second, Goodell singled to right, scoring Wulff, Mudge singled to rightfield, Goodell taking third, Annunzio singled passed third, scoring Goodell, and Mudge scored on Agnew's error, Serventi was out, Gugich to Agnew, Dix fanned.

The winners scored their final run in the eighth, when Fernandez singled to centerfield, and took second on Mudge's error, Ivaldi was out, Serventi to Goodell, Agnew singled to centerfield, scoring Fernandez, Agnew was out attempting to steal second, Annunzio to Dix, J. Labetich singled to center, M. Labetich walked, Emeldi forced J. Labetich at third, Masucci unassisted,

Servanti, losing pitcher, had one inning when "Brute" Labetich homed with two men on. Fernandez and J. Labetich hit two apiece for the winners, while Mudge and Annunzio did the same for the vanquished.

The victory tightened S. P.'s hold on second place in the Eastbay Tournament, although they are still tied with New World Life.

ROBAKS SCRAP TO HOLD LEAD IN TOURNEY

By EDDIE MURPHY

The eleventh round of games to be played tomorrow in the Eastbay Summer baseball tournament is likely to result in two or more clubs being tied for the Double A lead, which is now held by Robak Buffet, which won nine of the first ten games played.

New World Life, Central Banks and S. P. Stores all have a chance to tie for the lead, as Robaks face a hard foe in the Tacoma Beer team, which they meet on San Pablo Park diamond at 2:45 o'clock. Babe Wisniski, whose great pitching has caused scouts to keep a watch on him, will be on the hill for Robaks, with Norman Riggs working for the Beer team.

A defeat for Robaks will mean that either New World or the railroad men will tie for the lead, as these teams meet in a 2:45 o'clock game at Bushrod playground, and the winner will have the same record as the leaders.

The Centrals clash with Chapel of Oaks at Kenny Park in Berkeley at 2:45 o'clock, and they will send Jimmy Stevens to the mound. The former Oak pitched a three-hit game against Modesto last Sunday.

ROBAKS BATTLE STRONG TEAM FOR LEAD

Four important games are scheduled today in the Double and Single A division of the Eastbay Summer baseball tournament, with prospects that a trio of clubs will be tied for the lead in the Double division.

Robak Buffet tossers, who have had things pretty much their own way, losing only one game in nine, to lead the Double A, meet one of their toughest foes when they clash with Tacoma Beer at 2:45 o'clock on the San Pablo park diamond in Berkeley and if they are toppled by the Beermen they will have the company of S. P. Stores or New World Life, who clash at Bushrod playground at 2:45 p. m. There is a chance of Central Banks, who meet Chapel of Oaks at Kenny Park, to join the Robaks on the top rung.

RIGGS TO HURL

Norman Riggs, who lost a pitching duel against the New York World team last Sunday, will be on the hill for the Tacomans with "Babe" Wisniski working for the leaders. Martin, "Cookie" Freitas and Mesple did some fine fielding behind Brazil.

Marcel Serventi, the young pitcher who is slated to join the Oaks next season, will hurl for Bercovich and probably will be opposed by "Babe" Wisniski. Robabs have lost only one game in 11, but are hard pressed by S. P. Stores who lost two and are ready to step to the top at the slightest slip of the leaders.

The Railroad men will meet Moffat Packers at Bayview diamond No. 1 at the same time Robaks and Bercovichs will be battling on diamond No. 2.

BUSH FEATURES AT BAYVIEW

GAMES AT BAYVIEW

Two games of the double A division of the Eastbay Summer tournment are scheduled for 2:45 o'clock on the Bayview diamond. On diamond No. 2, Robak Buffet, leaders of the tourney, by a single game over Southern Pacific Stores, will meet E. Bercovich and Son, the up and coming team which has made trouble for most of the leaders. On diamond No. 1, the Railroadmen will meet Moffat Packers. A defeat for the Buffetmen and a victory for the Railroaders will mean a tie for first place.

STOREMEN AND ROBAKS WIN IN TOURNEY

It was just another case of too much "Babe" Wisniski as E. Bercovich & Son's Furniture team bowed to Robak Buffet, 7 to 3, as the latter club retained its place at the top of the Double A division of the Eastbay summer baseball tournament.

Wisniski allowed only four hits and fanned 10. Madruga hit a double and single, and Cherney two singles to help Robaks win. Madruga also took part in two snappy double plays.

WULFF FIELDING STAR

Wulff played a good game in right field for Bercovich, making five great catches. Marcel Serventi hurled for the losers and was nicked for nine hits.

Although outhit, 11 to 7, S. P. Stores managed to nose out Moffat Packers, 5 to 4, remaining only one game behind Robaks. "Babe" Emeldi hit a homer with a man on, while Art Agnew connected for three hits. Gugich pitched his best in the pinches.

ROBAKS BATTLE TO COP LOOP TITLE

By EDDIE MURPHY

With the certainty of a tie for the championship of the Double A division, Robak Buffet semi-pro baseball team will meet Central Bank at San Pablo diamond tomorrow at 2:45 p. m. to try to clinch the championship.

The Robak team, an entrant in The Tribune championship tourney which starts July 31 at the Coast League baseball park, has lost only one game in the 12 played in the tournament and the Bankers have lost only twice, so there may be a hot argument tomorrow.

Scores of other games will be played in leagues throughout the Alameda County and in independent competition.

S. P. MEETS SONS

S. P. Stores, another tournament entrant, second in the Double A division, tackles the Oakland Native Sons at Bayview at 2:45 p. m., while Moffat Packers play Tacoma Beer at the same time, and New World Life meets E. Bercovich and Son at San Pablo at 12:30 p. m. All of these teams have filed entry

EASTBAY NINES TO CLASH IN CRUCIAL TEST

A capacity crowd is expected to be on hand at San Pable Playground in Berkeley this afternoon to witness a crucial game in the Double A division of the Eastbay Managers' Association Summer baseball tournament. Robak Golden Glow Buffet nine, which has lost only one game in 12 played, clashes with Southern Pacific Stores at 2:45 o'clock. A win for the Railroadmen would give them a tie for first place with Robaks.

Since the teams finishing in the first two places in this tourney automatically get a place in The Tribune's State tournament, fans can expect the rivals to stage a gruelling contest. Due to the keen rivalry, it was decided to play on the neutral diamond in Berkeley. The Robaks hail from the Ninetieth Avenue section of East Oakland, while most of the Railroadmen have made Bayview their home diamond.

S. P. NEEDS VICTORY

"Babe" Wisniski is slated to hurl for Robaks, with Dick Elling or Phil Gugich flinging for the Storemen, who are set to put up their hardest fight because they cannot afford to lose with the Central Banks trailing them by a single game. The Bankers are favored to win their game with Oakland Parlor of Native Sons at Bayview diamond at 2:45 o'clock.

VETERANS AND ROBAKS NEED ONE WIN

July 7th, 1934.

By EDDIE MURPHY

With only two more games remaining to be played, runners-up in the Single and Double A divisions of the Summer Baseball Tournament, being conducted by The Eastbay Managers' Association, will be out tomorrow to display plenty of fight, as a defeat for them would mean the cinching of championships by Robak Buffet, leader in the Double A division, and Veterans of Foreign Wars No. 999, who top the Single A class.

The big clash of the day will be at Bayview playground in West Oakland, where Robaks will meet Southern Pacific Stores at 2:45 o'clock. The Railroadmen are a game and a half behind the Buffet nine, and even if they win tomorrow the only possible way they can finish on top would be for them to win the following Sunday again while the Robaks suffered another defeat.

TOURNAMENT TEAMS NAMED TOMORROW

ALL set semi-pros! The Tribune tournament committtee for the California State championship semi-pro baseball competition has that big announcement ready for you. Names of the 24 teams which will go into the fight for the State title will be announced tomorrow in The Tribune.

RIVALS THREE YEARS

Keen rivals for three years, the teams are expected to play before a capacity crowd. Fans will have a chance to compare the two teams for their chances in The Oakland Tribune State Championship tournament which starts July 31. Louie Brazil or Babe Wisniski will pitch for Robaks, with Frank Peacock or Phil Gugich throwing them for the Stores.

FOUR SCRAMBLE FOR FLAG IN B DIVISION

By EDDIE MURPHY

Championships in the Double A and Single A divisions of the Eastbay Baseball Managers Summer tournament may be decided today with the playing of the fourteenth round. Robak Buffet can take the Double A honors by defeating Southern Pacific Stores in the game which is scheduled for 2:45 this afternoon at Bayview playground in West Oakland, the home field of the Railroaders.

If the Stores win today, the teams will be tied for the leadership of their division, and a game, which has already been arranged, will be played Sunday, July 15 to decide the title.

The Double A division race is likely to be brought to a close Sunday when the hard playing Robak Golden Glow Buffet nine, leaders of the division, tackle their nearest rivals, the S. P. Stores. If Robaks win, they will be the champions. If they lose, another game the following Sunday will be in order. The champions will receive a beautiful team trophy donated by Judge Howard L. Bacon, Pop Arlett and Manual Duarte. The players will receive silver engraved rings.

Robaks, the railroad men, have the following of thousands of fans because of the brand of baseball they are noted for putting on. They played to a record crowd last Sunday and no doubt will do the same today. "Babe" Wisniski is billed to work for Robaks with Phil Gugihc pitching for the Espees.

RECORD CROWD EXPECTED AT BUSH TILT

By EDDIE MURPHY

The Eastbay Summer Baseball Tournament will come to a close today with the playing of the most important game since the start of the season. Thousands of fans are expected to flock to San Pablo Playground in Berkeley, where Robak Buffet and S. P. Stores are to start play for the Single A Championship at 2:45. If the game today is nearly as exciting as it was last Sunday, fans are to have a real afternoon.

CAN TAKE TITLE

The Double A Division race may close this coming Sunday when the hard playing Robak Golden Glow Buffet nine, leader of the division, tackle its nearest rival, the S. P. Stores. If Robaks win, they will be champions. If they lose, another game the following Sunday will be in order. The champions will receive a team trophy donated by Judge Howard L. Bacon, Pop Arlett and Manual Duarte. The players will receive beautiful silver engraved rings. Watch the Saturday Tribune for the time and place of the game. It will be either San Pablo or Bay View.

Robaks and S. P. Stores are both to play in The Tribune tourney so they can be expected to put forth their best efforts for victory, as a win will send them into the state event with that much more confidence. Babe Wisniski or Louie Brazil will hurl for Robaks with Phil Gugich or Frank Peacock as the opponent.

GUGICH HURLS STOREMEN TO 5-3 WIN

The race for the Double A championship of the Eastbay Baseball Managers' Association Tournament will not be settled until the final round is played Sunday. Robak Buffet, which has topped the clubs since the tourney got under way three months ago, missed a chance to cinch the title when they were defeated by the S. P. Stores at Bayview Playground, 5 to 3.

The Railroadmen landed on Babe Wisniski and Louie Brazil, star pitchers of Robaks, for 10 hits, of which Phil "Lefty" Gugich got two. Mitchell Labetich hit a triple and double, while Andy Invaldi and Babe Emeldi each hit two for the Railroadmen.

MEET AGAIN SUNDAY

Gugich pitched a steady game against Robaks, who have lost only two games in 14. He turned them back with five hits and fanned eight.

As agreed by the two managers a week ago in the event the Railroadmen won yesterday, the two teams will meet in the 15th round game Sunday afternoon at 2:45 at San Pable Playground in Berkeley, a neutral field. The winner will cinch the championship as the Railroadmen are only a half game behind Robaks. A crowd estimated at more than 3400 saw the game at Bayview.

S. P. Stores vs. Robak Golden Glow Buffet.
Sunday, July 15th, 1934.
San Pablo Park, Berkeley.
(Championship Game)

S. P. Stores 4, Robak Golden Glow Buffet 11.

Lady Luck deserted the Southern Pacific Stores baseball team and they lost their bid for the championship of the East Bay Summer Tournament, when they went down to defeat by the score of 11 to 4, at the hands of the Robak Golden Glow Buffet. Although getting 11 hits to the winners 12, the breaks went against them and they could not get going, along with poor fielding on the part of most of the infield. Brazil for the winners was in trouble through out the game, but spectacular plays at the right time on the part of his teammates, always pulled him out of the hole. Gonzales with four hits, and Madruga and Mesple with two each hit hard for the winners, while Agnew with a double and two singles, J. Labetich, Ivaldi, and Abrew with two hits apiece, carried off the honors for the railroaders.

The winners scored two in the first, when Freitas was safe on Clifford's error, Gonzales singled to left, Freitas holding second, Madruga sacrificed them both along and was out Peacock to Agnew, Martin hit third for what looked like an easy double play, but J. Labetich threw home and hit Freitas on the back the ball going to the back stop, and Freitas and Gonzales scoring, Florence was out Emeldi to Agnew.

The Stores tallied one in the half of the third, when Emeldi singled to left, Abrew singled to right, Peacock sacrificed them both along, and was out Madruga to Freitas, Fernandez was out, short to first, Emeldi scoring, Clifford walked, J. Labetich forced Clifford at second, Gonzales to Freitas.

They tied it up by scoring another in the fourth, when Agnew singled to center, M. Labetich sacrificed him to second and was out, Brazil to Freitas, Ivaldi was safe on Gonzales's error, Agnew scoring, Emeldi was out third to first, Abrew walked, Peacock popped out, third to first.

The Robaks scored four runs in the fifth, when Cherney flew out to center, Mesple and Ryan walked, Brazil singled to left, scoring Mesple, Freitas singled to center, scoring Ryan, and Brazil, Gonzales singled to third base, Madruga was safe at first on a fielders choice, Freitas scoring, and Gonzales going out Emeldi to Clifford, Martin forced Madruga at second, Clifford to Emeldi.

They scored two more in the sixth, when Florence walked, and was forced at second by Cherney, Agnew to Emeldi, Mesple singled to left, Ryan singled thru short, scoring Cherney and Mesple, Brazil was out Emeldi to Agnew, Freitas flew out to centerfield.

The S. P. scored another in the sixth, when Agnew singled to right, M. Labetic flew to left, Ivaldi singled to left, Emeldi walked filling the bases, Abrew flew out to center, Agnew scoring and the other runners advancing after the catch, Peacock flew out to left.

Robak's scored two more in the seventh, when Gonzales singled to right, Madruga bunted down the third base line and was safe at first, Martin hit to third base filling the bases, (Gugich replaces Peacock for S.P. Stores) Florence hit into a double play, J. Labetich to Abrew to Agnew, Cherney walked, Mesple singled to right, scoring Madruga and Martin, Ryan was out Third to first.

The final run was made by the winners in their half of the eighth, when Brazil went out, Gugich to Agnew, Freitas was safe on J. Labetich's error, and scored on Gonzales's double to left, Madruga laid down a bunt to the pitcher and was safe at first, Martin hit into a double play, Emeldi to Clifford to Agnew

ROBAKS, S. P. STORES TO PLAY FOR EASTBAY TITLE

ALAMEDA ELKS OUT TO COP CITY FLAG

By EDDIE MURPHY

The big game of the Summer season in Eastbay semi-pro circles takes place tomorrow afternoon at San Pablo playground at 2:45, when Southern Pacific Stores and Robak Buffet clash for the second successive Sunday to settle the Eastbay Summer championship.

Playing before the biggest crowd ever to witness a game at Bayview diamond, in West Oakland, the Railroad Men last Sunday prevented Robaks from cinching the title, defeating them, 5 to 3, and making the game tomorrow necessary.

BERKELEY SCENE OF GAME

Because of the rivalry among the players and fans it was decided not to play at Bayview or Elmhurst, but move to the neutral field in Berkeley. Last Sunday's game was a thriller from start to finish, with the players scrapping every minute, while rival fans did a lot of arguing on the side lines.

Through the cooperation of President Byron "Speed" Riley and his teams in the Berkeley Colored League it was possible for the teams to get San Pablo field, which no doubt will be the scene of another record crowd.

"Babe" Wisniski and Louie Brazil, who were victims of the Railroad Men's wicked bat-wielding in the former game, are both eager to take the hill and get revenge tomorrow. It is likely that Wisniski will be the choice of Manager Al Robak, as he has done most of the pitching in the tournament. Phil Gugich, who turned Robaks back with only five hits and fanned eight, is slated to work against them again, with Frankie Peacock in reserve.

The clubs are unquestionably two of the best in the State, boasting well-balanced infields and outfields. "Cookie" Freitas at second, Billy Gonzales on short, Al Madruga at first and Johnny Mesple on third give Robaks a smooth-working infield, just as the Railroad Men have with "Babe" Emeldi at short, Pat Clifford on second, Johnny Labetich at third and Art Agnew on first. Monte Florence, Jay Ryan and Teddy Martin round out the outfield for Robaks, with "Midge" Fernandez, Mitchell Labetich and Andy Ivaldi looking after it for the Espees.

BRAZIL STARS AS ROBAKS WIN FLAG

Louie Brazil pitched his second win in as many starts against the Southern Pacific Stores at San Pablo Playground to give Robak Buffet the Eastbay Managers' Summer Tournament championship. Robaks won the game, 11 to 4, by landing on the shoots of Frankie Peacock and Phil Gugich for 15 hits.

Billy Gonzales starred at bat by hitting a double and three singles for the winners. Frank Freitas also hit hard for the champs, connecting for a double and two singles.

The Railroadmen made 11 hits off Brazil, but he kept them well scattered. Art Agnew hit a double and singles for the losers.

TOURNEY MANAGERS MEET

MANAGERS of the 24 teams selected to play in the State Championship Semi-pro tournament to be staged at the Oakland Ball Park, starting July 31, under auspices of the Oakland Tribune, are requested to attend an important meeting to be held tomorrow night at 8:15 o'clock in The Tribune Building. Managers will report at the entrance on Franklin Street between Twelfth and Thirteenth Streets.

Robaks Annex Double A Title

Robak's Buffet, entrant in The Tribune semi-pro baseball tournament scheduled to start July 31 at the Coast League Park in Emeryville, won the championship in the Double A division of the Eastbay Managers' Association Summer tournament yesterday by turning back the S. P. Stores, 11 to 4, at San Pablo diamond.

Louie Brazil pitched the victory for the new champions for his second triumph over the Espee nine this year. Billy Gonzales had a big day at bat for the winners, getting four hits in five trips to the plate, one a double. Freitas got three bingles, including a double.

Following is how the teams in the Double A and B divisions finished:

STAR S. P. HURLERS

Phil Gugich, Frankie Peacock and Dick Elling form the pitching trio for the S. P. team, and the old reliable Johnny Abrew will be back on the job to do the catching. Gerichten believes that he has a staff of batterymen that will shape up with any that will perform in the tournament.

Johnny Labetich, who was with the Oaks and Missions at different times, will look after third base, with Al Emeldi at short, Pat Clifford on second and Art Agnew on first. Clifford and Emeldi formed one of the fastest second base combinations in the tournament last year.

Manuel Fernandez, Andy Ivaldi and Mitchell Labetich, who were all on the team in 1933, will again be on hand for outfield duty. Ivaldi led the club in hitting during the tourney with a .376 mark.

Gerichten intends to sign four or five more players before the time limit is up, and the Railroad Men can be expected to make another fine showing.

Managers desiring to enter their teams are advised to file applications as soon as possible, for the entry list will be closed at 6 p. m. Monday, July 9. Any team is eligible to enter. For further information, write or phone The Tribune sports department.

NEW TEAMS SET FOR DEBUTS IN TRIBUNE TOURNAMENT TONIGHT

By EDDIE MURPHY

Two newcomers in tournament play will be seen in action at the Oakland Coast League Park tonight as four teams make their start in The Tribune's state semi-pro baseball championship.

Boldemann Chocolates of San Francisco, who meet the S. P. Stores in the first game, starting at 7 o'clock, and Veterans of Foreign Wars, who clash with Super Shells of Martinez in the second tilt, were not among the competitors last year. Both clubs are expected to make a creditable showing in the tourney, as Boldemanns finished in second place in the San Francisco Managers' tournament, while Veterans took top position in a single A tournament conducted by the Eastbay Managers Association.

GUGICH TO HURL

The railroad men are slated to take the field tonight with Phil Gugich on the mound for them. Gugich hurled three innings against National Market at Alameda last Sunday and allowed only one hit. Manager George Geritchen decided that he made the best showing of the three hurlers he worked in the game. Also Gugich gained considerable pitching experience while in the Mission Red training camp at Stockton where the veteran, Charles "Gabby" Street, gave him some good pointers.

The S. P. team is the same with a couple of exceptions as it was last year. Manuel Fernandez will again be their lead-off man in the batting order with the scrappy little Pat Clifford batting second and followed by Andy Ivaldi. Lou Agnew, one of the newcomers in the ranks, will look after first base with the valuable Labetich brothers, Johnny and Mitchell, batting fifth and sixth, respectively. "Babe" Emeldi, whose great work at shortstop last year was one of the features of the tournament, will follow the Labetich boys, with Johnny Abrew, the catcher coming next and Gugich following.

Manager Norman McQueen of Boldemanns announced that he will use Ray Klisura, a righthander of much promise, against the S. P. team. Benny Morgenstern, who was with the Mission Reds a few years ago, will look after one of the infield positions.

STAR HURLERS CLASH

Dewey Brown, who pitched for Petaluma last year, is scheduled to do the mound chores for Super Shells when they meet the Veterans in the 9 o'clock game. Manager Bob Stevenson of the Shells planned to use "Lefty" Eglight tonight but was forced to put him to work last evening in a twilight game against Union Oil. The Shells are to face one of the best little pitchers in Eastbay circles as Manager Bill Fowler has decided to send An-

S. P. AND VETERANS WIN IN TOURNEY

Oakland Sports Tribune

VOL. CXXI— 6 OAKLAND, CALIF., SATURDAY, AUGUST 4, 1934 B NO. 35

SHELL BEATEN, 4-3, BY HIDDEN BALL TRICK

Gugich Sets Down Boldemann Nine By 5-0 Count

By EDDIE MURPHY

A couple of local boys made good at the Oakland ball park last night as Southern Pacific Stores defeated Boldemann Chocolates of San Francisco, 5 to 0, and Veterans of Foreign Wars took the measure of Super Shells of Martinez, 4 to 3, in first round games of the Oakland Tribune's State semi-pro baseball championship tournament.

The game between the Shells and Veterans finished with more than a couple of hundred fans trying to block the way of Umpires Alan Moore and Clyde Borba to their dressing rooms. Supporters of the Martinez Club became hostile when Umpire Moore called out Clarence Camozzi at first base on the hidden ball trick executed by Andy Genovesino, first sacker of the Veterans, in the last inning for the final out of the game.

BREAKS UP RALLY

The hidden ball trick broke up a threatened rally by the Shells. They entered the last frame trailing, 4 to 2. Jack Anti, batting for Buckman, doubled, and Joe Smith fanned for the third straight time.

A single by Joe Rooney, batting for Parrish, scored Anti after which came another single by McSorley, who was forced at second by Clarence Camozzi with Jordan taking the throw.

Jordan managed to sneak the ball back to Genovesino at first base without any of the Shells noticing it, and the result was that Camozzi moved just enough off the bag to allow Genovesino to tag him out and then hold him stationary while Umpire Alan Moore called Camozzi out. Moore was alert, as he did not hesitate a flash of a second on his decision when Genovesino got Camozzi off the bag.

HURLER BIG STAR

The Shells and their supporters made a strong protest on the decision, some of them claiming Genovesino shoved Camozzi off the bag, while others claimed that Pitcher Giacone took his position on the mound and made a motion to pitch without having the ball in his hand. However, it appeared that the Veterans pulled one of the best hidden ball tricks ever witnessed on the Oaks' field.

Genovesino would be hailed as the big star of the game but for the fact that Giacone drew the plaudits of the fans all evening by his performance on the mound for the Veterans. Giacone, who was a great pitcher when he was a boy in his 'teens, only to have his chances to break into professional ball spoiled when he suffered a knee injury as he slid into second base, was by far the big star of the evening's double program.

He allowed the Shells thirteen hits, but in the pinches turned the best of the Shell batsmen back on strikes to pull out of tight spots. He fanned ten batters, with Joe Smith, former University of California captain, being a three-time victim.

WINS RIVALS' CHEERS

Inning after inning the limping pitcher trotted off the mound to applause by more than 2500 fans, including many supporters of the Shells. It is too bad he is handicapped by the lame leg, as he certainly showed last evening that he has a great knowledge of pitching.

Maybe it was his great performance in the first inning, when he fanned three batters to bring the fans to their feet to applaud him that gave the Veterans their spirit to down the strong Super Shells, leaders of the Contra Costa County Refinery League. Those Veterans were full of fight all evening, and from now on may be hard to stop.

Last night's victory was the eighteenth in twenty games for Giacone this Summer, and to all the Veterans it was the most important, as they are out to be crowned California semi-pro champions.

Dewey Brown, pitcher for the Shells, pitched a creditable brand of ball, as he was responsible for only two of the four runs made off him. The Veterans made one in each of the third and fourth innings with the aid of errors, and then earned one in the fifth when Alma-

da singled, was forced at second by Haverty, and Corbett doubled. They also earned one in the sixth when Kingsley singled, La Ponte singled and Pacheco doubled after Giacone fanned.

Phil Gugich, the young pitcher who was in camp with the Mission Reds last Spring, made quite an impression on visiting scouts by holding Boldemanns to three hits and fanning twelve as the S. P. Stores took the measure of the Chocolate Kids.

O'Donnell and McGough got singles off him in the first inning, and he pitched hitless and runless ball until the seventh, when Braussenou got the third and final single.

The Railroad men nicked the offerings of Carl Kilsura, Boldemann pitcher, for fifteen safe blows, but it was not until the fifth inning that they dented the run column. They bunched four of their hits, including singles by John Abrew and Pat Clifford, and doubles by Gugich and Ivaldi, for their first three runs. After that the Railroad men, with Gugich pitching masterful ball, won just about as they pleased.

EIGHT TEAMS CLASH TODAY IN LAST OF FIRST ROUND GAMES

By EDDIE MURPHY

Among the eight teams that went into combat at the Oakland ball park today to finish up the first round of play in the Oakland Tribune's California championship semi-pro baseball tourney, were three that were favored to place among the five money-winning teams.

With four games on the program which was opened by California and Hawaiian Sugar team of Crockett meeting Athens Colored Elks of Berkeley, it was believed that the biggest crowd of the tournament to date would be on hand.

The Colored Elks have a big following, as have the Sugar Boys from Crockett. The latter team is listed among the favorites to finisn in the money. The second game, between Stockton Parlor of Native Sons and Virden Packers of San Francisco promised to be featured by another great pitching duel.

SCOUTS WATCH ERICKSON

Richmond Produce, managed by Harry Scow, is one team that will be closely watched by the scouts. On this club is Oscar Erickson, their young shortstop, who is likely to be handed a minor or big time contract before the tournament ends.

Chet Bottome, catcher for New World Life, and Johnny Martinez, the pitcher, are a pair worth watching. Bottome has already received several offers from major clubs and declined. Martinez is not slated to work on the hill in the 6 o'clock game tonight, but probably will get the call from Manager Elmer Coleman in the second game of the tourney. Martinez is already being watched by scouts. Elenore Witt or George Phillips will do the chucking for the World team tonight.

Al Robak, manager of the champions of the Eastbay Summer tournament, will send Babe Wisneski or Louie Brazil to the hilltop in the 8 o'clock game tonight against George Hollerson or Bill Sturtevant of Golden State. Robaks won the Eastbay title and will take the field in the final first round game tonight as a favorite to win. Pitching for Golden State, their opponents, will be George Hollerson.

BEGIN AT 10 A. M.

The second round games will get under way at 10 o'clock tomorrow morning, with Tallant Tubbs Senators of San Francisco meeting Central Bank. Tanovitz-Longo of Rodeo will meet E. Bercovich & Sons of Oakland in the noon tilt with Southern Pacific Stores, who won last night, clashing with Veterans of Foreign Wars. The fifth game, which starts at 6 o'clock tomorrow, will be between the winners of today's first two games.

The Veterans fought hard all the way, and gave the railroaders a scare by scoring three runs in the last of the ninth, when Corbett tripled against the left field fence with two on. Agnew, J. Labetich, Emeldi, and Peacock hit two apiece for the winners, while Alameda, Haverty, and Corbett did likewise for the Veterans.

The railroaders scored one run in the first, when Fernandez was out, second to first, Clifford walked, and scored when Ivaldi doubled to leftfield, Agnew and J. Labetich fanned to retire the side.

The Storemen tied the count in the fifth, when Emeldi walked, and advanced to second while Abrew was being tossed out, short to first, Peacock singled to left, scoring Emeldi, Fernandez and Clifford fanned to end the inning.

The S. P.'s put over a run in their half of the sixth, when Ivaldi was out pitcher to first, Agnew singled to center and stole second, J. Labetich was out short to first, and Agnew scored from second base on the play when he caught the opposition asleep, M. Labetich was out, second to first.

The Veterans came right back in the half of the same inning to tie it up again, when Genovesino walked, and took second when Jorden beat out a hit to third, both runners advanced on Kingsley's sacrifice, Peacock to Agnew, Genovesino scored while La Ponte was being tossed out, Emeldi to Agnew, F. Comphel was out, popping to Agnew.

The winners tallied one run in the eighth, when Clifford led off with a single to left, and advanced on Ivaldi's sacrifice, pitcher to first, Agnew flew out to leftfield, J. Labetich singled to left, scoring Clifford, M. Labetich struck out.

S. P. STORES, ELKS CLASH TONIGHT

RICHMOND AND STOCKTON TO MATCH BATS

Winners to Assume Tie With Banks For Lead

By EDDIE MURPHY

As a result of a 2-to-0 win over Tanovitz-Longo team of Rodeo at the Oakland Coast League Park last night, the Central Bank baseball team of Oakland will find four cubs gunning for its position tonight as leaders of the race for the State semi-pro baseball championship, which is being conducted by The Tribune with the assistance of the Eastbay Baseball Managers' Association.

The Bankers, due to the pitching of the youthful Jimmy Stevens, who bested the veteran Elmer Shea, scored their third win in the tourney without a defeat to cap an evening of thrilling baseball as the preliminary game between Golden State Ltd. and New World Life Insurance saw the latter win in 15 innings, 4 to 3, to remain in the running while Golden State was eliminated.

BEST PROGRAM YET.

It was believed that tonight's program, which will feature teams who won their first two games in the tourney, would be the best since the race for the title started, but it will be mighty hard for the contestants to outdo the show put on last evening. However, it promises to be a great program with Southern Pacific Stores battling Alameda Lodge of Elks, and Stockton Parlor of Native tangling with Richmond Produce with winners of both games assured of a first place tie with the Bankers.

The first game will get under way at 7 o'clock with the Railroadmen meeting the Elks. This game promises to attract the biggest week night crowd of the tournament as officials of the S. P. have sent notices to every employee in the Coast division urging their attendance at the game. High officials of the company will be on hand as will the 50-piece band of the company. It promises to be the liveliest game of the tourney for besides the band there will be dozens of various noise makers moved into the park by loyal supporters of the transportation boys.

Manuel Duarte, manager of the Elks, promises that the Railroadmen will not outdo the Isle City supporters when it comes to spirit. Johnny Larkin, Harry Bartell, Dr. John Bajuk and others who are noted for pepping things up in the lodge have promised to have a big delegation of boosters on hand.

SET FOR CRUCIAL GAMES TONIGHT AT PARK

Former major and Pacific Coast League stars as well as promising young ballplayers who are trying to make their way to fame in the big time, will be seen in action tonight at the Oakland Coast League Park when two games will be staged with all competing teams striving to gain a first place tie in the race for the State Semi-pro Baseball Championship. The schedule of the tournament which is sponsored by the Oakland Tribune calls for Alameda Elks and S. P. Stores to meet in the first game at 7 o'clock with Stockton Native Sons meeting Richmond Produce in the second. At the left is **Mitchell Labetich,** hard-hitting outfielder of the Railroad team, and the inset next to him is of **Alan "Pudgy" Gould,** former Oak pitcher, of the Elks. Above right is **Johnny Labetich,** third sacker for the Railroadmen, and below him is **Milt Steengrafe,** who may do the pitching for the Elks tonight.—*Tribune Photos.*

PITCHERS NOT NAMED.

Manager George Gerichten of the S. P. nine and Duarte were at a loss today when it came to naming their starting pitchers. Duarte said it would be Charlie Kasich or Milt Steengrafe, former Coast League pitchers. Phil Gugich, a southpaw, or Dick Elling will work for the Railroadmen.

Manager Duarte was undecided on his leadoff man as he is one of those strategists who believes that a righthanded batsman is more effective against a southpaw than is a left handed batter. So if Gugich, a southpaw, is the starting hurler of the Railroaders, Vincent Welsh will be the leadoff man, otherwise it will be Charley Jones, with the remainder of the lineup being the same as it was in the last game when the Elks took the measure of the strong Dan Maher Paint team of San Francisco.

Except for the pitchers, the Railroadmen have stood pat on their lineups for the first two games and probably will do likewise tonight.

(Cont. on Next Sport Page.)

(Cont. From First Sport Page.)

Gugich pitched them to a win in the first game of the tourney when he held Boldemann Chocolates, now eliminated, to only three and fanned 12, so he probably will be the starting pitcher tonight.

Art Agnew and Al Peacock of Alameda Play For Railway Club

Undefeated in two starts, the Alameda Elks will attempt to improve their position in the Northern California Baseball Managers' association night tournament in the Oakland Pacific Coast league park tomorrow evening at 7 o'clock when they clash with the Southern Pacific Stores club.

Manager Manuel E. Duarte of the Alameda Elks has not assigned his pitching duty as yet, but it is expected that he will favor Milt Steengrafe, who held the 30th Infantry of San Francisco to six hits in the opening game.

Pitchers

Charley Kassich of the Antlered Herd has not pitched in the tournament as yet and may be selected for tomorrow night, but on the other hand, Duarte may use Steengrafe and "Pudgy" Gould, veteran spitter, in turn, holding Kassich and Jack ("Ike") Spackman as relief chuckers.

It is with great caution that Manager Duarte makes his mound selection because in the short series such as the tournament pitching is highly important and increases with each round as games get closer both in number and scores.

Bill Back

Return of the Bill brothers—Jack and Thea—added punch to the club as the game Sunday testified and they should be a potent factor in driving in runs.

Two Alamedans — Arthur ("Mutt") Agnew and Al Peacock—are in the line-up of the Southern Pacific stores team.

ELKS, RICHMOND WIN TO TIE TOURNEY LEADERS

ALAMEDA TEAM PLAYS BANK TOMORROW

Stockton, S. P. Meet Defeat in State Title Tilts

By EDDIE MURPHY

By virtue of their 4-to-1 win last night over Southern Pacific Stores, the ball-tossers of Alameda Lodge of Elks will meet Central Bankers of Oakland tomorrow afternoon at the Oakland Coast League Park at 4 o'clock in a game that will result in the winner taking the lead in the race for the California semi-pro baseball championship. Aided by the superb pitching of Alan "Pudgy" Gould, the Elks, who won their first two games of the tournament, put up a strong fight against the Railroadmen who were also in the running for a third straight victory.

The Elks were not the only team to move into a first place tie with the Bankers, as Harry Scow's Richmond Product team of Contra Costa County defeated Stockton Parlor of Native Sons, 6 to 5.

TAKE EARLY LEAD

The Railroadmen lost no time in gaining a lead as they put one run over in the first inning when Al Peacock, the first batter, worked Gould for a walk, Pat Clifford, a dependable bunter, planted one for Gould to field for a toss out at first, moving Peacock to second. Andy Ivaldi cracked one against the left field wall for a double to put Peacock over the plate. Gould then settled down to fan Art Agnew and Johnny Labetich to retire the side.

The Ise City Elks were in a fine position to take the lead in their half of the first when, with Charley Jones retired, Bill Marriott drew a walk off Dick Elling and advanced to second when Jack Bill singled. Despite a heavy fog rolling over the field, obscuring the view, Andy Ivaldi managed to take care of flies to center field off the bats of Glenn Whetzler and Stuart Clark to retire the side.

Gould kept the Espees from scoring another in the second. Mitchell Labetich singled and was forced at second by "Babe" Emeldi, who took third when Johnny Abrew doubled. Elling hoisted a fly to Whetzler in right field and as Thea Bill fumbled the return throw, Gould raced over to take the ball and heave it to Nick Carter in time to retire Emeldi.

ELKS SCORE THREE

The Elks, after passing up opportunities to tie the score in the first, second and third innings, took a 3 to 1 lead in the last of the fourth. After Stuart Clarke fanned, "The" Bill and McDermott drew walks, Nick Carter singled to fill the bags, and when Abrew, Espee catcher, tried to pick Carter off first, he made a wild heave, the ball rolled into right center field and "The" Bill scored. McDermott scored when Pat Clifford, after handling a throw from Mitchell Labetich, heaved wild to third, Carter taking second. The latter scored when Charley Jones singled.

The Railroadmen had the bases loaded in the first of the fifth, with two away, only to see the veteran Gould fan Mitchell Labetich, one of the most dependable hitters on their team.

The Storemen got two hits in the sixth and two more in the eighth. When Peacock flied to Whetzler in the sixth, Dick Elling was doubled off first to retire the side. "Red" McCarron, batting for Peacock,, with the two on in the eighth, fanned for the third out, bringing the game to an end due to time limit.

Harry Scow's Producers gained a 2 to 1 lead over the Natives in the

first inning when they took advantage of Harold Salmon being hit by a pitched ball, King's error and a walk to Northcutt with Gillen tossing in a single.

NATIVES RETALIATE

The Natives came back in their half of the second to score one. George Ackerman was hit by a pitched ball and was forced at second by Lally. Presto fanned and King clouted a double to score Lally.

Jake Ackerman retired the Producers in the order they stepped to the plate in the last of the second and then his team came through in the first and the third to score two runs on three hits to tie the score. Ospital singled, Mazzera fanned, Manager Jack O'Keefe tripled to score Ospital and the latter scored on George Ackerman's single.

The Producers forged into the lead again in the last of the fourth when Erickson singled, Simas was hit by a pitched ball, stole second, and scored on O'Keefe's error. Salmon, Gillen and Prolo came through with successive singles to bring the second run of the inning, making the score 5 to 3.

The Natives came back in the first of the fifth to bunch three hits and tie the score. Manager O'Keefe flied to center. George Ackerman got an infield hit and was forced at second by Lally, who took third on Presto's double. A single by King scored Lally and Presto.

Scow's men took the lead and the game in their half of the sixth inning when "Jiggs" Wright, who relieved Adam Babros, starting pitcher, walked, and was forced at second by Salmon. Salmon scored on Gillen's long triple to the clubhouse.

S. P. Stores vs. Stockton Native Sons.
Wednesday, August 15th, 1934.
Coast League Park, Emeryville, Cal.
(Fourth game of 1934 Tournament.)
7:00 P.M.

S. P. Stores 9, Stockton Native Sons 1.

By eliminating the Stockton Native Sons from the Tournament by the score of 9 to 1, Southern Pacific Stores proved that they where still in the running. Dick Elling, stellar righthander of the railroadmen, held the Natives to three scattered hits, fanning seven. The Labetich brothers and Babe Emeldi with two hits apiece aided the railroaders in putting the game on ice. Joyce for the losers struck seven men out in the first four innings, but was hit hard in the fifth, six runs on six hits sending him to the showers, Variola relieving him and also following him to the showers when the first man to face him tripled and the next singled, Lally was brought in from rightfield to finish the game.

The winners scored three runs on three hits in the second, when J. Labetich singled to left, M. Labetich singled to center, Emeldi singled infield to third base, filling the bags, Abrew was safe at first, and J. Labetich was out at the plate, Ospital to Batalino, M. Labetich scored and all runners advanced ona balk, Emeldi scored on a balk by Joyce who droppped the ball as he was about to deliver it to the batter, Elling was safe on Ospital's error, Abrew scoring, Fernandez popped out to first base, Clifford was out, second to first.

The Natives scored their lone tally in the second, when king led off with a questionable double to leftfield, the ball hitting the leftfield fence at least a foot and a half foul, but the umpire ruled it a fair ball, and although the whole S. P. team challanged him he refused to change his discision, Presto was out Emeldi to Agnew, Lally was out, J. Labetich to Agnew, King scored and Batalino was safe at first on Clifford's error, Joyce fouled out to Abrew.

The fifth saw the game safely tucked away by the Storemen, when Fernandez was safe on Presto's error, Clifford doubled to centerfield, scoring Fernandez, Ivaldi singled to center, scoring Cliford, Agnew singled to right,(Variola now pitching for Stockton) J. Labetich tripled to rightfield, scoring Ivaldi and Agnew, M. Labetich singled to center, scoring J. Labetich, (Lally now pitching for Stockton) Emeldi forced M. Labetich at second, Ospital to Presto, Abrew was out, second to first, Elling doubled to centerfield, scoring Emeldi, Fernandez was out to O'Keefe unassisted.

S. P. STORES TO TANGLE WITH STOCKTON

State Race Field Is Narrowed to 8 Teams

By EDDIE MURPHY

Richmond Producers, the lone survivors of five Contra Costa County teams to enter The Tribune's tournament for the State semi-pro baseball championship, will meet the Alameda Elks tonight at 9 o'clock at the Oakland Coast League Park in a game that will place the winner in the lead for the title. The Producers were left as the lone Contra Costa team in the race when Associated Flying A's and Tanoviez-Longo team of Rodeo went down to defeat in the games last night.

The A's were the first to be eliminated last night when they lost to New World Life of Oakland, 7 to 6, in a game that was featured by the comeback of the New World team, which overcame a 4 to 0 lead. The Rodeoans were whitewashed, 10 to 0, by Robak Buffet of Oakland as "Babe" Wisniski kept seven hits widely scattered and fanned eight.

EIGHT IN RUNNING

The elimination of Associated and Rodeo left only eight teams in the running for the title. With five of them to get a slice of the golden melon which is to be split after the tourney, there should be plenty of excitement during the remaining games of the tournament which will conclude Sunday afternoon.

Tonight's program of two games, the first starting at 7 o'clock, will find a big crowd of fans from Oakland, San Francisco, Richmond and Stockton on hand. The first tilt will see Southern Pacific Stores battling Stockton Parlor of Native Sons in an elimination contest.

More than 19,000 fans paid to see the games played during the first two weeks of the tourney and with the eight teams now in the running battling for the "gold" the attendance may hit the 30,000 mark before the final game Sunday.

RIVALS MAY CLASH

Robaks and Southern Pacific, rivals for the past few years, may be found battling it out tomorrow night. Robaks, as a result of their easy win over Rodeo last evening will meet the winner tomorrow of the S. P.-Stockton game tonight. New World Life, the surprise team of the tourney by virtue of its 15-inning win over Golden State Ltd. and another win over the Flying A's last night, meets Dan P. Maher team in the first game tomorrow.

Manager George Gerichten is expected to trot Phil Gugich, his fine young southpaw, to the mound for the S. P. tossers in their game tonight with Stockton Natives and Gugich may be opposed by another southpaw, Bill Ferriola, a mite of a flinger who gets by more on what he knows about pitching than what he has on the ball.

With both teams battling for the lead, it is hard to say who will be on the hilltop for the Alameda Elks and Richmond Producers. Both clubs are fortunate in being stocked with pitchers who have been through the minor and major mills.

PROBABLE HURLERS

Manager Manuel Duarte of the Elks has not announced the pitcher he will start. Charles Kasich has not seen action on the hill since the tourney got under way and is not likely to as long as the veterans, Alan Gould and Milt Steengrafe are capable of dishing up the brand of pitching they did in their recent starts. Steengrafe looms as the favorite to start tonight.

besides the Elks and Richmond are Central Bank, S. P. Stores, New World Life and Robak Buffet, Dan Maher Paints of San Francisco and Stockton Parlor of Native Sons. They are among the best teams in California and the remaining games of the tourney are likely to attract larger crowds than ever.

ELKS, S. P. WIN TOURNEY TILTS

By EDDIE MURPHY

A couple of former Oak pitchers stole the show last night at the Oakland Coast League park during two State semi-pro baseball championship tournament games conducted by The Tribune. Milton Steengrafe was on the hill for Alameda Lodge of Elks, which defeated Richmond Produce, 4 to 2, to take the lead in the race, while Dick Elling did the mound honors for Southern Pacific Stores, who eliminated Stockton Parlor of Native Sons by trouncing them, 9 to 1.

Steengrafe conducted himself like an old master as he tamed the Producers, who were in a first place tie with the Elks. It was believed that Ed "Lefty" Schwartz, Richmond pitcher, was a cinch to win, but Steengrafe, who saw service with the Chicago White Sox and other clubs in organized ball before joining the Oaks, was just a bit too smart for his rival.

Both teams scored a run in the second by getting two hits and it appeared as though an over-time battle was in prospect until the Elks made three runs in the fifth

(Cont. from preceding Sport page)

when they bunched three hits. With one away, Steengrafe opened the rally with a single, Vincent Welsh also singled, Bill Marriott grounded out and then came Jack Bill with another single, after which Gwenn Whetzler doubled.

"Jiggs" Wight, who replaced Schwartz, pitched great ball in the remaining innings, but the Producers could not overcome the lead.

It was a case of too much Dick Elling as Southern Pacific Stores downed Stockton Parlor of Native Sons in an elimination contest. Elling turned the Natives back with three hits and fanned seven.

The Railroadmen scored all their runs in two innings, three in the second and six in the fifth. They pounced on Bill Joyce in the second for three successive singles by Johnny and Mitchell Labetich and "Babe" Emeldi after which came a balk by Joyce, a passed ball by Battalina, and an error by Presto.

The Natives made their lone run in the second when King doubled and Clifford made an infield error. Otherwise it was just a parade for the Railroadmen.

During the game between the Espees and Natives, time was taken out while the thousands of fans stood with bared heads out of respect of Judge Howard L. Bacon, police judge, who passed away yesterday morning. Bacon, a member of the Eastbay Managers Association and a dyed-in-the-wool baseball fan, was a keen booster for The Tribune State tourney.

S. P. Stores vs. Robak Golden Glow Buffet.
Thursday, August 16th, 1934.
Coast League Park, Emeryville, Cal.
(Fifth game of 1934 Tournament.)
9:00 P.M.

S. P. Stores 4, Robak Golden Glow Buffet 2.

The old adage "Revenge is Sweet" came into its own again, when the Southern Pacific Stores eliminated their old rivals, the Robaks from the State Tournament, defeating them by the score of 4 to 2. "Lefty" Gugich, who it seems can beat the Robaks any time he starts against them, turned the trick allowing the usually heavy hitters but five scattered hits, and turning eight back via the strike out route. The Robaks defeated the railroaders for the summer championship, but they more than evened up the score eliminating them, not only from the Tournament, but from fourth place money. Johnny Labetich besides hitting three for three, played a wonderfull game at third. Gonzales for the losers hit two.

The heavy bats of the S. P.'s were too much for Chassie Silva, and he was sent to the showers in the first inning without getting a man out, when Fernandez led off with a single to left, Clifford was safe at first, when Mesple threw his grounder away, Fernandez being out at the plate on a close play, Freitas to Florence, Ivaldi walked, Agnew doubled to rightfield, scoring Clifford, Ivaldi stopping at third, J. Labetich walked, filling the bases, M. Labetich popped to Madruga at first, Emeldi popped to Mesple at third.

The winners added another run to their score in the fourth, J. Labetich doubled to left, M. Labetich flew out to right, Emeldi going out, Mesple to Madruga, Abrew singled infield to short, Gugich doubled against the centerfield fence, scoring J. Labetich, Fernandez fanned.

The railroadmen put the game in the bag in the fifth, when Clifford walked, Ivaldi beat out a bunt to first, Agnew fouled out to Florence, J. Labetich singled to leftfield, (Wisniski replaces Brazil for Robaks) M. Labetich singled to rightfield, scoring Clifford and Ivaldi, Emeldi popped out to Gonzales at short, Abrew struck out.

Robaks scored both of their runs in the eighth, when Mesple gained a life on Clifford's error, Florence fanned, Wisniski singled to right, Freitas fanned, Gonzales singled infield to third base, scoring Mesple, Madruga singled to rightfield, scoring Wisniski, Martin was out, Clifford to Agnew.

Scoring a 4-to-2 victory over Richmond Produce at the Oakland Coast League Park before a crowd of more than 3000 last night, the baseball team representing Alameda Lodge of Elks and managed by Manuel Duarte, became the favorites to win the California semi-pro baseball championship. But before they can be crowned champions, the Elks must see six other clubs, still remaining in the running, thrown for losses in the games to be played between tonight and Sunday.

Still in the running with the Elks are the Producers, Central Bank, Dan Maher Paints, Robak Buffet, New World Life and Southern Pacific Stores.

ELKS MEET WINNERS

Tomorrow will find the Elks and Producers back on the same battlefield as the Richmond boys are billed to clash with Central Bank with the Elks to meet in the 9 o'clock contest with the winner of the game tonight between New World and Maher Paints.

With only seven teams left to battle for the title, every game is now considered crucial and with two elimination tilts scheduled for tonight there should be plenty of fireworks. By a coincidence Robak Buffet and Southern Pacific Stores, who have been bitter rivals for the past five years, will meet in the second game tonight at 9 o'clock.

The clash between the Railroadmen and Robaks is certain to result in one of the scrappiest games of the tournament as Robaks won the Eastbay summer semi-pro title by defeating the Railroadmen before a crowd of 3500 fans at Bushrod Park a month ago.

GUGICH TO START

Manager George Gerichten of the Railroadmen is counting on starting his usually dependable southpaw, Phil Gugich, while Manager Al Robak of Robak Buffet will send Jimmy Vierra or Louie Brazil to the hill.

Gugich, who was in training with the San Francisco Seals last Spring, is trying to earn himself a new chance in organized ball and he probably wil lbe bearing down plenty tonight.

Manager Gerichten will trot out the same eight players behind Gugich tonight as he did last night when Elling pitched the Railroaders to an easy win over the Stockton Natives. Manuel Fernandez will be the leadoff man with Pat Clifford in the next position, followed by Andy Ivaldi with Art Agnew at cleanup. Johnny Labetich, third sacker, will follow Agnew with his brother, Mitchell, rightfielder, next, followed by Babe Emeldi, Johnny Abrew and Gugich.

ANOTHER HIGHLIGHT

Just because Robaks and S. P. Stores have been two bitter rivals for the past few years and were the main attraction every time they met, fans should not overlook the other elimination game scheduled for 7 o'clock tonight between New World Life Insurance and Dan Maher Paints. New World, managed by Elmer Coleman, proved the surprise team of the tourney and is now being counted on as one of the teams to finish in the money.

Billy Phebus, former Oak pitcher, is billed to be on the hill for the Painters tonight with Elenor Witt or Johnny Martinez opposing him.

ROBAKS, NEW WORLD TEAMS ELIMINATED; ALAMEDA ELKS TO PLAY PAINTERS TONIGHT

Pudgy Gould Slated for Mound as Inter-County Rivals Prepare for Lone Game On State Tourney Schedule

By EDDIE MURPHY

In two of the snappiest ball games of the tournament last night Dan Maher Paints of San Francisco eliminated New World Life of Oakland by defeating them 1 to 0, and Southern Pacific Stores ousted Robak Buffet by defeating them 4 to 2, to cut the list of competitors for the state semi-pro baseball championship down to five clubs. The tourney, which is being staged at the Oakland ball park by The Tribune, assisted by the Eastbay Managers' Association, has reached the stage where it is almost impossible to dope the winner, although Alameda Lodge of Elks, managed by Manuel Duarte, holds a full game lead.

With fine teams still in the running for the biggest slice of the "golden melon," which is fatter than last year and has until Sunday to grow fatter, attendance is picking up every day.

ELKS PLAY PAINTS

Although only one game will be played tonight, with Alameda Elks, undefeated, meeting Dan Maher Paints at 8:15, a new attendance record is expected as it will be a battle between Alameda and San Francisco Counties. The Painters are the only transbay team remaining in the running and hoping to keep them in it Manager Laurence Posey will send Guido Simoni, his ace pitcher, against the Elks tonight.

Manager Duarte, noted for his shrewdness in Elk State tourney battles and other semi-pro games, was undecided today on the pitcher to send against the Painters, but the honors probably will fall to Alan "Pudgy" Gould, spitball artist, as Milt Steengrafe pitched the Isle City boys to a win only last Thursday night. Duarte also has Charles Kasich on his staff, but Gould, being the more experienced, is due to get the call.

The Elks, although they won, displayed a weakness with the bat in their first few games, but came through as expected in their game with the Producers and are likely to keep up the good work tonight. The Elks and Mahers are composed mostly of players who have been through the mill of experience and should be able to put on one of the best games of the tourney tonight.

STAR SHORTSTOPS

Two of the finest shortstops outside of the majors will be on opposite sides as Billy Long, the Napa sandlot product, who saw service with the Oaks and California State League teams, will be on the job for the Painters with Stuart Clark, former Pittsburgh Pirate, handling the important position for the Elks.

There should be plenty of excitement in the 7 o'clock game tomorrow night with Southern Pacific Stores, conquerors of Robak Buffet, Eastbay Summer champions, meeting Central Bankers. The loser of this game will be eliminated from the race for the state title, but will still get a slice of the receipts.

Dick Elling is billed to do the mound chores for the Railroadmen, with Jimmy Stevens working for the Bankers.

The 9 o'clock game tomorrow is also an important one as Richmond Producers, who have met only one defeat and at present are tied for second place money with Southern Pacific Stores, are to meet the Elks, Central Bank or Southern Pacific Stores.

The probable lineups for tonight follow:

2 LOCAL TEAMS ELIMINATED FROM RACE

By EDDIE MURPHY

Baseball fans who visited the Oakland ball park last night to watch a set of games reeled off in The Tribune's state semi-pro championship, were well rewarded. Many local fans went home disappointed because Robak Buffet of Oakland was eliminated by Southern Pacific Stores, who defeated them, 4 to 2, and also because New World Life, another Oakland team, was defeated, 1 to 0, by Dan Maher Paints of San Francisco, but they could not deny that they had witnessed two of the finest games of the tournament.

Billy Phebus, Maher pitcher, set a new strikeout record for the tourney to enable the Painters to defeat New World, the surprise team of the race. Besides fanning 14 of the Insurancemen, Phebus allowed only two hits to win a keen pitching duel over Cliff Wallace and Jimmy Martinez.

GOOD MOUND WORK.

Wallace turned the Painters back with only one hit in the first six innings, only to have them bunch three off him in the seventh when they scored their lone run and chased him to the showers. Not a runner got as far as second base at Wallace's expense until that seventh, when Petterson singled with one away, advanced on Goldbeck's single and crossed the plate on another single by Harrison.

After that third successive single Martinez relieved Wallace to fan Phebus and bring the inning to a close by forcing Billy Long to hit a roller on which Ray Miller, first sacker for New World, made a great play.

The two hits off Phebus were made in the second inning. Miller singled and was nipped stealing, and Walter Peacock, also hit. The Insurance boys had a chance to score in the first when Sorensen walked and stole second, only to see Powers and Stanley retired on high flies. They had another chance in the third when Bernardo drew a walk and stole second, only to be left stranded as Sorensen fanned.

7 HITLESS INNINGS.

Only two other players, Sorenson, who drew a walk in the sixth and Stanley, who also waited for a free ticket in the seventh, got to first base on Phebus, who did not allow a hit during the last seven innings.

Phil Gugich, the clever southpaw, who had a brief trial with the Missions last spriring, gave the scouts something to think about last night as he turned the Robak team, summer champs, back with only five hits and fanned eight. He blanked the East Oakland boys with two hits in the first seven innings, and with a 4 to 0

WANT SLICES OF MELON

With only four more days remaining in the play for the state semi-pro baseball championship, the ballplayers pictured above are out to make their strongest bids for a slice of the "golden melon," which will be divided at the end of the race for the title. **Lou Agnew** (upper left) is the first-sacker for the S. P. Stores, who battle Robak Buffet tonight, while on the upper right is **Bill "Butch" Simas,** former St. Mary's player, who has been catching and hitting in great style for Richmond Producers, who meet Central Bank tomorrow night. **Billy Phebus** (lower left) is scheduled to take the hill tonight for Dan Maher Paints in an elimination game with New World Life Insurance. **Ken Gerner** (lower right) is one of the star infielders with Central Bank team.—*Tribune photos.*

lead he probably became a bit careless in the eighth, when he was nicked for three hits which netted Robaks their two runs.

He was not responsible for any of the runs made off him as Mesple, the first batter to face him in the eighth was safe on Pat Clifford's error. Monte Florence then fanned and "Babe" Wisniski, who took up the pitching for Robaks in the fifth inning, got a single, after which "Cookie" Freitas also fanned. Then came singles by Billy Gonsalves and Ted Madruga to score Mesple.

S. P.'S SCORE ONE.

The Railroadmen got one off Silva in the first when Manuel Fernandez singled, Clifford was safe on Mesple's error, Andy Ivladi walked and Art Agnew doubled. They scored another in the fourth when Johnny Labetich doubled and Abrew doubled.

The first brought the Espee team their winning runs when they scored two as Clifford worked Louie Brazil for a walk, Ivaldi singled and Johnny Labetich singled, scoring Clifford. Wisniski replaced Brazil on the mound and Mitchell Labetich, the first batter to face him, hit a single to score Ivaldi. Wisniski pitched shutout ball the rest of the route, but Robaks could not make the necessary runs.

Elks Win, Gain Final; S. P., Banks Clash

MAHER BEATEN IN 11-INNING TILT, 8-7

Winner Of Opener Tonight Meets Produce Nine

By EDDIE MURPHY

By defeating Dan Maher Paints of San Francisco, last night, 8 to 7, in a gruelling 11-inning contest, the ball-tossers of Alameda Lodge of Elks entered the final for the state semi-pro baseball championship, which will be decided tomorrow afternoon at the Oakland Coast League Park.

What team will meet the Elks in the final depends on the outcome of the two games scheduled at the Oaks' park tonight, the first starting at 6 o'clock, instead of 7 o'clock as previously announced.

Had the Elks suffered a defeat as it appeared they might until they came from behind in the last of the ninth to tie the score and then win in the eleventh inning, they would have had to participate in tonight's program but by winning they are able to sit back and await the title clash with the lucky team in tonight's big program.

Central Banks and Southern Pacific Stores are to meet in the first game this evening and with both teams in the running for the title and certain of some kind of a slice of the "golden melon" their contest should provide at least as many thrills as did the game between the Elks and Painters last night when fans were not sure until the winning run was scored by the Elks who would come out on top.

The team that wins the game between the Bankers and the Railroad men will have to remain on the field and battle Harry Scow's Richmond Produce nine for the right to meet the Elks tomorrow afternoon in the final for the title.

GUGICH ON MOUND

Phil Gugich, who has been the main spark plug in the Railroad men's machine, has been rarin' to go and probably will get the call for mound service tonight from Manager George Gerichten. Gugich, who had a trial with the Missions last Spring, has been one of the outstanding hurlers in the tourney and is likely to give the Bankers a lot of trouble if he starts tonight.

Manager Lou Stewart of the Bankers will pin his hopes on wiry Jimmy Stevens, the little fellow who made quite an impression in the Oaks' training camp last Spring. Gugich and Stevens have been close friends, but friendship will cease when they take the hilltop tonight.

The Espee team increased its stock considerably on Thursday night by eliminating Robak Buffet and thousands of fans from West Oakland as well as many other parts of Northern California will be on hand to root for them. But the Bankers will not be without their boosters as they have been one of the best teams in this area for the past few years and have built up a big following.

TWO HURLERS READY

With the winner to clash with Produce in the 8 o'clock game for the right to meet the Elks in the title clash, there should not be a dull moment in any inning.

Manager Scow of the Producers claims that he is in a better position than any other manager to lead his team to the title. He has James "Jiggs" Wright and Ed "Lefty" Schwartz set for tonight's game with the winner of the Espee and Bank game.

In this pair he has a couple of Trojans as they declared last night that in the event either should be batted from the mound tonight and need the relief of the other they would gladly come back in the final tomorrow providing they managed to eliminate the Bankers or Railroad men in the fight for first place money.

Who will battle the Elks tomorrow is hard to forecast due to tonight's program, but should the team which comes out on top tonight defeat the Elks tomorrow it will mean that the two teams will have to play tomorrow again, with the winner of the second game gaining the title. Should the Elks defeat their opponents, who will be survivors of tonight's double program, they will become the State champions without any second game necessary tomorrow.

STEENGRAFE SET

Manager Duarte of the Elks played smart baseball last night by sending Charles Kasich to the hill to replace Alan Gould when the Mahers made the going too rough for him. It means that he has Milt Steengrafe, his ace pitcher, rested to do the hill duties in the game tomorrow that is likely to settle the title.

Lack of reserve strength, which was the case the last time Maher Painters met the Elks, was responsible for their downfall and elimination last night. However, lots of credit is due Manager Laurence Posey for the manner in which he juggled his players around in trying to down the Isle City team.

He found himself short on pitchers due to the fact that Billy Phebus pitched his team to a win on Thursday night and Guido Simoni was unable to work because he had orders to save his arm for an important State League game tomorrow.

UHL STARTS FAST

"Lefty" Uhl started for the Painters and allowed the Elks only one hit during the first five scoreless innings. He fanned seven batsmen during the first five

(Cont. From First Sport Page.)

frames, retiring Vin Welsh, Bill Marriott and Jack Bill, the first three Elks to face him, via the water bucket route. In the fourth he fanned Marriott, J. Bill and Gwenn Whetzler in the order they faced him.

Things looked pretty good for the Painters when they got to Gould in the sixth inning to score two runs. Uhl got a single and was out stealing and after Billy Long was safe on an error and took second on a passed ball. Carl Severs laced a low liner to centerfield and it went for a home run, when Jack Bill tried to trap the ball and it got by him.

Uhl weakened in the last of the sixth, a single by Vin Welsh and five bases on balls to Marrirott, Whetzler, Clark, Theadore Bill and McDermott helping the Elks to the lead. They made six runs in the frame as Billy Long, who replaced Uhl, was touched for a single by Carter and Goldbeck made an outfield error, besides Marriott drawing his second walk of the inning.

STAGE COMEBACK

The Painters, despite their lack of reserve strength, refused to give up and they came back in the seventh inning to tie the score. Andrews, Petterson, Goldbeck, Harrison, Uhl and Long touched Gould for four successive singles before Charles Kashick was called on. With two men on base, Severs bunted them along to third and second for the first out and then Kasich gave all he had to make Tremaine roll to "The" Bill as all runners held their bases, and fanned the dangerous Carl Maggert.

It appeared as though the Painters had the game won in the eighth when they scored another run off Kasich for a 7 to 6 lead. Although the Elks won out in the eleventh by working a squeeze play, no prettier squeeze was ever executed at the Oaks' park than when Harrison bunted the ball perfectly as Petterson, who walked and advanced to third on Goldbeck's single, dashed safely over the plate. The bunt crossed up the entire infield of the Elks and even Harrison was safe at first.

Long, one of the most versatile players in the tourney, who deserted shortstop position to go to the aid of Uhl in the sixth, got by as a pitcher until the ninth when he walked Jack Bill and Whetzler. A single by Stuart Clark scored Bill to even the count again.

Uhl, who deserted the mound in the sixth and played outfield due to the scarcity of players, returned to the hill again to dispose of the side only to have the breaks go against him in the last of the eleventh inning. He walked Jack Bill, the first batter. Whetzler sacrificed and was safe on Catcher Petterson's error. Clark bunted to advance Bill to third and Whetzler to second. The Mahers went into a huddle, to remind that football season is drawing near, and they decided to give Theadore Bill a free trip to first and fill the bags.

Then came the crucial moment. McDermott, a dependable batsman, caught the Paint infielders napping and bunted a ball in the direction of first base with Bill dashing across the plate for the winning run.

The game was about as good as any baseball fan would want to see.

Among the spectators were a few fans who recently arrived on the coast and claimed they saw games in the majors and almost every organized minor league in the country, but none that was better played and provided as many thrills as did the battle between the Elks and Painters.

Stuart Clark, former Pittsburgh Pirate, who covers the short patch for the Elks, Long and "Lefty" Uhl of the Painters deserve much credit for their spirit and play. They were in the game from start to finish. Long displayed a willingness to win when he stepped in from short to relieve Uhl, but he had nothing on the latter, who although he was forced to leave the box in the sixth inning because of his wildness, retired to the outfield only to return to the hilltop again when Long got into difficulty.

It was a great ball game and two more are on tap for tonight with one and possibly two more taking place tomorow afternoon.

BANKS ELIMINATE S. P. IN STATE TITLE TOURNEY

RICHMOND PRODUCE CLASHES WITH WINNER TO DECIDE FOE OF ELKS FOR FINAL COMBAT

Bankers Tie Count in Eighth, Score Three In Tenth Ining for Triumph; Alameda Well Fixed for Twirlers

By EDDIE MURPHY

Richmond Produce and Central Bank battled late last night for the right to meet the Alameda Elks at the Oakland Ball Park at 2:30 this afternoon for the State semi-pro baseball championship.

The Bankers won the right to battle Richmond by eliminating the S. P. Stores from The Tribune's baseball classic in an extra-inning contest. The score was 9 to 6.

The Elks will cinch the title if they win this afternoon, but if they are defeated a second game, to follow the first by 15 minutes, will be necessary to decide the issue.

The issue in the S. P. Stores-Central Bank game, which was in the nature of a "quarter-final" contest, was decided in the tenth inning when the Bankers tallied three runs on a series of well-executed bunts and mis-plays on the part of the Railroad men.

THREE BANK RUNS

Ballengero walked and Massucca beat out a bunt. Gallagher also bunted to Elling, who threw high to first, Ballengero scoring. Andy Ivaldi took up the pitching for the

S. P. team and was greeted by another bunt by Van Arnsdale. Ivaldi threw wild to third, Massucca scoring. Gallagher also crossed the pan but was ruled out for not touching third. Van Arnsdale took third on the play and, after Stewart was hit by a pitched ball, stole home on a double steal for the third run.

The S. P. boys jumped to a five-run lead in the third inning when they clouted four bingles and took advantage of two errors. Abrew walked to start the inning and Frank Peacock sacrificed and was safe on Stevens error. Al Peacock singled to score Abrew and went to second on Lew Crosby's boot. Pitcher Jimmy Stevens then accounted for two of the necessary outs but Art Agnew hammered out a triple to score the Peacock brothers and romped home himself when Johnny Labitich doubled. Ballengero replaced Stevens and was greeted by a single by Bussa, which scored Labitich.

The Bankers broke the ice in the fourth when Gerner singled, took second on Bussa's error and scored on Crosby's single. That finished the scoring for the inning, but not the fireworks. Ballengero singled, and time was called for the hurler to don his sweater. Bussa, however, held the ball at shortstop and picked Crosby off second with the hidden ball trick.

The Bankers stormed Umpire Harry Renton with numerous arguments but the arbiter refused to alter his verdict. Manager Lew Stewart of the Banks filed a protest as a result.

SQUEEZE PLAY WORKS.

When activities were resumed, the S. P.'s added another tally in their half of the inning when Al Peacock scored after tripling on Pat Clifford's perfectly executed squeeze play.

The Bankers came to life with a bang in the sixth and netted four runs as the result of a walk to Gerner, a single by Crosby, a free trip to Ballengero, who was hit by a pitched ball, a single by Gallagher, a walk to Rodgers and a one-bagger by E. Stewart. Red McCarron replaced Peacock after Gallagher's clout.

The Banks tied the score in the eighth, forcing the game into extra innings, Massucca was hit by a pitched ball and took third when Gallagher singled. The bingle also sent McCarron to the showers, Dick Elling replacing him on the hill. Rodgers greeted the new flinger by bunting perfectly to score Massucca on a squeeze play. Ed Stewart walked but Gallagher was nipped at the plate on an attempted double steal.

Manager Manuel Duarte has his big righthander Milt Steengrafe set to take the hill for his Elks in the title tilt while last evening the managers of the teams in the two-cornered fight to get into the final were in no position to select a pitcher for today as the trio were out to win last night and then come back today with the best they had left over.

Steengrafe has displayed, during the tourney, the form that made him such a great pitcher with the Chicago White Sox and Wichita Clubs. Had he been able to do this last Spring when with the Oaks he probably would be one of their leading pitchers today. Manager Duarte deserves credit for his foresight in signing four pitchers as it is the moundsmen on whom most of the hard work falls during the closing games of the tourney.

RESERVE TWIRLERS

Besides Steengrafe, Duarte has Alan "Pudgy" Gould, Charles Kasich and Ike Spackman on hand in the event he has to go into a double battle today. While Kasich and Gould both saw service on the hill in the tourney, Steengrafe has been the chief factor in the Elks' success.

Besides providing a big pot of money for the first five clubs, the tournament will bring jobs in organized baseball to no less than a dozen of the participants. Scout Bill Essick of the New York Yankees, Willis Butler of the St. Louis Browns, Bobby Coltrin of the Mission Reds and Jack "Doc" Silvey of the San Francisco Seals have been on the job for most of the tournament games. There's no telling what other scouts were in the stands masquerading as spectators.

Vic Devincenzi, vice-president of the Oaks, has been at every game checking on the athletes, and President Bob Miller has been on the job almost every night since his return from a vacation trip in Southern California.

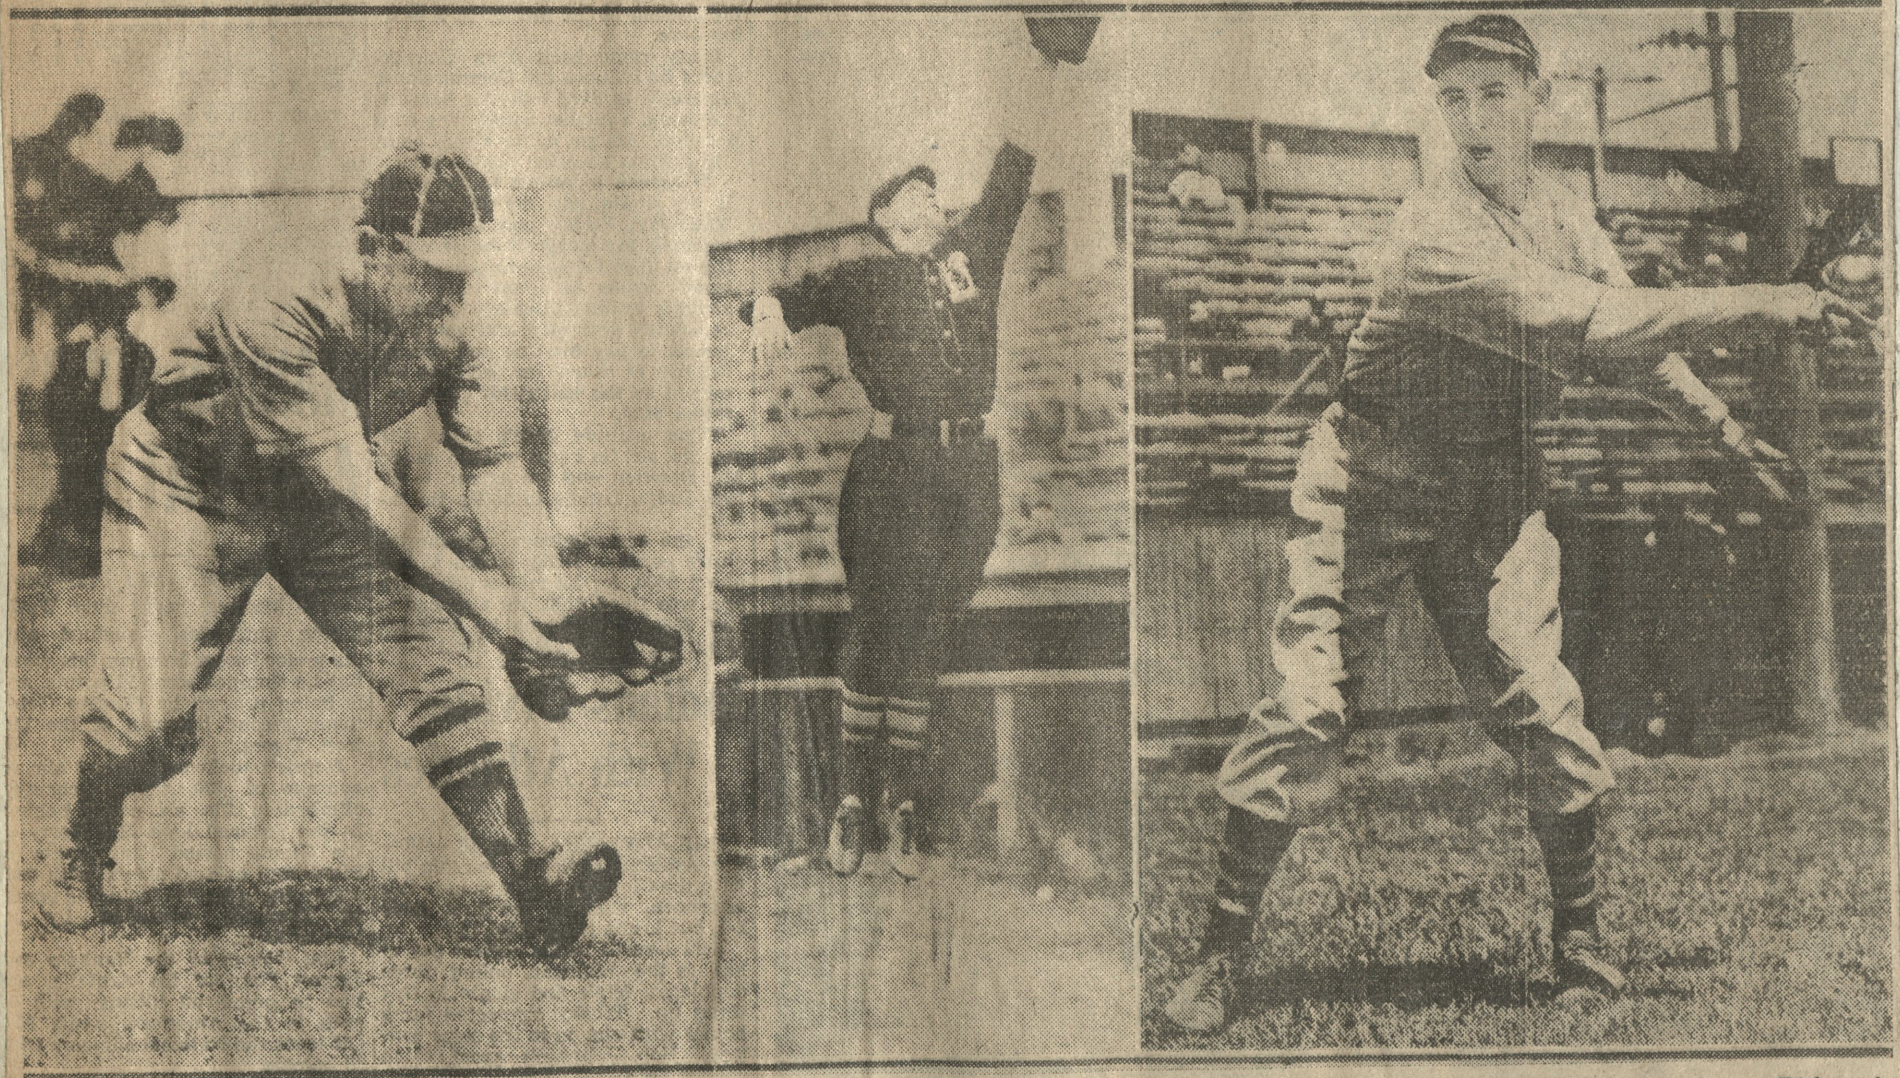
SEMI-PRO STARS AWAIT THEIR SLICE OF 'GOLDEN MELON'



Above are three ballplayers who did much during the past few weeks on the Oakland Coast League diamond to help their teams into the money in the Oakland Tribune state semi-pro baseball championship tournament, which will come to an end this afternoon with Alameda Lodge of Elks as one of the finalists. Who will take the biggest slice of the melon will depend on how the leading Elks battle today. **Pat Clifford** (left) proved one of the outstanding second sackers in the tourney, as he played great ball for Southern Pacific Stores. **Harold Salmon** (center), is one of the best sluggers Richmond Produce has at the plate. **Jimmy Stevens** (right) pitched two great games to put Central Bank in the money.—*Tribune photos.*

S. P. Stores vs. Bushrod All-Stars
Sunday, August 26th, 1934.
Bushrod Park, Oakland

S. P. Stores 6, Bushrod All-Stars 8.

The Southern Pacific Stores met the Bushrod All-Stars in the feature attraction of Old Timers Day celebration, and dropped a close decision to the All-Stars, the final score being 8 to 6 against the railroaders. It was one of those listless games in which there was very little to talk about. One of the bright spots of the game was the sensational hitting of Art Agnew and Elmer Corbett, the former getting four singles in five trips to the plate, while Corbett connected for a homer, double and single in four trips.

The All-Stars scored one run in the second, when Mangani singled to right, Powles fanned, J. Lancioni and Arata walked filling the bases, Silva fanned, Mangini scored on Lay's single to third base, J. Lancioni was out on Abrew's throw to third.

The S. P.'s gaimed the lead in the fourth, when Agnew singled to left, M. Labetich walked, Abrew sacrificed both runners along and was out Lay to Powles, Corbett doubled to leftfield, scoring Agnew and M. Labetich, McDermott popped up to Powles at first, Gugich fanned.

The winners scored four in the fifth, when Lay was out, Emeldi to Agnew, Lancioni singled to right, Cronin was out, Gugich to Agnew, Bradbury doubled to left, scoring Lancioni, Mangini doubled to right, scoring Bradbury, Powles reached second and Mangini scored on McDermott's error, J. Lancioni scored Powles on his single to left, and was out attempting to steal second, Abrew to Clifford,

The All-Stars finished their scoring for the day by driving over three runs in the sixth, when Arata led off with a double to left, Silva singled to the same place, scoring Arata, Serventi singled to left, Silva going to third, (Peacock replaces Gugich for the Stores) Lancioni sacrificed, and was out, Peacock to Agnew, Cronin was out Peacock to Agnew, Bradbury doubled to right, scoring Silva and Serventi, Mangini popped out to McDermott at third.

The railroaders scored three runs in the first of the eighth, when Ivaldi popped up to Powles at first base, Agnew was out, Serventi to Powles, M. Labetich was hit by a pitched ball, and scored on Abrew's triple to right, Corbett hit a home run to deep centerfield, scoring Abrew, Fernandes walked, Peacock struck out.

They scored their last run in the ninth, when Emeldi and Clifford walked, Ivaldi hit into a double play, Cronin to Arata, to Powles, Agnew singled to centerfield, scoring Emeldi, M. Labetich forced Agnew at second, Arata unassisted.

S. P. Stores Team Of Oakland Plays Two Games Here

The enigma of the Reno Garage baseball team will be here Sunday and Monday afternoon in the Southern Pacific Stores team of Oakland. The game will start each day at 2:45 p. m.

Threlkel has used inside ball, long chances, mysterious signals, switch of twirlers during the past four years against the Railroaders, only to have them wave him a defeat. They have a real ball team and complete organization and friendship has labeled the coast boys as one of the best semi-pro teams in California. They are managed by a student of baseball in George Gerichsen and he minces his ideas to advantage and has had few replacements in his man power.

The local nut crackers are slightly disabled for the first time this year. The main charge in the battery suffered last Sunday with Visintainier and Hill getting injured. Visintainier has a sore from being hit by a thrown ball in the infield and Hill has a blue ankle, caused by hitting first base with too much weight. They are recuperating, but their absolute recovery might be uncertain for a little while.

Jack Threlkel has not committed himself but it is a sure shot that he will reach out for a bit of emergency help to tide the two-game series over, coupled with the two minor injuries. He does not want to force the young stars into possible further soreness in this series and may use reserve power to tide the situation over.

The Southern Pacific boys will arrive in Reno Sunday morning in a special car, accompanied by a score of rooters.

Reno Garage Men Have 3 Pitchers For Holiday Games

Jack Threlkel is basing his starting strength in pitching power, coupled with floating power when his boys take the field on two successive days against the Southern Pacific Stores of Oakland.

He has three strong pitchers for the Labor day games in Peterson, Visintainier and Keenan. Big Boy Peterson will cut loose his fast one for the Sunday game to give Leo the extra day of rest and Peterson claims he always hurls better ball on Sunday. Fans and players claim that Peterson will show the crowd a fast ball that resembles the size of a pea in its journey to the plate.

Manager George Gerichten is leaving Oakland tonight with 15 of his regulars and a crowd of fans in a special car over the company's lines. They will arrive Sunday morning and will stay at the Golden hotel.

He has four pitchers in Gugich, Peacock, Fagundas and Elling. Gugich and Peacock have pitched here before and are consistent winners, while Elling threw a nice game for the Moffat Packers here last week.

The Southern Pacific team finished fourth in the Oakland Tribune tournament, which is considered a high average when it is noted that more than 30 teams were in the elimination series. The same club appearing here in the two games comprise the nucleus of the tournament team.

Southern Pacific Stores Team Will Play Here Today

The Southern Pacific Stores team of Oakland will blow the whistle and ring the bell at Threlkel park this afternoon against Jack Threlkel and his Reno Garage lineup at 2:45 p.m.

The main crossing of the Southern Pacific boys is to hurdle a two-day trestle against Threlkel. They have done it before in a series of games extending over a period of four years. In beating the Garagemen in most of these games they have played reasonable ball. They have team work, and that has been the success that Manager George Gerichten has instilled in every one of his units of baseball energy.

Threlkel has used everything but a rabbit's foot against the Southern Pacific Stores in past games. He lost the last two games played against this team after it appeared that his boys had the game by a safe margin. A falter or a break turned the tide and Threlkel realized he was up against one of the best on the coast in losing games after they were considered already in the sack.

Bill Peterson, a fast ball pitcher from the Quincy area, will shoot pellets at the railroad team today. He has a fast ball that speaks for itself with a sound thump in the catcher's glove. He is further aided by a change of pace in the shape of a "teaser," in his slow motion, and added to that is able to hit a ball with fair distance to add moral support to his game.

Mike Bakerich will take care of first base for the balance of the season as "Durante" Beasley has accepted a position as a pedagogue in Battle Mountain. Visintainier will be held to start Monday's game. Hill is back in shape and will catch while Keenan, Baker, Reynolds, Davis, Gill, Freitag, Doyle, Inda and Davis will complete the local squad.

Reno Garagemen Are Defeated By S. P. Outfit, 5-2

The Reno Garage went down to defeat before the Southern Pacific Stores team of Oakland yesterday, 5-2.

Peacock's delivery had the Reno Garage stopped. They were unable to get hits when hits would have meant runs. Peterson, the Garage hurler, was not in the best of condition, having been out on the fire line at Quincy for the past three weeks. He had trouble locating the plate from time to time and put men on bases, giving the visitors runs they did not deserve.

Ivaldi, the center fielder for the S. P. team, was the star of the day, although Bakarich felt differently about it when he backed up against the center field fence and caught a ball that looked like a homer.

Visintainier will pitch today, when the two teams meet again. If Hill's leg is not in the best of shape, Bob Schang, Jr., will be behind the plate.

GOOD AND BAD BREAKS

Welcome to Reno for the Labor Day series, Manager Gerichten, Business Manager Connett and Captain Fernandez and playmates. Always a good team with fine sportsmanship. Hitters of the Ivaldi, Emeldi, Clifford, Bussa, Madruga and Labetich type can not be denied. Little Lefty Gugich, Peacock and Elling have been seen here before and give value received. Abrew, the catcher, has been connected with the success of the Oakland American Legion which won the Pacific coast laurels. Johnnie Labetich is playing right field today . . . must be the old batting eye remains but the arm is slipping. The boys are domiciled at the Golden and will play a second game tomorrow afternoon at the same place and the same time.

BASEBALL GAMES ARE SET FOR WEEK-END

Threlkel Park will be the setting for two of the most colorful games of the season with the Reno Garage nine playing the Southern Pacific Stores team of Oakland in games on Sunday and Monday afternoon. The game will start each day at 2:45 o'clock.

Manager George Gerichten will arrive tomorrow morning in a special car over the Southern Pacific lines, accompanied by Business Manager F. M. Connett and fifteen ball players. Gerichten and Connett are inactive on the field but they are responsible for the general activity of the Stores team in advance arrangements.

Capt. M. J. Fernandez is already in town and will lead the batting order to the plate. He will be followed by Clifford second, Ivaldi center, Madruga first, Labetich right, Bussa third, Emeldi short, Abrew catcher, Peacock pitcher. Dutra is the utility catcher with Corbett and McDermott as extra filders and Gugich, Fagundas and Elling as pitchers.

Threlkel will give Reno fandom a first glance at a giant fast ball flinger in Bill Peterson, former University of California athlete and now residing at Quincy, Cal. Peterson has everything a good pitcher should have and specializes in a fast ball that resembles Grove, Walter Johnson and Rowe. He has a change of pace that is baffling and no batter is too small or large for him.

He will be supported by Baker third, Reynolds second, Gill left, Freitag short, Doyle right, Hill catcher, Bakerich first, Inda center. Reserve men will be Pitchers Visintainier and Keenan and Outfielder Davis.

Schang and Lima will do the umpiring.

AIRTIGHT CONTEST IS WON BY RENO GARAGE

Baseball fans witnessed some airtight pitching between Fugandez and Visintainier when the Reno Garage nosed out the Southern Pacific Stores 4 to 3 yesterday to even the two-game series. The first game was dropped by the locals 5 to 2.

Visintainier issued but four hits while his opponent allowed six. Visintainier gave three hits in the second and one in the seventh and fanned four to tame the reputed bay sluggers in one of the shrewdest games of his career.

Labetich singled in the second and went to second base when Bussa helped his down. Ferandez doubled. Dutra singled and on a fielder's choice at second Ferandez scored and Dutra later scored the third and last run for the Espee men when Emeldi and Clifford were retired.

Buckingham singled to start the finish of the same inning for Reno Garage. He walked to second on a passed ball. Hill singled infield. Bakerich tripled scoring both his mates and after two outs Baker hit a grounder to Bussa at third who booted the ball and Baker tagged the plate with the third and tying run.

Everything pointed toward a pitchers' battle and some flossy fielding until two men were out in the eighth. Gill plastered the left center fence with a triple. Freitag responded with an infield hit and Gill waltzed across with the winning run.

Jack Hill broke a finger in the sixth and was replaced by Bobby Schang, Jr., of Sacramento. The lad is seventeen years old but his actions behind the plate would indicate he has had that many years catching experience. His line of conversation and his confidence aided Visintainier where Hill left off.

It was one of the fastest played games of the season and enjoyed by a large crowd with many Portola fans in the stands.

Ray Watts and his Susanville Lumberjacks will be here next Sunday. It looks like a banner attraction.

Visintainer Holds S. P. Team To 4 Hits; Reno Wins

Leo Visintainer was forced to pitch a four-hit game to beat the husky Southern Pacific bat swingers in a game featured in fast playing time in favor of the Reno Garage, 4 to 3.

The Espee team started the holiday noise with three runs and three hits in the second. Labetich singled infield. Bussa sacrificed him to second. Fernandez doubled, scoring Labetich. Dutra singled infield. Fagundez hit to Freitag and on the play Oscar tossed the ball to Reynolds who got tangled up with the runner and Fernandez scored. Emeldi hit to Freitag and Dutra scored the third and final run while Freitag was retiring the side. That was the end of the scoring for the visitors.

The Garagemen lost no time in tying up the game in their half of the same inning. Buckingham singled and went to second on a passed ball. Hill singled infield. Bakerich tripled against the center field fence scoring Buckingham and Hill. Inda and Leo were retired but Bussa kicked Baker's dribbler and Bakerich tied the score. The side was then retired.

From this inning on both teams battled on even terms with neither holding an edge. Several drives were turned into sensational plays, especially one Baker, when he snagged a drive from Emaldi, touched third and retired the batter at first for a big hand, when the Railroaders used their last threat of the game in the sixth. Two men were on the bases at the time and only one out.

The first two Reno Garage batters were downed in their tracks to open the eighthh. Gill, who had a bad day up to this point, chasing rainbow curves, finally tapped one on the snozzle and it was recovered for a triple in left center. Freitag singled infield and Gill tabbed the platter with the run which later proved to be the winning marker.

Visintainer, the gritty and youthful hurler, probably twirled the best game of his career in holding the noted Stores sluggers to four bingles which were divided three in the second inning and a single by Fagundez in the seventh. Only 27 batters faced him which is an average of three batters per inning. His mates backed him in steady style and it took only one hour and forty-four minutes to settle the affair.

Jack Hill, who sprained his ankle last Sunday, broke the little finger on his right hand and was forced to retire in the sixth inning. He was succeeded by Bobby Schrang, Jr., a 17-year-old youngster from the American Legion team in Sacramento, who handled Visintainer like a cool veteran. Both catchers were given a big hand by the crowd.

The bats of Bakerich and Gill with an extra punch each, and Fernandez with his double, were the chief trouble-makers while every man on the two teams was in the spotlight at some time during the game.

Manager Gerichten of the Southern Pacific team praised the Reno fans and players for the hospitality afforded his players and asked Jack Threlkel to put his team down for two or three games in Reno next season. They are one of the most popular drawing cards on the local lot.

Pitcher Fagundez allowed six hits and fanned four and pitched better than an average game but it seemed as if it was not his day to win.

The Lassen Lumber and Box Company's baseball team and rooters of Susanville will be here next Sunday and Ray Watts claims he has the best semi-pro team in northern California.

S. P. Stores vs. Van Dyke's Colored House of David.
Tuesday, September 4th, 1934. 8:15 P.M.
Coast League Park, Emeryville.

S. P. Stores 7, Van Dyke's Colored House of David 3.

The Van Dyke's Original Colored House of David nine, billed as the greatest colored ball team in the world, dropped into Oakland after winning 24 straight games while barnstorming thru Canada, found the Southern Pacific Stores tobe to tough for them, and although they were billed as the main attraction, the railroaders stole the show, and added another scalp to their long string of victories, by scoring a 7 to 3 win over the colored boys. "Lefty" Gugich was to much for them, sending ten of them back to the bench via the strike out route. Madruga, Labetich, and Abrew with two hits apiece led the attack for the winners, while Fabors and Dean hit the same number for the Beardies.

The Southern Pacific boys did not give the colored fans much to cheer about as they took a three run lead in the second inning, when Madruga singled to rightfield, Labetich singled to the same place, Madruga stopping at third, when Labetich attempted to steal second, Drake threw the ball so hard into centerfield that it got by Dean the bearded centerfielder, and both runners crossed the plate, Bussa linned out to short, Corbelli was out third to first, Abrew tripled to deep centerfield, and scored on Gugich's single to center, Emeldi forced Gugich at second, Osley to Anderson.

The winners picked up two more runs in their half of the fourth, when Corbelli singled to left, and went to second when Abrew singled to the same spot, Gugich sacrificed both runners along and was out, Young to Fabors, Emeldi singled to left scoring Corbelli and Abrew, Clifford was out short to first.

The colored boys came to life in the fifth, when they pushed three runs over the platter on three consecutive hits. Drake popped out to Emeldi, Young singled to centerfield, Anderson singled to right, both runners advanced on Labetich's error, Young scoring, Osley singled infield to short, scoring Anderson, Fabors fanned, and Thompson forced Osley at second, Clifford to Emeldi.

The third an final run was made by the losers in the sixth, when Brown tripled to rightfield, and scored on Dean's double to leftfield, Hicks fouled out to Abrew, Drake and Young going down via the strike out route.

The railroaders tallied two more in the seventh, when Gugich fanned, Emeldi walked, and scored on Clifford's triple to centerfield, Ivaldi popped out to short, Agnew singled to third base, scoring Clifford, Labetich walked, Bussa flew out to centerfield.

ENTRY FEE MAY BE PRIZE OF TOURNEY

By CHARLIE TYE

The Eastbay semi-pro baseball Summer tournament will start April 14 in three divisions and will end Sunday, August 4. Leading teams of this tournament will receive berths in the California Championship Tournament sponsored by the Oakland Tribune, which will start August 23. The leading team of the Single A Division will also receive an automatic berth in the State tourney.

It was proposed by Al Robak of Robak's Golden Glow team, that $10 per team be the entry fee for the Double A Division with the winner to receive the whole amount which would be about $200, and the suggestion will be voted on Monday night at the regular association meeting at Lowell Junior High School, Fourteenth and Market Streets, Oakland, at 8 p. m. Every team manager should attend.

This tournament will be unique in the respect that winning clubs must play each other, with the teams being selected by draw, and losing teams will also play each other the same way. A committee of three will be the absolute rulers of the tourney, and will consist of President Art Macy, Steve Graham and the writer.

Padres Open Campaign Tomorrow Afternoon

Game With Fast S. P. Stores Aggregation At Community Park to Officially Usher in Season

BAND WILL PLAY DURING CONTEST

Hurling Duel Seen As Two Former Coast League Stars Tangle; Both Teams Well Balanced

With all the old-time trimmings, including a parade, band program and peanut-vendors, the baseball season will be ushered in here tomorrow afternoon with the 1935 Padres opening their campaign against the fast S. P. Stores aggregation from Oakland at Community park.

The first shot of the season will be fired at 1 o'clock when the accompaniment of tooting horns and beating drums the baseball parade wends its way from the postoffice down Pacific avenue to Soquel avenue, where the players will be transferred to buses supplied by the Heple Transportation company and carried back to the park where at two o'clock hostilities are due to start.

The "main event" brings together two powerful, well-balanced teams, with prospects pointing to a tight mound duel between Bill Kuykendahl of the Padres and Phil Gugich of the S. P. crew, both former Coast league moundsmen. Kuykendahl is now under contract with the Oaks and subject to recall at any moment, while Gugich pastimed with the Seals.

Many Stars

The Padres will open with Larry Escobar on first base, Manager Bill Marriott on second, with short and third not definitely filled up to last night. Joe and Guido Lancione and "Speed" Miller of San Jose, a reserve hurler, will be in the outfield.

The visitors have Madruga, former Seal first sacker, on the initial bag, with Clifford, Emeldi and Mestle completing the infield. Labetich, Ivaldi and Fernandez cavort in the outfield, with Anminzio behind the plate.

A 20-piece town band under the leadership of Charley Taintor will play at the parade and during intermissions at the game. The Walnut Avenue bakery has offered a cake to any player hitting a home run. Score cards will be distributed to all spectators.

McSorley Signed

According to word received late today McSorley, veteran state league and coast league infielder, will play shortstop for the Padres tomorrow, with Camozzi holding down second and Marriott going to third.

Padres Win 4-3 In 10 Inning Thriller

Kuykendall Hurls 5-Hit Game and Starts Winning Rally With Long Double; Lancione Brothers Star

BIG CROWD CHEERS REAL CLASSIC

Both Teams Turn In Brilliant Fielding Exhibition To Give Spectators Thrills Galore

Opening their season's campaign in impressive fashion, the Santa Cruz Padres yesterday eked out a 4-3 victory over the fast S. P. Stores team in a thrill-packed, ten-inning game bristling with spectacular catches and brilliant plays.

A gay and enthusiastic crowd, the biggest to gather at Community Park this season, went from chills to fever as the Padres ran up a two-run lead, lost it and then came back to tie it up in the eighth and go on to win in the extra inning after a rally by the visitors had been nipped.

The hero of one of the greatest diamond battles waged here in years was big Ray Kuykendall, Oakland chattel who will probably be sent to the Western League the latter part of the month. Not content with hurling a 5-hit game, he started the winning rally in the tenth by poling out a terrific drive that failed by a foot to clear the left field fence, going for a double. In the field he received brilliant support from a smooth-working club that made hard chances look easy.

Lancione Brothers Star

Playing a large part in the victory were Guido and Joe Lancione, who between them scored all the Padre runs. Guido poled out two hard doubles that were good for runs, while Joe drew no less than five walks in his trips to the plate, scoring two runs.

George McSorley did his part by lining out a double and single in 3 trips and playing a smooth game at short. Carl Escobar turned in a faultless game at first and batted in a run with his single in the fifth, while his long fly in the tenth brought in the winning tally.

From the start the game developed into a duel between Kuykendall and Frank Peacock of the Southern Pacific team, with both free with their walks but stingy with their hits.

Padres Take Lead

Neither was in serious trouble until the fourth inning when successive doubles by Guido Lancione and McSorley gave the Padres their first run, another scoring in the fifth as Joe Lancione walked, stole second and scored on Escobar's long single.

The visitors tied it up in the seventh as the first two men walked, Fernandez got a pop-up hit and Andy Ivaldi lined a single to left field.

"Frenchy" Mespli started the eighth with a double and scored on bunts by Madruga and Emeldi to give the invaders their first lead. In their half of the inning the Padres tied it up on Guido Lancoine's double and a single by McSorley.

S. P. Rally Nipped

In the tenth the S. P. leadoff man drew a walk, went to second on a sacrifice and third on a wild pitch but Kuykendall got the last two on easy chance to end the threat.

In their half the Padres started going places as Kuykendall got the longest hit of the day, Joe Lancione walked and Al Stanley beat out a nice bunt to fill the bases. "Lefty" Gugich going in at that point for the S. P. team. Kuykendall was nipped at the plate on a force play but Lancione came in on Escobar's fly to left to break up a ball game that left little to be desired.

The game was announced by Fred McPherson, Jr. over the system donated by Chaminade high school. The town band played while an American Legion squad conducted the flag-raising ceremony before the game. The box score:

Suggestion

Just as a suggestion to Mr. Hughes, the Southern Pacific company is holding its annual outing here next month—why not get a return game with the Stores team for that date?

Sunday the visiting Espees were slightly aggravated at the alleged miscues of Umpire Drury and some of them are still convinced that they can beat the Padres. It took them ten innings to lose so maybe a revenge game would be just what the doctor ordered.

The team, composed of employes of the Southern Pacific stores or comissary department, is one of the fastest in the bay region. Andy Ivaldi, who played center field for them Sunday and made the best catch of the day, played for the Padres here a few times, while "Brute" Labetich has cavorted in the State league and for the Watsonville Mission leaguers last season. First Baseman Ted Madruga was with the Seals, while Pat Clifford at second is a well known figure in semi-pro circles.

Hughes' Padres Open Season Today With S. P. Stores

PARADE, BAND WILL BE PART OF OPENING CEREMONY; BILL MARRIOTT WILL LEAD PADRES

Pre-Game Parade At 1 o'Clock; Game Starts at 2

C. W. Hughes

Real baseball, the brand that made C. W. Hughes famous with local baseball fans several years ago, will again be seen in Santa Cruz, starting this afternoon, when the rejuvenated Santa Cruz Padres play host to the fast S. P. Stores team of San Francisco, in the opener at Community Park. The same C. W. Hughes is again the owner of the Padres, which he made famous in the state league, as late as 1931. The game will get under way promptly at 2:30 this afternoon.

The saying in Santa Cruz since Hughes left local baseball circles was "when Hughes puts on a ball game, it is a real game." Hughes is going to prove this is not a farce today, when he opens the season. He will have all the color of a real opening. The main part of the pregame celebration will be the parade, which will form at the postoffice at 1 o'clock this afternoon. At the postoffice a Heple bus will take the players of both teams and will follow a 20-piece band led by Charley Taintor down Pacific avenue to just below Soquel avenue, where the band will board the bus and keep right on with the parade. The parade will go down to the beach and circle around and come back up through town again. From the end of the first round the bus will take the players to Community Park where the teams will have their practice and get ready for the flag raising ceremonies.

At 2 o'clock the members of both teams, followed by the band, will march out to the center field flagpole, where Old Glory will be raised as the band plays "The Star Spangled Banner." The game will start promptly at 2:30. Just prior to this time Mayor Roy Hammond, who will lead the parade in a police car, will toss the first ball to Commissioner Alvin Weymouth, while Chief of Police Al Huntsman will endeavor ot hit His Honor's pitch.

Manager Bill Marriott of the Padres stated yesterday afternoon that he has signed two infielders to replace Parks and Tenny, whose names appear on the score cards. The newest players are George McSorley, who will play shortstop, and Camozzi, who will play second. Marriott will play third and Escobar will be stationed at first.

McSorley is a classy infielder, who has been playing with the Shell Oil nine and has had a lot of experience in organized baseball. He lives in Pittsburg, Calif., up near the oil fields, that Marriott was talking about, Thursday night. Camozzi, who is also a member of the Shell Oil nine, is an experienced player and with the two new players Marriott and Hughes will be able to present a good ball team.

In addition to the four infielders already mentioned the Padres will have Ray Volkman catching and Ray Kuykendahl doing the pitching. This battery will be as strong as the club can get at the present. Kuykendahl is the property of the Oakland ball club in the Coast league and is subject to recall at any time. Oscar Vitt, manager of the league leading Oaks declares that Kuykendahl is a real prospect and has a great future.

"Speed" Miller, Guido and Joe Lancione will make up the Padres' outfield for the game.

For the S. P. Stores, Phil "Lefty" Gugich will do the pitching and if both pitchers are right a real hurling duel is in store for local fans. Gugich has had good success in semi-pro ball and should give the local team something to worry about before the game is over.

The lineup for the S. P. Stores will be: Fernandez lf, Clifford 2b, Invaldi cf, Labetich rf, Mespli 3b, Madruga 1b, Emeldi ss, Anminzo c and Gugich pitcher.

There will be a public address system which is being loaned by Brother Francis Lahey of Chaminade, and Fred McPherson Jr. has consented to announce the game as only he can. The admission price is 40 cents for adults and 25 cents for students and children.

The Walnut avenue bakery and the Pacific Coffee Shop have donated prizes to the players hitting home runs in the game. Each player collecting for the circuit will receive a pound of coffee and a large cake from the establishments.

Marty Drury of San Francisco will call balls and strikes for the game, the base umpire has not yet been announced.

Padres Nose Out S. P. Stores In Ten Inning Thriller

APPRECIATIVE CROWD WATCHES KUYKENDAHL STOP VISITORS WITH FIVE SCATTERED HITS

Lancione Brothers Play Great Ball For Winners; S. P. Team Will Come Back In June For Return Game

Fulfilling his promise to bring back to Santa Cruz the best baseball obtainable, C. W. "Bill" Hughes, owner of the 1935 Padres gave the local baseball-minded persons something to go home and think about after watching the Padres score a ten inning 4 to 3 win over the fast S. P. Stores team of Oakland to open the ball season, Sunday afternoon at Community Park. A crowd of about 350 rabid fans went away from the ball park completely satisfied with the game, and they rightly should have.

While the Padre team was not complete until late Saturday night, according to Bill Marriott, manager, they played together like veterans, with only two errors charged to them. Both of these were hard chances. The work of Ray Kuykendahl, Oakland pitcher who was loaned to the Padres by Oscar Vitt, pilot of the Oaks, was a real treat to watch. He had everything a pitcher needs, even lack of control at one time when he walked three men in a row to fill the bags, only to get out without being scored on. His fast ball was working nicely, curves breaking and had good control, except for the sixth and seventh innings, when he walked five batters.

Johnny Lancione proved to be the best man of the day in getting free tickets to first base. In his six trips to the plate he grabbed five passes, being charged with but one time at bat. Guido Lancione, George McSorley and Ray Kuykendahl were the hitting stars, each collecting a pair of hits. Both of Lancione's were for two bases, McSorley had a double and a triple, and the big pitcher had a double and single. His double started the rally in the last of the tenth inning to bring home victory to the Padres. The ball hit the top board in the frame of the fence, bounding back into the park. Three feet higher and the ball would have been out of the park for a home run.

Bill Marriott played a very good game for the Padres, proving that his big league experience had not been in vain. His only hit was an infield scratch in the first inning and he had to show some speed to make it.

The first scoring came in the fourth inning when G. Lancione and McSorley hit successive doubles, Lancione easily scoring.

The Padres added another run in the fifth. Joe Lancione walked, stole second and scored on Ray Escobar's single.

The S. P. Stores scored twice in the seventh, when Kuykendahl lost control for the second time. The first time was in the sixth when he walked the bases full. He passed the first two batters, Emeldi and Churney, in the seventh, and each advanced a base on Peacock's sacrifice. Emeldi scored on Fernandez' single and Churney was out on a fielder's choice, when Clifford hit right back to Kuykendarl, who threw Churney out at the plate. Fernandez went to second on the play and scored on Ivaldi's single. They added one more in the eighth when Mesple and Madruga both doubled, Mesple scoring on the latter's hit.

The Padres tied up the score in their half of the eighth when after one was out, G. Lancione doubled to center and scored on McSorley's single. The final Padre run came in the tenth frame, after a scoreless ninth inning. Kuykendahl opened the inning with a long drive to left, the ball hitting the fence about three feet from the top. J. Lancione walked and Stanley collected his only hit of the game, a single, filling the bases. Marriott forced Kuykendahl at the plate, but Lancione scored after Escobar hoisted a lofty fly into left field, to end one of the best games seen here in several years.

There were several sparkling fielding plays and one double play during the game. In the second inning Ivaldi robbed Ray Volkman, Padre catcher, of at least a double when he speared a long drive against the right centerfield fence, with one hand. The crowd gave him a nice hand for this accomplishment. Guido Lancione robbed the same Ivaldi of a nice hit in the fourth when he pulled in a long fly with one hand.

The pre-game celebration went off according to schedule. The parade was good and the band and players rode in a Heple bus furnished by Bill Pritchard of the Heple Garage. Mayor Roy Hammond tossed the first ball to Commissioner A. L. Weymouth. Chief of Police Al Huntsman was the batter and he fouled the ball back.

The flag raising ceremonies were performed by a color guard of the local American Legion drum and bugle corps, with the Santa Cruz city band playing the "Star Spangled Banner after the conclusion of the flag raising ceremonies.

Fred McPherson Jr. announced the game over the public address system donated for the game by Brother Francis Lahey. Prizes won at the game were: Half a dozen bottles of beer, donated by the Red Rooster, to McSorley for the second double; G. Lancione, a carton of cigarettes; Kuykendahl received a Walnut Avenue Bakery cake for the longest hit, and Mariott, Mesple and J. Lancione each received boxes of soap for stolen bases. These were donated by the Palmer Drug company.

The first three tickets purchased for the game were sold to G. Lidderdal, C. C. Curtis and W. J. Sinyard, in the order named. These were purchased Sunday morning.

The S. P. Stores will meet the Padres here again next month when the S. P. employes hold their annual picnic. The management of the team stated Sunday that there would be two train loads of employes and their families here at that time. The S. P. Stores team is from the commissary and news service departments of the Southern Pacific Lines.

Bay City Espee Team Will Play Renoites Sunday

The Southern Pacific Stores of Oakland will open their ninth consecutive season in Reno tomorrow afternoon against the Reno Garage at Threlkel's ball park.

The Espee team plays only summer ball and is always considered one of the leading nines in the bay district. It is the only team to finish twice in the finals of the northern California baseball loop.

The railroaders have finished fourth the past two seasons and are being groomed as this year's possible champions.

Outfits that fell before the visitors last year were the Moffat Packers, the colored House of David, the Modesto Reds, the Golden Glows and several others.

The rail squad will arrive here tomorrow morning in a special car and will be accompanied by several Southern Pacific officials from the coast.

Threlkel has been grooming his team all week for the toughest team he has faced this season. The locals and the Espee will play a three-game series this year, with the other two contests to be held later.

Oliver will probably get the nod to go on the mound for the garage, while Brown will also see action in the game. Lawlor will catch.

Reno Garage and Scottmen Play on Home Lots Today

Reno baseball spotlight is focused on two games today.

Reno Garage team meets George Gerichten's Oakland Southern Pacific Stores at 2:45 p. m. The game will be played at Threlkel park.

Scott Motors' ballmen clash with the Sacramento Celtic team at Moana.

Both games promise to be the finest witnessed locally this year and both local teams are going to have a difficult time in turning the visitors back.

Left Gugich will chuck for the railroad team in the game against the Threlkelmen. Gugich has chucked here before and has yet to lose.

Jack Threlkel, manager of the garage nine, has not announced his starting hurler, but it is believed that Oliver will do the initial twirling.

Oakland will lineup as follows: Fernandes, left field; Clifford, second; Ivaldi, center; Labetich, right; Mesple, third; Madruga, first; Emeldi, short; Annunzio, catcher; Gugich and Peacock, hurlers, with McDermott, utility.

Reno Garage: Baker, third; Gill, left; Doyle, right; Freitag, short; Archuleta, second; Lawlor, catcher; Davis or Beasley, first; Inda, center; Oliver, Morrison, Brown or Parks, pitcher; Reynolds, Dakin, Wilson, Hook and Bennett, utility.

The Scott-Celtic game is called at 2 p. m. at the rebuilt Moana park. The field has been turfed and has been adjudged one of the finest ball parks in the state.

The game features the Nevada-California league and fans are optimistic over the outcome. The local nine is playing under its new manager, Ernie Cesmat. Cesmat took over Ralph Sobey's duties this week.

The Celtics are primed and ready to avenge the defeat handed them Memorial Day by the Reno Garage. The Sacramento team is in second place in the inter-state league and a win from the motormen would put the team right up on the top spot.

The Scott lineup will be: R. Capriott, left field; B. Yonkers, third; F. Scott, short; S. Clayton, catcher; J. Claxton, first; L. Jacobsen, pitcher; R. Yonkers, center field; McKissick, second and J. Miller, right. F. Capriotti, Taylor, Suennen and Pitzer, utility.

At 10 a. m. Reno Garage juniors will vxie for honors with a strong team from Loyalton. The local team has demonstrated a good deal of improvement this week and should hand the lumber workers a nice game.

The Garage team will line up with Cassinelli, right; Menetti, first; Mathes, third; John Morrison, center; Doyle, left; Folsom, second; Peterson, short; Hook, catcher, and Bill Cassinelli, pitching.

Lawlor, Freitag Enable Renoites To Beat Railmen

A triple smashed out by Jake Lawlor in the second half of the fourth inning and stellar field work by Oscar Freitag, yesterday gave Reno Garage a 3-2 win over Oakland Southern Pacific Stores' team at Threlkel park.

Lawlor's triple came after the Oakland crew had nabbed a one-run lead and with two strikes against him Lawlor let fly to drop the ball within a few paces of the center field fence. The scoring subsided in the same inning.

Freitag's excellent fielding from the shortstop position reached its peak in the first of the ninth when the railroaders were attempting to even the count.

With one man on third, another on first, and with two down, an Oakland batter sent a hard drive which barely skimmed the turf. Scooping it up on the run, Freitag hurled it to Archeleta on second forcing the third putout.

A capacity crowd saw the Threlkelmen pound out the win yesterday.

Oliver, veteran chucker, hurled the garage team to the victory. He was pounded for seven hits, but expert support in the field protected him. He struck out three men.

Gugich, clever tosser from Oakland, sent nine Reno Garage men down swinging. He allowed seven hits and two walks.

The visiting team scored early in the fourth frame when two Oakland players reached the sacks and then Mesple knocked out a three bagger.

The game was closely fought with neither team having a great deal of advantage. Three errors marred the game. One was costly as Baker, Reno third sacker, scored in the first inning when Gugich overthrew to first base.

"LEFTY" GUGICH TO HURL FOR S. P. STORES IN GAME AGAINST LASSEN SUNDAY

Tuesd~~ay, June~~ 11th

With "Fefty" Gugich of Coast League fame on the mound with Frank Peacock in reserve, the Southern Pacific Stores of Oakland will invade Susanville Sunday for a game with the Lassen Lumber and Box Company, leading club of the California-Nevada League.

Susanville draws a bye in league play this week and President A. G. Breitwieser, Sr., and Manager Ray Watts arranged the game so as to provide local fans with as many home games as possible.

The Southern Pacific Stores of Oakland boast victories over some of the strongest teams in northern California, including the Flying A's and M.J.B. nines of the California State League. The Oakland nine alson won 5-3 over the Detroit Colored Giants so there is no doubt as to the caliber of the club.

Gugich is a left-hander while Peacock flips from the right side. The balance of the club is composed of the cream of semi-professional players from the bay district and are rated high.

The visitors, comprising a party of 25, will arrive in Reno Sunday morning at 7:15 a.m. and will be met by Manager Ray Watts and brought to Susanville. Plans are under way to hold a banquet for the visitors and show them Susanville before the start of the game.

MERLYN FRENCH TO GET CALL AGAINST S. P. NINE OF OAKLAND HERE SUNDAY

Friday~~, June~~ 14th.

Thirty strong, the Southern Pacific Stores of Oakland will arrive here Sunday morning for an exhibition game with the Lassen Lumber and Box Company, co-holders of first place in the California-Nevada League. Lassen drew a bye in this week's league play and President A. G. Breitwieser, Sr., booked the strong bay club.

With the players will come rail officials and wives. The party will be brought to Susanville by automobile from Reno and will be taken back Sunday night after the game.

Pitchers Strong

The visitors boast two sterling chuckers in Lefty Gugich and Frank Peacock and the two hurlers are backed by a strong club composed of the cream of semi-professional ball material from the bay district. The S. P. nine has a long list of victories this season, including a win over the Detroit Colored Giants earlier in the season.

Merlyn French will be on the mound for the locals and Walter Hoy may return to third base although Manager Watts may decide to save Hoy for the important league game with the Scotts Motors the following week. If Hoy is saved, Mulroney will fill in on third. Mulroney played a fine game against the Reno Merchants last Sunday and came up with everything in sight.

Perry Briggs, rapidly developing into the leading first baseman in the league, will be on first. Leo "Wimpy" Jones on second and the flashy Tony Gomez, who has made a big hit with the fans, at short.

Plan Field Shift

If Lefty Gugich pitches, McDonald and Matteucci, left hand hitters, will be benched with Stickley and Ed Smith in the outfield. If Peacock hurls, McDonald and Matteucci will play with "Candy" Vinson in center.

The greatest crowd of the season will be on hand for the attraction is one of the best of the season and whether Lassen wins or loses the ball game is sure to be a good one.

Jimmy 'Connell will be behind the plate. O'Connell is easily the standout catcher of the local league and is a slugging receiver.

SOUTHERN PACIFIC NINE TO BE REAL TEST FOR LASSEN NINE IN CONTEST SUNDAY

Saturday, June 15th.

Merlyn French, product of Lassen county who has a huge following of fans, will take the mound tomorrow afternoon at 2:30 o'clock on the high school field in an attempt to hand the Southern Pacific Stores of Oakland a defeat. French will have as his battery mate, Jim O'Connell, crack Lassen catcher.

"Lefty" Gugich of Pacific Coast League fame will probably oppose the Lassen Lumber and Box nine, although the S. P. nine may send in Frank Peacock, a big right-hander. Both are sterling chuckers and have many wins to their credit. The balance of the visitors are the cream of semi-professional talent and the rail club is one of the best ball organizations in the state.

Lassen Improves

Lassen looked better than ever in its workouts this week and Mulroney, substituting for Walter Hoy, played bangup ball. Hoy is not expected to see action until the following Sunday against the Scott Motors when Lassen plays a decisive league game which will probably decide the first half title.

Tony Gomez will be at short and Leo "Wimpy" Jones on second. Gomez and Jones form the prettiest double play combination ever seen in these parts, and as the season progresses and the players gather more experience, the work of this pair will standout.

Briggs New Star

Perry Briggs, converted into a first baseman from the outfield, is rapidly silencing his critics by a great display of fine playing. Briggs took over a difficult assignment earlier in the season for the fans remembered flashy Bert Gregory of last year's nine and were hard to please. Briggs wasn't a first baseman and he knew it but he went in and did his best which is real team spirit. The result has been more than gratifying for he has more than held up his end in the fastest infield Lassen has ever had.

The Lassen outfield tomorrow will depend upon the starting pitcher. If "Lefty" Gugich gets the call Stickley will take over right field and Ed Smith left or vice versa. If Peacock takes the mound, Henry Matteucci will play in right and "Grandpop" McDonald in left. "Grandpop" is showing some of the younger boys how to hit the ball and he has been snagging everything that comes in way in the outer garden.

"Candy" Vinson, who boosted his batting average against the Reno Merchants, will be in center field no matter which pitcher starts.

Boost Averages

Tony Gomez boosted his average last Sunday and is hitting at a .682 clip. O'Connell fattened his batting average and is sticking at .455, while Leo Jones pulled up from .363 to .407. Three pretty fair sluggers to have in the lineup, particularly when the balance of the team is either hitting near or over the .300 mark.

The standings of the clubs follow:

LOCALS PLAY SANTA CLAUS, S.P. STORES TAKE CLOSE GAME FROM LASSEN, 11-10

The Lassen Lumber and Box Company nine played Santa Claus to the Southern Pacific Stores of Oakland yesterday on the high school field before a large crowd and the visitors took an exciting contest, 11-10. Not that the S.P. nine wasn't a great team but you just can't spot a club of that caliber seven unearned runs and expect to emerge with a game won.

The Oakland nine, which has beaten many strong bay district clubs and recently took a game from the Detroit Colored Giants, came to Susanville yesterday morning for a game with the co-holders of the top rung in the California-Nevada League. Because of the caliber of both teams fans expected a tight fielding and light hitting game and they were treated to just the opposite.

Fagundas Takes Box

"Lefty" Gugich couldn't make the trip so Manager Gerichten picked up Fagundas, star pitcher with the Alameda Elks and State League pitcher of last year, to face Lassen.

Fagundas lasted just 2 2-3 innings and Frank Peacock, suffering with a lame arm, was called on to finish the game. Peacock, despite his handicap, had enough pitching skill to stave off a ninth inning rally which enabled the rail nine to take the game.

The usual reliable Lassen outfield had an off day, turning in enough miscues to stake the visitors to a nice lead.

With two strikes on him, Emeldi punched the ball to center in the first inning for a home run. Madruga walked and Mesple singled but French clamped down and both runners were left stranded.

Lassen Scores Three

Opening the Lassen half of the first, McDonald singled to center. Vinson singled to left. Jones hit to Fagundas who nabbed McDonald coming into third with a quick throw to Mesple. Gomez cracked a two-bagger to left, scoring Vinson. Matteucci singled to second and Gomez scored, Matteucci taking second on the throw in. Matteucci was out attempting to steal third. Jones scored when Mesple muffed Hoy's grounder.

The rail nine scored another in the second inning on hits by Annunzio and Fagundas, but Lassen came back to score three more in the last half of the second.

Gomez Again Hits

After O'Connell flew out to Ivaldi, French singled to center. McDonald flew out to Ivalde. Vinson singled and Jones hit a two-bagger to right scoring French. Gomez singled to right, scoring Vinson and Jones. Peacock replaced Fagundas and forced Matteucci to pop to Madruga to retire the side.

With an apparently safe lead, Lassen proceeded to go to pieces in the third and fourth innings to present the S.P. with the game.

Opening the third, Madruga fanned. Labetich was safe on first when McDonald dropped his easy fly. The error upset French, and Mesple walked. Ivalde went out, Hoy t oBriggs, advancing both runners. Fernandez singled to right, scoring Labetich and Mesple. Annunzio was safe when Vinson dropped his fly to center. Peacock hammered out a home run to center, scoring Fernandes and Annunzio ahead of him.

Score Three More

In the fourth frame the rail nine tallied three more times on a single hit. With two down Labetich walked and Mesple hit a home run to center, while two boots permitted Ivalde to score a few minutes later.

The rail nine scored their last run in the fifth inning after which the locals settled down and played good ball for the remainder of the game, which was featured by a hopeless attempt to overcome a five-run handicap.

Two baggers by Gomez and Matteucci in the fifth netted Lassen a run, but the locals went scoreless in the sixth and seventh. Lassen added another in the eighth on a walk to Stickley and Ed Smith's single to right.

Final Rally Fails

The ninth produced the real fireworks which netted two runs and almost brought victory to Lassen. Jones, first up, cracked out a triple to center and Gomez followed with another triple, Jones scoring. Clifford went over in back of second to grab Matteucci's hard grounder and made a quick throw to retire Matteucci at first, Gomez scoring. Mulroney and Stickley went out to end the game.

Despite the loose playing and heavy sticking, the game was close and interesting while the ninth inning rally removed some of the sting of defeat and left the fans in a more pleased frame of mind. The Southern Pacific made a hit with the fans and Manager Ray Watts hopes to book the rail players later in the season for a return game.

Sport o' Graphs

Fans here were reminded of Bert Gregory of last year's Lassen Lumber and Box Company team yesterday while watching Madruga, S.P. first baseman. Madruga handles the ball in great style and gets everything that comes his way. He made a fine catch of Clifford's toss to get Matteucci in the ninth to shut off what might have been the tying run.

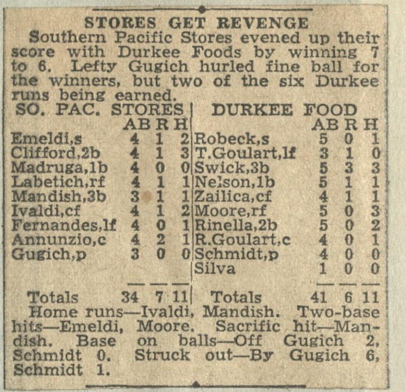
Fagundas, one of the leading pitchers of the bay district, ran into difficulties in Susanville and was clouted for seven hits and six runs in two and 2-3 innings. The veteran, Frank Peacock, managed to weather the storm despite a sore arm, proving himself a great pitcher.

Manager G. W. Gerichten of the S.P. nine has gathered together a group of ball players who are not only a credit to the Southern Pacific Company but to baseball as well. On the field the personnel plays baseball and off the field all are perfect gentlemen, and it is to be hoped that before the present season is over Susanville will be able to play host to the bay team once more.

Merlyn French pitched good enough ball to win. He allowed nine hits and four earned runs, which is a fine showing against a team of the bay club's caliber. However, errors upset him on several occasions. French has lost his first two starts but each time it was errors which beat him and he faced two of the toughest teams to play in Susanville in a long time.

Local fans rode Umpire Pat Becker pretty hard after he missed a couple. However, Becker umpired a good game and the criticism was unfair, for the best of them miss a few occasionally. We wonder, if his severest grandstand critics were called upto to take Becker's job, how many they would miss.

Tony Gomez continued his sensational hitting by cracking out four hits out of five times at bat, the second straight Sunday which he has hit at an .800 clip. He had a good day in the field but no chances for spectacular stops as early in the game most of the balls hit were going to the outfield.



STORES GET REVENGE

S. P. STORES TO PLAY GARAGEMEN

Bay Railroaders Come With Band And 60 Rooters

One of the most colorful ball games this season is scheduled for the Threlkel park today when the Oakland S. P. stores team, with a 50 piece band and more than 60 rooters, tangles with the Reno Garage.

The Espee outfit comes here with one of the strongest teams Reno has tackled all season. G. W. Gerichten, its manager, has been gathering good ball players all year and now is satisfied that he has one of the finest semi-pro outfits in the bay district.

Two Fast Pitchers

In Gugich and Peacock, Gerichten has a pair of pitchers that have baffled the leading hitters of almost every nine the railroaders have met this year.

The stores also have an array of hitters that have been bad news to more than one star twirler. In the infield the visitors have an airtight combination in Madruga on first, Clifford at second, Emeldi covering short and Mesple stationed at third.

The outfield is composed of Ivaldi, Labetich and Fernandez. Annunzio is the team's sharp shooting catcher.

Lawlor May Be Here

Jack Threlkel, manager of the locals, has received word from Jake Lawlor, star backstop for the garage earlier this season, that he may be back for today's game. However, Arden, who has been doing nice catching, will open behind the plate.

Morrison, Oliver and Brown, the pitching staff of the garage, are all in first class shape and ready to work today. Threlkel has not announced who will start on the mound but it may be Brown since Morrison and Oliver both worked Thursday against the Roma Wines sluggers from Lodi.

Bond to Give Concert

The starting infield probably will be Beasley, Davis, Freitag and Baker, while Archuleta and Reynolds are also due to see action on the bases.

In the outfield Gill will be in left, Inda at center and either Matranga or Cassinelli in right.

The San Francisco S. P. band will play during the game and will also give a public concert tonight in front of the Washoe county library building. It is said to be one of the finest group of musicians on the coast.

The Southern Pacific store team has been a place winner in the Oakland Tribune-Northern California baseball tournament for the past two seasons and have also held the title in the east bay summer tournament, the Oakland winter league and the Berkeley winter league.

S. P. NINE COMING TO RENO WITH ITS BAND FOR GAME

The biggest crowd of the season is expected to pack Threlkel park tomorrow afternoon to witness the baseball game between the Southern Pacific Stores of Oakland and the Reno Garage nine. The game will be called at 2:45 o'clock.

Harry Ish, general freight and passenger agent of the Southern Pacific lines, stated today that two and possibly three Pullman cars of fans, bandsmen and ball players will make the over night trip to Reno. The forty-five piece band will play at the park before and during the game and at seven o'clock tomorrow evening will give a concert at the State building.

Manager George Gerichten is bringing his regular staff and possibly a couple new additions in case of emergency. His pitching staff includes Lefty Gugich, Peacock and Fagundez, Catcher Annunzio, Madruga, Clifford, Ivaldi and Mesple infielders, with Captain Clifford, Ivalda and Johnny Labetich in the outfield. Every player is a real ball player and need little or no introduction to local fans.

Jack Threlkel is in hopes of shaking off the first inning jinx and the loss of games by one run. These two breaks have been woven into prior games and believes his boys will steady down to earth tomorrow. He has provided additional seats along the first and third base lines to handle the largest crowd of the season with fair weather assured.

The local men to see action tomorrow will include, Arden, Morrison, Brown and Oliver, Beasley, Archuleta, Freitag, Baker, Gill, Inda, Matranga, Reynolds, F. Cassinelli and possibly Lawlor. The latter will divide the catching duties with Arden and is expected to return from Iowa today.

Threlkel is relying on Jimmy Morrison for the Reno hurling. Brown and Oliver will also probably take the mound since Threlkel will not want to overwork any of his pitching staff. He will need some first class hurling again Sunday when the Southern Pacific stores invade Reno with their crack ball club and a 45-piece band.

RENO BOWS TO S. P. STORES BY 7-4 COUNT

"Lefty" Gugich relieved Peacock in the third inning and allowed but five hits and no runs as the Southern Pacific Stores beat Reno, 7 to 4.

Annunzio, Mesple, Fernandes, Moro and Gugich featured the batting attack for the winners, while Clifford starred in the field.

Matranga, Frietag and Lawlor were the heavy hitters for the losers with Baker featuring in the field.

The Garage dropped Sunday's contest to the Espee stores from Oakland, although the locals turned in a nice game and accounted for some good hits. If Reno can get its share of the breaks Sunday the Courtlanders will be in for trouble.

Threlkel is desirous of getting his team out of a three-game losing streak. They hit the ball hard last Sunday against the Espee Stores but lost by a three run margin.

Trainmen Win From Reno Nine

Southern Pacific Stores in a recent game at Reno defeated the home team by the score of 7 to 4. It was the pitching arm of "Lefty" Gugnch which set the Reno outfit back in the losing column.

Annunzio, "Frenchy" Mesple, Fernandes, Gugich and Moro were the starring batsmen for the locals. Pat Clifford played a great game in the outer garden.

Backed by a 56-piece band and a gang of rooters, Southern Pacific Stores baseball team of Oakland yesterday handed Reno Garage a 7-4 defeat.

The Southern Pacific band gave a short concert prior to the game and gave an exhibition on the field. They gave another short concert in Sparks earlier in the day and again last night in front of the library building. The box score:

RENO TEAM DROPS HEAVY HITTING CONTEST

Base hits were in the limelight yesterday afternoon when the Southern Pacific Stores of Oakland outslugged the Reno Garage team 8 to 4 before a large audience.

The local team secured three runs on three hits in the first inning and the visitors came along steadily to run up their batting averages to a decisive victory.

The Southern Pacific boys depended on Peacock to do the twirling but he was inconsistent and Gugich replaced him early in the game while Oliver started out for the Garage only to be replaced by Morrison.

The hitting of Freitag, Annunzio and Matranga and the fielding of Bob Baker and Second Baseman Clifford were among the features.

Tthe game was spiced by a short concert and drill by the Southern Pacific Lines' band of fifty-six pieces. They were given a big hand and rendered a concert last evening at the state building.

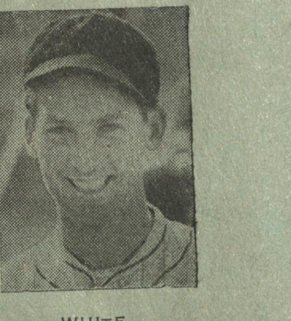
SOUTHERN PACIFICS STEAM OUT WITH AN 8-4 VICTORY OVER QUENTIN ALL-STARS

Locals Lack Punch With Men On Base; Visitors Fourth Inning Offensive Decides Hard Fought Game



WHITE

San Quentin, July 21—The Southern Pacific Ball Club Express choo-chooed into the Quentin terminal on schedule this A. M. for their annual game with Lieutenant Dan Coughlin's All-Stars and incidently to even up a little defeat at the hands of the said All-Stars in 1934 which they did handily by the score of 8 to 4.

It was evident from the time Conductor Gerichten shouted "all out" and a colorful group of the snappiest ball hustlers from the Bay District trotted onto the field in their blue and gold uniforms and began light practice by spanking warm-up balls off the concrete walls that the home boys were in for a little work. But the final result was not so bad as some of the local crystal gazers prophesied. And according to the echos of their achievement in sweeping all opposition before them in their 1935 campaign it might have been worse.

Jerry Downs sent "Lefty" Kolins, who has been assigned to the role of starting pitcher since the departure of Jess Canchola, to the mound and though he gave up 13 hits--two less than "Lefty" Gugich of the visitors--they came with men on the paths which is always a very bad time for them to come, especially with the other side at bat.

Both sides broke the ice in the first inning with a marker each. The visitors collecting their's when Mesple singled with two down, stole second and scored as Labetich, who followed him, poled an inside ball in the direction of Mr. Zubler's sack factory for another safety.

The All-Stars evened things up in their half making it one all when Aguilar singled, went to second as Annuzio's peg went into left field in an attempt to get him off the bag, stole third and scored after the catch when Johnnie White flied to deep center.

Both sides drew goose eggs in the second frame but in the third the visitors got busy again and registered a quartet which eventually proved to be their margin of victory. McDermott, the first visitor up in this inning, singled and Gugich, who followed him, got on via a fielder's choice. At this point Fernandes hit to Kolins and with an easy double play in sight Kolins threw wild to third, allowing Mc Dermott to score and Fernandes and Gugich to move to second and third respectively. Mesple was then purposely walked and with the sacks all cluttered up with invaders Labetich singled to center and the Southern Pacific boys had two more markers. Mesple in the meantime had moved along to third on a play at the plate from where he scored with the fourth run of the inning when he and Labetich worked a double steal. The Railroaders scored their other three runs in the sixth, seventh and ninth innings.

In the meantime the All-Stars, after registering their one run in the opening stanza, were helpless against the port-side slants of Engineer Gugich. They got men on several times but when they did Mr. Gugich tightened up and nothing happened. And it was the seventh before they were able to do anything in the way of timely hitting. With two out in this frame Aguilar brought the home fans to life with a triple to center and Draper revived interest a bit more when he followed with a double scoring Aguilar. After six scoreless innings Quentinites had begun to look upon Gugich as unbeatable. It was when White came through with the third straight hit off him scoring Draper with the second run of the inning that visions of victory began to look rosy for the local rooters. But the flurry ended here as Gugich caught White napping on first for the final out. Outside of a run in the eighth when "Bam" Johnson lifted one of Gugich's fast ones into Metcalf's Laundry yard for a homer the local offensive was over.

Aguilar, Draper, White, Johnson and Sokoloff did most of the heavy stick work for the All-Stars, Draper collecting three hits, including a double, for his share. Aguilar and Sokoloff each got a triple and Johnson a home run.

Mesple starred at bat for the visitors collecting three hits and driving in three of the S. P.'s eight runs.

PROTESTS MAR DOUBLE A TOURNEY

A chaotic condition today exists in local semi-pro baseball circles, due to two protested games Sunday in the Double A division of the Summer tournament. It will require an announcement, expected today, from the tournament committee consisting of Charley Tye, Steve Graham and Art Macy, to tell exactly who's who.

Prior to Sunday's games, Alaska Packers, San Leandro Merchants and Consumers Ice were involved in a three-way tie for the loop lead, while Martin's Eastsides, Durkee Foods and Napa Rock Mineral Water were deadlocked for second place.

PROTESTS FILED

Each first place team played a second place club, with the result Martin's defeated Alaska Packers, 12 to 3, Durkee defeated San Leandro, 13 to 4, and Consumers Ice won from Napa Rock, 7 to 5. However, both the Packers and Napa Rock protested the games, and the committee's action on the protests is necessary to straighten out the situation.

Alaska Packers protest was based on the use of Emil Bajuk in Martin's lineup, the claim being made he was not eligible to play with that team. The complaint of Napa Rock was based on the claim Consumers Ice have 17 men signed to contracts while league rules permit no more than 16.

If the tournament committee rules in favor of the Packers, they will be out in front in the Double A division. If it is not allowed a six-way tie will result providing the Napa Rock protest is granted.

ICEMEN MAY LEAD

On the other hand, if the Martin victory is allowed to stand and the Napa Rock protest is thrown out, Consumers Ice will be alone in leadership of the division.

A meeting of all baseball managers has been called for tonight at 7:30 at Lowell Junior High School, 14th and Market Streets, Oakland, which all local semi-pro players are urged to attend. Players desirous of appearing in The Tribune State Championship will have an opportunity to meet various team managers, with the possibility of signing for the big tournament.

Southern Pacific Stores vs. Central Bank
Sunday, August 18th, 1935.
Bayview Park, Oakland.

Southern Pacific Stores 6, Central Bank 4.

After two nights of intensive practicing the Southern Pacific Stores looked to be in great shape for the comming Tribune Tournament, by handing the Central Bank nine, another Tournament entry,a 6 to 4 defeat. "Lefty" Gugich showed that he can be counted upon to hurl the opening game, by allowing but two scattered hits from the fourth inning to the ninth. "Frenchie" Mesple considered one of the most dangerous hitters in the bushes, continued his fine stick work by hitting two long home runs. Andy Ivaldi also hit a homer to deep righfield. Larry Dutra, catching half of the game, continued his sensational hitting by collecting two hits in as many times at bat.

The Stores collected three runs in the first, when Mandish walked, and went to third base, when the hit and run was up and Clifford singled to left, Ivaldi popped up to first, Labetich flew out to right, Mesple hit his first of two homers to deep centerfield, scoring behind Mandish and Clifford, Kingsley walked, Madruga was out, Stewart unassisted.

They took a temporary one run lead in the fourth, when with Gugich pitching, Collett walked, Tula sacrificed him to second and was out, Gugich to Clifford, who covered first, Gallagher was safe at second, and Collett scored when Gugich threw wild to first base after fielding Gallaghers bunt, Stewart walked, Abreu singled to center, scoring Gallagher, Breakas flew out to centerfield, Pacheco fanned.

The railroaders put the game on ice in their half of the fifth, when Clifford was safe on Gallagher's error, and was out attempting to steal second, Viani to Abreu, Ivaldi hit a home run to rightfield, Labetich walked, Mesple hit his second home run to deep centerfield, scoring Labetich ahead of him, Kingsley popped up to second base, Madruga flew out to centerfield.

"Lefty" Gugich maintained his perfect avarage of not having lost a tournament game in three years, by handing the Consumers Ice nine a 4 to 1 defeat, for his fifth win in tournament competition. Gugich hurled a perfect game and at no time was he in trouble, allowing only six scattered singles, no two in one inning, and fanning seven. Art Delaney, former Oak, was nicked for 11 hits by the rail boys. Ivaldi with three hits led his teammates, while Madruga with two doubles, and Annunzio with two singles also did some heavy hitting for the winners.

The Stores tallied twice in the third inning, when Gugivh was out, short to first, Emeldi singled infield to third, Clifford was safe at first on Cronin's error, Emeldi going to second, Ivaldi singled to right, and Emeldi and Clifford scored when Florence was slow in throwing in the ball, Labetich flew out to center, Mesple was out third to first.

They scored another in the fourth, when Madruga doubled down the rightfield fould line, Fernandes sacrificed him to third, and was out Delaney to Steengraff, Annunzio singled to rightfield, scoring Madruga, Gugich singled to leftcenter, Annunzio going to third, Emeldi popped up to second base, Clifford forced Gugich at second, Martin to Cronin.

The Icemen's lone run was made in the seventh, when Martin fouled out to Annunzio, Chernay flew out to rightfield, Delaney singled to center, Martin was safe at first on Mesple's error, Delaney holding second, Cronin was safe at first on a fielders choice, and while Mesple and Clifford were runnung down Martin between third and second, Delaney scored.

CENTRAL BANK AND S. P. DEFEATED

6000 SEE FOUR THRILLERS IN TITLE GAMES

Richmond, Eastsides, Greyhounds, Elks Take Victories

By EDDIE MURPHY

Thrills galore were presented at the Oaks' ball park yesterday as eight teams battled in four games of the California semi-pro championship baseball tournament being staged by The Oakland Tribune, and 6000 fans, who flocked through the turnstiles as they did in the good old days of the Coast League, went home satisfied.

While the champion Alameda Elks whitewashed Napa Rock Minerals, 2 to 0, in the first thriller of the day, the program was not without its upsets as two of the favorites, Central Bank and Southern Pacific Stores, went down to defeat, Pacific Greyhounds of San Francisco defeating the Railroadmen, 4 to 0, and the Bankers bowing to Martin's Eastsides of Alaméda, 4 to 1.

STEAL HOME WINS

The fourth and final game of the day resulted in a near riot as Richmond Produce put over two runs in the last of the ninth inning to nose out Alaska Packers, 5 to 4. The Packers filed a protest after they had been banished from the field by Police Officer Clarence Radoni and a few assistants.

Harry Green stole home for the winning run and the Packers protested to Umpire Clyde Borba that Bernadou, the batter, had interfered with the catcher. Borba contended the catcher could also be charged with interfering with the batter if Green hadn't stolen home safely. Umpire Frank Schuster upheld Borba as all 16 players of the Packers surrounded the two umpires. As a result of yesterday's game, the Packers suffered their first defeat in the tourney.

THREE TIED FOR LEAD

The Elks, Greyhounds and Eastsides now hold the inside track in the race for the championship with three wins each, while Central Banks, Richmond and S. P. Stores are tied for second place with two wins and one defeat.

Two elimination games tonight promise to attract another big crowd. From Watsonville comes word that the White Cardinals are coming up with hundreds of supporters. They are to meet Boldemann Chocolates in the 7 o'clock contest, which will be followed by a tussle between the 30th Infantry from San Francisco Presidio and the hustling team of youngsters representing Ed's Hop Gold Buffet.

The Apple Growers, although having already suffered a defeat, loom as one of the best out-of-town teams to enter any of the three State tourneys, and should they win tonight the Elks had better look to their laurels. The Hop Golds, composed of former high school stars, are also likely to finish in the money if they are able to dispose of the soldiers tonight.

CLOSE HURLING DUEL

Ernie Bonham, a husky lad who was with the Oaks last Spring, and Joe Noonan, former St. Mary's College hurler, engaged in a hard pitching duel in the first game yesterday and for a time it appeared that the customers were in for some extra innings. Bonham held the Minerals to three hits while Noonan allowed six.

Again it was Ray Brubaker, former Oak manager, who played a prominent part in the victory for the champions. He opened the fourth with a single, advanced on Jack Bill's sacrifice and scored when Escobar doubled.

Umpire Jack Zimmerman was pushed all over the field by Joe Bernadou when he called the latter out when he made an attempt to steal second. On the third base side, where the writer happened to be at the time, it was the opinion of the majority that Bernadou had slid safely. It took much persuasion on the part of Bernadou's teammates to keep him from getting into a fight with the umpire.

The Elks put the real damper on the Minerals in the first of the ninth when they scored another run as Vincent Welsh was safe on Tony Pacheco's error, Brubaker sacrificed and Jack Bill doubled for his third hit of the game.

After allowing two clean singles

(Cont. on 2nd Sport Page, Col. 6)

in the second inning when Tony Krasovich speared Bernadou's liner to turn it into a double play, Bonham allowed only one scratch single which was made by Bernadu in the fifth inning.

The Greyhounds and Espees furnished thrill after thrill in the second game which City Manager John Hassler said was one of the best games he ever attended, and he is now an ardent follower of The Tribune tourney games.

GIVES ONLY THREE HITS

Ed Luque turned the Railroadmen back with three hits to make them the fifth team whitewashed in the tourney. Phil Gugich, who had pitched five wins without a defeat during the three State tourneys, suffered his first loss, mainly through his inability to field a bunted ball in the second inning when the Greyhounds scored three of their four runs.

With one away, Murphy beat out an infield hit to Pat Clifford and took third as Al Nobriga singled. Nobriga stole second and then came the first bunt from Jackovich, which Gugich fumbled, Murphy scoring. Ray Barron also bunted and Nobriga scored when Ted Madruga erred. Barron scored later on Dutra's error.

Johnny Nelson had too much on the ball as he turned the Central Bank back with only three hits of which one was of the infield variety, while Jimmy Stevens was the victim of attacks in two scattered innings. "Shorty" Perry beat out an infield hit as he was the first batter to greet Stevens. He advanced as Rose was hit by a pitched ball and scored on a single by Art Agnew. Rose scored on an error by Freeman.

Martins bunched four hits in the eighth for their other two runs. Nelson started with a single and Perry got his second infield hit after which Gillen and Sinibaldi drove out clean singles. George Wilson's outfield error also aided the Alamedans.

PRODUCE NEAR DEFEAT

Things appeared bad for Richmond as the Alaska Packers scored two in the fourth on an error by Green, a walk to Sandahl and Billy Gonsalves' triple, but the Producers took the lead when they scored three in the sixth when Green doubled to score Burns and Baldwin and he completed the circuit himself when Peacock erred in center.

The Pakers scored two more in the seventh to lead again. That was all until the ninth when it appeared as though the Producers would be eliminated as they had two out and the count was three and two on Baldwin. He waited out the fourth one to draw a walk after which came a single by Green another walk to "Red" Strader and a single by Gerner, batting for Elling, and that steal of home which resulted in the protest.

☼ ☼ ☼

Johnny Lombardi, third sacker for Napa Rock Minerals, is being watched by the scouts. He turned in a nifty play when he also threw himself to the ground to stop Tony Krasovich's drive. He failed to get his man at first, but probably cut off a two-bagger.

☼ ☼ ☼

Jack Bill was much in evidence with his bat. He cracked out a triple, double and single for the Elks.

☼ ☼ ☼

Fans applauded Al Nobriga, Greyhound second sacker, for minutes after he threw himself bodily to the ground, knocked down Pat Clifford's wicked roller and threw to Ray Barron for a force play, which almost resulted in a double killing.

Southern Pacific Stores vs. Central Banks.
Saturday, September 7th.,
Coast League Park, Emeryville.
(Fourth Game of 1935 Tournament)
3:30 P.M.
Southern Pacific Stores 2, Central Banks 1.

"Lefty" Gugich hurled one of the best games that has been played in the tournament todate, defeating the Central Bank nine 2 to 1 in ten innings, allowing but one hit and sending 14 back to the bench via the strike out route to set atournament record. This win kept his team in the running and gave them the right to meet the Napa Rock nine tomorrow morning in the fifth round of the present tournament. Larry Dutra, that ever hustling catcher, was sent in to hit for Madruga in the tenth inning with the bags loaded and two out, and came through with a smashing single to centerfield to win one of the most exciting ball games that has been played in the tournament this year. Les Powers for the Bankers, got himself out of a bad hole in the first inning when he filled the bags with none out and then settled down to retire the next three hitters with out allowing a run to cross the plate. Labetich and Emeldi with two hits apiece were the boys to carry off the hitting honors for the day.

The Southern Pacific boys scored thier first run in the fourth when Labetich led off with a single and went to third when Mesple singled to center, Annunzio popped out to second base, Mandish was safe at first and Labetich scored when Seig erred when attempting to get Labetich at the plate, Madruga and Gugich fanned to end the inning.

The Bankers came right back to score one in the first of the fifth, when Abreu walked, and was sacrificed to second, Pacheco being out Gugich to Madruga, Tula got the only hit off Gugich next, a singled to leftfield, scoring Abreu with the tying run, Viani fanned to.end the inning.

After retiring six batters in a row on strikes in the ninth and tenth innings, Gugich's teammates desided they would bring the game to a close, when Ivaldi fanned, Labetich singled to right, Mesple sacrificed him along to second, and was out Powers to Stewart, Annunzio walked, and Mandish was passed purposely to fill the bags with Madruga up, Dutra was sent in to hit for Madruga and after having two strikes hit xxxxxx a single to center and ball game was over.

STATERS-NAPA ROCK WINNER PLAYS ELKS

Final Games Are Set For 7:30, 9:30 At Emeryville

By EDDIE MURPHY

Surprises were the order at the Oaks' ball park yesterday with favorites in the race for the California semi-pro baseball championship going down to defeat. As a result Napa Rock Mineral Waters and Golden State Limited, both of Oakland, are in a fair position to dethrone the champion Alameda Elks. The concluding program of the third annual State tourney sponsored by The Tribune, with the cooperation of the Eastbay Managers' Association, opens tonight at 7:30 o'clock, with the Napa Rocks meeting Golden State for the right to clash with the champion Elks for the title. The winner of the first game tonight will tangle with the champs at 9:30 in the final.

NAPAS WIN THRILLERS

The Napa Rocks came through in grand style before a crowd of 5000 fans yesterday to register two wins, defeating S. P. Stores in the first, 1 to 0, and then battling for 12 innings to conquer Martin's Eastsides of Alameda, 6 to 5.

FINAL BROADCAST

Baseball fans unable to see the final program in the California State semi-pro championship baseball tournament at the Oaks' ball park tonight, will be favored with a one-hour broadcast which will start at 7:30 o'clock with Charles Tye at the microphone. Tune in on KLX tonight.

As a result of yesterday's games, four teams finished in a tie for fifth-place money. They are Pacific Greyhounds, who cracked wide open to allow Martins to defeat them, 8 to 6, in the noon game; Southern Pacific, which was nosed out by Napa Rocks in the first game of the day; Richmond Producers, who were eliminated from championship competition Saturday, and Ed's Hop Golds of Oakland.

The Eastsides by virtue of their win over the Greyhounds cinched themselves at least fourth money with a possibility of splitting third place cash with Golden State Products, who romped to an easy 8 to 1 victory over the champion.

BONHAM ELKS' HOPE

With Bert Cole, veteran southpaw, nursing a sore arm as a result of hurling 14 innings against the Greyhounds the other evening, Manager Manuel Duarte of the Elks is expected to start Ernie Bonham.

Bonham, a New York Yankee recruit, who was in training with the Oaks last Spring, has a record of 18 consecutive innings pitched in the tourney without a run scored off him.

The opening game tonight between the Staters and Minerals is bound to be a battle from start to finish for it not only means second place money for the winner, but also the right to tangle with the champions for the biggest slice of the "golden melon" and also the State title.

Manager O. M. Anwyl has not yet decided on his starting pitcher but look for Al Robello to start with "Heinie" Lay and Carroll Yerkes in readiness for emergencies.

RECKELBERG LOSES DUEL

The Espees, who placed in the money in each of the first two tourneys, were helpless against the offerings of Johnny Landucci. While Landucci's performance was one of the best in the tourney, he deserves no more praise than does George "Fireman" Reckelberg, veteran southpaw from engine house No. 9 of Oakland.

Landucci allowed three hits while Reckelberg gave the Napa Rocks only four. Two of the blows off Reckelberg were made by Pacheco and Johnny Lombardi in the first inning. Both advanced on Annunzio's passed ball and Pacheco scored the lone run when Johnny Abrew, former Espee catcher, hoisted a long fly to Fernandez.

In the second game the Greyhounds piled up a four-run lead in the third inning for Ed Luque, but the Eastsides bunched three hits off him in the fourth for two runs and took a commanding lead in the seventh when "Shorty" Perry and Rose garnered singles, Al Nobriga erred and Luque made a wild pitch and walked a batter.

COLE HAS SORE ARM

Duarte, upon learning that Cole was suffering from a sore arm, decided to gamble and started Ray Moffat on the hilltop with the result that the Staters, after being blanked for the first three innings, went on the merry-go-round to score two runs in the fourth and four in the fifth, after which the Elks were hopelessly outclassed.

Hollerseon turned the champs back without a run for eight innings only to have a run scored off him in the ninth when Krasovich and Art Bradbury got singles and the former crossed the plate as "The" Bill and Vin Welsh hit infield rollers.

The Eastsides tried their best to make it a battle between two Alameda teams, themselves and the Elks, for the title, but after apparently putting the game on ice by scoring a run in the first of the 12th to give them a 5 to 4 lead, they blew the contest and a chance for first-place money and the title.

Tony Duarte, who relieved Joe Noonan on the mound in the tenth, was charged with the de-

feat as the two runs in the 12th were made off him. Abrew singled and was out trying to stretch the hit into a double. Kyte walked, and Genevesino, running for him, reached third on a single by Fred Brain and Genevesino scored on an error by "Red" Gillen after which Brain stole second to score on Kenneth Wilkes' single to win the game.

Reno Garagers Play Oakland S. P. Team Today

Classy Outfits In Rubber Game Of Ball Season

The Reno Garage team and the Oakland Southern Pacific Stores of Oakland will play the rubber game of the season at Threlkel park this afternoon at 2:45 p.m.

George Gerichsen is bringing his boys fresh from the Oakland Tribune tournament where they finished in the semi-finals. Last Sunday Lefty Gugich pitched a one-hit game to keep the boys in the running but his teammate, Lefty Rickelburg, lost a 1 to 0 game two days later. Either of these boys is expected to start today's game.

Threlkel has four good moundsmen in Leo Visintainer, Len Oliver, Montie Brown and Bud Beasley. Leo is slated to open the game though the opposition admits that Oliver's slow ball is a tough one to trap. Brown and Beasley are curve ball artists and when right make the batters cry out loud.

Extra seats are available along the first and third base lines to handle the crowd. The railroad team packs them in every park and Threlkel has arranged for a large attendance despite threatening weather.

Gerichsen is bringing Pitchers Gugich, Rickelberg, Peacock and Olsen, Catcher Annunzio, Infielders Mesple, Madruga, Emeldi and Clifford, Outfielders Captain Fernandez, Ivaldi and Johnny Labetich.

Threlkel has Jake Lawlor, Beasley, Walt Keenan, Matranga, Baker, Inda, Kaiser, Agruza, Freitag and Reynolds to back his pitchers in this game.

Good and Bad Breaks

At 10 a.m. the American Legion team of Grass Valley will play the Reno Garage Juniors. Bill Cassinelli or Brown will pitch for the local nine.

Threlkel is pinning his hopes in George Matranga to have another big game in his sack today. George had a big day last Sunday when he stopped a runner at home, one at third, two at second and two at first. They were all sparkling plays.

Joe Annunzio, the affable catcher with the Espees, was a teammate of Jack Hill's in the Oakland training camp. One of the best catchers on the coast is this boy Joe.

Charlie Brown, the big cattle and beef baron, is going east next month and incidentally hopes to see a game or two in the world series. Baseball comes first on Charlie's menu at all times.

George Gerichsen, the congenial manager of the Stores nine, is the Mickey Cochrane of semi pro ball to Reno fans. His boys always draw a capacity crowd.

Garagemen Drop Wild Ball Game To S. P. Stores

Baseball fans were greeted with a wild game of baseball at Threlkel park yesterday afternoon when the Oakland Southern Pacific Stores won the game by a football decision, 11 to 9.

The railroad men started on Visintainer like a hen-pecked husband and hits intermingled with the other end of the box score (which includes errors) was not only bad but terrific. Leo lasted four short innings and left the game with the Gerichmen leading 8 to 2. The locals rallied and tied the score of Pitchers Olsen and Peacock in the fourth when the latter also took his shower bath.

The rails scored the tying and the winning runs in the seventh and added the final tally in the ninth for safety on a combination of hitting and misplays.

Joe Olsen wild-pitched himself out of the game in the eighth on three hits with none out. He was relieved by Lefty Gugich who retired the side via two strikeouts and a fielder's choice in some of the best pitching ever seen in Reno.

Beasley was the main choice in the show with three hits for a perfect average and his pitching held the Stores' boys well in hand. Jack Hill relieved Jake Lawlor behind the bat and was given a great ovation by the large crowd.

Emeldi's home run caused Visintainer a lot of early distress with a homer over the left field wall.

Bill Moffatt's Packers will be here next Sunday from San Francisco.

NIFTY RELIEF HURLING

Southern Pacific Stores nosed out an 11 to 9 win over Reno, largely due to the splendid relief pitching of Lefty Gugich. With the score tied, the bases loaded and no one out, Gugich relieved Olsen in the eighth inning and retired Reno without a run crossing the plate.

S. P. TEAM WINS LOOSE GAME 11 TO 9

The Southern Pacific stores of Oakland scored an 11 to 9 victory over the Reno Garage at Threlkel park yesterday afternoon in a baseball game marred by erratic pitching and loose fielding. Both sides were guilty of numerous errors during the nine innings.

Leo Visintainer lasted four innings on the mound for the Garagemen and in that time the visitors had scored eight runs from clean hits coupled with many errors by the Threlkelmen. This lead was gradually cut down by the Garage and Peacock, who started on the mound for the Southern Pacific nine, was relieved by Gugich, who retired the locals without a score.

During the last two innings the stores team scored sufficient runs to put the game on ice. Jack Hill, recently returned from the professional baseball circuit in the middle west, relieved Lawlor behind the bat and received a great hand from the crowd.

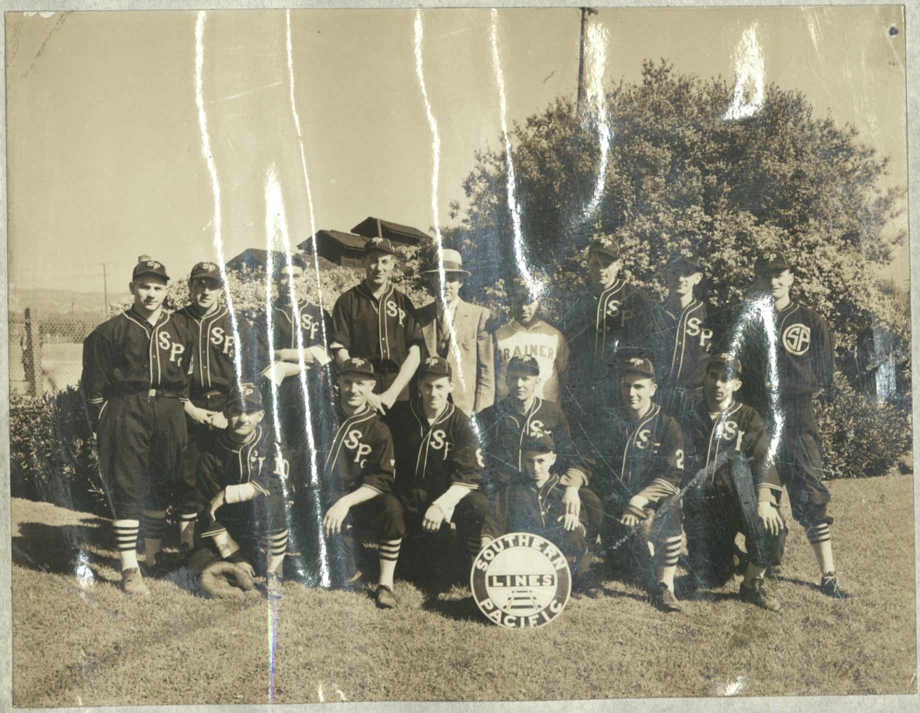
BASEBALL: *March 15 Gala Day For Oakland Stores Team*

With the same opening day ceremonies as in the past, the Southern Pacific Stores baseball team will begin its 1936 season on Sunday, March 15, at Bayview Park in Oakland. In the pre-game ceremonies, it is hoped to again have the All-Star cast, of Umpire G. E. Gaylord, superintendent of the Western Division; Pitcher H. R. Gernreich, assistant superintendent; Catcher F. E. Sullivan, trainmaster; and Batter H. W. Concannon, district storekeeper, who has two singles to his credit, for a perfect average, on past opening days.

This will be the team's tenth consecutive season. The team has proven itself to be one of the best in the state, having always won more games than lost in any year, against only the strongest teams in California and Nevada. The team has gained placement awards in each of the three Oakland Tribune's Northern California elimination Baseball Tournaments, being the only team to achieve this feat. It also holds the record of ten victories and only two defeats over the fast Reno club, during the past five years, no other club ever having accomplished this. Last year the team, accompanied by the colorful Southern Pacific Band, broke the all-time attendance record for the Reno ball park.

Manager George Gerichten will again be at the helm, ably assisted by "Midge" Fernandes. Manager Gerichten has many requests for games, and plans to enter the team in the Oakland Tribune's 1936 State Championship Baseball Tournament, where only the best of the California Semi-Pro teams are privileged to compete.

Any one desiring to book games with the Southern Pacific Stores Team, can do so by calling Business Manager F. M. Connett, on Local 4837, Oakland.



S. P. Stores Primed for Big Season

Boasting a record unequaled by any other Oakland semi-pro baseball team for a similar number of years, Southern Pacific Stores opens its tenth consecutive season next Sunday at Bayview Park.

Objective of what appears to be one of the sorngest lineups ever to represent the S. B., is first place in the Oakland Tribune's annual state tournament next fall. The Storemen comprise the only team to win placement awards in the last three Tribune tournaments.

Other outstanding achievements include a string of ten victories against only two defeats in six years of competition with Nevada's champion Reno Garage team. Last year the team also won from the Detroit Colored Giants, House of David, San Quentin All-Stars and Modesto Reds.

Manager George Gerichten still has last year's crack lineup virtually intact. Several newcomers have been questing for places in recent practice and one or two changes are probable. Ablest pitchers are "Lefty" Gugich and Joe Olsen.

BEER AND CAFE, S. P., PACKER NINES CLASH

By AL DUFFY

Hoping to continue their winning streak, Dutch Kogler's Tacoma Beer will take on Joe Regalot's Eagle Cafe nine in a "grudge" game at San Pablo Park at 2:45. With decisive wins over Moffat Packers and S. P. Stores, the veteran, Heinie Lay will assume pitching duties for the beer men with Bill Rodgers on the receiving end.

The Eagle Cafe nine has captured the fancy of Berkeley fans by steady play in past weeks and with Fred Schmidt and Bill Sharpe forming the battery, should uphold its reputation. Kogler will field an all-star team, including Curly Gardner, Roco Rago, Marty Tierney, Russ Van Arsdale, Weido Lancione, Fredy Flowers and Jay Ryan.

STORES PLAY PACKERS

S. P. Stores, who got off to a bad start in succumbing to the slants of Lay in their first game last Sunday, will meet Sam Adragna's Alaska Packers at Lincoln Park at 1:30. After working five innings in the opening game, Lefty Gugich should go the route for the Railroad men.

In the event that the Packers get to Phil, Midge Fernandez and George Gehricten will use either Joe Olsen or Jimmie Stevens for relief work. Ernie Alten, former major league hurler, will give the S. P. hitters plenty of trouble with his deceptive delivery.

STORES BEAT PACKERS

Southern Pacific Stores beat the strong Alaska Packers, 7 to 4. Joe Olsen pitched a steady game for the railroadmen, allowing seven scattered hits, while his teammates were gathering 10 hits for seven runs off of Carl Monzo and Vergil Vierra. With the score tied at 1 to 1 the heavy sluggers of the Southern Pacific's got to Monzo in the eighth, filling the bags, and when Mandish doubled Vierra was rushed in to stop the rally but the damage was already done. Gonzales hit three for the losers, two of them being doubles.

Alaska Packers Lose to S. P. Stores by 7-4 Score

Weakening in the final inning, the Alaska Packers' baseball club of Alameda lost to the S. P. Stores yesterday afternoon in Lincoln park by a score of 7-4.

Tied until the sixth inning 1-1, the Packers cracked up after Capt. Alec White was taken to the emergency hospital to have two stitches taken in a cut on his lip received when hit by the ball.

White Hurt

The Packers were forced to finish the game with a make-shift infield, enlisting Augie Gomes, who has not played for a month, for second and Harry Profumo for third.

After pitching good ball for seven innings, Carl Monzo was lifted in favor of Virgil Vierra for the Packers.

PADRES ROUT REVENGE SEEKING SOUTHERN PACIFIC STORES' NINE TO WIN 10-1; ALVISO HURLS WELL

Another Eighth Inning Rally Wrecks Hopes of Visitors

Revenge is sweet if it can be had, but the S. P. Stores coming down to Santa Cruz Sunday to get revenge for last season's setback, went home, with a worse defeat than suffered the first time, but still not disheartened. They lost to the Padres Sunday, 10 to 1, after a now famous Padre eighth inning wrecked any and all chances they may have believed they had, with a 4 to 1 score against them at the start of the last of the eighth. Six runs, rushed across the plate, shattered all hopes of the visitors and gave the locals a good sendoff to San Mateo for this Sunday's State league opener.

LOUIS VINCI

While the Padres were collecting 14 hits, three for extra bases, Ray "Sody" Alviso, dimnuitive little right hander, turned in his best game thus far this season after he had relieved Louis Vinci at the start of the fifth, with the score tied up at 1 to 1. Alviso allowed two singles in the fifth, then settled down and tossed as good a game as one could ask for. Not a batter reached first base safely after the fifth frame. It was easoly one of the best hurling performances ever given by the little right handed fast ball artist from Watsonville. Last week it was Curt Miller's relief hurling that saved the day for the Padres, Sunday it was the fine work of Alviso, who turned one of the best games he has ever twirled here.

Flowers Hits Hard

Two smashing doubles by "Tiger" Flowers, local lad who is making good in a big way with the big stick, Art Bradbury's homer and "Jug" Mandish's double in the first for the visitors were the only extra base blows of the game, but they looked good anyway. Especially Flowers' first double, which went to the fence in right-center-field and Bradbury's circuit drive which cleared the left field wall with feet to spare.

The game was a pitching duel between Jimmy Stevens, youthful fast ball hurler of the S. P. Stores and Louie Vinci for the first four frames. Each hurler being nicked for three blows and one run. Vinci retired at the start of the fifth with Alviso taking up the job. With one out in the sixth and two on bases and two runs already across, Stevens was derricked in favor of Phil Gugich, portsider, who had no better luck than his predecessor. When Vinci retired, the Padres had to borrow Eddie Fernandez from the visitors to finish up the game in rightfield. The only regular outfielder to show up for this game was Flowers, but he won his spurs in doing so.

The S. P. Stores' lone run came in the second frame, when Mespel reached first in Bradbury's error in handling a bunt, he took second when Dutra was passed and then scored on Fernandez' fly out to short. The ball went deep and Viani was off balance and could not get off a good throw.

The Padres started their run parade in the fourth, when Olsen opened with a single, stole second and easily scored on Flowers' long smashing hit to right centerfield. Art Bradbury added another run in the fifth, when he poled one of Stevens' fast ones out of the lot, and in the sixth, singles by "Whitey" Olsen, Norb Paynter, Flowers and Marriott reaching first on an error and Alviso's single accounted for two more runs.

6 Runs In Eighth

Then the eighth inning. All this scoring parade started with two out, when Bradbury singled, Fernandez walked, Vivani and Cronin singled, Olsen and Paynter were safe on errors. Flowers got his second double, Marriott batting for the second time singling and Alviso up for his second time, striking out to end the frame. Bradbury, Fernandez, Viani, Cronin, Olsen and Paynter scored in this inning, drowning any faint hopes of the loyal feminine rooters of the visitors.

In the visitors' half of the eighth, Clifford, Mandish and Labetich all went out to Cronin and Paynter, in easy fashion. Cronin played a good game at second and the whole Padre team went good after a slow start. Next Sunday, the Padres travel to San Mateo to tackle Justin Fitzgerald's Blues in the league opener.

PADRES SMEAR S. P. STORES TEAM 10-1 AS ALVISO HURLS GREAT GAME IN RELIEF ROLE

Bradbury, Flowers Lead In 14-Hit Assault On Two Pitchers

Blasting two pitchers for 14 base-hits, one a homer by Art Bradbury, the Santa Cruz Padres yesterday smeared the S. P. Stores team 10-1 in their last exhibition game at Community Park.

Held in check for five innings, the Padres opened the sixth inning with three rousing singles to drive Jimmy Stevens to the showers and finished the job with a 6-run splurge off Phil Gugich in the eighth inning.

In the meantime the Santa Cruz hurlers were stingy with their hits, Larry Vinci allowing only 3 in his four innings on the mound while "Sody" Alviso was in rare form from there in, allowing two hits in the sixth and retiring the side in order thereafter. The only S. P. run was unearned, coming in the second inning when Bradbury fumbled a bunted ball, a single by the pitcher and a fly-out sending the runner home. The only other threat came in the fifth when a runner was nipped at the plate with the entire visiting team vehemently protesting a close decision by "Hack" Wilson.

Bradbury Hits Homer

The Padres, held to a lone bingle for three innings, tied the score in the fourth when Russell Olsen lined out a single, stole second and scored on a double by "Tiger" Flowers.

They picked up another in the fifth when Art Bradbury clouted one far over the left field fence and added two more in the sixth on singles by Olsen, Paynter, Flowers and Alviso with an error thrown in.

Gugich, who replaced Stevens during the flurry, got by the next inning and had two down in the eighth when the storm broke.

Big Eighth Inning

Bradbury started in with a single, Fernandez walked and Ray Viani and Jim Cronin singled in succession to score two runs. A pair of infield errors on hard hit balls sent another run in with Flowers poling out a double to send two more galloping home. Bill Marriott, up for the second time that inning, got a single before Alviso fanned to end the slaughter.

Flowers with two doubles and a single in 5 trips, Bradbury with a homer and single in 3 trips, and "Nobby" Paynter, Olsen and Alviso with a pair of singles in 5 times up were the leading clouters for the Padres. "Jug" Mandish, S. P. right fielder, led his team with 2 for 4, "Brute" Labetich, "Midge" Fernadez and Stevens each getting one hit.

Southern Pacific Stores vs. Golden State.
Sunday, April 5th, 1936.
Bushrod Park, Oakland.

Southern Pacific Stores 2, Golden State 1.

With Gugich and Stevens holding the Golden State batters to four scattered hits, the railroaders handed the Staters a 2 to 1 defeat in ten innings. Stevens fanned all six batters who faced him in the ninth and tenth innings, releiving Gugich who was lifted for a pintch hitter in the eighth.

The Creamery boys made their only tally in the sixth when Rinella was out Gugich to Stewart, Burke walked, Lancioni was safe st first and Burke was out at second, Clifford to Emeldi. Mellano singled to left and Lancione scored on Fernandes's error. Bradbury flew out to center.

The Espee boys showed their famous fighting spirit, they have the reputation of never giving up until the last man is out, when Labetich led off the last half of the ninth with a long triple to deep rightfield, Stewart fanned, but Mesple hit a timely single to right, scoring Labetich with the run that tied the game, Fernandes flew out to right and Dutra flew out to center.

In the last of the tenth the S. P. boys were not to be denied, Stevens led off with a sharp single to rightfield, Emeldi sacraficed and all hands were safe on Lay's error, Stevens going to third when Lay threw the ball into rightfield in attempting to field a bunt, Clifford sacrificed and was safe on Church's error. Ivaldi singled off Lay's glove, scoring Stevens and ending the ball game.

Golden State, runner-up in The Tribune State tournament, will inaugurate what should be a great season by taking on the Southern Pacific Stores at Bushrod at 2:45. Carl Yerkes, former major leaguer, and George Hollerson, a consistent winner while pitching for Hollywood in the Coast League, will divide hurling duties for the milkmen. The Railroads will select their starting pitcher from the Gugich, Olsen, Stevens trio.

Espee Stores Win In 10th From Golden State

Relief Pitcher Jimmie Stevens struck out all six batters to face him in the ninth and tenth innings and then scored the winning run, as Southern Pacific Stores edged out Golden State's baseballers, 2 to 1, in one of the season's finest games.

Trailing, 1-0, in the last of the ninth, "Brute" Labetich kept the Storemen in the game with a three-base hit, which Mesple's single converted into a tying run. Stevens opened the last half of the tenth with a single, an error and a sacrifice loaded the bases and Ivaldi's single broke up the game.

"Lefty" Gugich allowed four hits and struck out six in the eight innings he worked. Golden State's veteran pitcher, Heinie Lay, relieved Yerkes in the fourth. Between them, they yielded nine hits.

SOUTHERN PACIFIC STORES VS. ALASKA PACKERS
Sunday, April 12th, 1936.
Lincoln Park, Alameda

Southern Pacific Stores 4, Alaska Packers 6.

The Southern Pacific could not overcome a four run lead piled up by the Alaska Packers in the first three innings and dropped a 6 to 4 decision. Stevens was not in usual form and was hit hard, being relieved by Gugich in the third who held the winners to one run for the remainder of the game.

The Packers came right back in their hlaf of the first to even the count when Gonzales singled to right, Madruga sacrificed and was safe and Gonzales scored on Dutra's error, White fanned and Corbett flew out to center.

Labetich led off with a single off Monzo's glove, Stewart singled to third base, Mesple doubled to centerfield, scoring Labetich and Stewart, Ivaldi was out second to first and Dutra flew out to right field.

S. P. FAVORED TO DEFEAT PACKERS

In an attempt to snap their two-game loosing streak, Sam Adragna's Alaska Packers will entertain Southern Pacific Stores at Lincoln Park in what should be the most heated game of the Sunday program.

With Jimmie Stevens slated to start for the railroad men, the Packers are conceded little chance of returning to the win column. Stevens has proven himself the outstanding right hander among younger twirlers, and with Stewart, Labetich, Emldi, Mesple and Clifford hitting in stride Southern Pacific should cop.

Alaska Packers are banking on the mitting of Elmer Corbet, Eddie Gabrielson and Ted Madrugh, behind the steady pitching of the veteran southpaw, Ernia Elten.

Alaska Packers took an exciting game from S. P. Stores, 6 to 4. The victors gathered eleven hits, the losers ten.

Bobcats Ready For S. P. Stores Games Sat.-Sun.

Fans To Be Treated To Fine Program As Old Rivals Meet On Diamond

The Southern Pacific Stores baseball club and the Red Bluff Bobcats are to entertain the fans on Saturday and Sunday of this week in two baseball games at Metzger field, starting each day at 2:30 p.m. The two-game series should be one of the most interesting played here in years.

There are several reasons why the series should give the fans their fill of excitement. In past years the clubs have been evenly matched and if the Bobcats have overcome their jitters both games should be close. There is no club visiting this city that has shown better sportsmanship than the Southern Pacific players, and the high school band will be on hand Saturday, Memorial Day, to provide the music.

To make things just a little more interesting, there will be some new faces in the Bobcats' lineup Saturday, as some of the regulars will be unable to play. But the new players, Manager Luther assures, will be first class.

The Southern Pacifics have three pitchers, Phil Gugich, Frank Maderas and Lefty Fernandez. The Bobcats will have Douglas and Lingenfelter and possibly a third pitcher.

It looks like a great week end boys.

Bob Cats Have Busy Week End With S. P. Team

The Southern Pacific Stores baseball club of Oakland is bringing a strong lineup here Saturday and Sunday for the two games with the Bobcats. Three pitchers are on the roster, including Phil Gugich, who pitched an 8 to 5 victory for the same club over the Bobcats June 5, 1932, and Lefty Fernandez, a pitcher and outfielder who often is used as a relief batter. The third pitcher is Frank Maderas. The Southern Pacific Stores club lost a game to the Bobcats here, 7 to 5, April 30, 1933.

Others on the roster of the club are "Brute" Labetich, rf; Andy Ivaldi, cf; "Midget" Fernandes, lf (captain); "Jugg" Mandish, rf; Martin Barovich, 3b; Babe Emeldi, ss; Pat Clifford, 2b; Dick Tobin, 1b; Larry Dutra and Eddie Fernandes, catchers.

Manager Charles Luther is angling for some new talent to play on Saturday to take the place of some of the boys who cannot play on that day. -- he is able to secure these players, the lineup for Saturday's game will probably be: Hoznour, c; C. Moran, 1b; Seimon, 2b; Brandt, 3b; Barber, ss; Chuck Johnson, rf; Palmer, cf; Bill Pillsbury, lf; Douglas and Lingenfelter, pitchers.

Frankie Freitas, Bud Varney and Frank Moran, expected to be absent Saturday due to having to work, will probably be in the lineup Sunday.

S. P. Stores vs. Red Bluff.
Saturday, May 30th, 1936
Red Bluff, Calif.

S. P. Stores 4, Red Bluff 0.

The Southern Pacific Stores renewed hostilities with their old friends the Red Bluff Bobcats, meeting them in a two game series over Decoration Day, May 30th and 31st. Behind the masterfull pitching of Lefty Fernandez, who allowed the Bobcats but three hits, the visitors walked off with the first game by the score of 4 to 0. The winners displayed one of the most well balanced ball clubs that has played in Red Bluff this season. In the entire nine innings there were but two balls hit to the outfield, a double down the rightfield foul line and a single to right. The three outfielders of the railroad nine did not catch a fly ball in the entire game. M. Fernandes, Ivaldi, Mandish and Tobin hit two apiece for the winners. Barovich, Ivaldi and M. Fernandes hit doubles for the railroaders while Barber hit a double for the Bobcats.

Neither team was able to score until the sixth when the winners pushed across three of their four runs when Ivaldi beat out a well placed bunt down the third base foul line, Mandish singled to left, both runners advanced on a wild pitch, Barovich was out, third to first, Tobin singled to left, scoring Ivaldi and Mandish, Robeck was safe at first on Brant's error, Dutra popped out to Brandt, J. Fernandez singled to left, scoring Tobin, M. Fernandes forced Robeck at third.

The final run of the game was made in the ninth when M. Fernandes led off with a line drive double to leftfield, Clifford popped out to short, Ivaldi was out Pillsbury to C. Moran, Mandish singled to left, scoring M. Fernandes, Barovich popped out to third base.

Seven of the 14 games scheduled for tomorrow in the Class Double A division of the Eastbay Summer League will be played out of town, but there will be at least 30 other contests to attract the semi-pro fans. George Gerichten leads his Southern Pacific Store team to Red Bluff for a game with the home team. All the teams taking part in the Double A race are out to win a place in the Oakland Tribune's State Championship tournament, which opens August 24.

"Lefty" Gugich held the Bobcats in check during the seven innings he worked and was never in trouble. Frank Maderas pitched the last two innings and was nicked for three innings. Lingenfelter a young lefthander, had nothing on the ball and the winners hit him hard and sent him to the showers in the second inning when he had to be relieved by Direr who pitched good ball for the remainder of the game, allowing only two hits and one run for seven innings.

The winners scored their first run in the first when Tobin flew out to center, Clifford singled to left, and took second on a passed ball, Ivaldi singled to center, scoring Clifford, and was out trying to steal second, Johnson to Seimon, Labetich fanned.

Bob Cats Caught On S. P. Crossing And Skinned

Visitors Demonstrate That A Cat Can Be Dehided More Than Once

The Southern Pacific Stores baseball club of Oakland showed the Bobcats what an alert baseball team can do, winning both games of the week-end. Fernandez shut out the Cats in the Memorial day game, 4 to 0, allowing but three hits. On Sunday Gugich pitched good ball, allowing but one run and five hits in seven innings. Maderas pitched the last two frames and was nicked for three runs and two hits, one of them a homer by Voyle Canton. The S. P. boys won the game 10 to 4.

There wasn't much to rave about in Saturday's game. The Bobcats were impotent at the bat and never had a chance. Pillsbury pitched good ball but had one bad inning, being nicked for three runs on four hits in the sixth. A double and a single accounted for the fourth run in the ninth.

Sunday's game was lost by the Cats in the second inning. Cecil Lingenfelter started for Red Bluff. He was hit hard in the second inning but only one of the eight runs of the inning was earned. Six runs had come across the platter and two were on bases, with one out, when Eddie Dreier, of Richfield, relieved Lingenfelter. He forced Mandish to fly out to left but Barovich connected for a triple, scoring two. Dreier struck out Robeck to end the frame. The S. P. Stores had scored one run in the first inning, bringing the count to 9 to 0 as the first half of the second inning ended.

The Bobcats scored one in their half of the inning on singles by Gullixson and Brandt and an error by Robeck.

The Bobcats had a chance to score in the fourth when Brandt singled and Frank Moran duplicated. Dreier struck out, Johnson forced Frank Moran at second and Seimon was out, third to first.

Voyle Canton, former Bobcat, back in harness in right field, hit a long drive over Ivaldi's head in center in the eighth inning for a homer, scoring the second run for the locals. Ivaldi came back in the ninth to hit one in almost the same spot for the second homer of the day, making the count 10 to 2 in favor of the S. P. team.

The Bobcats made a belated rally in their half of the ninth, an error paving the way for the two runs scored. Frank Moran was thrown out, short to first and Barber, hitting for Dreier, struck out. With two down, Johnson hit to short but Robeck let the ball go through him and Johnson wound up at second. Seimon drew a walk and Varney came through with his second double of the day to score Johnson and Seimon. Shorty Moran struck out to end the game.

S. P. Stores vs Reno Garage.
Sunday, June 14th,
Reno, Nevada.

S. P. Stores 5, Reno Garage 7.

Using the most unfair tactics ever to be seen in baseball, the Reno Garage nine defeated the Southern Pacific Stores by the score of 7to 5. Seven deliberate miscues on the part of the umpires was too much of a handicap to overcome. Ivaldi called out on a raw descision at theplate hung one on the umpire's chin and he hit the grass. "Lefty" Fernandez pitched a beautiful game for the visitors allowing but four scattered hits during the seven innings he worked. A Barrage of base hits in the ninth drove Carl Monzo to the showers. The situation was tense and much bad feeling was in evidence after the game was over. Labetich, Barovich, and Dutra hit triples for the railroaders, while Gomez doubled and Florence hit a home run to break up the game in the last of the ninth, wth two on.

The home towners scored one in the first when Inda singled infield to short, Freitag sacrificed him to second and was out, Fernandez to Tobin, Gomez doubled to center, scoring Inda, Salinson and Doyle fanned.

They added another in the third, when Inda fanned, Freitag walked, Gomez singled to left, Salinson forced Gomez at second, Clifford unassisted, Freitag scoring when Clifford threw the ball away trying for a double play, Clayton forced Doyle at second, Robeck to Clifford.

The eighth was the S. P.'s big inning, when after Clifford was out, short to first, Ivaldi singled to center, Labetich singled to right, Barovich was purpo sely walked filling the bases, ,on a wild pitch, Ivaldi was called out at the plate on a terrible decision, Emeldi bounced one to third, and when Baker threw wild to first, took second, while Labetich and Barovich scored, Robeck walked, Dutra tripled to rightfield, scoring Emeldi and Robeck, E. Fernandes fanned.

The Reno club stole the game in their half of the ninth, when Inda was called safeat first, he being really out by over two full steps, Freitag walked, Gomez ~~forced Freitag at second,~~ was safe at first on Robeck's error, Inda scoring, Salinsin forced Gomez at second, Doyle hit one on the handle for a single to right, scoring Freitag, Clayton fanned, Florence hit a home run over the leftfield fence, scoring Salinson and Doyle ahead of him and winning the ball game.

HOMER IN 9th WITH TWO ON BASES WINS FOR RENO

S. P.-Reno Game Cancelled Because Of Heavy Rain

The scheduled baseball game today between the Reno Garage and the Southern Pacific company stores department team from Oakland has been called off because of inclement weather.

Rain which fell here Friday night and yesterday gave Threlkel park a good soaking and necessitated calling off the game.

The Southern Pacific team boasts one of the finest semi-pro clubs on the west coast and the game was looked forward to with considerable interest.

Manager Jack Threlkel of the Reno nine said the game may be arranged at a later date.

S. P. Stores Team Of Oakland Will Play Reno Today

A major attraction in semi-pro baseball is slated at Threlkel park at 2:45 p. m. today when the Reno Garage boys meet the Southern Pacific Stores of Oakland.

This game was rained out last Sunday and both teams are on edge after a big day of rest and some keen workouts in the meantime. Players on the opposing teams are considered among the best on the west coast. Gugich and Monzo will match their slants in this contest.

Babe Emeldi at short and Andy Ivaldi in center are two of the rail veterans here today who have delivered in the pinch in many previous games for the Gerichten gang. Years of experience makes them outstanding and have been a continual enigma to Threlkel.

Jack is sure to put his strongest lineup of the season on the field in this game. The boys have been hitting the apple with determination and with a few reasonable breaks will give the rail birds considerable trouble.

The Oakland lineup includes Captain "Midge" Fernandes, left; Pat Clifford, second; Andy Ivaldi, center; "Brute" Labetich or "Jugg" Mandish, right; Mart Barovich, third; "Babe" Emeldi, short; Dick Tobin, first; Larry Dutra, catcher; Phil Gugich, Bud Linstrom and Lefty Fernandez, pitchers.

Threlkel has Inda, center; Freitag, second; Gomez, short; Salinsen, first; Doyle, right; Clayton, catcher; Baker, third; Capriotti, left; Monzo, pitcher. Pitcher Jacobsen, Cassinelli and Frank Capriotti are the utility boys.

Garagemen Trail Until Lucky Hit In Final Frame

A wild ball game was witnessed at Threlkel park yesterday afternoon when the Oakland Southern Pacific Stores were sent home on the short end of a 7 to 5 score by the Reno Garage nine.

Threlkel sent out an SOS and he received a kind reply in Left Fielder Florence who busted up the ball game in the last half of the ninth with a home run over the left field fence with two mates on the sacks in front of him. The local team was trailing 5 to 4 and Florence's punch was anything but a fluke and introduced himself in a thrilling manner.

Manager Gerichten trotted three pitchers to the mound and the score indicated hard luck instead of relief pitching. The Reno boys banged the last two twirlers with deliberation and had no trouble with Linstrom's fast ball. He started in the hole and finished in the showers a few minutes later.

Labetich and Mandish hit the ball hard for the losers while Doyle and Gomez divided five hits to keep the score about par.

Umpire baiting and a few wild swings enlivened the game and kept the fans on edge while many other mental donations confused the opposing pitchers. Shortstop Robeck of the visitors was the main offender and kept three moundsmen in constant distress.

It was one of the liveliest contests ever seen in this area and will be followed with the Alaska Packers of Alameda next Sunday.

Friendship on the baseball diamond is full of loyalty which adds the necessary zip to the national art. George Gerichten, S. P. Stores manager, had some of his friends seeking work to tie in with their baseball ambitions. He told them to go to Reno and play under ideal conditions and they did. These two boys contributed to the defeat of George's team last Sunday.

S. P. STORES vs RENO GARAGE.
Sunday, July 4th, 1936.
Reno, Nevada.

S. P. STORES 1, RENO GARAGE 2.

Mike Inda's drive to centerfield in the last of the ninth, gave the Reno Garage nine a 2 to 1 victory over the Southern Pacific Stores, in the first game of their double header, driving in Clayton with the run that won the ball game.

It was a battle between Lefty Gugich of the Southern Pacific and Lefty Jacobsen of the Reno team, and the fans were treated to some of the best hurling that has been seen at the local park in quite some time. Gugich allowed seven hits while Jacobsen yielded only nine scattered blows.

The visitors jumped into the lead in the first inning when Robeck opened the game with a single to rightfield, took second on Clifford's sacrafice, and after Ivaldi went out, third to first, scored on Labetich's smashing triple to rightfield, Mandish was out, third to first.

The Garagemen evened the count in their hald of the fourth, when Gregory was safe on second on Barovich's error, Gomez forced Gregory at third, Robeck to Barovich, Freitag tripled to rightfield, scoring Gomez, Salinson was out Clifford to Tobin, Florence walked, and Hill was out Barovich to Tobin.

The count remained all tied up until the last of the ninth, when Hill was out Robeck to Tobin, Clayton walked, Jacobenson singled past third base, and Inda broke up the game with a single to centerfield.

RENO GARAGE NOSES OUT S. P. STORES BY ONE RUN

Score Is Tied Until Ninth, Then Locals Make Tally

In one of the cleverest baseball games ever seen in Reno, the Reno Garage nine nosed out the Oakland Southern Pacific Stores 2 to 1 yesterday afternoon. A capacity crowd watched the boys in action.

Robeck scored the lone streamline tally in the first round when he singled. Clifford shoved him up a notch on a nice sacrifice. Ivaldi went out. Labetich then drove a triple over Inda's head, aided by a stiff wind, and he died on third.

Gomez reached first on a fielder's choice in the fourth and Freitag tripled to right center to send Tony over. Freitag passed out at third a la Labetich.

Both teams battled with score tied until the last of the ninth when Clayton walked, Jacobsen singled and Inda won the game with a dragging single to center and no play was made to get Smiley Clayton with the winning marker.

It was a grand pitchers' battle with neither man having an edge. The two left handers worked consistently and some thrilling support was given them.

Tony Gomez was the main cog in the defense with 10 plays. Three of them were of the most sensational species when he robbed two of the rail men with stops back of second base. Tobin stole a hit from Freitag's bat in the opening inning and he was given a big ovation.

Salinsen, Ivaldi and Jacobsen were the leading hitters in the averages added to triples by Freitag and Labetich.

Monzo will twirl for Reno in the second game which will start at 2:30 p.m. Manager Gerichten has a big right hander from Council Bluffs, Ia., who joined the club yesterday, as his choice.

GARAGEMEN SPLIT 2 GAME SERIES WITH S. P. 9

The Reno Garage and Oakland Southern Pacific Stores broke even in a two-game series with the Reno boys winning a close game 2 to 1 on Saturday and dropping a wild game 12 to 5 yesterday afternoon.

Jacobsen and Gugich, both southpaws, engaged in a pitching duel in the first game with the former hurler getting victory in the ninth when Inda singled Clayton home with the winning tally. The game was featured by the clever infielding of Tony Gomez, Reno shortstop who handled ten chances in flawless fashion.

Ehlers, former St. Louis rookie twirler, was too much for the Reno Garage boys yesterday and they hammered out thirteen scattered hits to win in a walk. In only one inning he allowed the first Reno batter to reach first and the bulk of his hits came after two were out.

Monzo started for the local team and his mates started him in the hold after two were out in the first round and could not regain his steadiness. He was replaced by Salinsen who allowed six more hits.

Extra base hits featured the second affair with the losers hitting six extra base blows, while the rail birds slammed out seven long wallops including a home run by Tobin. Fernandez and Freitag grabbed three hits each in this game.

S. P. Stores Team Defeats Reno

Two-Game Series Over Weekend Evenly Divided

The Southern Pacific Stores baseball team came back with vengeance yesterday afternoon defeating the Reno Garage team 12 to 5. This game evened the two-game series as the local nine won the first game 2 to 1.

Baseball hits of the extra base variety featured the game from the opening inning and lasted throughout. The Threlkelmen gathered six extra base punches while the Gerichten boys did likewise with Tobin punching the only home run of the game.

Captain Fernandez of the Stores had a perfect day at the bat with three for three. Freitag punched the left field screen twice while getting three blows. Robeck, Ivaldi, Inda, Gregory and Gomez tabbed two hits each.

Monzo started for the Garage team and his mates started him off badly with a bold error after two were out in the first round. He walked a man, hit another and then Fernandez cleaned up the sacks. He was replaced in the third round by Salinsen who was hit for six more scattered hits.

Ehlers, recently released by the St. Louis Cardinals at Sacramento, twirled a fine game for the winners and displayed about the best mixture seen in this district in many months.

The Folsom team will play here next Sunday.

Railroaders Win By Eighth Inning Rally

ESPEE STORES WIN

The Southern Pacific Stores defeated the San Quentin All-Stars in their annual game by the score of 6 to 2. It was a costly win as Larry Dutra, hard-hitting catcher for the railroadmen, broke the thumb on his right hand and had to be operated on in the prison hospital, and it will be some time before he will be able to play again. "Jugg" Mandish won the ball game in the eighth inning with a home run into the rightfield bleachers with two men on. Aguilar and Murray hit doubles for the All-Stars.

ALL-STARS BLOW DECISION TO SOUTHERN PACIFIC TRAINMEN

Local Team Fails To Hit In Clinches

Visitors Turn On Heat In The Eighth To Hand Home Guard Third Loss In Nine Starts; Murray Outpitches Railroaders

Quentin Stadium, July 26—4000 shivering inmates sat through two hours of wintry weather here this morning to watch Lieut. Dan Coughlin's All-Stars drop a 6 to 2 decision to George Gerichten's strong Southern Pacific Shops team of Oakland.

It was the third defeat in nine starts for the All-Stars and they lost today because they failed to make the most of their opportunites in the early innings. When they let down slightly in the late frames, they did not have enough left to withstand the vicious onslaught of the visitors.

For six innings the two teams staged the greatest baseball show seen in Quentin Stadium this season. After Pat Crawford's triple in the opening round, Crooked-arm Murray did not allow a single man to reach first until the seventh.

In the meantime Joe Olsen, the Southern Pacific starting hurler, was no puzzle to the local swatsmiths, but indifferent base running and a failure to connect in the clinches killed off repeated chances to score.

Aguilar opened the game with a long double to center, but he was out trying to stretch the hit into a triple. Keyrose rifled a single to right but neither Ethridge nor Polk could help the slender third baser along.

Harderson, first up in the second, singled to left. Murray and Aguilar both hit safely in the same inning but no runs were scored. Two hits got the Stars nothing in the fourth but Harderson did come close enough to get nailed at the plate on a fielder's choice. In the sixth, however,

things began to happen.

Polk started the fireworks with a drive to left. Harderson bounced one to Emeldi at third, and both runners were safe when the throw to force Polk drew Clifford's foot off the bag. On an attempted sacrifice, Draper forced Polk at third. Cochran dribbled one infield, just out of Olsen's reach and the bases were jammed. Murray doubled, counting Harderson and Draper and sending Olsen to the showers. Lay took up the mound duties for the trainmen and Aguilar ended the rally by bunting into a double play when Cochran apparently missed the squeeze signal.

The Trainmen came right back in the seventh and went to work like a Bush Street moll with a fresh sucker from a lumber camp. Murray passed Clifford as a starter. Harderson made a nice catch on Ivaldi's liner to left but Labetich dropped one safely into the same field, Clifford stopping at second. Clifford and Labetich then pulled off a surprising double steal and Mandish got an Annie Oakley, filling the bases. Murray tightened up long enough to whiff Barovitch but Dick Tobin, brother of Jim, the Oakland mound star, sent a sizzler to left, scoring Clifford. Murray might have gotten out of the jam, but Aguilar messed up Emeldi's bounder and Labetich ankled across, tying the count at two all.

But the score was not to remain tied for long. Robeck singled to start the eighth. Clifford popped to Keyrose. Then Robeck stole second and pulled up at third on Ivaldi's single to left. Robeck and Ivaldi pulled off a double steal. Labetich walked and Mandish planted one into the right field bleachers.

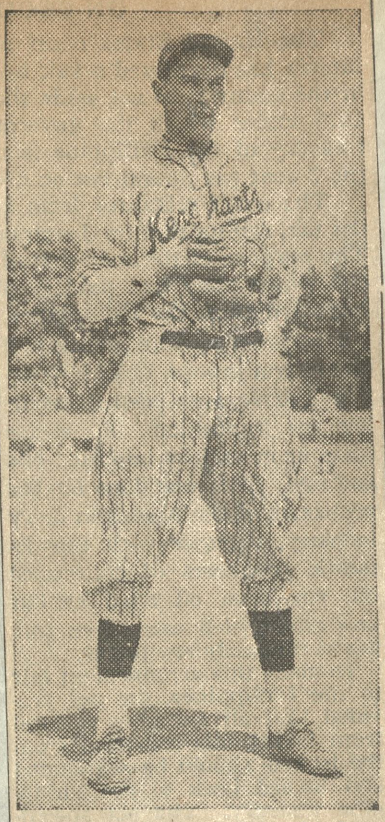
Merchants Meet S. P. Stores In Baseball Feature Today

Pitches Today



Stan Botto will be in the box for the Merchants this afternoon at Graham field when the team plays the Southern Pacific Stores of Oakland.

Locals Seek To Regain Winning Form At Graham

By HENRY HICKS.

The strain of a long winning streak broken as a result of their 7 to 6 lacing Wednesday night in Oakland, the San Jose Merchants should be a greatly improved team over that of recent weeks when it takes the diamond at Graham field at 2:30 o'clock this afternoon against the Southern Pacific Stores of Oakland, the most consistently good club in the bay section.

For the past three years the Stores have finished either second or third in the Oakland tournament.

With both clubs certain to play bang-up ball on the defensive, a pitchers' battle looms, as Manager Frank Boitano declared last evening that he would start Stan Botto for the Merchants while "Tony" Antonovich will be on the hill for the Stores.

EX-HOLLYWOOD HURLER.

Antonovich was with the Hollywood club of the Coast league in '34 and '35 and is supposed to be just as good now as he was then. Friends of Botto believe he could step into the professional circuit tomorrow and make good from the first day.

The rest of the Merchant lineup follows: Floyd Schick, c; Hilliard Rose, 1b; "Pep" Martinez, "Whitey" Olsen, Bill Swain and Eddie Lyons, 2b or ss; Pete Fanizzi, 3b; and Joe Montilla, lf; Frank Dalesandro, cf; and Benny Duino, rf.

The players for the Stores and their affiliations last season follow: Robeck, ss, Durkees; Clifford, 2b; Ivaldi, cf; M. Labetich, rf; J. Mandish, lf; M. Fernandes, outfield, all of S. P. Stores; Barovich, 3b, Napa Rocks; J. Labetich, infield, Golden State; Tobin, 1b, high school; Bradbury, c, formerly with Seattle, and Gugich, S. P. Stores; Antonovich with Hollywood in '34 and '35; and Linden, Oaks rookie, pitchers.

TESTS POPULARITY.

This game will be a test of the popularity of the Merchants, as nearly any club can draw when it's winning, but it takes a club which has the approval of the fans to pull a crowd after the team has had its long run of victories broken.

As the Merchants will have considerable expense involved with entering the Oakland tournament, the team will give a dance at Napredak hall near Cupertino next Sunday night to raise the funds. The Royal Commanders will provide the music for the occasion, and all of the players will serve as hosts to the fans.

A bad sixth inning in which the Packers got to pitcher Vierra for three hits and a walk, netting them 4 runs, prooved too much of a hurdle for the Stores to over come. In the two games tonight, the first starting at 7 o'clock. California and Hawaiian Sugar of Crockett tangles with Alaska Packers of Alameda and Tacoma Beer of Oakland meets McElroy-Cheims Lumber tossers of Santa Clara. These four teams won their first games and the winners tonight will go into a tie with yesterday's winners in the battle to see which five of the 24 teams in the tourney get slices of the purse to be divided at the end of the tourney a week from next Sunday.

STAY ALL DAY

Following are the results of yesterday's games, which attracted fans from all parts of Northern California, some of them coming with lunch pails and thermos bottles to stay on the job for the entire program of four games:

Tallant Tubs Senators (San Francisco) 2, Durkee Famous Foods (Oakland) 1.

Shell Oil (Martinez) 7, Golden State Ltd. (Oakland) 4.

Southern Pacific Stores (Oakland) 2, Napa Rock Minerals Water (Richmond) 0.

Pacific Greyhound (San Francisco) 8, Chapel of the Oaks (Oakland) 0.

The latter game was the only lopsided one of the day. That between Golden States and Shell Oil saw the oilmen come from behind in the sixth inning to score six runs and win out. Joe Ward, former University of Southern California football and baseball star, went in as a pinch - hitter with two on to hit a home run over the left field wall. His drive tied the count at four-all, chasing Carroll Yerkes, former Philadelphia Athletic star, to the showers and bringing in George Hollerson, to also take a pounding before Ellsworth Fagundas was sent to his aid.

Dick Elling is slated to take the

firing line for Crockett in the first game tonight. He was billed to hurl in the opener, but Manager Moses decided to use Johnny Green, much to his pleasure. Johnny winning and leaving Elling for tonight's tough one with the Alaska Packers, who probably will send Carl Monzo to the mound.

Al Robello or Steve Minetti will do the flinging for Tacoma Beer in the 9 o'clock game against the Santa Clarans, who defeated Newark, 4 to 3, Saturday in the only extra inning game of the tournament.

Tonight's program brings together the last of the undefeated teams seeking two straight, with tomorrow night seeing the start of the eliminations, the losing teams, having already lost one game, being counted out of the running.

Johnny Molloy came through with his second straight brilliant performance on the mound for the Tallants as he held Durkee Foods to only seven hits in the first game yesterday. He allowed but two hits as he whitewashed White's Cardinals of Watsonville in the opening game of the tourney. He really deserved another shutout yesterday, as the one run made off him would have been prevented had Risso, first sacker, not made an error in the fourth inning.

PITCHERS' BATTLE

Fred Schmidt pitched great ball against Molloy to make it a real pitching duel for the start of a perfect day of tourney baseball. The Richmond lad allowed the Senators only four hits and was also the victim of hard luck. Moniz' error in the first inning resulted in the first run and Risso followed it up with a doubles, scoring Rogan. The Senators won the game in the seventh inning when Gomes singled, Risso sacrificed, Schmidt cut loose a wild pitch and Mike Switzer hoisted a long fly to Zulaica.

Manager O. M. Anwyl trotted out almost his entire ball club in trying to stave off defeat at the hands of the Super Shells, but the Martinez boys were just too tough for the veteran hurlers. Les Powers held Golden State to only four hits during the seven innings he hurled before stepping out to let Joe Ward hit that damaging home run and Phil Gugich moved in to allow only a single in the remaining innings.

Jimmy Stevens, who hurled some fine ball for Pop Stewart's teams in previous Tribune tourneys, turned in the best pitching perform of the day as he hurled Southern Pacific Stores to their shutout win over Napa Rocks. Jimmy allowed only two hits, Gonsales starting the game with a double. Bussa, who drew a walk in the second inning was the only other man to reach first base before the ninth inning when Abreu got a scratchy infield hit.

CINCH IT EARLY

The Railroadmen cinched their win in the first two innings, scoring one in each off the veteran Jiggs Wright who allowed only two hits the remainder of the game.

Chapel of Oaks were badly outclassed by Pacific Greyhounds who registered the second shutout win of the day. The Oaks nicked Bill Sturtevant for 10 hits, Godbier getting three of them, but the pitcher had little to worry about after the sixth inning, when he and his mates pounced on Candini for four hits and three runs.

Sturtevant starred in the rally by getting one of the two doubles made. Owen McGough, with four hits in as many times and three runs scored, and Jack Kincannon with three hits, were the heavy stickers for the Greyhounds, who nicked Candini and Shonberg for a total of 16 hits.

In the opening elimination games tomorrow night White's Cardinals of Watsonville meet E. Bercovich and Sons Furniture team of Oakland at 7 o'clock, and Apex Lucky Lagers of San Francisco play Langendorf Royals of Berkeley. C. C. White, sponsor of the Cardinals, has arranged to have more than 50 boxes of Watsonville apples distributed among the fans.

Southern Pacific Stores vs. Pacific Greyhounds.
Friday, Sept. 4th, 1936.
Coast League Park
Emeryville, Cal.

Southern Pacific Stores 5, Pacific Greyhounds 1.

With "Bud" Lindsten pitching three hit ball, the Southern Pacific Stores defeated their old rivals the Pacific Greyhound nine by the score of 5 to 1, to make it three straight wins for the railroaders in the Fourth Annual Oakland Tribune California State Championship Baseball Tournament, and almost assure themselves of a slice of the mellon to be distributed to the five top teams.

Lindsten held the Busmen helpless, his fast ball burning across the plate, to send fourteen back to the bench via the strike out route. Beside pitching a great game, Lindsten led his teammates at the bat, getting three hits in four trips to the plate. Mandish and Tobin hit two apiece for the Espees. Robeck, Ivaldi and Mandish hit triples for the winners, Tobin hit a double. The Espees were held scoreless until the sixth when they unloaded their big guns to drive Sullivan out of the box with a five hit barrage which was good for 4 runs. The Busmen rushed in Sturdevent to save the day and he responded by striking out Robeck to retire the side, but the damage was done, as they could do nothing with the offerings of Lindsten.

Johnny Labetich opened the sixth inning with a single to leftfield, and scored a moment later when Ivaldi blasted a triple to deep centerfield, Brute Labetich fanned, but Mandish got a hold of one of Sullivan's fast ones and drove it into deep centerfield for another triple, scoring Ivaldi. Tobin then proceeded to double to left, scoring Mandish, Clifford flew out to centerfield. Bradbury walked, Lindsten got his second hit of the evening, a single to left, scoring Tobin. Sturdevent replaced Sullivan for Pacific Greyhounds and fanned Robeck to end the inning.

The winners added another run to their total to make it 5 when in the first of the eighth Mandish flew out to center. Tobin beat out a hit to short and stole second, Clifford singled infield to second, scoring Tobin. Lindsten got his third hit of the game by singleing to center. Robeck flew out to left.

It looked like the Busmen might start a rally in their half of the eighth when Sturdevent led off with a single to left, J. Lanconi walked, Baskus batting for D. Nobriga fanned, Benedetti singled infield to short, filling the bases, Volkman fanned, McGaugh walked forcing in the only Greyhound run of the game, and leaving the bags still loaded, Perry flew out to leftfield to end the game.

PACE QUICKENS, TOURNEY IN 3RD ROUND

4 Unbeaten Teams Remain In Tourney

TUBBS, SHELLS; STORES, BUSES SET TONIGHT

Taverns, Utility Win Second Round at Local Park

By EDDIE MURPHY

Four of the six teams which made themselves favorites to cop a slice of the golden melon by virtue of winning their first two games, stage the feature program in the opening of the third round of The Oakland Tribune State semi-pro tourney tonight. All four won each of their two games in the tourney and will be out tonight after their third straight win which would just about assure them of a slice of the melon.

The big diamond show at the Coast park starts at 7 o'clock with Tallant Tubbs Senators of San Francisco meeting Super Shells of Martinez and winding up with a tangle between Southern Pacific Stores of Oakland and Pacific Greyhounds of San Francisco.

Tomorrow night will see two other undefeated teams, Tacoma Beer of Oakland and C and H Sugars of Crockett meeting in the 7 o'clock game. E. Bercovich & Sons Furniture and Langendorf Royals meet at 9 o'clock in an elimination affair.

MOFFATS BEATEN

Last night saw the elimination of Moffat Packers of Oakland as they were defeated 3 to 1 by Frank Espina's Ben's Tavern team of Alameda, and also of Newark Merchants, who lost to East Bay Municipal Utility District team, 3 to 1.

Johnny Molloy, who pitched the Tubbs to their first two wins, without allowing an earned run, is billed to take another turn on the mound tonight. He would like to better the great tourney performance of Ernie Bonham, who pitched the Alameda Elks to the State title last year. In winning the first game over White's Cardinals of Watsonville, Molloy allowed only two hits, and in beating Durkee Foods in the second game he kept seven allowed hits well scattered.

Les Powers, who retired in the seventh inning after his last start in which he allowed Golden State only four hits, is slated to do the firing for the Shells, who will be followed here by hundreds of Contra Costa County fans.

Manager George Geritchen of Southern Pacific Stores was not certain today who would do the pitching for his team in the crucial battle with Pacific Greyhounds of San Francisco. The dopesters are picking Jimmy Stevens to get the call because of his heady two-hit pitching against the Napa Rock Minerals of Richmond in his last start. He turned the Minerals back scoreless, but Geritchen may take a chance with Dewey Brown putting him over tonight and having Jimmy set to start in the next contest.

FIGURE ON HURLERS

The tourney has reached the stage where managers have got to do some close figuring on the use of their pitchers, and Bill Hunrick, leader of the Greyhounds, will look over the workouts of Matty Sullivan and Bill Sturtevant before sending one of them to the mound. The latter turned in a shutout win over Chapel of the Oaks as he allowed eight scattered hits last Sunday.

It will be Johnny Green or Dick Elling for the C and H tossers of Crockett in the first game tomorrow night with Tacoma Beers, who probably will come back with Al Robello, who allowed the McElroy and Cheim team of Santa Clara three hits in his last start.

Art Mangini, the Moffat pitcher, certainly is the hard luck hurler of the tourney as no twirler showed more stuff and saw his club meet with such close defeats as he did. He hurled a no run, no hit game

(Cont. on 2d Sport Page, Col. 5.)

STATE TOURNEY ENTERS THIRD BRACKET

(Cont. from First Sports Page)

and fanned 21 batters in nine innings to earn the Packers the right to be in the tourney. Then in the first game of the tourney he fanned seven of the first nine batters only to see California and Hawaiian Sugar of Crockett score three runs without a hit. Wild pitches, errors and walks caused defeat. And last night he held Ben's Golden Glow of Alameda to only three hits and fanned 11 as he lost a pitching duel with Walter Lister.

BREAK IN SEVENTH

The first six innings saw both teams go scoreless and then the Glows got their break in the first of the seventh when they scored a run without the aid of a hit. Mangini had fanned six batters in a row in the fourth and fifth innings and managed to pull out of a sixth-inning pinch which an infield error put him in.

Eddie Fernandez, the first batter in the seventh drew a walk and completed the circuit when Gerner and Bajuk were both safe on errors.

Silva and Martin nicked Mangini for singles in the eighth, but the sturdy scavenger wagon worker appeared to be getting out of the pinch when Fox erred to open the way for two more Glow runs.

TRUE SPORT

Lister, who won the duel from Mangini as he also fanned 11 batters and allowed only four hits, remarked after the game, "I was glad to win, but hated to see that kid Mangini the losing pitcher, for he certainly showed me and the rest of the gang plenty of stuff. He's a good sport and it's tough he is out of the tourney as he would be a big attraction." That's true sportsmanship.

Avery of the East Bay M. U. D. team and Medaglia of Newark Merchants staged another fine pitching duel, the latter hurler blanking the Muds until the ninth when they put over all three of their runs to win out.

Roderick's double in the fourth inning scored Johnny Governor for the lone Newark run and timely hits by Avery and Reis in the ninth gave the Packers their win.

TWO TRANSBAY NINES LOSE TO LOCALS

Two Games Billed Tonight; Crockett Meets Beermen

By EDDIE MURPHY

San Francisco "took the rap" last night as two Eastbay teams blazed to victory in The Tribune's State semi-pro baseball championship tournament, behind the stellar pitching of Elmer Lindsten for S. P. Stores and Norman Coad of the Super Shells representing Martinez. Tallant Tubbs Senators lost to the Shells, 2 to 0, and the Espees downed their old rivals, Pacific Greyhounds, 5 to 1, leaving only four teams without a defeat.

Tonight will find another team, California and Hawaiian Sugar of Crockett fighting in hopes of taking the State title to Contra Costa County. The Sugarmen meet Tacoma Beer of Oakland in an elimination contest at 7 o'clock, with E. Bercovich & Sons Furniture meeting Langendorf Royals of Berkeley in another tilt, which will result in the loser being dropped out of the running for the money.

FOUR TOMORROW

Tomorrow brings a big program of four other elimination events with the winners working themselves back into the fight for cash. Last night saw the attendance more than double over that of any other night this week and with the tourney scheduled to draw to a close a week from tomorrow a near capacity crowd is expected to see the big four-game Sunday program for which only 25 cents will be charged.

Johnny Green or Dick Elling will hurl for the C and H team tonight with Al Robello, who hurled a three-hit game against McElroy-Cheim of Santa Clara, in his last start, working for the Tacomans.

The Bercovich team, although composed mostly of high school youngsters, is favored by the railbirds to come out on top over Langendorf Royals in the second tilt tonight due to the fact they have two of the best young pitchers in the State in Al Ramondi, former McClymonds' high star and Art Bloom, formerly of the University of California. Both pitched fine ball in the first two games in which the Bercovich nine participated, Bloom winning and Raimondi losing a tough one. Raimondi is slated to start on the hill tonight.

Lindsten allowed only three hits and fanned 14 as he turned the Greyhounds back with only one run which they scored in the final inning when Bill Sturtevant got a single to the outfield, J. Lancione walked, Benedetti got a scratch infield hit and McGough walked.

Mattie Sullivan, who started on the hill for the Greyhounds, held the Espees scoreless with four hits for the first five innings, but George Geritchen's gang got going in the sixth to score four runs on hits by Lindsten, Johnny Labetich and Dick Tobin, the drives by Ivaldi and Mandish going for triples.

After the five hits and four runs had been made Sturtevant stepped in to fan Al Robeck and retire the side, but Bill was nicked for another run in the ninth when three hits were bunched on him.

FAN TEN

Coad fanned 10 as he held the Tallants to only three hits for his shutout victory. Johnny Molloy, who had not allowed an earned run in his first two games for the Senators, being charged with the defeat. At that Molloy was responsible for only one of the three runs made off his delivery, his mates making three errors behind him. One of the hits off Coad was to the infield.

Southern Pacific Stores vs. Shell Oil.
Monday, Sept. 7th, 1936.
Coast League Park.
Emeryville, Cal.

Southern Pacific Stores 3, Shell Oil 4.

Although outhitting their rivals the Shell Oil nine, the Southern Padific Stores dropped their first game of the Tournament by the score of 4 to 3. Stevens of the Southern Pacific hooked up in a pitching duel with Lefty Gugich, former Espee hurler, the former allowing seven scattered hits while Gugich was nicked for ten. A fast double play of Mandish's line drive to Anti at second with the bases loaded and no outs saved the game for the Oil boys as the railroaders pushed over two runs in the same inning when fleet footed Dick Tobin lined a sharp single into leftfield two score men on second and third. Gugich had to be relievedin the ninth after allowing a walk and two solid base smacks to centerfield.

Shells drew first blood when they scored the first run of the game in the third inning, when Zupo walked, Gugich was safe at first on Tobin's error, Stanley was out Tobin Unassisted, both runners advancing. Jones flew out to leftfield, Zupo scoring after the catch. Kelly lined out to M. Labetich in right.

The Stores drove in two runs in the sixth and but for a lucky double play would have scored two or three more. J. Labetich started off the inning by getting a single to left, Ivaldi beat out a hit down the first base line, Labetich holding second, M. Labetich singled infield off Gugich's glove, filling the bags, Mandish hit a hard line drive to Anti at second who threw to Gregory doubling M. Labetich, J. Labetich and Ivaldi holding third and second respectivly. Tobin drilled a single into leftfield, scoring J. Labetich and Ivaldi, Clifford flew out to left, ending the inning.

The winners scored one in their half of the sixth to tie the score at 2 all, when Stanley led off with a single to left, and was sacraficed to second by Jones who was out, Clifford to Tobin. Kelley singled to rightfield, scoring Stanley, and was out a moment later attempting to steal second, Bradbury to Clifford. Anti fanned.

The Shell boys pushed over another run in their half of the eighth after two were out, when Gugich fanned, Stanley went out Clifford to Tobin. Jones doubled to left and scored on Kelley's hit tosecond. Anti was out J. Labetich to Tobin.

Espess fighting hard tied the score again in the first of the ninth, when Clifford first man up worked Gugich for a base on balls, Bradbury sacraficed him to second and was out Gregory unassisted. Stevens popped out to Ward, Barovich, batting for Robeck, drilled a single into centerfield, scoring Clifford with the tying run, J. Labetich singled to center sending Barovich to third, Ivaldi hit a line drive to center and was out, when Coad replaced Gugich for Shell Oil.

The Oilers won the game in their half of the ninth when O'COnnell, batting for Ward walked, Best sacraficed him to second and was out Stevens to Tobin. Gregory flew out to left. Zupo singled to center, scoring O'Connell with the run that won the ball game.

UNDEFEATED CLUBS - SHELLS, SUGARS

S. P., BERKELEY TEAMS DOWNED BY RIVALS

Two Games Billed For Tonight at Oak Baseball Yard

By EDDIE MURPHY

Contra Costa County teams last night stole the limelight in the California semi-pro baseball championship tournament by coming through with wins at the Oakland ball park. Super Shells of Martinez defeated Southern Pacific Stores of Oakland, 4 to 3, after which C. & H. Sugar of Crockett took the field to defeat Langendorf Royals of Berkeley, 7 to 2. Alaska Packers of Alameda brightened their chances for the championship by defeating McElroy-Cheim Lumber team of Santa Clara, 7 to 2. The Lumbermen and Langendorfs were both eliminated from further competition, leaving only 12 clubs to battle it out between now and Sunday afternoon for the State title.

Shells and C. & H. Sugars are the only undefeated teams remaining in the tourney, the Shells handing the Espees their first beating last night. But tomorrow will see these two friendly rivals of the Contra Costa Refinery League go into action against one another in the third game of a program of three. Hundreds of Contra Costa County fans will flock to the Oaks ball park from Crockett to see the Shells battle the Sugarmen. Their tilt will start at 9 o'clock at night. The first game of the triple-header will bring Tallant Tubbs Senators of San Francisco and Alaska Packers of Alameda together in an elimination contest. The 7 o'clock affair will also be one of elimination between Tacoma Beer of Oakland and Pacific Greyhounds of Oakland.

TWO GAMES TONIGHT

Two elimination games are on tap for tonight and they should be corkers, with San Jose Merchants, who sloughed Gough-Market Merchants of San Francisco, meeting Ben's Tavern of Alameda at 7 o'clock. The contest is likely to turn into a slugfest, since the San Jose team piled up 14 hits and the Taverns 18 hits in their last starts.

Manager Frank Espina of Ben's is likely to come back tonight with Johnny Lazootin, the lad who held Eastbay M. U. D. in check for seven innings before retiring last Sunday. Had he planned to use Elwood Bona he probably would not have sent him in to pitch the last two innings. He is also planning to use Art Agnew, former first sacker, on the hilltop, and it is possible he will give Art the call.

Harry Buzolich worked for San Jose Merchants in their last start, so it appears that Stanley Botto, who pitched to put the Berkeley Internationals out of the running, will

YERKES MAY HURL

Carroll Yerkes or George Hollerson are due to get the call to the mound by Manager O. M. Anwyl as Golden State Ltd. takes the field against the scrappy youngsters of Frank Youell's Chapel of The Oaks. Ellsworth Fagundes beat Durkee Foods in an elimination game Sunday, allowing only three hits, but he is not ready to make such an early follow-up.

The way the Oaks outfought the veteran Napa Rock Mineral team of Richmond has caused many to concede the youngsters a fine chance to remain in the running after tonight. The Oaks are likely to find themselves handicapped due to the failure of Lefty George to take his turn on the mound. Bill Marriott, who is managing the team, may gamble tonight with George if he shows up, otherwise it will be Harry Schonborg on the hill for the Oaks.

TUBBS TOMORROW

Tomorrow's program is really the most outstanding of the tourney to date, with Tubbs meeting Alaska Packers in the first game which will be an elimination. Tacomas meeting Pacific Greyhounds in another elimination, and Super Shells battling C. and H. Sugar of Crockett to see which team suffers its first defeat in the tourney. The team that wins will be hard to keep from winning the biggest slice of the golden

melon to be split after the championship game Sunday.

Virgil Vierra turned in his second fine pitching job of the tourney as Alaska Packers beat McElroy-Cheim team yesterday. He allowed only five hits and fanned 10 and was responsible for only one of the two runs scored off him. Eddie Gabrielson and White were the heavy stickers for the Packers, the latter hitting a home run over the left field wall. Each got three safe blows.

The game between S. P. Stores and Super Shells was a thriller from start to finish with the Railroadmen losing out in the last of the ninth when Pitcher Jimmy Stevens pitched to Jimmy Zupo with O'Connell on second base. Zupo, a left handed batter, drilled a single over second. It looked like the wise thing to do would have been to walk Zupo to first base.

Coad, Shell hurler, twirled only one ball to gain credit for the win. The Shells were trailing 3 to 2 when he relieved Phil Gugich in the first of the ninth to break up a rally and Coad pitched only one ball to Ivaldi, making him fly to Ernie Kelly in center for the final out and then the Shells came through with a run in their half to win out.

THREE CLOSE ONES

Today and tonight promise three close battles with one elimination contest between Alaska Packers of Alameda and McElroy-Cheim Lumber of Santa Clara starting the fun at 2 o'clock this afternoon. At 4 o'clock Southern Pacific Stores and Super Shells of Martinez, both undefeated, will seek their fourth win and after a intermission until 8 o'clock tonight, fans will again gather to witness a battle between Berkeley and Crockett, the California & Hawaiian Sugar team representing the latter city and Langendorf Royals for Berkeley.

Both are undefeated and will be seeking their fourth win and the right to enter the fifth round with a clean slate. Winners of fifth-round games will be almost within reach of part of the money to be shared from the net gate receipts and also close to the championship trophies offered by The Tribune.

Yesterday's winners will seek their fourth victory tomorrow night when two more games will be played, starting at 7 p. m.

Following is the program for today and tomorrow:

2 p. m.—Alaska Packers (Alameda) vs. McElroy-Cheim (Santa Clara).

4 p. m.—Super Shells (Martinez) vs. Southern Pacific Stores (Alameda).

8 p. m.—C. & H. Sugar (Crockett) vs. Langendorf Royals Berkeley).

Southern Pacific Stores vs. Tacoma Beer.
Saturday, September 12th, 1936.
Coast League Park,
Emeryville, Cal.

Southern Pacific Stores 4, Tacoma Beer 3.

Still smarting under the 4 to 3 defeat handed them by the Shell Oil nine a few nights back the Southern Pacific turned on the steam and eliminated the Tacoma Beer nine from the Tournament by handing them a 4 to 3 defeat, in one of the most thrilling games played in the Tournament todate. Bud Lindsten, Stevens and Brown shared the pitching honors for the winners and allowed the Beermen but four hits, while the railroaders were gathering nine off of Noonan. Tobin and Ivaldi were the hitting stars for the winners, getting two hits apiece, while Rodgers, Tacoma Beer catcher garnered two of the four hits for the losers.

The losers scored first when in the fourth inning they drove in two runs, when Brain was out Lindsten to Tobin, Gardiner walked, and was out,attempting to steal second, Bradbury to Clifford. Anti walked and stole second. Rodgers singled past short, scoring Anti. Gallagher was safe at first on Lindsten's error, Rodgers going to third. Ryan singled to left, scoring Rodgers. Van Arsdale popped up to Tobin at first.

The winners scored their first run in the first of the sixth when Tobin singled to leftfield. Tobin was called out by Umpire Elwood when Gardiner shoved him off of the bag and held him off with the ball. (A hot argument ensued and the game was held up for several seconds while the Espees argued with the umpire that Tobin had been deliberatly shoved off the base, but Tobin was called out) Ivaldi walked, Bradbury singled to leftfield, Mandish singled to centerfield, scoring Ivaldi. M. Labetich fanned, J. Labetich popped up to Anti at second.

The Espees scored two more in the seventh when Clifford was out Viani to Gardiner. Stevens walked, Robeck beat out a roller to third. Ivaldi was safe at first on a fielder's choice and Tobin was out at second, Vianni to Anti, Stevens and Robeck scoring when Anti was hurt by Tobin sliding into second to break up a double play, Bradbury popped out to Gardiner at first.

Tacoma scored one run in their half of the seventh when Anti singled to left, Rodgers beat out a hit to third, Gallagher was safe at first on Clifford's error, Anit scoring. Ryan and Van Arsdale flew out to rightfield.

The railroaders scored the winning run in the first of the eighth, when after Mandish flew out to centerfield, M. Labetich drove a long double to right. and scored a moment later on his brother's single to centerfield, Clifford forced J. Labetich at second, and Brown forced Clifford at second, both by Viani to Ameede.

S. P., Tacomans Tangle Tonight

By EDDIE MURPHY

Airtight pitching by the veteran, Johnny Green, enabled the California and Hawaiian Sugar baseball team of Crockett to continue setting the pace in the race for the California semi-pro championship. It will be settled tomorrow afternoon at the Oaks' ball park, where two, probably three, games will be played. Last night saw the Sugarmen score their sixth straight win without a defeat as Green pitched a 4-to-0 shutout win against Golden State, Ltd., of Oakland. The Milkmen were eliminated from the championship race but with fifth-place money cinched. Tacoma Beers of Oakland broke into the money list and continued in the title race by defeating Alaska Packers of Alameda, 8 to 4.

Tonight will see another club eliminated, and fourth place money tied up when Southern Pacific Stores of Oakland and the Tacomans tangle at the Oaks' park at 8 o'clock. The winner of tonight's game will meet Super Shells of Crockett at noon tomorrow with the loser having to be satisfied with third-place money. The winner will battle C and H Sugars in a 2 o'clock game. Should the Sugarmen lose, they will have to play a second game with the same team, otherwise they will win the State championship, first place money and valuable trophies offered by the Oakland Tribune.

CONTRA COTA FAVORED

As the setup is now, Contra Costa County stands the best chance of grabbing the title. Thousands of followers of the C and H and Shell teams will be on hand pulling for one of them to carry the crown to that county. The elimination of the Alaska Packers put Alameda completely out of it, leaving Tacomans and S. P. Stores of Oakland the only teams to strive to keep the title from going out of the county.

Elmer Lindsten, who is capable of pitching great ball despite being handicapped with two crippled legs and who has hurled several good games in the tourney, will most likely be on the firing line for the S. P. team tonight with Adam Babros or Joe Noonan working for the Tacomans. Lindsten has become quite a favorite with the fans. In his last start he beat the Pacific Greyhounds with only five hits and fanned 14. Manager George Geritchen will have Jimmy Stevens in reserve for the Railroadmen while "Dutch" Kogler of the Tacomans will have Steve Minetti.

Manager Moses of the C. and H. team holds high hopes of clinching the title in the 2 o'clock game tomorrow as he has Dick Elling all primed for action. He also has Johnny Fernandez ready.

TWO HITS, EIGHT RUNS

Virgil Vierra was the first victim of the Tacoma attack last night and was forced to the showers in the second inning. His mates gave him ragged support and the Tacomans made four runs on only one hit. Carl Monzo, who relieved Vierra was also the victim of poor support, the Beermen making four runs in the sixth on only one hit.

Monzo pitched remarkable ball throughout the tourney. He allowed only four hits during the eight innings he was on the mound last night and fanned 12 batters, making a total of 43 strikeouts for less than four games pitched. He and Art Mangini, of Moffat Packers, are by far the two outstanding young pitchers in the tourney.

Golden State, which went into the tourney as one of the favorites for the title, was almost helpless against the pitching of Green, while the Sugarmen found the offerings of George Hollerson much to their liking, getting 13 hits off him before he retired to the clubhouse.

HEINE LAY REPLACES

Singles by Andrade, Emeldi and Parker scored the first inning run last night. Two more scored in the third when Thomas and Flowers singled and Vern Carter doubled. Green got a double and scored the fourth run for the Sugarmen when Parker singled to left. When three straight hits were made off Hollerson in the seventh he left the game and Heinie Lay moved in to fan Green and stop the Contra Costa boys for the rest of the game.

The fielding of Babe Emeldi at short, Ernie Parker at second and Fred Flowers at first had much to do with helping Green to score his shutout. Emeldi and Parker went out of their way to cut off rollers and Flowers helped to complete several plays with sensational pickups.

TILT WITH OAKS LOOMS FOR CHAMPS

S. P. Stores Down Tacoma Beer 9 In Semi-Final

By EDDIE MURPHY

Two Contra Costa County teams and one representing Oakland will go into battle this afternoon in the finals of the California Semi-Pro Baseball Championship at the Oakland Ball Park. The Southern Pacific Stores will be the Oakland team as a result of their 4 to 3 victory over the Tacoma Beers last night.

The beermen were eliminated from championship play with fourth place money. As a result of their victory the Espees will meet C and H Sugars of Crockett in the first of the final games this afternoon, starting at 12 o'clock. The winner will tangle with the Super Shells of Martinez in a 2 o'clock game.

In the event there is a tie for first place, a third game will be played, starting at 4 o'clock.

The Tacomas got off to a two-run lead in the fourth inning, when Gardiner and Anti walked, Rodgers was safe on Roebeck's error, and Gallegher and Ryan got singles. A pinch single by Bee Mandish gave the storemen one in the sixth and another timely single by Dick Tobin plus an error by Anti gave the railroad nine two more runs in the

seventh. They won the game in the eighth when Mitchell Labetich doubled and his brother Jonny singled.

Dewey Brown and Jimmy Stevens followed Elwood Lindsten to the pitching mound to hold the losers in check.

A series between the Pacific Coast League champions and the California semi-pro champs is likely to be staged at the Oaks' ball park within the next few weeks.

According to Al Vermeer, publicity man for the Oaks, a letter was received from Sacramento in which it was mentioned that Bill Meyer and his Oaks would like to know how The Tribune and the tournament committee felt about a series between the State semi-pro champs and Oaks.

As far as could be learned all managers of teams involved in the championship games at the Oaks' park today are willng to meet the Oaks whether or not the latter wins the Coast League championship. The series would consist of three games. Vermeer states that members of the Oaks, those residing in the East, would be willing to postpone their departure home if such a series could be arranged.

The Oaks are in a fair position to win the Coast League title as they open a series here Tuesday night with the San Diego Padres and the winner of the series, which will be concluded in San Diego the latter part of the week, will meet the winner of the Portland-Seattle series which will be played in the Northwest also starting Tuesday.

Thousands of fans are coming from all parts of Northern California to witness the finals for which an admission of only 25 cents is being charged.

Southern Pacific Stores vs. Shell Oil.
Sunday, September 13th, 1936.
Coast League Park,
Emeryville.

Southern Pacific Stores 0. Shell Oil 8.

After staging one of the first sit down strikes on record, the Southern Pacific Stores were eliminated from the Tribune Tournament by the score of 8 to 0. Both defeats handed the Stores were administered by the Shell Oil team of Martinez, the first one being a tough 4 to 3 decision.

Due to a mix up in the schedule the game was delaiyed over an hour when the Committee attempted to force the Southern Pacific Stores and the C & H Sugar teams play each other, when the correct proceedure was to have the railroaders meet the Shells in the first game and the winners play the C&H boys for the championship. After an hour and a half of arguing the committee was forced to change its decision and the Southern Pacific Stores and the Shell Oil teams took the field and play was commenced.

It was just too much Gugich for the railroaders who could gather but three scratch hits off of the delivery of the lefthander. Tobin, Ivaldi and Mandish getting thethree blows for the losers, Mandish's going for two bases.

The Shells scored their first two runs in the third when Zupo flew out to right, Gugich singled to left and scored on Stanley's triple to the top of the leftfield fence, Jones singled to short, scoring Stanley, and took second when Clifford booted the throw, on Kelly's sacrafice all hands being safe. Anti popped up to Robeck at short. Ward popped out to Bradbury.

The winners shoved across five more runs in the seventh when Zupo led off with a double to center and scored on Gugich's double to right, Stanley singled to left, Gugich holding third. Jones doubled to centerfield, scoring Gugich and Stanley. Vierra now pitching for Espee. Kelly popped out to Bradbury. Anti was safe at first on Robeck's error, Jonesscored. Ward and Best walked, filling the bases. Gregory was out Tobin to Vierra, Anti scoring. Zupo up for the second time in this inning was out Vierra to Tobin.

The Shell Oil scored the eighth and final run of the game in the eighth, when Gugich got his third hit of the game, a single to rightfield. Stanley forced Gugich at second, Clifford to Robeck. Jones flew out to leftfield, Kelly singled to leftfield, Stanley scoring and Kelly was out at second, Mandish to Antonovich to Clifford.

SUGAR NINE RALLIES TO WIN SEMI-PRO TITLE

SHELLS BEATEN, TAKE SECOND PLACE MONEY

By EDDIE MURPHY

C. and H. Sugar Refinery ball tossers of Crockett were yesterday crowned state semi-pro champions as they staged a ninth-inning rally before a crowd of 5000 at the Oaks' ball park to defeat their home county rivals, Super Shells of Martinez, 8 to 7. The Shells, after defeating Southern Pacific Stores, 8 to 0, in the first game when Phil Gugich allowed only three hits, piled up a 5 to 2 lead during the first four innings of their game with the Sugarmen. The latter rallied to take the lead with four runs in the fourth, only to see the Shells take another one-run lead in the sixth and force the champs to stage the ninth frame rally.

The two teams brought thousands of fans down from Contra Costa County and there was plenty of rivalry, a delay in starting the first game helping to create excitement. The Shells contended that C. and H. should meet the S. P. team in the first game, and it took the tourney committee some time to come to a decision and finally force the Shells to take the field more than an hour after the game was scheduled. Had the Shells defeated Crockett in the second game they would have been only tied with the champs and would have had to meet them in a third game which they were more than willing to do.

REFUSE SUGGESTION

A suggestion had been made that the third game be played tonight or Friday, but the Shells, believing they had their old Refinery League rivals on the run in the early innings, flatly refused to consider the suggestion.

The windup of the Shell-C. and H. game saw fans milling all over the field, and fearing trouble, a few Emeryville policemen rushed into the park and gave protection to the umpires as they left to get in their machines.

It was evident that fans from both Crockett and Martinez wanted the title in Contra Costa County, as even the Crockett fans pulled wildly for the Shells in their first game with the S. P. Storemen, but the final game saw it a battle of the two cities with the Crockett fans booing Shell players and fans at times and the Martinez fans doing likewise to the champs and their fans.

ALL REWARDED

As a result of their triumph the Sugarmen win the first place money, a silver cup, and each player gets a suitably engraved belt tuckle. The Shells get second place money, the S. P. Stores third, Tacoma Beer fourth, and Golden State Ltd. fifth place money.

Much credit is due Chairman Art Macy, Charles Tye, Manuel Duarte, Harry Carnie and Steve

Graham for the manner in which they and their assistants from the Eastbay Managers' Association conducted the tourney.

Award of prizes will be made in the near future during one of the meetings of the Eastbay Managers' Association at Lowell Junior High School. No team did anything to cause forfeiture of deposit money which will all be returned to the clubs within the next few days.

Gugich, besides holding the Railroadmen, his old teammates, to only three hits, helped his own victory by getting a double and two singles for three of the 13 hits which the Shells made off Jimmy Stevens, Virgil Vierra and Antonovich of the Espees. The Shells bunched three hits in the third for two runs and five more hits for as many runs in the seventh, making their final tally in the eighth. Stevens was belted to the showers during the big seventh inning raid and Vierra gave way to Antonovich after the ninth inning.

As was expected in the championship game between Shells and the Sugarmen, basehits rained all over the park, the champs collecting an even dozen and the Shells 11.

The Shells were leading 7 to 6 as the Sugarmen went to bat in the last of the ninth and appeared to be a cinch for victory as Les Powers, who relieved Norman Coad in the fifth inning, had allowed one hit, a single by Figuerido in the fifth. But the breaks went against Powers when Emeldi, the first batter in the last of the ninth, hit to Stanley, who made a wild toss to first, Emeldi taking second. A single to center by Ernie Parker tied the score and Thomas advanced to second on the throw-in and to third on Fred Flowers infield out. Vern Carter hit a slow roller to Stanley and just did beat his throw to the first bag as Ernie Parker raced over the plate for the winning run.

Parker was a big help to the champs as his two singles helped three mates over the plate during the fray. Carter belted over two runs. Bobby Jones put in a big afternoon for the Shells with two doubles and three singles in the two games.

Members of the Super Shell Athletic Association met for more than an hour during the afternoon discussing what action they would take had their team been forced into play the third game had they beat the Shells, but with the defeat there was no action and they allowed the time limit to pass without a protest.

Charley Tye Can't Be Tied--Oakland Going to Miss Him

You can't tie a Tye!

That phrase best befits Charley Tye, one of the biggest boosters for semi-pro baseball in the East Bay, who last week resigned as president of the Oakland unit of Northern California Baseball Managers.

Tye stepped out of the picture for two reasons. First, because he was dissatisfied over the way the Oakland tournament was conducted, and secondly, he felt that his thriving East Bay Buffet business needed his undivided attention.

CHARLEY TYE
Will Be Missed

That Tye will be sorely missed, goes without saying. For the past five years, he was instrumental in putting Oakland on the semi-pro baseball map.

As secretary and charter member of the Oakland Managers' Association, Tye did much to promote bush baseball.

His Own Idea

It was Tye who first thought of the Oakland baseball tourney. He publicized the event and wrote letters to Denver, Colorado, inquiring how the Denver tournament was conducted.

Tye received all the information he possibly could, and then went to work on the event in the East Bay.

Without Tye's efforts, the Oakquiring how the eDnver tournaland tourney would not enjoy the success it has for the past four years.

Charley actually was the founder of the event in Oakland.

He built it to such an extent that teams in northern California look at it as a "little world series."

True, it is not as great as the Denver tourney, but, even in its infancy, it shows signs of branching out into a gigantic affair.

An Equal Start

The Denver meet, organized in 1915, got off to no better start than did the East Bay loop. For the first five years, the Denver tourney netted its champion anywhere from $1,000 to $1,500.

In 1935 it hit its peak. The House of David nine, with "Satchel" Paige pitching, won the title and was rewarded with $6,500 for two weeks play.

Oakland, too, reached it highest figure in 1935. Alameda Elks captured the crown and received a purse of $1,400. Far from $6,500, to be sure, but what will the fig-
s be twenty years hence?

he brunt of carrying on in
sts in the hands
are

Manuel Duarte, member of the board of directors; Steve Graham, first vice president, and Ambrose Del Veccio, second vice president. One of them will succeed Tye as president.

And, good as they are, they'll have to go some to tie Tye.

Hitchcock, Beck Arrive in Camp

By EDDIE MURPHY

OAKS' TRAINING CAMP, Modesto, March 9.—Jimmy Hitchcock, third-sacker, and Clyde Beck, shortstop, arrived in camp yesterday to reduce the list of absentee Oaks to only three. The missing are Pitcher Bill Ludolph, Outfielder Fern Bell and Shortstop Blair.

Hitchcock, who starred at the third bag for the Oaks last season, is pointing for a major league job with the New York Yankees in 1938. He had an opportunity to go to other Yankee farm clubs but made a special request to President Vic Devincenzi that he put in an appeal to have him return to the Oaks.

Hitchcock, after finishing the season with the Oaks, rushed to Auburn to serve as assistant coach of the Alabama Poly grid team. He also assisted in Spring practice.

BLAIR ON WAY

The arrival of Hitchcock and Beck in camp cheered Manager Bill Meyer, as it will give him an opportunity to start welding his inner defense for the coming season. Blair was sent transportation last Thursday and was believed to be on his way to camp, but Saturday President Devincenzi received a wire in which the young Yankee asked that expense money be sent him. So President Devincenzi had to rush to the telegraph office and wire him more kale.

Devincenzi hopes Blair does not come up with some other suggestion that will delay his arrival at camp.

Meyer passed up competition with the Yankee rookies being handled by Scouts Joe Devine and Bobby Coltrin and instead pitted his Acorns against the Oak regulars. He believed that by the new arrangement he can get a quicker line on his young players than he could by playing the young Yanks.

MEYER BUSY

Besides putting them through the six-inning game in which the regulars defeated the Yankees 8 to 0, Meyer staged a session of skull practice in which he went over faulty plays that some of the boys made in the practice games last week.

Two southpaws, Jack Andrews, formerly of the University of California, and Phil Gugich, who starred for George Geritchen's S. P. team, hurled for the regulars and held the Acorns to only five hits.

Arehart and Chapman worked on the hill for the Acorns and were nicked for 10 hits, Gabrielson, Judnich and Ed Sawyer each getting two. Andrews connected for one of the 10 hits, which was good for a triple.

President Devincenzi announced that Frank Espina's Bens Tavern team has been selected to play the Oaks in the exhibition game here next Sunday afternoon. The Oaks were scheduled to play the Mission Reds in two games, Saturday and Sunday, but the dates were cancelled.

The score of yesterday's game follows:

Story of "Hoops" Alis, Trainer

The most remarkable member of the Golden State party that is slated to leave Oakland tomorrow is Sam (Hoops) Alis, designated only as "trainer."

Alis is a mould maker in an Alameda foundry. He never knew a basketball from a baseball and cared less until some unnamed Columbus discovered that Sam had the God-given magic in his powerful fingers to give new life to a tired athlete.

Baseball players began making a beaten path to Sam Alis' door. The latch string was always out. Aching muscles, bruised bones, torn flesh all responded to his magic. Today thousands swear he is the greatest "rubber" in the land. To him it's fun . . . he refuses to accept a nickel for his services.

Sam Alis adopted the Golden State veterans about the same time they made him their Medicine Man. Now he never misses a game, never fails to bust a few blood vessels in wild excitement over every Golden State shot. Not once but a thousand times a night he screams at the top of his voice, "Make more hoops!"

The boys now know him only as "Hoops."

The milkmen admit "Hoops" Alis is the "most valuable" man making the trip. McBurney has been playing top flight basketball more than 15 years, being All-American seven or eight times.

He is in failing health, too . . . Sandoval spent nearly all of the 1936 season in the hospital. Leg and back trouble were supposed to have ended his basketball career forever . . . Miller has a trick nerve in his back that has been giving him the miseries a long time.

You see, basketball is the pace that kills. Each year takes its toll. Few men can carry on after their college days are over. Only the real greats have that genius. Miller and McBurney are two of the most celebrated cagers ever to come out of the Middle West. That is why, today, they are the chief Pacific Coast threat to gain the National championship . . . even though both graduated from college nine years ago! In fact, it was Miller's McPherson College five that eliminated McBurney's Wichita College team in the 1927 Nationals!

On their own admission, they would be helpless without the magic within Hoops Alis' fingers. And that is why Hoops Alis will not be at his bench in the foundry next week. He has to keep the Five Old Men on their feet!

Dutra, whos finger is completely healed, caught a fine game, and in the seventh inning when Vasquez attempted to score from second base on a single to rightfield, grabbed Brute Labetich's perfect throw to the plate, to put the runner out at home, thereby saving a run.

The fact Alameda has such ideal baseball diamonds and the Southern Pacific has its shops for its "Streamliner" here prompted the team to move to this city for its home grounds.

The score finished 3-2. Fans attending saw a fine game full of sparkling plays and heady team work on both sides. Pitcher Corazza, speed ball artist of the bushes, struck out five of the transbay players and allowed them seven safe blows. Malloy, on the mound for Tubb's, also whiffed five men and gave out eight safe ones. "Midge" Fernandez looked good in the field, while "Brute" Labetich, "Jug" Mandish and Dick Tobin did the bludgeon work, all getting two hits and Labetich three for four to lead the day's hitters.

WHEN the Southern Pacific baseball club made its debut here last Sunday, City Manager Charles Schwanenberg gave an exhibition of his pitching ability.

Schwanenberg made H. W. Concannon, Southern Pacific storekeeper, fan the air twice before he was able to connect for an easy roller to second base.

Jerry Robeck, short stop flash of the Espee Stores nine, will again handle those duties for Manager Gerichten's team this Summer.

Jerry is anxious to make baseball his profession, and the way he has been performoing the past year merits him a contract.

S. P. BALL TEAM TO PLAY HERE

HOME PARK OF CLUB SET IN ALAMEDA

Railway Squad to Adopt City for Coming Diamond Season

Moving into Alameda with a record unequalled by any other East Bay semi-pro ball team for a similar number of years, the Southern Pacific Stores will open its eleventh consecutive season in Lincoln park next Sunday against the Tallant Tubbs of San Francisco when it adopts this city as its home grounds.

With few exceptions, Manager George Gerichten announces the same veteran players who so ably placed his team in third position in the 1936 State Championship Tournament, will again wear the Southern Pacific medallion.

Veteran Club

Four of the original nine players who played on the first Southern Pacific Stores team in 1927 are still playing sparkling ball with their parent club, namely Captain "Midge" Fernandes, who runs the team on the field, and has been the main factor in the splendid showing the team makes every season; Pat Clifford, that well known fiery second baseman; Johnny Labetich, one of the leading infielders in the East Bay and his brother "Brute" Labetich, that hard-hitting outfielder, who as manager of Mickey's Inn, won the Oakland Winter League championship just concluded.

The balance of the lineup will include "Andy" Ivaldi, one of the leading hitters in the Alameda City League and "Jugg" Mandish, outfielders, "Barry" Barovich, Jerry Roebeck and Dick Tobin, three of the classiest young infielders playing ball in this part of the state, "Larry" Dutra will again be behind the plate, while Leno Carrazzo, George Antonovich and "Gunny" Fagundas will do the chucking. Sam Alis, the official trainer for the Southern Pacific Stores for several years past, will again be with the club, while his son, "Bobby," once more will act as mascot.

Following are former players who are climbing the professional ladder:

Our veteran chucker, "Lefty" Phil Gugich has signed with the Oaks. Phil has been with us since 1931 and records indicate he has given us 52 wins to 23 losses.

Jimmie Stevens, who pitched such splendid ball for us in the last State Tournament, reports to the Boston Red Sox.

Pro Players

Big Bill Schmidt, who returns from Atlanta in the Southern Association, will take his turn on the mound for the Sacramento Senators this year. Bill won many games for us in 1933 and 1934.

The "Mighty" Jim Tobin, who chalked up 16 wins to 8 losses with the Oaks last year, is now in Florida with the New York Yankees and we believe a World Series is just ahead for him. Jim wore the Southern Pacific colors in 1934.

Eddie Fernandes, brother of our Captain "Midge" Fernandes, will don the mask for the Seattle Indians this season. Eddie was with New Orleans last year.

"Jug" Mandish, our slugging leftfielder, has signed with George Burns, former Seattle manager, to handle the left garden for the Yakima club.

Ceremony

Tentative plans indicate our eleventh consecutive season will be opened on Sunday, March 14, at Lincoln park, Alameda, our opponents being the fast Tallant Tubbs Senators from San Francisco. Appropriate opening day ceremonies will precede the game. Those taking part in the ceremonies will include Alameda's City Manager George Schwanenberg, G. E. Gaylord, Supt.; H. R. Gernreich, Asst. Supt.; F. E. Sullivan, Trainmaster; H. W. Concannon, district storekeeper; and F. D. Franke, storekeeper, west Alameda. It is hoped the famous Southern Pacific band of San Francisco will be able to attend and furnish music for the occasion. The ball game is scheduled to start at 2:00 p. m.

Many out of town games have already been scheduled, including games with Reno, Red Bluff, Eureka, Redding, Pittsburg, San Mateo, San Jose, San Quentin, Susanville, Modesto, Avon and many others.

Southern Pacific Stores are already laying their plans to enter the Fifth Annual State Championship Tournament, they being the only team to hold the distinction of finishing four years straight amon gthe first five. Always a popular ball team who play snappy head up baseball they have the largest following of any East Bay club.

With Greater Oakland's Winter League race finally settled and the champions of each division crowned, the Bay District's semi-pro teams now swing into action in full force. A total of 23 games are on tap.

DAVE KYLE

Also on the menu today, we find two "grand openings," one at Lincoln Park, Alameda, and the other at the City of Albany's new field at the foot of Buchanan Street.

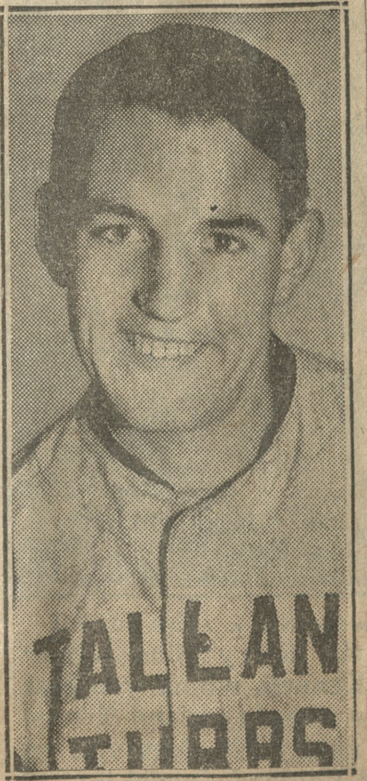
At Lincoln Park we find two strong Tribune Tournament contenders tangling in the official 1937 opening of the Espee Boys' summer season. George Gerichten, railroad pilot, has led his team to many championships the past 8 years—including third place in last year's big Tournament. Many well known stars perform for the Espee's: Dick Tobin, Midge Fernandez, the Labetich brothers, Jerry Robeck, John Abrew, Pat Clifford and others.

Mayor William McCracken will toss the first ball to officially start off the proceedings.

Tubbs Senators Facing Test in S. P. Game Today

Tallant Tubbs Senators, piloted by George Davis, face the acid test today when they encounter Southern Pacific Stores baseball team at Lincoln Park, Alameda, at 1:30 p. m. in the feature game in the Bay Region.

The Senators, regarded as San Francisco's strongest semi-pro team, were nosed out, 2 to 1, in their last start by Franco's Market, San Jose Winter League champions, who have tacked up a fourteen-game win streak.



EDDIE KEARSE
Will Catch Today

Davis will start a powerful club, lacking only Phillip "Goose" Gosland, sensational catcher, who is lost indefinately due to a badly injured finger. In Gosland's place behind the log will be Eddie Kearse, who belongs to the New York Yankees.

Ralph Enszlin, sparkling third baseman who played minor league ball in the East last season, will make his debut with the Senators. He should strengthen the infield considerably.

Johnny Molloy will pitch for Tallant Tubbs, while "Gunner" Fagundas will be on the firing line for S. P. Stores.

The Oakland tossers have one of the best balanced clubs in the East Bay. Since 1931 they have won four titles and always have finished in the money in the Oakland tournament.

City Manager George Schwanenberg of Alameda will be on hand to officially open the Southern Pacific season by tossing the first ball.

Starting line-ups:

Tallant Tubbs—Benedetti, right field; Gomes, left field; Davis, center field; Eastland, second base; Risso, first base; Vasquez, shortstop; Enszlin, third base; Kearse, catcher; Malloy, pitcher.

Southern Pacific—Mandish or Fernandez, left field; Clifford, second base; Ivaldi, center field; M. Labetich, right field; Tobin, first base; Robeck, shortstop; Barovich or J. Labetich, third base; Dutra, catcher; Fagundas, pitcher.

The Southern Pacific baseball club will move into Alameda for this summer requesting its regular turn on one of the parks here as a home diamond . . . The S. P. club, one of the fastest in northern California, placing four straight years in the money in the semi-pro championship tournament . . . And it has sent such players as BILL SCHMIDT, JIM TOBIN, EDDIE FERNANDEZ, JUG MANDISH and others to professional baseball . . . With the Southern Pacific company not only serving this city on its local lines, but housing the city of San Francisco streamliner, it deserves an even break with other local clubs . . . JOHN N. GARNER,

Bud Stewart, also pitched great ball for the losers and was held up in fine manner by Catcher Abby. All the runs were scored in the second frame, when Barovich singled. ALAMEDA has two of the best ground keepers in northern California on its public parks.

They are—Dan Pauline in Washington park and Herb Grob in Lincoln park.

And the baseball players are appreciative of their efforts.

Hardly a week goes by that some baseball manager does not include some mention of the excellent condition of the parks here in his account of the game.

This week was no exception:

Gleaned from the week-end write-ups:

S. P. Stores:

"Much credit is due Herman Grob, ground keeper in Lincoln park, for the wonderful condition of the playing field."

Pop's Inn:

"Due to the fact Dan Pauline was working hard to get the grounds in shape for the 2 o'clock game, Pop's Inn did not play Sunday. If Pop's played is would have made the diamond unplayable for the late game."

Southern Pacific Stores vs. Ft. McDowell
Sunday April 4th, 1937.
Lincoln Park, Alameda.

Southern Pacific Stores 1, Ft. McDowell 5.

The Southern Pacific nine ran into trouble when the met the Fort McDowell team from Angel Island, dropping the game by the score of 5 to 1. Starting the game with but one pitcher, the railroaders saw their chances of making it three straight wins fade when on the second pitch of the game George Antonovich, right hander of theEspees, developed a kink in his elbow and had to retire from the game. Andy Ivaldi was called in from centerfield to take up the pitching assignment and did a fair job, errors by his teammates resulting in all of the runs.

The soldier boys started right off in the first inning by scoring one run when McCarthy singled to short and was sacrificed to second by Honeycutt who was out Dutra to Clifford who covered first. Caron singled to right scoring McCarthy with the first run of the game. Wakefield flew out to left and Mashalko was out Antonovich to Tobin.

The railroaders tied it up in their half of the first when Fernandes walked, Robeck was afe on Robblee's error, Ivaldi singled to short, Labetich was aafe at first on Wakefield's error, Robeck scoring, Tobin and Barovich flew out to centerfield.

ELKS TO FACE REDS, S. P. STORES TRAVEL TO AVON TOMORROW

Smarting under the defeat handed them by the Moffat Packers last Sunday at Washington park, the Southern Pacific Stores of Alameda will travel to Avon and attempt to take the strong Associated Oil Flying A nine into camp.

Several new faces will be found in the railroad line-up, including Catcher Elmer Sandahl, formerly of the Alaska Packers, who will handle the backstop position for the Southern Pacific for the balance of the season. The Espees were fortunate in signing this lad as he is considered one of the best catchers in the East Bay. "Smokey" Joe Olsen will also be a new addition to the pitching staff along with Lefty Goggins, young Alameda southpaw, formerly with Braun Matteress. To Sam Alis, trainer of the Southern Pacific Stores goes the credit of signing these new players, who should do much to strengthen the Espees' line-up.

HIT TRIPLES

The Espees scored twice in the first inning on Pat Clifford's triple with two runners on base and then added another in the third when Fernandez tripled to score a runner.

Frank Amaral, new hurler for the railroad team, relieved Heine Lay in the third when he developed a wild streak and pitched fine ball for the balance of the game.

Ivaldi in centerfield made some sparkling catches.

Southern Pacific Stores vs. Mission Reds.
Sunday, May 23rd, 1937.
Lincoln Park, Ala.

Southern Pacific Stores 1, Mission Reds 0.

With Gilbert (Showboat) Amaral, newly acquired pitcher of the Southern Pacific Stores, pitching a great brand of ball the Espees defeated the Mission Red ball club of San Francisco by the score of 1 to 0. Ivaldi's double to centerfield in the fourth inning went for a home run whenGibbon Red centerfielder let the ball get away from him.

Ardizola pitched great ball for the Mission Reds allowing but three hits, two of which were garnered by Ivaldi, and striking out 11.

Gibbon hit three for the Reds and Calagarie connected twice for five of the seven hits allowed by Amaral.

ANOTHER of the series of articles written by Manager George W. Gerichten of the S. P. Stores team about his baseball players appear below:

"One of the main reasons the Southern Pacific Stores baseball team has always been among the leaders is due to the fact that for the past five years the centerfield position has been held down by Andy Ivaldi, without a doubt one of the hardest and most consistent hitter that can be found outside of organized ball today. Besides being an exceptional hitter he possesses one of the best throwing arms in the bushes, his accurate throws from centerfield catching many a runner at second and third and saving many a run by throwing runners out at the plate.

"His exceptional ability has caught the eye of many a scout but Andy prefers to play semi-pro ball and hold down his position with a San Francisco printing establishment and has turned down some fine offers to play professional ball.

"His fighting spirit has done much to keep the Espee team among the leaders for the past five years, he never admits defeat until the last man has been put out in the last inning, and is always encouraging his teammates to hustle and to win the old ball game. The Southern Pacific Stores is indeed fortunate in having this great ball player's name in their line-up and hopes that it will appear there for many seasons to come."

The Druggists dropped a close decision to Jack Threlkel's Reno Garage club in Nevada last Sunday by a score of 4-2 and the S. P. club is anxious to turn in a victory as they play to make the Reno trip on June 6.

Young Bach Caruso, Espees new addition at third base looked the part of a real ball player last Sunday, handling everything that came his way and laying down one of the prettiest bunts to advance a teammate that has been seen in some time.

S. P. Stores to Travel To Reno for Ball Game

Traveling to the "Biggest Little City in the World," the S. P. Stores baseball club of Alameda will renew its rivalry of seven years with the Reno Garage next Sunday afternoon, it was announced by Manager George Gerichten.

The Southern Pacific Stores for the sixth consecutive year, will engage the Threlkel boys on their home diamond next Sunday in the first game of a four-game series, meeting them in a double header over the Fourth of July and again in a single game on Sept. 19. Always fielding a strong team, the Espees are preparing for a tough battle and have strengthened their infield considerably by signing during the past week, Johnny Arnerich to handle the short patch position, and Ted Madruga, sparkling lefthanded first baseman, to hold down first base. With the addition of these two lads together with young Bach Caruso, who was signed up last week to play third, the Southern Pacific team will be the strongest it has been this season.

Gilbert Amaral, sensational right hander, will probably get the call from Captain "Midge" Fernandes, to carry the pitching assignment, with Joe Olsen, "Gunny" Fagundas, Roland Goggin and Hienie Lay in reserve.

PRIVATE CAR

The Espee team will leave Saturday from Sixteenth street depot, Oakland, at 9:45 p. m. on train No. 210. Many employes and fans will accompany the team who have their private pullman entirely filled.

Sam Alis, the official trainer, will accompany the team and see that all the kinks and pains are rubbed out before game time.

Good and Bad BREAKS

Al Drollett, veteran catcher, is well known to Nevada fans. He was behind the bat for the Lovelock team several seasons back.

Heinie Lay is another seasoned player and many former bay ball players now located in Reno have seen action against the thinking right hander. At one time he was rated as one of the king pitchers of bush ball.

Mike Inda will be confined to his bed and crutches for at least six weeks with his broken leg. He claims his friend and successor "Bugs" Doyle, will crash a couple for him today. "Bugs" is rated as a tough hitter and made his debut last Monday in crack style.

George Gerichten, Espee team manager, is accompanied by his wife who always enjoys the Reno trip and games. She is a great fannette and watches every player with an eagle eye. George and Jack Threlkel are great friends and whenever Jack wants help for his ball club he phones George and when he lacks real opposition Gerichten advises him of the best clubs in the bay area. The Railbirds will be back here for two games on July 4 and 5.

S. P. Ball Club Comes to Town With 5 Pitchers

The Southern Pacific Stores baseball team, which is considered the most popular of all visiting semi-pro teams to Reno, will match strategy this afternoon against the Threlkel team.

Gerichten has lost some of his former stars but is presenting a lineup which should win lots of games this season. He has some fine semi-pro boys mixed with seasoned veterans to battle down any and all opposition. In arranging to do so, he is bringing five pitchers in Olsen, Goggin, Amaral Lay and Fagundas. They are five starting pitchers and it would not be surprising to see Lay get the chance as he is smarter than the average twirler due to long experience.

Threlkel will shoot Ray Ehlers at the Pullman boys. Ray has lost one game in two seasons in Threlkel park and is good enough to be Jack's choice today. He will be supported by Jack Hill behind the log.

The balance of the Espee lineup is: Captain Fernandez, left; Ivaldi, center; Labetich, right; Robeck, short; Clifford, second; Caruso or Barovich, third; Madruga or Tobin, first; Drollett or Sandahl, catching.

Threlkel's defense includes: Lloyd, right; Doyle, center; Eastland, left; Baker ,third, Gomez, short; Freitag, second; Salinsen, first; with Bill Gassinelli, Paul Elcano and Soderberg in reserve.

OAKLAND STORES TO FACE RENO GARAGE NINE TOMORROW

A real match is assured baseball fans at Threlkel park tomorrow afternoon when the Oakland Southern Pacific Stores team meet the Reno Garage boys in one of their annual battles. The game is set for 2:30 o'clock.

Manager George Gerichten and Jack Threlkel are rivals on the playing only during the progress of play. They sit out in the open without uniforms and direct team play and continually try to outwit or outguess each other. Three games are played each year and George has the rubber games on Jack and tomorrow's game means much toward the 1937 edge as a double header is planned for July 4 and 5 to complete the series.

Threlkel will start his ace, Ray Ehlers, on the mound. He has been with the Garagemen two seasons and lost but one game which was last Sunday in eleven rounds to the Greyhounds. Ehlers came to Reno through Gerichten's recommendation and he proved to be all that George said about him. Jack Hill will catch Ehler's slants.

The rest of Threlkel's team will be Gomez, short; Doyle, center; Lloyd, right; Eastland, left; Salinsen, first; Freitag, second; Baker, third; Bill Cassinelli; Paul Elcano and Soderberg, utility men.

Five pitchers are in the Espee lineup in Olsen, Amaral, Fagundas, Goggin and Lay. Catchers Drollett and Sandahl, First Basemen Madruga and Tobin, Third Basemen Caruso and Barovich, Captain Fernandez left, Robert short, Ivaldi left, Labetich right, Clifford second base are the rest of the squad.

S. P. Stores to Make Reno Trip

Traveling to Reno next Sunday, the Southern Pacific Stores baseball club of Alameda will play the Reno Garage of that city for the seventh consecutive year, it was announced by Manager George Gerichten.

Johnny Arnerich, shortstop, has been signed by George Gerichten, pilot of the Espee Store nine and will be seen with that club the balance of the Summer.

S. P. STORES TO TRAVEL TO RENO

The Southern Pacific Stores of Alameda will renew hostilities with their old rivals, the Reno Garage club of Reno, Nev. by traveling to the "Biggest Little City in the World" to meet them on its home diamond, Threlkel field, on Sunday.

Piloted by Jack Threlkel, the Reno Garage team has one of the best balanced ball clubs playing outside of professional circles. Threlkel has a nation-wide reputation of having the finest ball park in the United States, big league parks included. The entire infield and outfield is blanketed with green lawn and is kept in such perfect condition you could play tennis on it. Jack runs his club along the same lines as a professional ball club is run and gives to the people of Reno, Nev., as good a brand of baseball that is possible to obtain.

S. P. Stores to Play Garagemen In Reno Sunday

One of the best semi-pro teams in the west, the Southern Pacific Stores ball club of Oakland, will arrive here via the Fullman route for their game against the Reno Garage Sunday afternoon.

Manager George Gerichten is bringing his usual fine crew of regular players, including five pitchers. Two of his best hurlers, Gugich and Stevens, are playing professional ball this year, so Gerichten annexed three new chuckers. Two of them are seasoned veterans, and should show the Reno boys plenty of trouble.

Threlkel has most of his boys in top condition and expects a repetition of the thrilling games against the Greyhounds last weekend.

Inda's injury brought Mickey Doyle into the limelight, and the Irishman played center field like an old-timer Monday.

Charlie Eastland is nursing a sore leg but will be ready for left field Sunday.

Ray Ehlers will take the mound for the Garage, Threlkel said yesterday. The big boy pitched a fine game against the Greyhounds, but despite steady hurling, was nosed out.

Manager George Gerichten's Espee Store club leaves today for Reno for its seventh straight annual contest with the Reno Garage team. Manager Gerichten announces a general shakeup has been performed on his club and many new faces (including Johnny Arnerich, shortstop) will be seen in his lineup.

GARAGEMEN TAKE OAKLAND STORE VISITORS BY 10-3 SCORE

Reno Garage players had their day yesterday when they put the Southern Pacific Stores swatters in lower berths and sent them back to Oakland with a 10 to 3 defeat.

It was one of those games where the winner showed class and the losing team took it on the chin. Ray Ehlers had his hitting glasses on and led the parade of bat swingers with three bingles in as many trips. One of his blows went for a triple while his pitching was mild as his mates gave him all the help he needed.

Stanley Lloyd played noticeably in right field while Catcher Jack Hill put fans and players on edge with his alert field work. Ivaldi, center fielder for the visitors, robbed two Reno players of hits and offset it with three misplays of the doubtful variety.

The Tallant Tubbs team of San Francisco will play here next Sunday.

Good and Bad BREAKS

There are plenty of good and bad breaks, but any fan who witnessed last Sunday's game will testify to this play. Tony Gomez hit a sure triple to deep right-center and it was the first blow to really unnerve the visiting pitcher. It was branded as a "lu-lu." A second glance saw Center Fielder Ivaldi grabbed it for an out instead of a three-sacker. It was well hit and well caught.

S. P. DEFEATED

Too many errors spelled defeat for the Southern Pacific Stores when they dropped a 10 to 3 decision to the Reno Garage nine at Reno, Nevada. The railroaders gathered 10 hits off of big Ray Ehlirs, Reno pitcher.

Club Faces Pittsburg

Led by Andy Ivaldi, who is slugging the ball for an average of .466, the Southern Pacific Stores baseball club of Alameda will travel to Pittsburg on Sunday afternoon to battle the Community club of that city on its new home diamond.

Elmer Coleman's Pittsburgh team has lost but two games this season and will be a tough club for the S. P. club to break its losing streak upon.

Last year, the S. P. club won over Pittsburg in 12 innings.

Rival managers—George Gerichten of the S. P. and Elmer Coleman of the Pittsburg team—announced the following line-ups:

S. P. Loses To Pittsburg By 4-0 Score

Unable to hit in the pinches, the Southern Pacific Stores of Alameda traveled to Pittsburg only to lose to the Community club of that city 4-0 yesterday afternoon.

Six scattered hits were all the S. P. club could produce and found Pitcher Franks of Pittsburg doubly effective in the pinches.

The Railroaders had men on bases in nearly every inning, but could not cross the plate.

Andy Ivaldi played a stellar game in centerfield, handling seven chances, several of them difficult, without making an error.

BUSH BUSHINGS

TRYING to shake its losing streak, the S. P. Stores of Alameda will travel to Pittsburg next Sunday to play the Merchants club of that city, it was announced by Manager George Gerichten.

Too many errors spelled defeat for the S. P. club in Reno on Sunday despite the fact the Alameda club got ten hits off big Ray Ehlirs.

Elmer Sandahl, Alameda catcher, shook the slump that has been dodging him since he joined the S. P. club and banged out a long triple off the top of the left centerfield fence.

PITTSBURG BEATS ESPEE

Manager George Gerichten's Espee Store club took a 4 to 0 beating from Elmer Coleman's pennant-contending Pittsburg Community club at Pittsburg. Vincent Franks and Charlie Borreani, for the winners; Fagundas and Sandahl for the Stores. Andy Ivaldi starred in center field for the losers. Pesty Ryan worked the "Mike." The game was played in one hour and 35 minutes. The win puts the Coleman aggregation "in there" for a chance at the Class Double A bunting.

Gilbert Amaral To Pitch

Running into a streak of tough lucky, the S. P. team has been unable to win, but hopes to shove over a victory tomorrow, according to Manager G. W. Gerichter.

Young Gilbert Amaral will probably get the pitching assignment for the Southern Pacific with Elmer Sandahl doing the receiving.

Good Catches

S. P., Ben's Games

Teams Set For Tourney

With the California state semi-pro night baseball tournament entries to close shortly, two Alameda clubs—S. P. Stores and Ben's Golden Glow—are tuning up against fast rivals on Sunday.

The S. P. Stores will battle the Golden State club in Lincoln park at 2 o'clock.

Ben's face E. Bercovich and Son in Washington park at 2 o'clock.

Rivalry between S. P. and Golden State will be heightened by the appearance of several Alamedans—Johnny Lombardi, third base; Joe Church, first base; and "Lefty" Blunt, catcher—in the line-up of the creamery team.

HERE IS another article on members of the S. P. Stores written by Manager George Gerichten, one of our most prolific contributors:

"One of the hardest hitting outfielders in the East Bay is Mitchell "Brute" Labetich, who holds down the rightfield assignment for the Southern Pacific Stores of Alameda. He has been the hardest hitter on the railroad team for over ten years, and is well known to baseball fans as being the most dangerous hitter with men on bases in the bushes today. His batting average for the past ten years is well over .300, and checking over the records we find that his fielding percentage is very high, having erred only one or two times in an entire season.

"Besides being a great ball player, during the winter just past, he displayed his ability to manage a club by piloting his Mickey Inn club to the championship of the Oakland Winter league. He derives his nickname "Brute," from his tremendous strength and from his splendid physique of a well conditioned wrestler.

"His ability to hit the ball to all corners of the lot has done much to keep the Southern Pacific team among the leaders each year."

S. P. Stores Lose, 4-0

George Hollerson Winner

In a well played game, the Golden State Creamery defeated the Southern Pacific Stores by a score of 4-0 yesterday afternoon in Lincoln park.

George Hollerson for the Creamery and Gilbert Amaral of the Southern Pacific hooked up in a pitching duel, both allowing six hits. Rinella, first man up in the ball game, hit a long home run to deep leftfield. That ended the scoring until the eighth inning when the Creamery boys got to Amaral for two hits and as many runs.

LOMBARDI STARS

Andy Ivaldi of the S. P. Stores made several sensational catches in centerfield and continued his fine hitting by collecting two blows in four trips.

Johnny Lombardi, former Alameda high school player in the line-up of the Golden State, robbed another former Alameda high school player—Elmer Sandahl—of a hit and the S. P. Stores of two runs with a great catch of a line drive.

Good and Bad BREAKS

Vin DiBasi, pert young pitcher with the Lovier nine today, is rated as one of the outstanding young players on the Pacific coast. That is taking in plenty of acreage but he stood the Golden Glow nine upside down last week with a 5 to 3 victory and the beer nine is rated as top-notchers.

Manager Dave Kyle is presenting a far superior pitching staff than the Southern Pacific team displayed last week. He has a fine southpaw in Bernard, two seasoned twirlers in Red Bigelow and Gene Kersten, and DiBasi. Kersten is well known in this area and formerly pitched in Portola and other Feather River baseball points.

Caesar Sinabaldi, sterling catcher, is an experienced glove and mask artist. For several seasons he was considered one of the leading young catchers in coast circles and can handle pitchers with the best of them.

Mike Salinsen pitched a great game last Sunday when he allowed one weak blow in five rounds. He also made one of the best fielding plays of the game when he made a reverse turn toward short field and grabbed a slow roller to get his man at first. It looked like a sure hit.

George Gerichten, manager of the Espee Stores of Oakland, was high in his praise for the Reno Garage team after his return to Oakland this week. He stated the Reno team uncorked more real base hits than any team he has met in many games. George will bring his Stores gang back for one more game this season the latter part of August.

ESPEE'S IN TWIN BILL AT RENO

George Gerichten takes his Tribune Tournament contender, Espee Stores, to Reno, Nevada, this week-end for two games. In an earlier meeting, the Renoites hung a 10 to 1 lacing on the Espee. The Espee took third place money in the 1936 Tribune Tournament. Johnny Arnerich. Madruga, Ivaldi, Labetich, Clifford, Caruso, Fernandes, Sandahl, Goggin, Amarai, Heinie Lay and Gunny Fagundas, are the team personnel of the Store aggregation.

S. P. Stores to Make Reno Trip

Traveling to Reno by train over the week-end, the Southern Pacific Stores baseball club of Alameda will play two games against the Reno Garage, it was announced by Manager George Gerichten.

S. P. Loses In Reno

By scores of 9-6 and 13-1 the Southern Pacific Stores lost both of its games to the Reno Garage in the "Biggest Little City in the World" over the holiday week-end.

S. P. STORES SCORE 5 IN NINTH, BUT RENO GARAGE WINS

Clouting the offerings of Amarel and Olsen for long flies the Garagemen showed plenty of hitting power. Eastland got a home run, and Eastland, Barnes and Gomez all got three baggers which could have been converted into homers had the locals elected to take the chance. It was the first appearance for Ted Barnes with the Garage, and he looked swell.

The game was full of freaks. Umpire Fred Bernhardt was struck in the head by a ball thrown from deep left field, the ball bouncing one hundred feet away, but was not hurt. As another typical occurrence, Labetich of the visitors fell while chasing Eastland's long fly, allowing Eastland to get in with his home run.

Railmen's Batboy Changes Luck When in Game

Southern Pacific Stores came to life in the last inning yesterday and scored five runs, but could not overcome a big Reno Garage lead, losing 9-6.

Going in to the last frame, the railroaders considered themselves so badly beaten that they put in the bat boy to run for a player who managed to reach first. This changed their luck, and when the kid scored a real rally began.

The game was full of both good and erratic baseball. Tough breaks spoiled several opportunities of the visitors to score, but most of their defeat was inability to get solid clouts from Ray Ehlres' offerings. Ehlers had more curves than a can of spaghetti yesterday, and with the exception of the last inning, the visitors got few solid blows.

Umpire Fred Bernhardt gave evidence that his head had concrete construction when a ball thrown from deep left field hit him squarely with a terrific impact. The umpire hit the dirt but shook it off and rose without a count. The ball bounced from his head and rolled almost 100 feet.

Reno showed more hitting power than has been displayed all season. The locals clouted the slants of Amarel and Olsen all over the lot. Had Coach Bert Parrish cared to let the runners take a risk, three more of them would have had home runs. Gomez, Barnes and Eastland all drove long fly balls into deep left field, near the clubhouse, and each pulled into third with plenty to spare.

Eastland followed up his triple with a clout to right field with the bases full. Outfielder Labetich fell down while pursuing the ball and the garageman came in with a home run.

Ted Barnes, who has been starring in city league softball this summer, made his first appearance in a Reno Garage uniform, and came through nicely. Ted smashed a triple and single and handled center field with ease, making four putouts.

Amarel took the mound for Southern Pacific when the game began, but only went half the distance. He was relieved by Olsen, towering pitcher, whose size, plus an impressive sidearm delivery, had no more effect on the Reno batters.

The last minute rally by the visitors indicated that they will make things warm for Mike Salinsen or Bill Cassinelli, who will start in the Reno pitchers' box this afternoon in the second game of the series.

GARAGEMEN WIN OVER OAKLAND BALL CLUB

One up in their annual two-game series, Reno Garagers sought to make it two straight over the Oakland Southern Pacific Stores nine at Threlkel Park this afternoon.

The Garagers pounded out a 9 to 6 victory over the Stores yesterday in spite of a last inning rally which brought the Oakland team five runs.

Ray Ehlers was chucking them in there from the start and the visitors, while they had their share of tough breaks, can attribute their beating to the fact that they couldn't connect solidly with Ehler's offerings. In the ninth, discouraged, they let their bat boy run for a hitter who garnered a base hit, and the kid scored. This brought the Bay players to life and they rampaged but couldn't overcome the Garage lead.

BATTING AVERAGES SOAR AS RENO NINE DEFEATS S.P. STORES

Batting averages of Reno Garage players went soaring yesterday afternoon at Threlkel park when the home boys whaled the ball at random against the Oakland Southern Pacific Stores team 13 to 1 in the second game of the series.

Hollerson and Goggin, visiting pitchers, could not control their slow ball while Reno batters controlled their fast tosses. Hollerson, former coast leaguer, was under pressure from the start and the score became worse as the locals rattled the boards on drives sizzling by the ears of the infielders. Outfielder Ivaldi was finally called in to pitch to get the game over.

Fisher, relief catcher for the railroaders, hit two for two and scored the lone tally while Ivaldi robbed Gomez of a sure triple in the eighth with a fine catch. That was the total enumeration for the visitors.

Every Reno player looked good and they appeared to be at their very best when it was not necessary. Threlkel shifted his lineup and mixed veterans with youngsters and the youngsters also had a field day.

Jack Hill hit the left field screen twice for doubles and if there had not been a light wind both drives would have cleared the wall. Two other Reno players hit the wall, while Eastland banged out three blows and Lloyd hit the only homer. Salinsen pitched his first game and allowed one scratch hit in five innings. His fast ball was great and to top it off he hit safely three times.

Visiting Outfit Put on Siding By Threlkelites

The Southern Pacific Stores baseball team of Oakland looked a string of empty flat cars yesterday while the Reno Garage boys put them on an empty side track via the base hit route, 13 to 1.

It was a sad affair for the visiting railroaders and the worst game they have ever played in Reno. The Reno batters were too strong while the visiting pitchers sighed every time a ball was thrown toward the plate as they were nervous about the final destination of the play.

George Hollerson, former Coast League pitcher, started on the mound for the losers. He had a glove on his hand like a model pitcher but the Reno boys made his fast ball faster and Threlkel's fence was badly dented with base hits. He was replaced by Lefty Goggin, a high school lad, who did a fair job until the eighth when he had the same ailment. Lefty had Centerfielder Ivaldi on the run who seemed to get tired chasing drives in the last inning and they changed positions and Ivaldi as a pitcher retired the last batter.

There were several sensational plays added to several odd misplays. Ivaldi, Gomez and Cassinelli made some nice defense plays, while Fisher of the losers secured two of the visitors' four hits. All the Reno boys hit hard and they are all due proper credit in a one-sided game featured by line drives and extra base hits.

Salinsen made his debut on the mound and allowed one scratch hit in five innings. It was a roller that was thrown wide to first base and the official scorer charged it as a hit.

S. P. Team To Travel

Watsonville Game Sunday

The Southern Pacific Stores will travel to Watsonville next Sunday to tangle with White's Cardinals of Watsonville, the team that showed up to good advantage in last year's tournament.

The Railroaders are building up their team to tournament strength and announce the signing of Anthony Davi, hard-hitting outfielder of the Pittsburg Merchants, to play the outfield in the coming tournament. Davi, the hardest hitter on the Pittsburg team, has been batting in the cleanup position all season for the Merchants which accounts for them having lost but a very few games. His power at the bat together with his fine fielding will do much to strengthen the Espees line-up.

BY RAIL

The Southern Pacific team and rooters will leave First and Broadway station, Oakland, tomorrow morning at 7:45 in their private car, arriving home again at 9:15 o'clock tomorrow night.

S. P. Stores Lose In Final Inning

Al Duffy Strikes Out Ace Hitter

In the final tune up game before the big California state championship tournament, the Moffat Packers nosed out the Southern Pacific Stores in a free hitting contest by the score of 12 to 8, putting the game on ice in the ninth with a five-run barrage which the railroaders could not overcome in their half of the ninth.

The Espees made a desperate attempt to pull the game out of the fire in the last inning, however, having the bags full and two outs, but Al Duffy, Moffat pitcher, retired Ivaldi, who had hit four already, a triple, double and two singles, on strikes, ending the game.

The Southern Pacific used three pitchers but could not stop the heavy hitting of the Packers in the final innings. Gallagher hit four out of five; Andrew three out of five, one a home run over the leftfield wall with two on, and Wentworth, Florence and Vierra each hit two apiece for the winners. Ivaldi with four out of five, and Motara, Labetich, Caruso and Fagundas, with two apiece, were the heavy hitters for the Southern Pacific. Labetich's two hits being two long doubles.

TITLE BID

The Southern Pacific are all set to meet the Pacific Greyhound team of San Francisco, next Wednesday night at 7 p. m. in their first game in the California tournament, at the Oakland Coast League park in Emeryville. Captain "Midge" Fernandes announces he will probably start "Lefty" Fernandes, ace lefthander, in an effort to bag a win in the first game. The boys are all on edge for this game, and after the heavy hitting displayed in the Moffat game, and with the addition of Ray Viani and Anthony Davi, who were unable to be with the club last Sunday, should be well on their way to annexing their first win of the tournament next Wednesday night.

FAST GAMES

Fernandez Hit Hard in Defeat

Before a crowd of 3,000 fans the Oakland tournament concluded its first week yesterday with three snappily played games reeled off in fast time. The scores were in doubt until the last batter was declared out in each game.

Behind the consistent pitching of young Elling the Grimmets, under the leadership of Bill Hollander, took the Keystones down the line by a 4 to 0 score.

Fielding on both sides was well nigh flawless.

BEERMEN LOSE.

The second game of the day between Moffatt Packers and Ben's Golden Glow was a case of too much saliva and Al "Pudgy" Gould who spread the moisture in liberal enough quantities to defeat the Beermen, 3 to 0.

The fielding of Krasovich and the hitting of Stew Clark were the features.

The last game on the card, between the S. P. Stores and the Golden State ended in a 4 to 2 decision in favor of the "butterballs."

YERKES STRONG.

Les Fernandez, who pitched the Espee boys to a win over the Pacific Greyhounds the other night, was bumped off the mound at the start. He was relieved by Amaral who pitched air-tight ball—not quite tight enough, however, to head off the consistent hurling of the Stater's Lefty Yerkes.

Southern Pacific Stores vs. Golden State.
Sunday, August 1st, 1937.
Coast League Park.

Southern Pacific Stores 2, Golden State 4.

Although out hitting their opponants, the Southern Pacific Stores dropped their second game of the Oakland Tribune Tournament to the Golden State nine by the score of 4 to 2. Carroll Yerkes, former Portland and Athletic flinger, chucking for the Creamery boys, but his experience in organized ball to good use and prooved too much for the young players of the Southern Pacific Team in the pinches.

Fernandez who in his last appearance did some brilliant hurling to defeat the fast Greyhound Club, was nicked for five hits in the first two innings before he was relieved by Gil Amaral who held the Staters to 3 hits and one run for the remaining seven innings. Amaral besides doing a neat job of relief chucking, gathered three hits in as many times up for himself while his teammates Madruga and Clifford collected two hits apiece. F. Mellana Lombardi and Church hit two apiece for the Staters.

Golden State scored two runs in the first inning on three hits when Rinalla fanned F. Mellana doubled to rightfield. Lancioni singled to center, Mellana stopping at third base. Lombardi doubled to centerfield, scoring F. Mellana and Lancioni. Bradbury was out Viani to Madruga. Kellman was out Clifford to Madruga.

The Staters scored another run in the second when Church led off with a double to leftfield, Silva popped up to Madruga at first. Yerkes walked. Rinella fanned. F. Mellana singled to rightfield, scoring Church. Lancioni forced Church at second, Viani to Clifford.

Espees scored their first run of the game in the second when Labetich flew out to rightfield. Madruga beat out a hit to deep short. Clifford singled to centerfield, Madruga holding second. Sandahl singled to leftfield, scoring Madruga. Motara, batting for Fernandez, walked, filling the bases. Arnerich fanned and Viani popped up to Lombardi at third.

The winners scored their fourth and what prooved to be the winning run in the sixth inning when Lombardi beat out a hit to Arnerich at third and stole second. Bradbury popped out to Madruga at first. Kellman was out Amaral to Madruga. Church singled to righfield, scoring Lombardi and stole second. Silva fanned.

Southern Pacific Scored their third and final run of the game in the last of the eighth when Ivaldi popped out to F. Mellana at second. Davi singled to leftfield. Labetich fanned. Madruga drilled a single to rightfield, Davi going to third. Clifford singled to leftfield, scoring Davi. Sahdahl forced Madruga at third, Lombardi unassisted.

Packers, Staters Tourney Choice With Second Round Wins

Tubbs, Royals In Clash

Major Loop Scouts Sign Walt Stewart After Mound Work

By EDDIE MURPHY

Moffat Packers and Golden State Lt., both of Oakland, became favorites to cop the State semi-pro baseball championship by coming through with wins in second round games of the Oakland Tribune's fifth annual tourney at the Oaks' Ball Park.

Tonight will see two more teams enter the field of favorites when Tallant Tubbs and Langendorf Royals of San Francisco tangle at 9 o'clock and Shell Oils of Martinez meet Oakland Caskets at 7 o'clock.

Yesterday's games were played before the largest first Sunday crowd to witness any of the previous four tournaments and those fans who came from distant Northern California points were well rewarded. They saw hard-fought battles with Grimmetts Sporting Goods winning their way into the second round games ending in wins for Moffat Packers over Ben's Tavern of Alameda, 3 to 0, and Golden State over S. P. Stores, 4 to 2.

SCOUTS GET BUSY

Major league scouts are evidently getting the jump on those representing Coast League ball clubs for it has been reported that Joe Devine of the New York Yankees has signed Walter Stewart the 17-year-old hurler who made such a great showing on the hill for Santa Rosa Merchants last Saturday night, although he lost to the Lovier Appliance, 2 to 1.

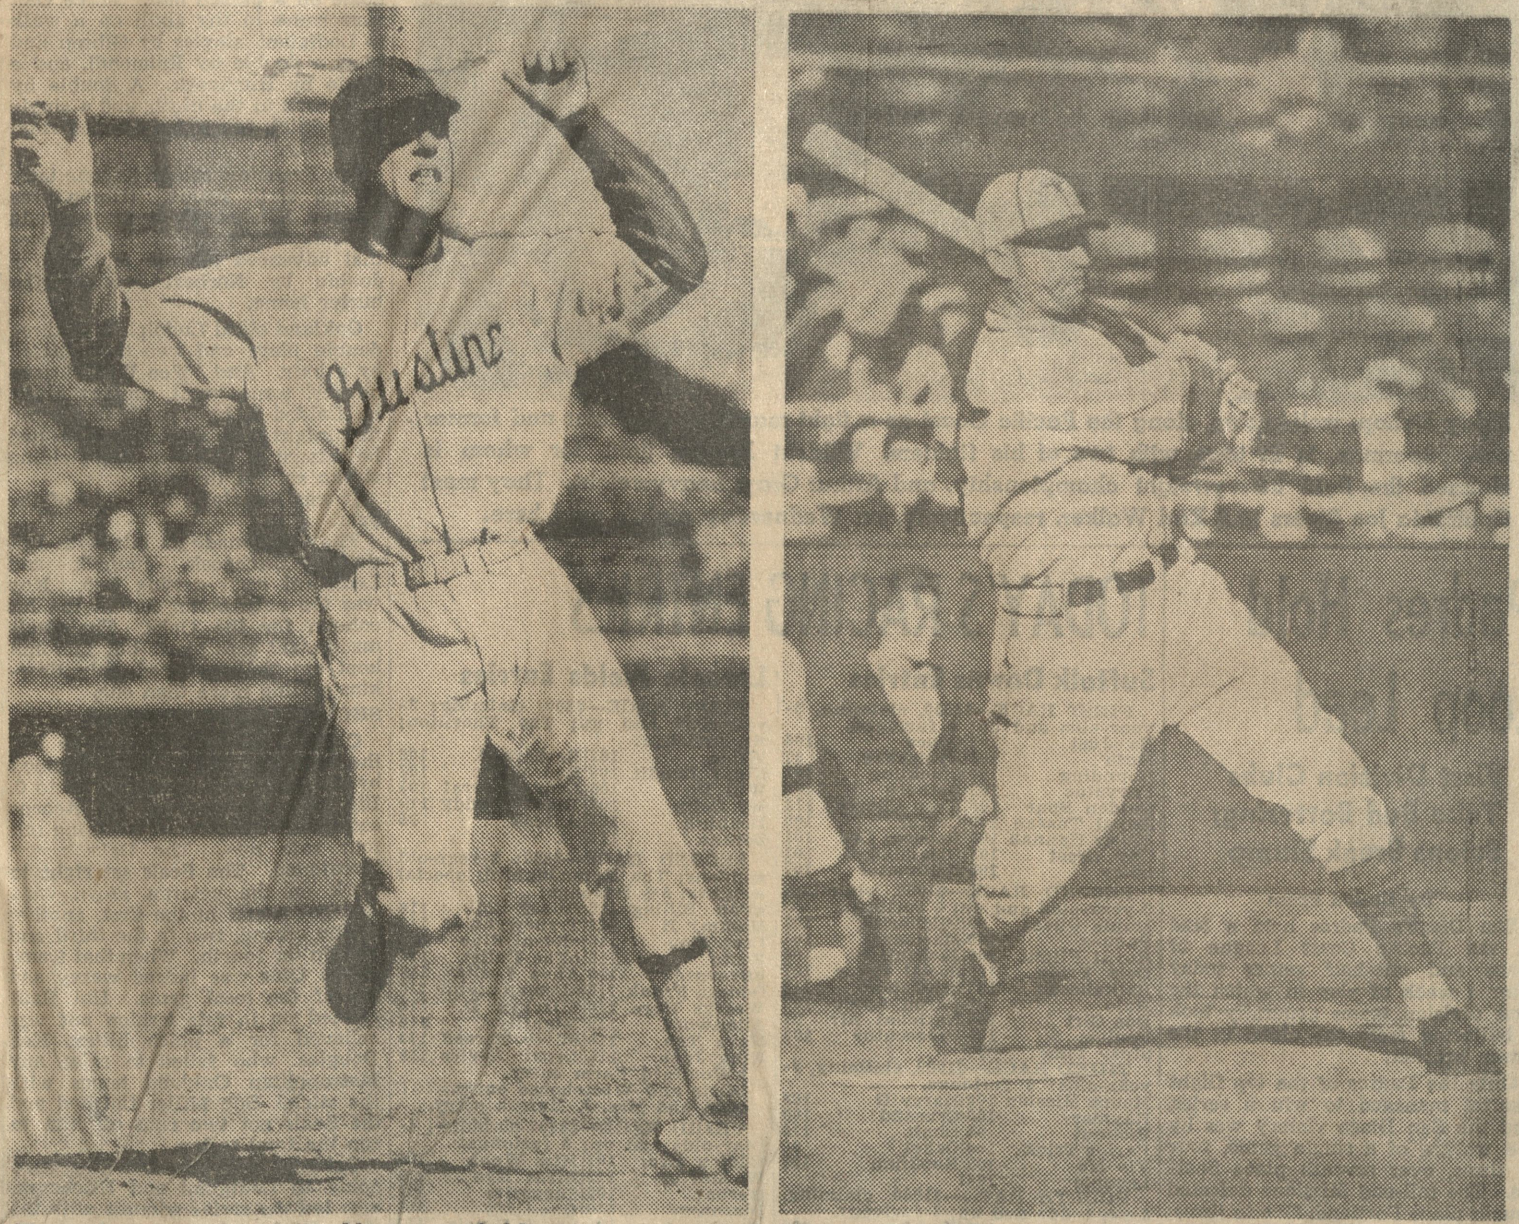
Several scouts approached Stewart right after the ball game, but Devine and Bobby Coltrin were the best talkers and got Stewart into the New York Yankee chain system. Vic Devincenzi, president of the Oaks, is now hot after any stars in the tourney and has given permission to several prominent local baseball men to sign, for the Oaks, any player they see in the tourney who are likely to help the Oaks in the future.

Langendorfs and Tallants were the only transbay teams to come through with wins in the first round of play and they should be hot as they battle tonight for the right to enter the third round.

HASSETT MAY HURL

Tallants, managed by George Davis are favorites to make the third round although Langendorfs put over an easy 7 to 1 win over Palms Rainiers in their first round tilt. Elmer Shea hurled the win for the Bakers but will hardly be back on the mound tonight. Phil Hassett probably will get the call. Guido Simoni is billed to work for Tallants.

RIVALS IN STATE BASEBALL CHAMPIONSHIP TANGLE



Here are a couple of hard-hitting outfielders who helped their clubs to get into the second round of play in The Oakland Tribune's State championship baseball tournament at the Oaks' ball park. They are Verne Halstead (left) of the Gustine Merchants, and Al. McCoy (right) of the Associated Flying A's of Avon. The two teams tangle tomorrow night. Moffat Packers and Golden State entered the second round of play yesterday.—Tribune photos.

Les Powers or Johnny Green will represent the Shells on the hilltop against Oakland Caskets tonight. The Casket team has proven one of the surprises of the tourney and the boys from Martinez will have to be on their toes to make their way into the third round of play. Anthony Giaconi or Johnny Erzceg will pitch for the Caskets.

Veteran pitchers brought success to the three winners yesterday. Dick Elling held the Keystones to only four hits to win a pitching duel with Phil Cozad, former Cincinnati Red. Pudgy Gould allowed Ben's Tavern of Alameda only five hits as he pitched his second win for Moffat Packers.

Stores, but his experience in organized ball proved too much for the young players of the railroad team in the pinches.

Tomorrow's program should be a dandy with the Flying A's of Avon meeting Gustine Merchants at 7 o'clock and Grimmetts going into battle with Lovier Appliance in the 9 o'clock tilt. The elimination round gets under way Wednesday night when Andrew Crows of San Francisco meet Sonoma Merchants, and Pacific Greyhounds play Charley Tye's Tigers.

The tournament has thus far been featured by great pitching duels with only one game winding up in a lopsided score. All three games Saturday were won by a margin of a single run while yesterday saw two of the games wind up in shutouts.

Bill Marriott paved the way for the Grimmett win yesterday by getting two of the eight hits made off Cozad and also scoring two runs.

PITCHERS STAGE DUEL

Moffats and Bens battled for seven scoreless innings before Gallagher, Brain and Andrews nicked George Lister for three straight singles and Bradbury worked a perfect squeeze play for two runs in the eighth. Stewart Clark's single and an error by White gave the Packers their third win in the ninth.

Golden State got an early start off Fernandez in the first inning, Frank Mellana doubled and Lanciome and Johnny Lombardi singled. Church's double and Mellana's single scored another in the second and the fourth run was put over in the sixth when Lombardi was safe on an error, stole second and Church singled.

Yerkes, State pitcher, appeared to be weakening as the eighth inning was reached, but he managed to go the route. Five hits were made off him during the last three frames.

Busmen Beat Andrew Crow In 3-0 Tilt

Sturtivant Gives 3 Hits

Pacific Greyhounds and Owl Druggists advanced another round in the Oakland Tribune semipro championships by winning yesterday morning games played on the Emeryville lot.

The Greyhounds, behind the three hit pitching of Bill Sturtivant, disposed the Andrew G. Crow nine, 3-0, in the first game of the day, while the Owl Drug nine pounded out a 6-2 win over the Chapel of the Oaks.

The first game of the day was the meeting between two San Francisco clubs and the game was an interesting one to watch. Hitting honors here went to Carl Sever, who got three for five.

In the Owl Drug game, Petrocchi was the victor over Jerry McDonald, with George Hailer's hitting playing a big part.

Grace Bros. Beer advanced another round in the tourney in smothering the Keystone Club under a 13-1 avalanche. Hardt, for Grace Bros., allowed four hits.

Southern Pacific Stores eliminated Ben's Golden Glow, 2-1, in the fourth game of yesterday's schedule. Sandahl, catcher for the S. P., collected two hits in this game, while Ray Viani at shortstop turned in a nice game.

Tonight the Oakland Caskets and the Langendorfs battle in a 7 o'clock game with the Gustine Merchants and Loviers Appliance meeting at 9 o'clock. Tuesday night at 7 the Tallant Tubbs and Golden State Ltd. tangle, with Pacific Greyhounds and Grimmetts seeing action at 9.

Ben's, S. P. Clash

Silva Sets Strike-Out Mark

Two Alameda clubs — Ben's Golden Glow and S. P. Stores—will clash at 4 o'clock tomorrow afternoon in the Oakland Tribune's California state semi-pro baseball tournament in the Pacific Coast league park.

As both clubs have been defeated it will mean elimination for one.

Pitching selections will send Walter Lister of Ben's against "Lefty" Fernandez.

RECORD

Tournament strikeout record was set by "Chassie" Silva of the Keystone club as his team won over Santa Rosa Merchants 11-0 last night.

Silva struck out 15 rivals, and allowed only one hit, coming in the eighth inning with one out. It was the only batter to reach first base.

In the other game, Grace Brothers defeated Albany Merchants by a score of 7-0.

Southern Pacific Stores vs. Bens Golden Glow.
Sunday, August 8th, 1937.
Coast League Park.

Southern Pacific Stores 2, Bens Golden Glow 1.

In a great game the Southern Pacific Stores defeated Bens Golden Glow by the score of 2 to 1, to annex their second win of the present Tournament. Gil Amaral of the Espees and Walt Lister hooked up in a great pitchers battle, the accurate throwing of the railroaders outfielders and the sensational fielding of Ray Viani at short and Pat Clifford at second were the main factor in enabling the Southern Pacific to eliminate Bens Golden Glow from the tournament. Arnerich and Sandahl hit two apiece for the winners while Swick and Escobar hit two apiece for the losers.

Bens came close to scoring in the fourth when Swick led off with a single to rightfield and when Escobar doubled against the leftfield fence a great relay to the plate by Ivaldi to Arnerich to Sandahl, nailed Swick at the plate.

Espees big inning was the fourth when with the aid of a hit, a walk and a hit batter, they scored both of their runs. Labetich waited out four wide pitches and drew a free pass to first. When one of Lister's fast ones failed to break and smacked Madruga in the ribs it put two men on base with no outs for the railroaders. Clifford sacraficed both runners along and was out, Abrew to Escobar. Sandahl came through with a smashing hit to leftfield, scoring Labetich and Madruga. Amaral sacraficed Sandahl to second and was out Lister to Escobar. Arnerich lined out to Silva in centerfield.

The losers scored their lone run in the seventh when Lister popped out to Clifford at second. Dix was out to Madruga at first unassisted. Silva drilled a single to leftfield. Swick lined a double over Ivaldi's head in centerfield, scoring Silva and was out attempting to stretch it into a triple, Ivaldi to Clifford to Arnerich.

Bens threatened again in the eighth when they gathered two hits but a fast double play killed their chances of tying the score. Escobar led off with a single to center. Peacock sacraficed him to second and was out, Arnerich to Madruga. White beat out a hit to short, Escobar holding third. Bajuk hitiinto a double play, Clifford to Madruga.

Alameda Club to Clash in Semi-Pro Ball Tourney

Ben's Face S. P. Stores

Oak Drugs, Chapel Of Oaks Win

On Sunday at 4 p. m. two Alameda teams, the S. P. Stores and Ben's Golden Glow, will clash on the Coast league ball park diamond in a game which the winner will remain and the loser will be eliminated from the 1937 tournament.

As big Walt Lister has rested a week since his last effort on the mound last Sunday it is expected that Manager "Spec" Espina will again call on Lister to halt the opposition's bats. Lefty Fernandez is scheduled to hurl for the S. P. Stores.

The necessary power to win ball games has been lacking from the Ben's team as such players as Carl Escobar, Al White, Lee Bajuk and Al Swick are not hitting as per their usual custom. It is expected that "Sparky" Gustin will be inserted in the line-up in an effort to bolster up the Ben's, as Gustin had been hitting hard previous to the tournament, and his power should be a welcome addition. Al Peacock is the only member of the team that has been hitting the ball hard.

Abrew is the probable starting catcher for Sunday's game, which is expected to bring a big crowd of rooters out to the ball park to see this "natural" between two Alameda teams.

Last night in the tournament, the Palo Alto Elks lost to Owl Drugs 8-6 and Chapel of the Oaks downed Palm's Rainiers 5-3.

14 CLUBS LEFT IN TRIBUNE TOURNEY

VOL. CXXVII— OAKLAND, CALIFORNIA, MONDAY, AUGUST 9, 1937 9 NO. 40

Stores Drop Glows, 2-1

Busmen Blank Crows, 2-0; Owls Beat Chapel; Grace Bros. Score Win

By EDDIE MURPHY

Only 14 clubs remained in the running today for the State baseball championship as the big tournament being staged at the Oakland Coast League Park enters the final week of play tonight. Oakland, Alameda, Berkeley and San Francisco teams were dropped by the wayside yesterday before the largest crowd to attend games during the first two weeks.

In the big thriller of the four-game program the Southern Pacific Stores of Oakland eliminated Ben's Golden Glows, the only Alameda entry, by putting over a thrilling 2-to-1 victory. It was the best fought game of the tourney to date, with Gil Amaral of the Railroaders winning a great duel from Walter Lister who was seeking his third win in the event.

Pacific Greyhounds of San Francisco blanked the Andrew Crows of the same city, 2 to 0, in another corking tilt. The other two winners got by easily, the Owl Drugs, also from the other side of the Bay, defeating Frank Youell's Chapel of the Oaks, 6 to 2, and Grace Bros. of Richmond swamping the Keystone Club, 13 to 1.

TWO GO TONIGHT

Two more teams will be eliminated tonight when Oakland Caskets meet Langendorf Royals of San Francisco at 7 o'clock, and Gustine Merchants battle Lovier Appliance of Oakland at 9 o'clock.

Fans are looking forward to two more great battles tomorrow night when the only three undefeated teams put on a program. Golden State Ltds. of Oakland will meet Tallant Tubbs of San Francisco, and the loser will be beaten for the first time. The Pacific Greyhounds, who have lost only one game, will meet the undefeated Grimmett Sporting Goods team of this city.

With the tourney to be brought to a close next Sunday afternoon, some real interesting games should be played as the race is almost narrowed down to the classiest teams in the State.

Fans were more than rewarded for their money yesterday as some great baseball was dished up even by some of the players on the teams beaten by lopsided scores. The S. P.-Golden Glow game was just the right thing to cap off the big program and sent the fans home talking about the lot of trouble the Railroad boys should make for the other teams the remainder of the tourney.

It was too bad that one of the losers had to be eliminated, as the Glows certainly put up an entertaining battle. They and the Espees are two of the most colorful teams to enter the drive for the title.

The attendance at games to date indicates the winning clubs will have a nice fat purse turned over to them. All of the clubs finishing in the first five positions will get slices of the golden medal so all remaining 14 teams will do their best not to be eliminated.

CONTRA COSTA ON SPOT

Fans of Contra Costa County are on the spot for next Thursday night. They will see two of their favorite clubs, Associated Flying A's of Avon, and Super Shells of Martinez battle in an elimination game. The clubs, which still have a fine chance to win the title, fell into such a meeting when they both lost last Saturday afternoon, the Associateds being nosed out, 5 to 4, by the undefeated Grimmetts.

The Gustine Merchants, who come here tonight to battle the Loviers, have shown some real class in the tourney, and if they get by with a win tonight they will also be in a good way to cop some of the money. Loviers have some pretty good hitters, and Manager Dave Kyle is not anticipating much trouble in winning the game.

Langendorfs are one of the three San Francisco clubs left in the title fight. They appear to be about an even match for the Oakland Caskets, so fans can look for a closely-fought game tonight.

Sensational fielding by the S. P. keystone combination of Ray Viani at short and Pat Clifford at second, and two great plays from the outfield in which Davie took part, enabled Amaral to win the hill duel with Lister. Viani and Clifford handled 14 chances between them and executed a snappy double play in the eighth inning when the Golden Glows had a man on third and first with only one away and a single run needed to tie the score.

LISTER TURNS WILD

Davie relayed a ball to Viani in the fourth and Viani pegged Al Swick out at the plate when Carl Escobar doubled against the left field wall. Swick got a long double to score Silva for the Glows in the seventh, but he was nailed trying to take third as Ivaldi and Davie relayed the ball from the outfield to Viani who threw to Johnny Arnerich.

Lister helped to beat himself by being wild in the fourth when the Espees made their two runs. He walked Labetich and then hit Ted Madruga in the ribs. Clifford bunted the runners along and Sandahl singled to score them both.

Bill Hunrick is hoping that his Pacific Greyhounds can work their way into another meeting with the Espees, for he certainly would like to avenge the only defeat the Railroadmen gave him in the tourney.

Bill Sturtevant was in tip-top form as he let the Andy Crows down with only three hits in the fastest game of the tourney. It was played in an hour and 29 minutes. The Crows saw their best chance for a rally wasted when C. Moran, the first batter in the seventh in-

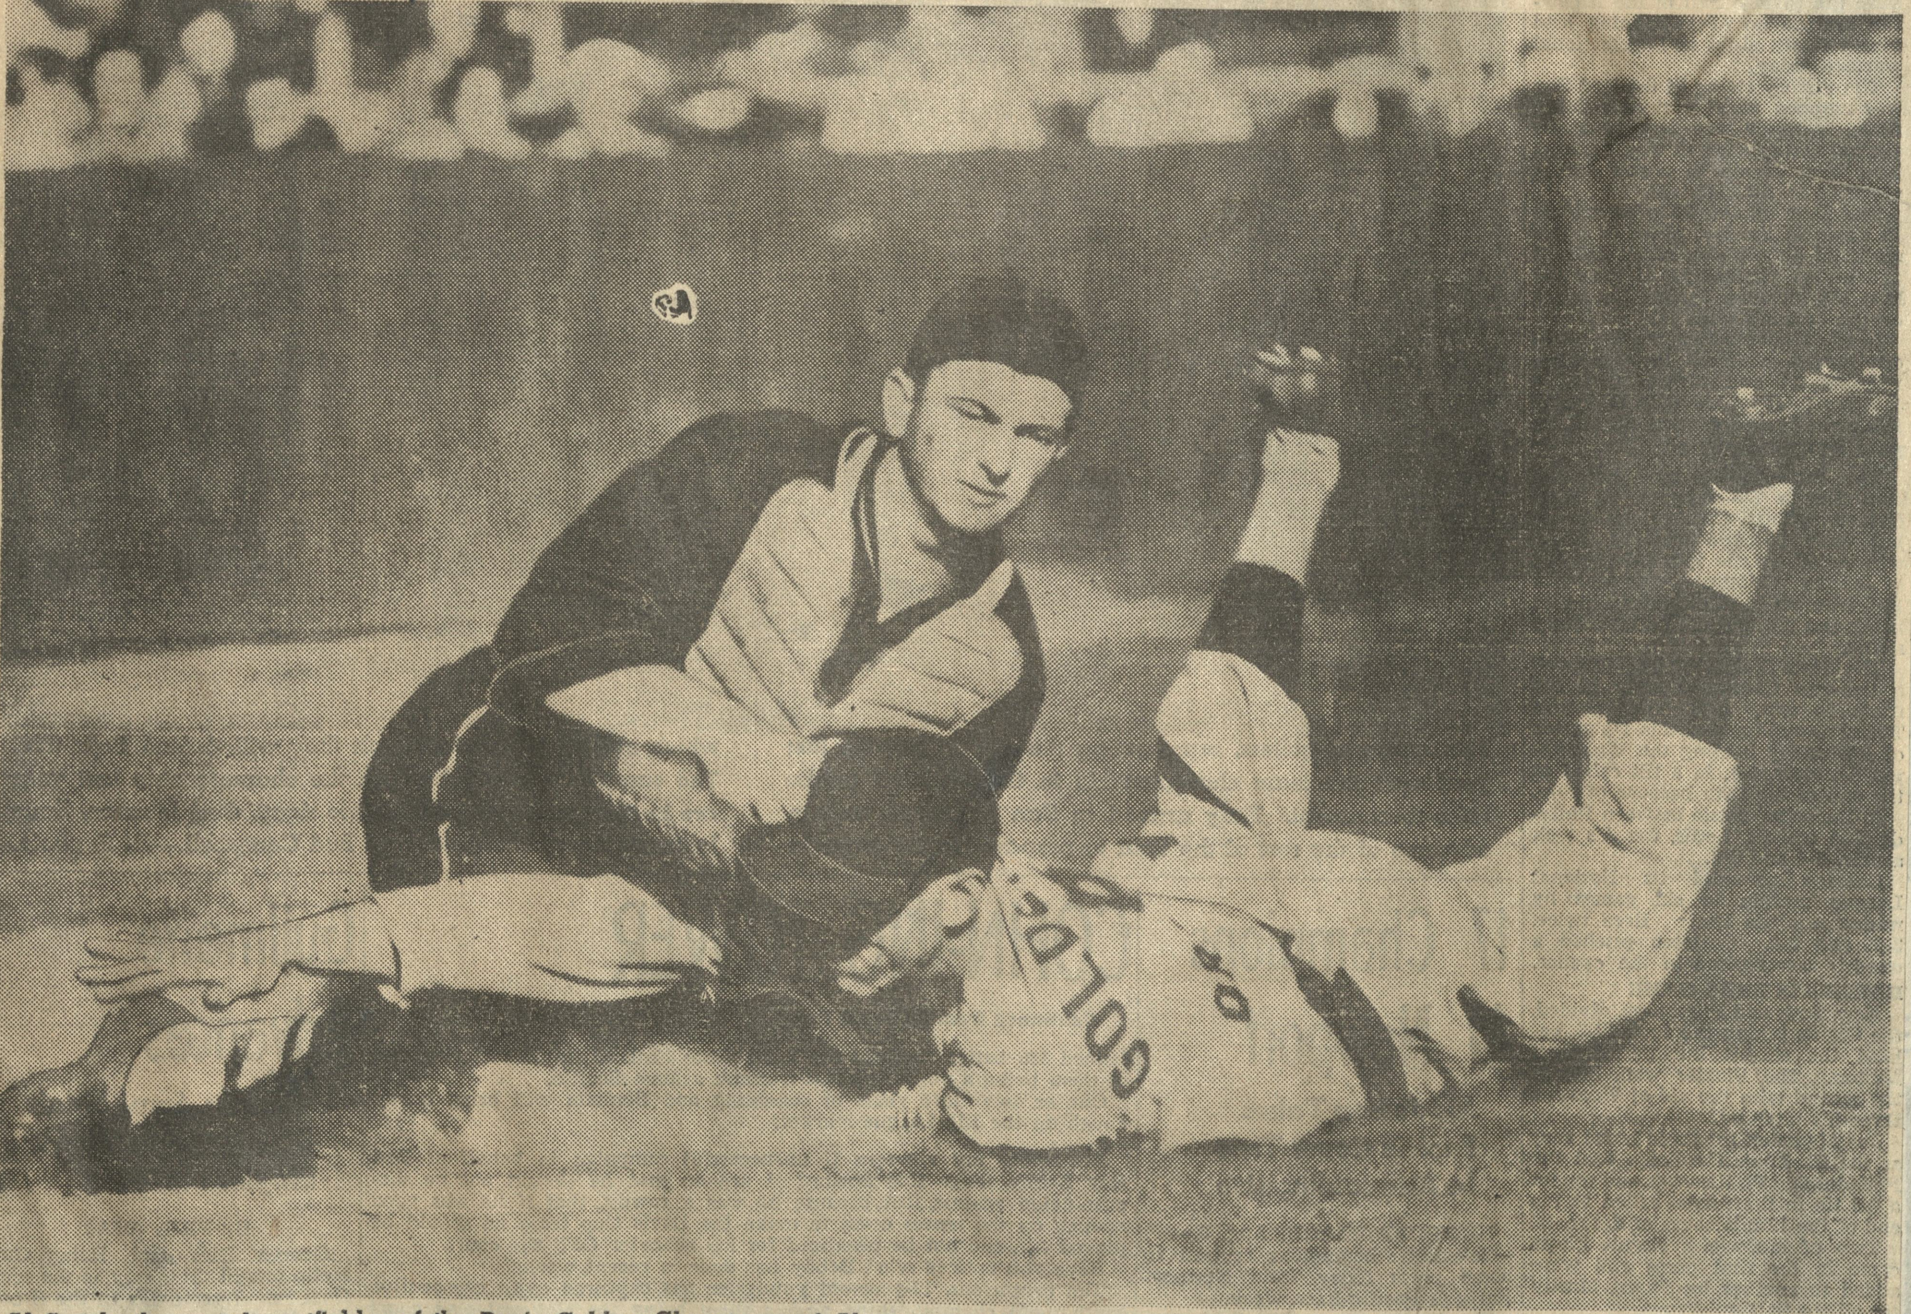
RAILROADMEN THROW SWITCH TO STOP THE SPEEDY SWICK



Al Swick, the speedy outfielder of the Ben's Golden Glow team of Alameda, had every intention of getting home yesterday. He tried to two times but in each case the Southern Pacific Stores players headed him off. The above picture shows where he was thrown out at the plate when he tried to score from first on Carl Escobar's double. Notice how he was spilled over the ground as he tried to slide his way by Earl Sandahl in the fourth inning as the catcher takes a throw from John Arnerich. Swick was nailed at third in the seventh when he tried to stretch a hit into a triple.—Tribune photo by Keith Dennison.

ning, connected for a long one to center and he was tagged trying to stretch it into a triple. It was a foolish risk with the team trailing by two runs.

STRADER LEADS ATTACK

A single by Henderson scored J. Lancione in the first of the seventh to give the Greyhounds their winning marker.

Chapel of the Oaks youngsters put up a game battle against the Owls, but were outclassed in the early stages. They did stage a little rally in the ninth when they scored their two runs. Eight of their batters went to the plate and they had the bags loaded when Hammack forced Neal Arlett at second.

Charley Hardt, whose slants were nicely handled by Norman "Red" Strader, the Gael coach, allowed the Keystones only four hits and had little to worry about as his mates piled up eight runs for him in the first inning. Strader, Emeldi and Prolo did the heavy stick work for the winners.

Sandahl Drives In Runs

Lombardi, Church Star

By a score of 2-1, Ben's Golden Glow was eliminated for the Oakland Tribune's state semi-pro baseball tournament in the Pacific Coast league park yesterday by S. P. Stores.

After the game between the two Alameda clubs, the S. P. Stores was the only team remaining from this city as play moved into the fourth round.

LONE ALAMEDA

Walter Lister on the mound for Ben's allowed the S. P. Stores only seven hits, but the Railroad boys scored two runs in the fourth inning when "Brute" Labetich walked, Madruga was hit by a pitched ball, Pat Clifford sacrificed the runners along and Elmer Sandahl, former Alameda high school catcher, drove a line single to left field to drive them home.

Ben's made a bid in their half of the fourth when Al Swick opened the inning with a single, and Carl Escobar doubled, but Swick was caught at the plate.

SANDAHL STARS

Ben's scored its lone run in the seventh when "Niggie" Silva led off with a single and Swick doubled to score him.

Swick and Escobar led Ben's with two blows each while Arnerich and Sandahl hit two each for the winners.

On Saturday, the Golden State won over the Moffat Packers 4-2 and Alameda played important hitting roles for the winners.

Johnny Lombardi, third sacker, hit four times in four attemps and Eddie Church, first base, connected for a double and a single in four times up.

"Pudgy" Gould, former Elks chucker, was on the mound for the losers and Monte Florence of the lodge here did not hit in three times up, but scored a run.

"Lefty" Fernandez chalked up his second win of the current Tournament, by handing the Langendorf Royals of San Francisco a 8 to 2 licking. Although Fernandez was extremely wild, walking eleven men, he struck out thirteen in seven innings to get himself out of the hole, allowing but five scattered hits.

"Midge" Fernandes's double in the fifth with the bags loaded put the game in the bag for the Espees. Arnerich hit one for two bases for the winners. Clifford, Madruga, Fernandes hit two apiece for the Espees.

Imperial hit two for the losers. Tolini and Hassett for Langendorf allowed ten hits between them.

Espees scored their first run in the last of the second when Labetich walked Madruga singled to centerfield. Sandahl forced Madruga at second, Imperial to Walters. Fernandes fanned. Fernandez singled to center, scoring Labetich. Arnerich walked. Viani popped up to Tolini.

The winners scored another run in the last of the third when Clifford singled to leftfield and stole second. Davi popped up to third. Labetich singled to rightfield, scoring Clifford. Madruga was hit by a pitched ball. Sandahl hit into a double play, Walters to Imperial to Dineen.

Langendorf scored a run in the fourth when Walters fanned, Brown beat out a hit to short and went to second on a wild pitch by FernandezMayer walked. Tolini forced Mayer at second, Viani to Clifford. Imperial hit one for two bases, scoring Brown. Hooper walked. Dineen forced Hooper at second, Viani unassisted.

Southern Pacific turned on the heat in the fifth when Clifford singled past second, Davi beat out a heat to the same place. Both runners advanced on a well executed double steal. Labetich walked, filling the bases. Madruga singled past first, scoring Clifford and Davi. Sandahl was safe at first on a fielder's choice. Fernandes doubled against the left centerfield fence, scoring Labetich and Madruga. Fernandez sacraficed and eas out Hassett to Dineen. Arnerich walked. Viani was safe at first on Dineen's error, scoring Sandahl. Clifford walked filling the bases. Fernandes scored on a passed ball. Davi fanned to end the inning.

The Bakers scored their other run in the sixth when Imperial walked, Hooper lined out to Clifford at second. Dineen, Laveroni and G. Laveroni walked, forcing in Imperial and leaving the bags loaded. Walters fanned for the fourth consecutive time. Brown flew out to Labetich in rightfield.

Owl Drugs Lose, Out Of Tourney

By defeating Langendorf Royals of San Francisco 8-2, the S. P. Stores of Alameda advanced into the fifth round of the Oakland Tribune's California state semi-pro in the Pacific Coast league park last night.

"Lefty" Fernandez on the mound for S. P. gave a fine pitching performance and kept the Langendorf hitters well in hand during the game.

STRIKES OUT

Fernandez issued 11 free passes to first base and sent 13 batters back to the bench on strikes.

S. P. Stores opened their scoring in the second inning when "Brute" Labetich worked the pitcher for a walk, advanced to second on a fast ball and then scored on Madruga's single to centerfield.

Another score was added when Pat Clifford opened the third with a single, stole second and scored on Labetich's single to rightfield.

Langendorf's scored once in the fourth when they put a walk and two singles together.

When the Langedorf's defense crumbled in the fifth inning, the S. P. Stores added six more runs, capitalizing upon five errors.

OWLS OUT

A single by Davi and a double by "Midge" Fernandez gave the S. P. Stores six unearned runs.

In the other game Grace Brothers' team scored four runs in the last of the ninth to defeat and eliminate the Owl Drug club from San Francisco, score of 7-6.

GRACE BROS. ELIMINATE OWLS, 7-6

Stores Oust Bakers From Title Chance

Gustine Meets Packers; Shells, Avon Tossers in Tonight's Feature Tilts

By EDDIE MURPHY

Only two San Francisco teams remain in the running for the State baseball championship as a result of Owl Drugs and Langendorf Royals of that city being defeated in games last night at the Oaks' ball park. Grace Bros. of Richmond staged a thrilling final inning rally to score four runs and win out over the Owls, 7 to 6 and Southern Pacific Stores scored an 8 to 6 win over Langendorfs.

With only 10 teams remaining in the running two more are due to be dropped tonight when one of the best double bills of the week will be staged at the Oaks' park. The Gustine Merchants are coming up to battle the Moffat Packers of Oakland in the first game at 7 o'clock and at 9 o'clock Contra Costa County rivals, the Associated Flying A's of Avon, and the Super Shells of Martinez tangle.

'RED' STRADER INJURED

The victory for the Grace team may prove costly as Norman "Red" Strader, their catcher, who dove into first base just as though he was going over for a touchdown, suffered a badly cut knee. His act, making him safe on Ray Benjamin's error, resulted in the winning run for Grace Bros. as Charley Hardt following with a double to score him.

Hardt was the big hero of the victory. He replaced Leno Carrazza on the mound in the fifth when the Owls staged a four-run rally and he checked the transbay team. Al Lazootin, Owl pitcher, became wild in the final inning and walked the first two batters with the result the Owl infielders went up in the air to toss in three boots and set the stage for Hardt to win his own game.

Johnny Fernandez did some fine pitching as he hurled the S. P. team to its win over Langendorfs. He allowed only seven hits and fanned 13. He is a promising young southpaw who is likely to go a long way in the game. He showed plenty of nerve in the sixth inning when he walked three batters in a row and then settled down to fan Walter and hold Brown to an outfield fly to retire the side.

ERRORS AID STORES

The Railroad men scored in each of the second and third innings and made the remainder of the runs in the fifth when they scored six on only two hits. Three errors, a couple of walks, a passed ball and Manuel Fernandez' double did the damage.

Oneof the biggest crowds to attend any of the tourney games this year is expected to be on hand to see Gustine battle the Moffat Packers and Associated Flying A's meet their old rivals, the Shells.

Harry Parker, the young fellow who has pitched Gustine to a couple of wins already and hurled only last Tuesday night, wants to take the hill tonight again and Manager Pat Consantino probably will grant him his wish. Parker is a farm boy who works on a tractor and enjoys hard work.

Don Raffanti is all primed to fling them for the Moffats and if he gets by with a win tonight the Packers will have a great chance to finish in the money, as they will have Alan "Pudgy" Gould ready to come back and hurl the next game. Still there is a chance that Manager Dick Raffanti will switch tonight at the last moment and use Gould.

The tussle between Shells and Associateds is likely to prove one of those nip-and-tuck affairs, as both clubs are noted for their hitting and never give up until the last man is out when they battle one another.

Bud Lindsten, who allowed the Grimmetts only three hits in seven innings last Saturday only to see his team defeated through its own

errors, is slated to take another shot on the hill for the Associateds. If he pitches the brand of ball he did Saturday when he fanned 10 in the seven frames and his mates give him better support, he is likely to come out the winner.

Manager Vincent Frank of the Shells has not yet decided on his hurler. He can use Les Powers, Johnny Green or Dewey Brown. All three worked in trying to stop the Tallant Tubbs last Saturday, but none of them were overworked. Green appears to be the favorite to start because of his experience. It will be do or die for the Shells and Associateds tonight and they should stage a pretty hot contest.

San Francisco fans will come over by the hundreds tomorrow night to watch the Tubbs and Pacific Greyhounds try to eliminate one another. The two strongest teams in San Francisco, Tubbs and the Greyhounds, have big followings.

It will be Richmond against Alameda tomorrow night when Grace Brothers of the Oil City meet Southern Pacific Stores.

Tourney Notes

Ray Benjamin. second sacker for Owl Drugs, played great ball during the early innings last night and then fell down at the crucial stage when he fumbled "Red" Strader's roller.

Prolo, second sacker for Grace team, made two errors, but he also made some nice plays. One of his good turns was in the fifth when he took a ball that deflected off Charley Hardt's glove and tossed out Ray Volkman.

George Laveroni spoiled a chance for the Langendorfs to get the jump in scoring on the S. P. Stores in the second inning, when he was almost to the plate on a hit by Mayer and thinking the ball was beating him to the plate he decided to return to third. The ball was nowhere near the infield.

Two Oakland teams, Grimmett Sporting Goods and Golden State Ltds., meet in one of the three games to be played Saturday. Three more games are billed for Sunday when the tourney is supposed to come to a close, but there's a possibility the race will end in a tie and one more game will have to be played Monday night to decide the champions.

S. P. Stores Eliminated From Tourney by Grace Tossers

Busmen Beat Tallant Tubbs In Upset, 2-1

By EDDIE MURPHY

Top-heavy favorites in the race for the State baseball championship took beatings at the Oakland ball park last night with the result that only seven teams remain to battle it out today and tomorrow for the title and pot of gold.

Bill Hunrick's Pacific Greyhounds of San Francisco sprung a big surprise on their home-town rivals, the Tallant Tubbs, by defeating them, 2 to 1, and Grace Bros. of Richmond downed the Southern Pacific Stores of Alameda, 5 to 3.

The S. P. team, which went down fighting and had the bases loaded when Charley Hardt went in to fan Johnny Labetich to end the ball game, had finished in the money in all four previous tourneys. Last night's defeat eliminated them from any chance to get a slice of the "Golden Melon."

SOX PLAY FOR TITLE

Today finds six teams battling for the right to take part in the big play-off tomorrow for the title. All losers today will be eliminated, while the winners will be assured of getting part of the purse which has been growing along with the crowds attending the games.

Winners of the first two games today are billed to start off the big triple program tomorrow at noon. The second game will start at 2 o'clock and the third at 4 o'clock. The teams battling in the last two games tomorrow will not be known until after the final game tonight and the first one tomorrow. Tallant Tubbs and Pacific Greyhounds are at present in the best position to cop the title and take it to San Francisco.

But what happened last night is proof that fans can expect anything to take place in the remaining games so followers of Alameda and Contra Costa County teams have not given up hope of the title being won for them.

Tubbs and Greyhounds are the San Francisco representatives, while Moffatts, Golden State and Grimmetts Sporting Goods are in there for Alameda County, and Associated Flying A's and the fighting Grace Bros. team of Richmond represent Contra Costa County.

GOULD ON MOUND

Pudgy Gould was slated to take the pitching mound for Moffat Packers against Norman Coad or Al Spittler of the Flying A's in the opener of today's program.

Manager O. M. Anwyl of Golden State was counting on George Hollerson to beat Grimmett's Sportnig Goods and keep his team in the running. Dick Elling was slated to fling for Grimmetts.

Art Mangini, one of the outstanding players in the tourney because he has played outfield, pitched and hit in th epinches, is ready to go for the Greyhounds in the 7 o'clock game. It is too bad that some scout cannot entice him to give up garbage hauling for a while and take a fling at professional ball. They tried it last year, when he was not near the ball player he is now, and he refused to sign. Jiggs Wright or Lena Carrazza will pitch for Grace Bros. team, who had a big backing of fans as they battled and defeated he Espees last night.

ANDERSON IN FORM

Merle Anderson, a former Oak, who saw service with the Philadelphia Athletics, should have had a shutout victory over Tubbs. He allowed only four hits and none of them counted in the scoring of the lone run for Tallants.

Davis, the first Tubbs batter in the seventh, drew a walk and was forced at second by Gosland, who advanced to second when Stanley Botto drew a walk. Gosland started out to steal third and would have been out hadn't Van Arsdale dropped a perfect throw from Pete Lancione. The error led to the lone run as Gosland scored after Bill

Benedetti flied to Joe Lancione in left field.

Botto's only two walks of the game resulted in his downfall. Henderson drew one of the walks in the fourth inning and scored on Mangini's triple.

Henderson, one of the outstanding outfielders in the tourney, paved the way for the Greyhound victory when he beat out a deep roller to Vasquez at short. He advanced when Mangini was walked and scored on a single by McGough.

Tubbs threatened to tie the score in the final inning after two were away. Enzslin singled and Stewart walked. The game came to an end as Davis flied to Van Arsdale.

MONZO TURNS WILD

Carl Monzo started on the hilltop for Grace Bros. last night and kept things well in hand until he hit a wild streak in the ninth inning and had to be lifted. He had allowed only five hits. Pat Clifford and Sandahl, the first two Espee batters, in the ninth, worked him for walks. Monzo then retired the next two batters, then walked Viani, Ivaldi and Davi in a row to force over two runs before Hardt was rushed in to save the game.

Bussa, Strader, Gabrielson and Monzo delivered the hit won for the Grace team.

Alameda Without Bill Club

Last Alameda club—the S. P. Stores—was eliminated from the Oakland Tribune's state semi-pro championship last night when it lost to Grace Brothers of Richmond by a score of 5-3.

Monzo on the mound for Grace Brothers allowed only five hits, but continually put himself in hot water with wildness, walking 11 batters.

HALTS RALLY

The S. P. Stores rallied in the ninth to score two runs on five walks, and Hardt was rushed into hte fray for Grace Brothers in time to dispose of "Brute" Labetich on strikes to end the game.

The S. P. Stores drew first blood in the third inning by scoring one run on Americh's walk, Ray Viani's perfect sacrifice and when Prola kicked Ivaldi's hard-hit ball.

Grace Brothers evened the score at 1-1 in their half of the third inning when singles by Gonsalves and Bussa interspaced by Prola's sacrifice accounted for a run.

A double play engineered by little Pat Clifford unassisted stopped a threatening Grace Brother rally in the fourth.

NEW PITCHER

Grace Brother's second run was scored in the fifth on a walk to Gonsalves and a single by Prola. S. P. Stores filled the sacks and with only one out in the sixth, but Clifford into a double play to stop the S. P. rally.

Gil Amaral, S. P. starting pitcher, was knocked out of the box in the sixth inning when Grace Brothers scored their third run of the contest. Amaral was replaced by Fagundas.

Labetich stole the show in the outfield several sensational running catches of well-hit balls. Richmond cinched the game in its half of the eighth inning when they added two more runs to their total with a single and two errors.

Ball Club Reopens Season

After finishing just out of the money for the first time in five years of play in the California state semi-pro tournament, the Southern Pacific Stores of Alameda will resume play tomorrow when it travels to Angel Island to play a return game with the Fort McDowell club.

TIMELY HITTING

"Lefty" Fernandez, who pitched such fine ball in the tournament, and Elmer Sandahl, who broke up two games with his timely hitting, will form the Alameda battery.

Followers of the Southern Pacific team are justly proud of the fine showing their team made in the state championship tournament which has just been concluded, finishing in sixth place, they lacked just one game of again finishing in the money, which would have made it five times straight they would have accomplished this feat. As it is no other team can equal their record of finishing four consecutive times in the first five positions. All of their games were exceptionally fast, hard fought, well played, close ball games, the game in which they eliminated their Alameda opponent, Ben's Golden Glow, by a 2 to 1 score being adjudged by the tournament committee as the best game played in the entire tournament. The Espees are glad that they carried on up to the semi-finals keeping an Alameda entry in the tournament until the last two days of play.

FINAL GAMES

The Southern Pacific Stores will play five more games this season winding up their schedule at Reno, Nevada, on Sept. 19, when they meet their old opponents the Reno Garage nine in the last of a four-game schedule.

Plans are already being laid for a winning ball club next year, and some new players have been signed to open the season next spring, with what it is hoped will be the greatest team the Southern Pacific has ever fielded.

S. P. Stores Win Game

"Lefty" Goggin Pitches

With young "Lefty" Goggin, former Alameda high school star, pitching stellar ball, the Southern Pacific stores of Alameda, handed the Fort McDowell nine a 4 to 3 defeat. Walter Zsarko, Shell Oil hurler, pitched good ball for the losers but the heavy stick work of Ivaldi, Clifford and Madruga was too much for the soldier boys. Ivaldi hit three while Clifford and Madruga hit two apiece for the Southern Pacific. Lenny Ratto, another Alameda high school star, played part of the game at short and showed a world of class. Young Goggin showed plenty of stuff, keeping 8 hits well scattered, striking out 4 and walking but 2.

S. P. Stores Not to Play

End Season With Reno

The Southern Pacific Stores baseball team will not play over the week-end on account of many of the players and fans taking advantage of the double holiday to enjoy a couple of days in the mountains or at the seashore. The Southern Pacific team will play their last game at home, Sept. 12, and on the following Sunday they close their 1937 season by playing the Reno Garage team at Reno, Nevada.

Jack Threlkel, congenial manager of the famous Reno Garage club can justly be proud of the great record his team has made this season. Losing only two games in the entire season to date, the Reno Garage nine has met the cream of the semi-pro ball clubs of California and Nevada, and in all but two encounters has emerged the victor. The Chinn-Bretta ball club of Sacramento and the Pacific Greyhounds being the only clubs to pin a defeat on the Garagemen this season. Saturday, Sept. 18, the Reno club meets Ray Watts team from Susanville, who, like the Renoites, have compiled a record equal to that of the Nevadans. The Lassen Box and Lumber company ball team having lost only one game this season to date, that one defeat being at the hands of Dave Kyle's Lovier Appliance team of Oakland, who were in turn defeated by the Reno club.

Richmond Faces S. P.

Len Ratto To Play

With the strong Richmond Merchants as opponents, the Southern Pacific baseball club of Alameda will play omorrow afternoon at 2 o'clock in Washington park.

Young Lenny Ratto, Alameda high school star, will hold down the shortstop assignment. Ratto, discovery of Sam Alis, Alameda trainer and coach of the Southern Pacific team for the past four years, played his first game with the railroaders last Sunday at Angel Island, against the strong Ft. McDowell soldiers, and displayed a world of ability. The youngster can hit and fields like a veteran. He has a strong throwing arm and can cover lots of ground.

Jug Mandish, hard hitting outfielder who has been with Yakima all season, has returned and will be seen in action next Sunday. From reports he played great ball for Yakima and his hitting was the talk of the league. Several scouts are after him to get his name on the dotted line, but he will not sign until he is sure that he is signing up with the club that can offer the greatest opportunity. Jug is a real ball player and should go a long way in professional ball.

With Ratto, "Lefty" Goggin and Elmer Sandahl on its roster, the S. P. Stores are taking on an Alameda high school complexion.

Although the S. P. Stores lost to E. Bercovich baseball club 7-3 in Washington park yesterday, young Roland Goggin, former Alameda high school pitcher, showed he is just about ready to take his place with the best pitchers in the bushes.

Goggin pitched great ball for seven innings, leaving the game with the score tied 2-2. He allowed only seven scattered hits and fanned four. "Hank" Raimondi, just returned from the Arizona league, played rightfield for the Southern Pacific hitting safely three times, one of which was a home run over the leftfield wall. Gugich showed some classy hurling in the sixth when three consecutive hits loaded the bases with none away. he then fanned the next batter and forced Lapan, San Jose's hard hitting catcher to hit into a fast double play to end the inning. Three fast double plays by Southern Pacific held the home towners score down.

S. P. Stores End Season Sunday

Playing the San Jose Merchants, the S. P. Stores baseball club will end its 1937 season this Sunday, it was announced by Manager G. W. Gerichten.

S. P. Stores Win, 5-2

Phil Gugich Pitches

The Southern Pacific Stores' baseball team of Alameda closed their 1937 season with a win over Frank Boitano's fast San Jose Merchants, at Graham Field, San Jose, handing the home town boys a 5 to 2 licking. This makes the first Alameda team in the past two years to defeat the Merchants on their home diamond.

SOUTHPAW

Phil Gugich, former Southern Pacific hurler, recently returned from Lewiston, Idaho, where he has been pitching for the Lewiston Indians this season, southpawed the Merchants into submission and had them under control at all times. Gugich pitched a great game and his two hits helped his teammates pile up a lead which the San Jose boys were unable to overcome. Gugich demonstrated his superiority over the opposition in the sixth, when they filled the bases on three consecutive hits with none away, by bearing down and striking out the next batter and then causing the next hitter to hit into a fast double play, no runs scoring.

Ted Madruga, hard-hitting first sacker of the Espees, gave the fans a demonstration of real hitting by getting five hits in as many times at bat, one a long home run to deep centerfield. Every ball he hit was hit on the line to the outfield and accounted for 3 of the 5 runs scored by his teammates.

RATTO STARS

Young Lenny Ratto, Alameda high school star, played a sensational game at short, taking part in three double plays, which cut off runs in the pinch. Ratto looks better every game he plays and should go far in professional ball some day. Jug Mandish, playing centerfield, brought the fans to their feet in the seventh, by making a beautiful running back hand one-hand catch of a hard hit ball, with one on, which would have gone for three bases if missed. Brute Labetich hit two, one a double, in four times at bat. In all, 13 hits were collected off of Lancucci and Rose of the Merchants.

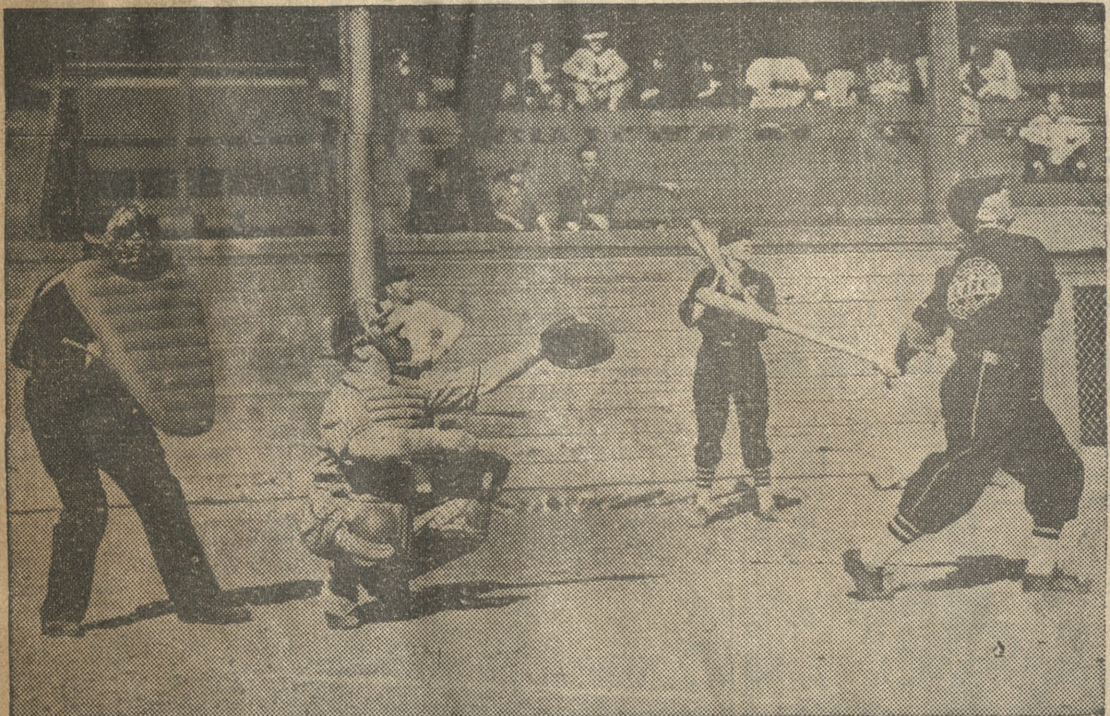
Action as Merchants Are Beaten



Labitich, rightfielder of the S. P. Stores nine, is shown here banging out a hit in yesterday's game with the San Jose Merchants at Graham Field. The catcher is Lapan and the Umpire, Dewey Bowen.

Merchants Beaten 5 To 2 By S. P. Stores; Held To 7 Hits

Two gents from Oakland, by name "Lefty" Gugich and Ted Madruga, respectively pitcher and first baseman for the S. P. Stores baseball nine, proved too tough for the San Jose Merchants at Graham field yesterday afternoon, and as a result the visitors took home the locals' scalps—the final score 5 to 2 and the Merchants' record now blotted with one defeat since reorganization.

Gugich limited the Merchants' hit output to a measly seven, and would not have been scored on but for an error by Third-Baseman Arnerich that gave "Momie" Alves life after two outs in the second inning. The bobble was followed by a three-bagger by Pete Lapan and a single by "Pasta" Landucci.

All Madruga did was to hit five for five for the afternoon—a home run and four singles that batted three of the visitors' five runs across the plate.

VISITORS SCORE FIRST.

The visitors got away in the lead, an error by Al Lindner putting Labetich, first S. P. Stores batter in the second inning, on base; Sandahl flied to Powles in left field, and Fernandes fanned, but Joe Macedo booted Ratto's roller and Labetich reached third. Gugich's single plated Labetich.

With one down in the fifth, Madruga poled his home run, to be followed by a single and steal of second by Mandish and Labetich's two-ply wallop.

Arnerich's single, a wild pitch and Madruga's one-bagger admitted the former in the seventh. Hilliard Rose took the mound for Merchants in the eighth and was nicked for three hits and a run in the first half of the ninth, Madruga driving Pat Clifford across the plate in this stanza.

DUINO, MARTINEZ STAR.

Outstanding highlights of the Merchants' play were the usual classy fielding of Benny Duino in the mid-garden and the hitting and fielding of Marty Martinez at third base. Marty poled two triples in his first two times at bat, and handled seven chances at the hot corner, with one misplay charged against him.

Pete Lapan was the only other Merchant batter to do much damage to Gugich's slants, the veteran receiver poling a three-bagger and a single.

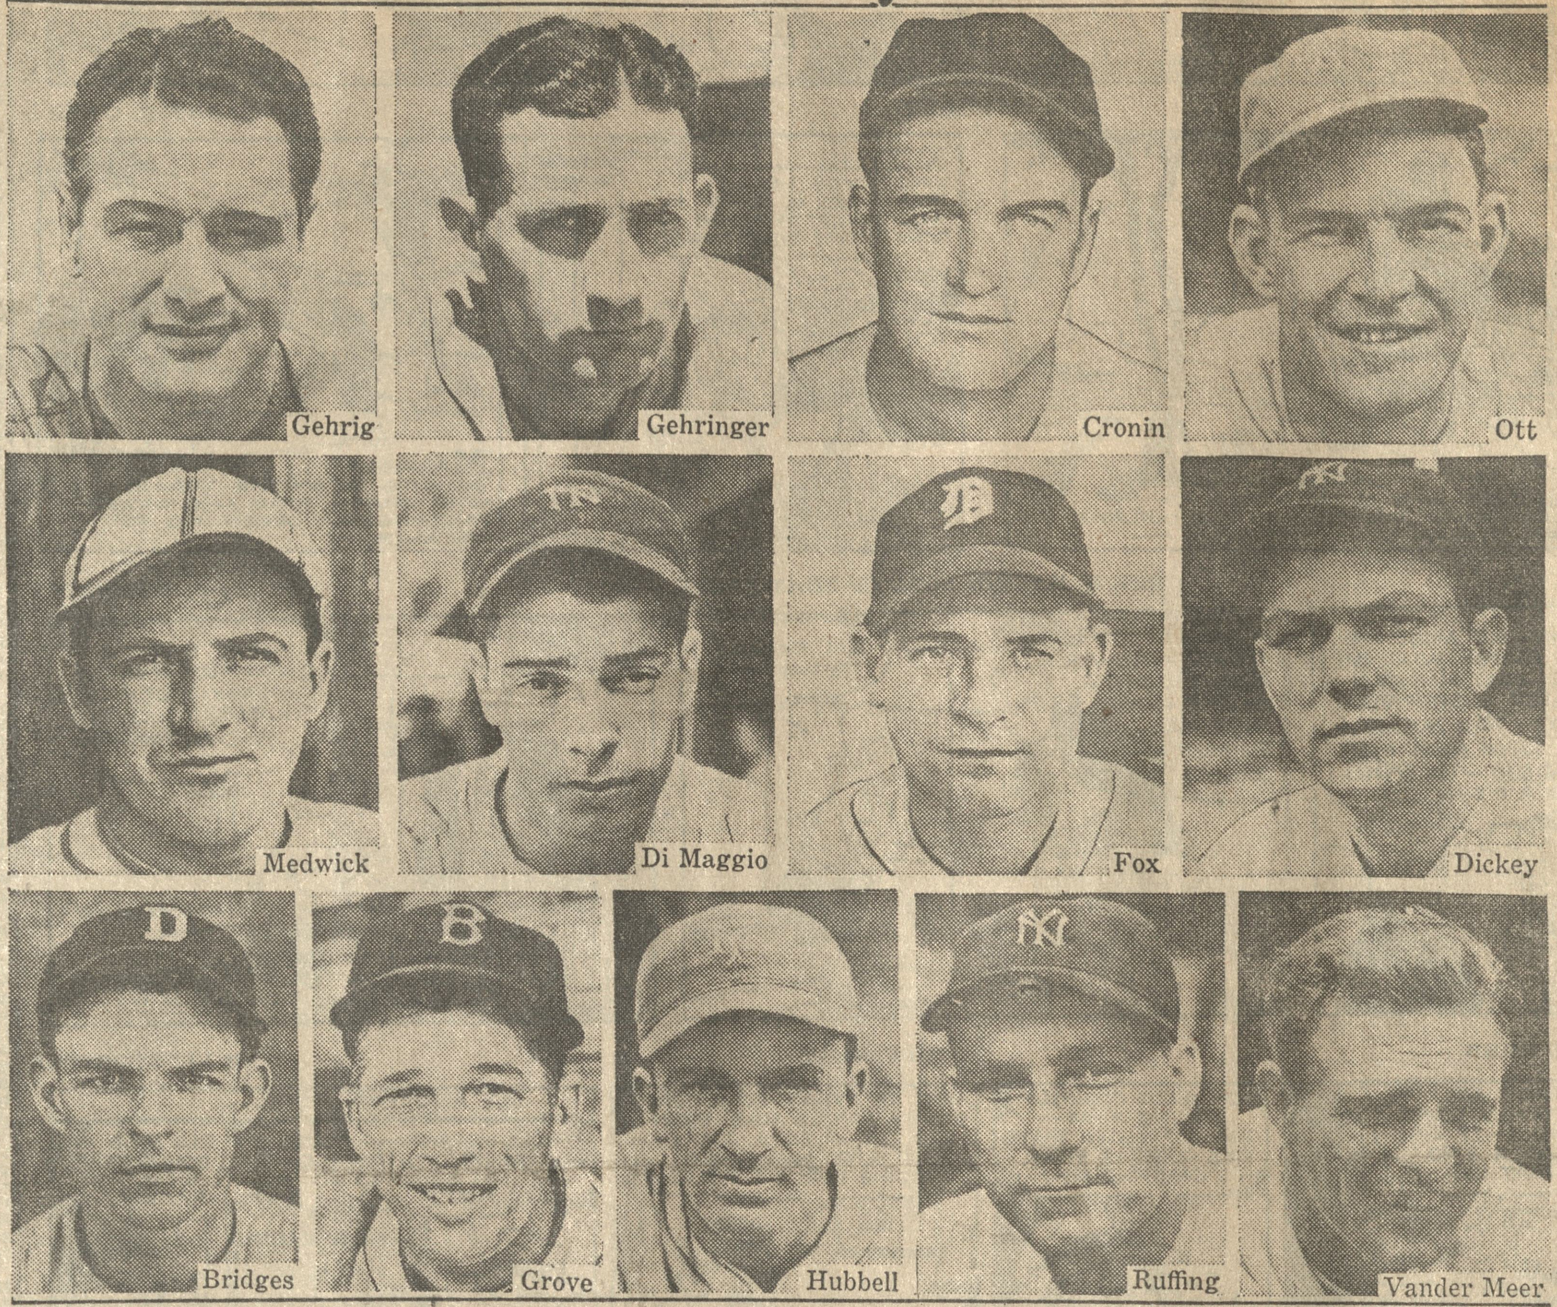
All-American Team of Fans' Favorites



Back in the middle of the summer, the nation's fans started trekking to the polls to elect the Kellogg All-American Team, composed of the most popular player in each division on the diamond, and this is the result: first base, Lou Gehrig, New York Yankees; second base, Charley Gehringer, Detroit Tigers; shortstop, Joe Cronin, Boston Red Sox; third base, Mel Ott, New York Giants; left field, Joe Medwick, St. Louis Cardinals; centerfield, Joe Di Maggio, Yankees; right field, Pete Fox, Tigers; catcher, Bill Dickey, Yankees; Pitchers, Red Ruffing, Yankees; Carl Hubbell, Giants; Johnny Vander Meer, Cincinnati Reds; Lefty Grove, Red Sox; and Tommy Bridges, Tigers. The Yankees, placing four men on the squad, matched the National League in popularity. Gehringer, polling 74 per cent of the second base votes, collected the most ballots in any single position. Babe Ruth, incidentally, received votes in six of the nine positions—first base, left field, center, right, catcher and pitcher. Each of the winning players received a new automobile.

S. P. Stores Defeat Tye's Hop Gold

S.P., Tye's To Open 1938 Season

Elks Play Mal's

With bright skies and dry fields predicted for tomorrow, Alameda baseball clubs idle for weeks, are anxious to battle rivals.

Two clubs make their debut for the 1938 summer season in Lincoln park at 2 o'clock tomorrow afternoon when the S. P. Stores face Tye's Hop Gold.

Both clubs are entrants in the Alameda-San Jose city league and the game will be a preview of the team's calibre in the newly formed circuit.

CEREMONY

Also in preparation for the Alameda-San Jose league, the Alameda Elks, headed by Manager Bobby Smale, will battle the Mal's Tacoma Beer in Washington park at 2 o'clock in its final practice game.

Short opening day ceremony is planned for Lincoln park with City Manager Charles Schwanenberg scheduled to throw the first ball with a host of Southern Pacific officials including H. W. Concannon, assistant general storekeeper; F. E. Sullivan, trainmaster electric lines; F. D. Franke storekeeper, west Alameda; G. E. Gaylord, superintendent, and Sherman K. Burke, vice-president, aiding.

FAST CLUB

Boasting one of the strongest teams in the section and anxious to play in the league here, Manager George Gerichten has lined up a strong club.

It includes:

Jerry Robeck, shortstop; Pat Clifford, second base; George Powles, centerfield; Elmer Corbett, leftfield; Brute Labetich, rightfield; Ted Madruga, first base; Arnold Berge, third base; Midge Fernandes, left field; Tony Patch, catcher; Gunny Fagundas, Phil Gugich and Ray Ehlers, pitchers.

Yet to play a game, a strong team has been organized by Kibby Spranger, energetic and peppy manager of Tye's Hop Gold.

Once shortstop with the Portland Pacific Coast league club, Spranger has lined up a squad that should reflect his personality—based on hustle.

STRONG ARM

The Tye's Hop Gold line-up includes:

George McDermott, third base; Tony Krasovich, shortstop; Ed Farro, catcher; Charles Hardt, pitcher; Al Duffy, pitcher; Carl Escobar, first base; Andy Ivaldi, centerfield, Johnny Thomas, leftfield; Hughie Nelson, second base; "Fenchy" Mesple, rightfield, and Charles Touli, utility player.

In the Washington park game, Manager Bobby Smale will undoubtedly call upon the strong right arm of Charley Kasich to quell the bats of Mal's.

Behind Kasich, Manager Smale will have Joe Olsen and "Lefty" Kelly in reserve with Graydon ("Nick") Carter handling their deliveries.

The Elks infield will be composed of Art Agnew on first, "Whitey" Olsen on second, "Sparky" Gustin on short with "Bunny" French on third and Ray Kranelly, Monte Florence, Bus Ryley, Art Slausen, Charles Agnew and Tom Langford in the outer defense.

In the final practice game before the opening of the Alameda-San Jose city baseball league, the S. P. Stores won over Tye's Hop Gold 11-9 in Lincoln park yesterday afternoon.

Tye's jumped into an early lead, scoring on two walks and three hits to pile up four runs off the twirling of "Gunny" Fagundas.

Coming back in the second inning, the S. P. scored twice on a hit batter, a single, two walks and a fielder's choice.

WILDNESS

Then in the third chased Charles Hardt from the mound with five runs on five walks and doubles by Arnold Berge and Ted Madruga.

Phil Gugich took over for the S. P. Stores in the fourth and ended up a period of wildness by allowing three runs to streak across the plate.

"Frenchy" Mesple doubled, Eddie Farro and Al Duffy flew out and then Gugich walked three runners.

With the bases loaded, Gugich worked the count to three and two on Andy Ivaldi and then the outfielder singled and drove three runs home.

Al Duffy, then on the mound for Tye's, was nicked for three runs in the sixth and seventh and then went on to win 11-9.

George Powles made several great catches in centerfield to save runs for the Southern Pacific.

S. P. STORES STRONG.

With the signing of several new players, Southern Pacific Stores will field a strong nine against all semi-pro opposition this summer.

The Stores bolstered their mound staff considerably by signing "Lefty" Phil Gugich, "Gunny" Fagundas and big Ray Ehlers, speed ball artist.

Also newcomers to the club are Outfielder Elmer Corbett; Arnold Berge, third sacker, and Tony Patch, player-manager of the Verdi nine of San Francisco, who will catch.

Others that will make the Stores a threat are Captain "Midge" Fernandes and "Brute" Labetich, Pat Clifford, Ted Madruga and Jerry Robeck.

The Southern Pacific Stores under the management of George Gerichten, will open their 12th consecutive year of Summer play Sunday, March 20. This year's club looks on paper to be the best balanced team they have had, with the addition of such high class performers as Arnold Berge at third, a perfect fielder and a good hitter; "Jerry" Robeck at short, talk of the Berkeley Winter League, where he hit and fielded in big league style. For their catching department they have the best in Tony Patch from San Francisco. Their pitching staff should be the envy of Coast League Clubs, with Phil. "Lefty" Gugich, last year with Lewiston, Idaho, and had an enviable record with that club; big Ray Ehlers, former property of the St. Louis Cardinals, and "Gunny" Fagundas, curve ball pitcher whose arm is now in fine shape. This trio should give all opposition plenty of trouble.

FERNANDES FIELDER

Captain "Midge" Fernandes, for his twelfth season will lead his club and play left field. Center field will be patroled by Elmer Corbett, giant outfielder and a powerful hitter. "Brute" Labetich, recognized one of the best hitters in semi-pro ball today, will take his position in right for the twelfth season, at second. Pat. Clifford, also a twelve year man, with "Ted" Madruga at first, is what clubs at Reno, Scotia, San Mateo, San Quentin, Watsonville, San Jose and many other out of town and local clubs will have to face. Sam Alis, famous Alameda trainer, will keep the players in shape, and Bobby Alis will act as mascot.

STORES SEE GOOD SEASON

George Gerichten, manager of Southern Pacific Stores, and Captain "Midge" Fernandes are looking forward to their most successful season, as they are adding great strength to this season's club. The Espees is one of the oldest clubs in this section and each Summer arranges a schedule that takes it to all corners of the State, including two dates with Reno. Home games will be played at Lincoln Park in Alameda.

Alameda will be represented this Summer with four high-class ball clubs, namely Ben's Golden Glow, Alameda Elks, Southern Pacific Stores and "Babe" Tye's Buffet.

Opening games are:
Lincoln park—Elks vs. Ben's.
San Jose—Tye's vs. San Jose.
S. P. Stores—Bye.

Plans for the league will be completed during a meeting of the managers and sponsors on next Thursday night in Oakland.

Weather permitting, Alameda semi-pro teams will continue their practice schedule on Sunday.

SUNDAY GAMES

A shift has been made in the program, with the Southern Pacific Stores, which was scheduled to open against Owl Drug Co., of San Francisco, now playing Mal's Tacoma Beer squad from East Oakland, champions of the National league, in Washington park at 2 o'clock.

George Powles, former outfielder of the San Francisco Seals, has been added to the roster of the S. P. Stores.

In Lincoln park, Tye's Hop Gold battles the Alameda Elks in Lincoln park at 2 o'clock, and Ben's Golden Glow travels to San Jose to play there.

BUSH BALL NOTES

By Art Macy

Monday evening, March 21, at the baseball manager's meeting, held at the Lowell Junior High School Auditorium, 14th and Market Streets, managers, players, fans and the public are invited to see the American League latest basball motion picture "Batter Up."

This picture is entirely new and different from any of the other films that have been released in the past. Many of the scenes were taken in the studio, and intimate views and talks by the players are featured.

GAMES TODAY

After several Sundays of idleness the athletes will be out today to take part in several fine ball games, scheduled throughout the Eastbay. In the American League, Oakland Casket and Wa Sung will be forced to play a double header. These two clubs meet at Bay View No. 2, at 12:30, to replay a disputed game played about four weeks ago. Following this contest Wa Sung play St. Patricks at Bay View No. 1, and Oakland Casket journey to Bushrod to tackle Frank's College Inn. Inasmuch as there two clubs are tops in this league, this game may decide the second half winner.

WESTERN LEAGUE

Milton Motors and Davis Chevrolet are still trying to play the game that will establish the second half winner of the Western League. The Chevrolet tossers have but to win this game to take both halves, otherwise a tie will result with the championship game being played the following Sunday. Game to be played at Bushrod No. 1, at 12:30.

EASTERN LEAGUE

The Eastern League second half has developed into a hot race with Robak's Cubs and Claude's Auto Glass tied. Claudes play Mi Rancho, and Robaks the Berkeley A. C. Both games scheduled at Bay View at 10:30. The following Sunday will bring these two together for the crucial game.

SUMMER LEAGUE

The Alameda Summer League, which will get under way about the middle of April is attracting attention far and near. The latest to file entry for this select league is the San Jose Merchants, managed by Frank Boitano. The merchants each year have one of the best semipro clubs in California, and realize from the caliber of clubs from Alameda they will be assured of the best competition. The San Joaquin Valley League officials would like their champions to engage in a play off with the Alameda winners. All this of course will lead up to our Tribune State Championship tournament to be held in September.

S. P. VS. TACOMA BEER

Southern Pacific Stores open their twelfth consecutive year of Summer play at Washington Park at 2 o'clock, having as their opponent Mal's Tacoma Beer, champions of the National Winter League. The Espees always a top notch club, look a little stronger this season with the addition of many new high class performers. George Gerichten will again manage the Stores, and Captain "Midge" Fernandes, for his twelfth season will again lead his team on the field, and also take care of the left field garden.

SPRANGER AMBITIOUS

"Kibby" Spranger, manager of Tye's Hop Golds, will never be the same man if they are rained out again Sunday, and cannot play the Alameda Elks at Lincoln Park. "Kibby" thinks his newly organized club is a champion in any league, and is hot to show the boys off in their new uniforms. Baseball needs more managers like "Kibby" Spranger.

GLOWS TO SAN JOSE

Ben's Golden Glow of Alameda, will travel to San Jose for a breath of Spring and will furnish opposition for the San Jose Merchants. Ben's won the Alameda Winter League, and Frank Boitano has been anxious to get a crack at Espina's Club for some time.

GAME AT MODESTO

Bill Hunrick, manager of the Pacific Greyhound, will load the big bus and hit for Modesto to play Bobby Coltrin's Yankee Rookies. The Greyhounds Summer schedule is made up of all out of town games. Their longest trip this season will probably be Klamath Falls.

PLAY AT STOCKTON

Al. Constantine, manager of Alhambra Water, will take his charges to Stockton to play the Amblers at Oak Park. Al. is shoving his youngsters along rather fast in taking such tough competition. The Amblers for many years have been recognized as one of the best semipro clubs in the State.

BEER CLUB READY

Grace Bros. Beer of Richmond, managed by Harry Skow, will open their 1938 season with Moffat Packers at the First and Macdonald grounds. Harry has a surprise with his new lineup, and predicts great things for the club this year. The beer boys are to be equipped with attractive new jackets.

EDDIE JACKSON ILL

Eddie Jackson, old time catcher and umpire, is very ill at the Highland Hospital. A benefit game is planned as soon as weather conditions are more settled, between a colored all star nine and one of our best clubs.

REDS PLAY TWO

Orinda Reds have a double bill scheduled at San Pablo, with the E. B. M. U. D. at 12:30, and Palm's Rainier at 2:45 p. m.

SIMMONS A. C. SET

Jack Fitzsimmons is getting a young club together to be known as the Simmon's A. C., playing their first game with Quality Print Shop at Auditorium Field at 2:30 p. m.

Southern Pacific Stores vs. Alameda Elks
Sunday, April 10th, 1938.
Lincoln Park, Alameda.

Southern Pacific Stores 3, Alameda Elks 4.

The Southern Pacific Stores lost a tough 4 to 3 decision to the Alameda Elks last Sunday in the first league game on the Espee's schedule. Leading 2 to 0 in the seventh, with Gugich pitching two hit ball, Jerry Robeck in tagging out Gustine, Elks third sacker, sliding headfirst into second base, was spiked in the mouth so badly, that at the emergency hospital it was necessary to take out his two front teeth and it took five stitches to sew up his gums and lip. This was a severe blow the the Espee infield, and the next two inings saw the Elks creep up and pass the Southern Pacific Stores to the tune of 4 to 3. The railroaders again showed that they are always full of fight and never give up when in the ninth ining with Ehlers on second base, Kasich, former Oak, was rushed into the game to stave off apparent defeat. He immediately proceeded to uncork two wild pitches in a row and Ehlers came home with the tieing run. The railroaders could not hold the Elks down in the last of the ninth however and they shoved accross the winning marker with two away. Little Tony Patch showed the way in the hitting department with three hits in a s many times at bat.

The Southern Pacific Stores scored their first run in the second inning, when Madruga struck out, Clifford walked and ~~[illegible]~~ was out stealing second, Robeck walked and stole second, Patch singled to left, scoring Robeck, Gugich walked and Fernandes flew out to Centerfield.

The added another run to make it two in the third when Powles walked and stole second, Berge singled to center, scoring Powles, Corbett was out Gustin to Fayen, Madruga flew out to Slausen in centerfield.

The Elks tied the score in the seventh when Fayen led off with a triple to centerfield, scoring on Agnew's single to right.Caya sacraficed him to second and was out, Gugich to Clifford who covered first, Jo. Olsen went out Robeck to Madruga, Agnew taking third, Gustin singled to rightfield, scoring Agnew. Gustin was out attempting to steal second, Gugich trapping him off first, Gugich to Madruga to Robeck. (Robeck was so badly spiked on this play that he was removed to the hospital where he was found to have lost two teeth and it required five stitches to fix up his gums and lip.

The winners scored another run in the eighth, when French flew out to left, Florence ~~[illegible]~~ was safe at first when Fernandes, who came in from leftfield to play third, threw his grounder away. Olsen doubled to center, scoring ~~[illegible]~~ Florence, Slausen popped out to Clifford and Fayen fanned.

Fighting desperatly the Espee tied the score in the first of the ninth, when Ehlers walked, Patch sacraficed him to second and was out, Olsen to Fayen, Fagundas, batting for Gugich, walked, Kasich now pitching for Alameda Elks, Ehlers took third when a wild pitch crashed off the backstop, Ehlers scored on the next pitched ball which was also a wild pitch off the backstop. Fernandes was out Fayen unassisted, ~~[illegible]~~ Labetich was out French to Fayen.

The Elks shoved over the winning run in the last of the ninth when after Agnew was out Fagundas to Madruga, Caya drilled a fluke hit thru Madruga, Kasich sacraficed him to second, and was out Madruga unassisted, Gustin was purposely walked and French ended the game with a Texas Leaguer which dropped in front of Labetich in leftfield.

PICKUPS:

George McDermott of Tye's took a line drive off the bat of Art Bradburg and turned it into a double play . . . Andy Ivaldi turned in several nice catches in centerfield . . . In the other park, "Midge" Fernandes gathered in two hard tries . . . **PETE LAPAN**, San Jose Merchants catcher, is an old timer in baseball having played with the L. A. Angels in the Pacific Coast league from 1917 to 1920 . . . Hustle marked the Ben's-San Jose game on Sunday as they finished it within one hour and 36 minutes . . . **JOHN ABREW**, Ben's Player, is sore both physically and mentally today . . . Pitcher San Botto of San Jose hit him twice with pitched ball . . . The first time Johnny did not mind, but the second time he was plenty burned up . . . Manager "Spec" Espina has released Paul Kellman due to the fact he is working on Sunday, but the addition of Jay Ryan and "Hootch" Graham are welcome assets to the team . . . **VERN CARTER** played a great ball at shortstop for Ben's handling 12 chances without a bobble . . . Alameda fans following Ben's to San Jose on Sunday tabbed the umpiring the worst seen this season despite the fact their club won . . . **AL SWICK** hit a pair of doubles and a single for Ben's and was robbed of two other blows by circus catches, one of which was a running bare-handed grab in centerfield by Schick of the San Jose club . . . **VERN CARTER** of Ben's with 12 chances without an error and **DICK MAIN** of San Jose with nine attempts without a misplay were the fielding stars . . .

In the Alameda-San Jose League, Ben's Golden Glow lead with two wins and no losses. Collecting 15 hits off the pitching of Botto and Hines, they trounced the San Jose Merchants, 9 to 3. Virgil Vierra pitched for the Glows, allowing four hits, and John Abrew caught. Ben's heavy hitters were Swick with two doubles and a single, Jay Ryan three singles, Johnny Lombardi a triple and two singles, Ray Andrews two doubles. Verne Carter played a great game at short, handling 12 chances without an error. Swick was robbed of two hits to center field. Schich, playing a whale of a game in the center pasture, came up with them. Lapan, who caught for four years in the Coast League, did the receiving for the Merchants.

ELKS BEAT ESPEES

Alameda Elks defeated the Southern Pacific Stores, 4 to 3, in a game that gave the fans many thrills. Joe Olsen worked for the Elks, with Kasich going in to relieve in the ninth, with the score 3 to 2, and Ray Ehlers on second. Kasich let loose two wild pitches, permitting Ehlers to tie the score. "Lefty" Gugich and Patch for the Espees, with Patch getting three blows. For the winners, Fayan hit a triple and "Whitey" Olsen a double. Unfortunately, in this game, Jerry Robeck, shortstop for the Stores, had two teeth knocked out, requiring five stitches to be taken in his lip, and incurred a bad cut on his nose. It happened while tagging Gustin out at second.

Moffat Packers and Tye's Hop Gold staged a wild game at Washington Park, with the Packers coming out on top, 12 to 11. Plenty of hitting featured this game, with Tye's collecting 14 and Moffat's 13. Hughie Neilson a double and single, Tony Krasovich two doubles and a single, Johnny Thomas four, Jimmy Cronin four, Freddie Brain two, and Mel Kingsley three. The batteries: For Moffat's, Gould, Gigli and Bradbury; for Tye's, Petersen, Duffy, Hardt, Ivaldi and Farro.

Elks, S. P. Stores Play League Game in Lincoln Park Tomorrow

Tye's Play Moffats In Washington

Ben's Travel To San Jose

First something or other will be established in Lincoln park tomorrow afternoon in the home feature game of the Alameda-San Jose City league when the S. P. Stores and Alameda Elks clash.

The S. P. Stores will be playing its first game of the league season, drawing a bye last week.

The Elks will be trying for their first win of the season, losing last week to Ben's and being defeated the week previous in the only practice game.

RAGGED

Extended rainy season prior to the opening of the league has effected all the teams and made their play slightly ragged in the first games, but by tomorrow they are expected to be back in shape.

S. P. Stores have been working out nights after work and Manager George Gerichten expects George Powles, Elmer Corbett, "Brute" Labetich and Tony Patch to start smashing the ball tomorrow.

Manager Bobby Smale has been forced to re-organize his baseball club and the roster of the Antlered Herd now includes only the following:

RYLEY QUITS

Ray Kranelly, Monte Florence, Art Slauson, Charles Agnew, Jimmy Fayen, "Whitey" Olsen, "Sparky" Gustin, "Bunny" French, Graydon (Nick) Carter, Stanley Caya, Joe Olsen, Charles Kelly, Charles Kasich and Bobby Smale.

"Bus" Ryley, hard hitting outfielder, has quit baseball for this season and his timely hits will be missed by Manager Smale.

Young Arnold Berge, S. P. Stores third sacker, is catching the eye of the fans and he turned in a fancy play last Sunday when he dashed in and fielded fleet footed Jay Ryan's bunt down the third base line and without setting himself whipped the ball across to Ted Madruga for a close put out at first.

TYE'S BYE

Drawing a bye in league play, Tye's Hop Gold, Alameda's newest club, plays host to the Moffat Packers, always a strong club, in Washington park at 2 o'clock.

Moffat will have its veteran battery of Pudgy Gould, the spitballer, and Don Raffanti, the fast baller, in the box with Art Bradbury behind the plate.

Manager "Kibby" Spranger of Tye's has promised Bill Petersen, 18-year-old Oakland chucker, who had a try-out with the S. F. Seals, a chance to chucker against Moffats.

Ben's Travel Sunday To San Jose

Victorious in its first game in the Alameda-San Jose city baseball league, Ben's Golden Glow, winners of the mid-winter circuit, will travel to San Jose to play the Merchants.

Loop game in Alameda will find the Alameda Elks and the S. P. Stores clashing at 2 o'clock in Lincoln park.

Tye's Hop Gold drew a bye and play an independent game in Washington park.

Tye's to Play Moffats Here Sunday

With Bill Petersen, 18-year-old Oakland chucker, who had a try-out with the S. F. Seals on the mound, the Tye's Hop Gold will clash with the Moffat Packers in Washington park at 2 o'clock on Sunday afternoon.

Tye's draw a bye in the summer league as S. P. Stores battle the Alameda Elks in Lincoln park at 2 o'clock and Ben's Golden Glow travels to San Jose.

TRIVIA and MISCECLLANY (Dis and Dot):

First broadcast of semi-pro baseball games for a park in northern California is scheduled for next Sunday in Lincoln park when CHARLEY TYE airs the Elks vs. S. P. Stores' game of the Alameda-San Jose league . .

Alameda affords the usual good games, with the Alameda Elks meeting the Southern Pacific Stores in the Alameda-San Jose League at Lincoln Park. Ben's Golden Glow will be at San Jose playing the Merchants, and Tye's Hop Gold drawing the bye play Moffat Packers at Washington.

Semipro baseball is growing in Western Nevada, acording to Jack Threlkel, manager of the Reno Garage baseball team. He' has doubled the seating capacity of his grand stand, and outside parking facilities are unlimited at the Reno park. Overflow crowds taxed Threlkel's park last year, and the only solution was to expand.

START THIS MONTH

The season probably will start the latter part of April or early in May, depending on the weather. Players are now working out and will take their own sensible time to get into condition due to cold weather.

Jack Hill, star athlete and peppery backstop of the Garage men, died after one day's illness recently. Threlkel will have to hustle to replace this popular catcher. He was a member of the New York Yankees in 1936 and suffered a back and kidney ailment which necessitated an operation. He was to have joined the Oaks in 1937, but his playing was limited to semipro ball after his sickness.

Ray Ehlers, who lost but two games in two seasons for the Garage men, will pitch for the Southern Pacific Stores. This means Threlkel will present a new battery when the 1938 season is ushered in.

Many Eastbay clubs will play at Reno this season, among them Pacific Greyhounds, May 29 and 30, Southern Pacific Stores, Moffat Packers and Grace Brothers Beer.

No games will be played at Bushrod Park this Sunday.

GAMES NEXT SUNDAY

Lincoln park—Tye's Hop Gold va. S. P. Stores, 2 o'clock.

San Jose—S. P. Stores vs. San Jose Merchants, 2:30 o'clock.

Elks travel to San Mateo.

Rallying in the ninth inning, the Alameda Elks won its first game of the 1938 season and its initial contest in the Alameda-San Jose city league from S. P. Stores by a score of 4-3 in Lincoln park yesterday.

PITCHING DUEL

In San Jose, Ben's Golden Glow banged out 15 blows to defeat the Merchants of that city by a score of 9-3.

In the Elks-S. P. Stores game, big Joe Olsen, once property of the New York Yankees, and the "veteran "Lefty" Gugich hooked up in a pitching duel for seven innings.

Olsen allowed only four hits, but streaks of wildness—seven walks—allowed the S. P. Stores to shove across two runs while Gugich was limiting the Elks to two hits and no runs.

LONG FLY

Two walks and a single in the second and a walk, a single and a long fly in the third accounted for the S. P. scores.

"Lefty" Gugich pitched masterful ball for eight innings, but the Elks staged a rally which netted them a tie score in the seventh and then added another in the eight to take a 3-2 lead, which the S. P. Stores overcame due to "Slingshot" Fayen dropping a easy fly ball and Olsen's wildness. Kasich came in to replace Olsen and proceeded to throw two wild pitches to give the S. P.'s one unearned run.

In the ninth inning for the Elks little Stan Caya drove out a single, was sacrificed to second by Charles Kasich, "Sparky" Gustin was purposely walked to set the stage for Captain Bunny French, who promptly drove home the winning run with a smashing single through shortstop.

HARD HITTING

Fast fielding and hard hitting featured the victory of Ben's Golden Glow in San Jose when it downed the Merchants in Graham Field, San Jose.

Ben's slammed out 15 hits, including four doubles and two triples, to pile up nine runs, while Virgil Vierra, Alameda pitcher, was holding San Jose to four hits and three runs.

Vern Carter, recently a father, handled two chances without a bobble and banged out a triple.

Bush Bushings

Editor's Note: Highlights and excerpts from the teams in the Alameda-San Jose city league have been gleaned from the scorebooks of Ray Sevina, George (Pop) Nissen and Milt McGowan.

Painful injuries were received by Gerry Robeck, S. P. Stores infielder, when Al Gustin crashed into him at a play on second base in the Elks game.

Removed to the first aid station by J. S. Wheatfill, 2415 Buena Vista avenue, Robeck received a lacerated lip that required five stitches to close, a badly bruised nose and lost two teeth, which fragmented and stuck into his jaw.

"Slingshot" Fayen had his sling working Sunday and shot one past the centerfielder for three bases.

Then Charles (Rubber Glove) Agnew came up with a single in the club to score him.

Something seldom seen in a game was pulled when Charley Kasich, Elks' chucker, was sent in to relieve a wobbling Joe Olsen with runners on first and second.

Kasich threw two balls so wild to the same batter that the runners advanced and then one of them scored.

Arnold Berge, S. P. young infielder, showed that he can play third base when "Bunny" French tried to bunt Al Gustin down in the first inning and he came in fast and caught the ball in his bare hand over the foul line.

Jack Jancan, Ben's Rooter, had a bad time in San Jose on Sunday.

First he was ordered out of the dug-out by the umpire.

Then, on his way out, Jancan was confronted by one of the natives with a deputy sheriff's badge and told either to stay in the dug-out or leave.

Southern Pacific Stores vs. Mal's Tacoma Beer.
Sunday, April 3rd, 1938.
Washington Park.

Southern Pacific Stores 1, Mal's Tacoma Beer 12.

After holding the Tacoma Beer nine to 1 hit in the first six innings, the Beermen turned on the heat to defeat the Southern Pacific Stores by the score of 12 to 1. Scoring three runs on as many hits in the seventh and nine runs on nine hits in the eighth put the railroaders out of the running. Lefty Gugich hurled excellent ball for the losers, allowing but one hit in the first six innings. But he began to tire in the seventh, the Tacoma boys pushing three runs across, one being a long home run over the centerfield fence by shortstop Moniz. In the eighth an infield hit, a sacrafice and a walk, and Gugich retired in favor of Fagundas, who did not have any of his stuff and allowed the next five batters to nick him for base hits, one being E. Lake's long triple to centerfield. Goggin then went in to relieve Fagundas, and he made little difference to the opposition as the next four batters hit safely. Corbett and Labetich hit two apiece for the Southern Pacific, while Freitas, Fox, Ryan, Moniz and Tobin hit two each for the winners. Tony Patch, hit two line drives only to have the outfielders come up with spectacular one handed running catches to rob him of base hits. Arnold Berge played a whale of a game at third, as did Robeck at short.

The Southern Pacific Stores scored their only run in the last of the sixth when Powles led off with a single to center, Madruga walked, Berge forced Powles at third, Corbett singled to rightfield scoring Madruga, Berge being out at third, Keating to King to Fox.Labetich fanned.

The winners scored three of their runs in the seventh, when Moniz led off with a long home run over the centerfield fence, Tobin singled to left, Lake Popped out to Madruga, King fanned, Freitas walked, Fox doubled to centerfield, scoring Tobin and Freitas, Lake went out Robeck to Madruga.

Nine runs in the eighth ended the scoring for the day. Ryan singled past third base, Florence sacraficed him to second and was out Gugich to Madruga, Moniz walked, (Fagundas now pitching for Southern Pacific) Tobin singled to left filling the bases, E. Lake tripled to centerfield, scoring Ryan Moniz and Tobin, King singled to left, scoring E. Lake, Freitas singled to third base, Fox songled to center, scoring King, (Goggin now pitching for Southern Pacific) Lake singled to centerfield, scoring Freitas and Fox, Ryan ~~singled past third,~~ doubled to right, scoring Lake, Florence singled off Goggin's glove, scoring Ryan, Moniz fanned, Tobin was out, Berge to Madruga.

S. P. Stores Vs. Mal's

Chassie Silva To Pitch

Facing "Chassie" Silva, who has piled up twenty-one straight victories, S. P. Stores battles the Mal's Tacoma Beer team from Oakland in Washington park on Sunday afternoon at 2 o'clock.

FAST PITCHER

Silva, who last week beat the Alameda Elks, allowing them only two hits and striking out 17 batters, will be a real test for Manager George Gerichten's line-up.

Southern Pacific Stores are entered in the Alameda-San Jose league, but draw a bye this Sunday.

With a pitching staff composed of Phil Gugich, Ray Ehlers and Gunny Fagundas, Manager Gerichten believes he has the greatest trio in northern California.

NEW PLAYERS

Addition of Elmer Corbett and George Powles has added hitting strength to the S. P. outfield and young Arnold Berge looms as a sensation at third base before the season is very old.

Tony Patch, squat and peppy little catcher, is rated by many as the best catcher outside of professional baseball.

Tye's draw bye.

Near riot in the final inning to top a San Jose rally and inability of the Elks to hit in the pinches, marked the opening games of the Alameda-San Jose league yesterday as Tye's Hop Gold and Ben's Golden Glow turned in victories.

BOY HURT

A badly lacerated lip was received by Robert Patterson, 2060 Alameda avenue, small boy spectator, when a bat slipped from the hands of John Abreu, Ben's catcher, yesterday, in Lincoln park.

He was treated at the first aid station.

Tye's pounded Stan Botto, Merchant pitcher, in the early innings and aided by home town errors, iced the game early, only to be threatened with a San Jose rally in the last half of the ninth inning that almost ended in a riot when Umpire Dewey Bowen of San Jose, ousted Ed Farro, Tye's catcher, for too vigorously protesting a called ball in Graham field, San Jose.

It was almost five minutes before Umpires Bowen and Jimmy Moore of Oakland could clear the field after Manager Kibby Spranger and his players stormed the arbitrator and allowed Tye's to win, 7-5.

With Farro out of the game, George McDermot was moved behind the plate from third base, and Spranger filled in at the torrid corner, making a neat fielding play of a ground ball.

Tye's jumped into an early lead, scoring once in the second and three times in the third.

Tye's first run came when Thomas was safe on an error and then Escobar and Farro singled him home.

In the third, Krasovich was safe on an error. Ivaldi and Thomas singled and Escobar doubled to account for three tallies.

Tye's other runs came in the seventh when on singles by Ivaldi, Thomas and Farro and its final count was tallied in the eighth when Parker's triple and Thomas' single greeted "Pasta" Landucci, relief chucker.

Inability to hit the pinches cost the Alameda Elks several scoring chances and the first game of the league against Ben's Golden Glow in Washington park yesterday, 6-1.

Several times the Elks had men on base and a chance to tie the score, but could not touch up Virgil Vierra, Ben's chucker, for the necessary hits.

Al Swick, Ben's second sacker, came up with several nice plays on well-hit Elks' balls to keep the scoring down.

Bush Bushings

Wisecrackers populated the stands in Washington park on Sunday when S. P. Stores lost to Mal's Tacoma Beer 12-1.

Frantic baseball player looking for Dan Pauline, groundkeeper, to fill one of the many duties he performs for the teams asked:

"Where's Daniel?"

Echo from the bleachers:

"In the lion's den."

And then silence.

Ray Sevina, scorer, was trying to unscramble the names of the Lake brothers as one came to bat as a pinch hitter.

He queried the umpire with:

"Which Lake is this?"

And a fan in the stand was already with:

"Lake Tahoe."

*** *** ***

Probably one of the few infielders in baseball to wear glasses is Moniz, Mal's shortstop, who Sunday in Washington park hit a home run far over the left centerfield wall.

*** *** ***

It is a wonder some scout has not grabbed off Jay Ryan for a try at professional baseball as he is a great fielder and a good hitter.

On Sunday, Ryan made a running one-handed catch of Tony Patch's long drive into centerfield.

*** *** ***

Several offers to play professional baseball were turned down by Arnold Berge, S. P. Stores third sacker, as he has a good job.

*** *** ***

Eddie Lake, Mal's player, is on his way to play with Recatur, Ill., in the Three-Eye league.

*** *** ***

One-side scores marked the games here on Sunday, but the Mal's-S. P. game was good until the ninth and the Elks threatened almost every inning to score on Ben's, but lacked the punch.

BUSH BASEBALL GOSSIP

By Art Macy

Participating in a league supposed to be the best outside of organized ball, Ben's Golden Glow in appearance, resembled a bush league club, players without caps and the manager hitting infield in his civilian clothes.

However, in the game, they had little trouble downing the Alameda Elks, 6 to 1. Virgil Vierra for the winners fanned 11, allowed six hits, and had a busy day in the field, having five assists and spearing two line drives.

The first four men in the Glow's lineup, Swick, Oliver, Lombardi and Andrews hit two apiece one of Oliver's a two bagger. For the losers, Kasich pitched, giving 10 hits and striking out five. Charlie "Rubber Glove" Agnew, made a great one-handed catch of Lombardi's fly to right center. Swick dove for a line drive from the bat of Kasich, to retire the side in the sixth with two on.

TYE'S CLUB WINS CLOSE ONE

Tye's Hop Gold took a close decision over San Jose Merchants, 7 to 5. "Lefty" Hardt worked for seven innings and was relieved by Al Duffy. Eddie Farro caught, and a near riot took place when the umpire ordered Eddie out of the game. George McDermott came in from third base to catch the remaining innings, and Manager "Kibby" Spranger carried on at the hot corner.

Tye's led 7 to 0 up to the seventh, when the Merchants scored 3 runs, and 2 in the ninth. With men on first and third in the ninth, Duffy struck out the last batter.

Southern Pacific Stores, who drew a bye in the Alameda-San Jose League, were smothered by Mal's Tacoma, 12 to 1. Eddie King, pitching his first game in seven weeks, gave the Espees only six hits and whiffed six. Manager "Cokie" Freitas collected three singles, Dick Tobin two, Fox and Ryan each hit a double and single, Joe Moniz a home run and single, and Eddie Lake a triple.

For the Stores, Corbett and Labetich hit two apiece, Robeck, Berge and Madruga played great ball, and the battery was Gugich, Fagundas, Goggin and Patch. Eddie King will report to Spokane in the Western International League, and Eddie Lake will leave for Decatur in the Three Eye League.

Southern Pacific Stores vs. San Jose Merchants.
Sunday, April 17th, 1938.
San Jose, Calif.

Southern Pacific Stores 4, San Jose Merchants 5.

Again the Southern Pacific Stores dropped a game by one run. This time losing a tough 5 to 4 decision to the San Jose Merchants on the latter's home diamond. By losing this game the Southern Pacific Stores dropped into the cellar in the Alameda-San Jose City League.

The Merchants pushed over one run in the third inning, when Schick walked, Lapan singled to right, Shick going to third, Gugich trapped Lapan off of first base and he was out, Gugich to Madruga to Clifford, Botto fouled out to Patch, Main singled to left, scoring Schick, Blethen flew out to left.

They added another run in the fifth when McGuire led off with a single to center, Schick sacraficed him to second and was out Berge to Madruga, Lapan singled to center, scoring McGuire, Botto fanned, Main popped up to Clifford.

The winners added two more in the seventh when Blethen led off with a triple to centerfield, Linder and Rose fanned, Swain walked, McGuire doubled to left, scoring Blethen and Swain, (Ehlers now pitching for Southern Pacific) Schick went out Berge to Madruga.

The railroaders came to life in the seventh when Patch singled to left, Gugich flew out to center and Patch took second base on Main's error, Powles was hit by a pitched ball, Clifford was safe on Main's error, filling the bases, Berge singled to leftfield, scoring Patch and Powles, Corbett fanned, Madruga popped out to third base.

San Jose made their final and winning run in the last of the seventh when Lapan and Botto walked, Main popped out to Gilbert, Blethen walked filling the bases, Linder flew out to centerfield, scoring Lapan, Rose fanned.

The Espee's put on a great rally in the first half of the ninth only to fall one run short of tying the game, when Ehlers led off with a single to centerfield, Powles walked, both runners advanced on a wild pitch, Clifford fanned, Berge flew out to leftfield, Corbett doubled to center, scoring Ehlers and Powles, Madruga hit a line drive to deep right centerfield, which Blethen made a running leap and snaggedthe ball in the web of his glove for the final out of the ball game.

With both clubs signing up new pitchers, Ben's Golden Glow and Tye's Hop Gold, undefeated, will clash for the undisputed leadership of the Alameda-San Jose City Baseball league in Lincoln park at 2:30 o'clock tomorrow afternoon.

Joe Noonan, former St. Mary's college and later Sacramento Pacific Coast league pitcher, has been signed by Manager Kibby Spranger of Tye's to replace Charles (Lefty) Hardt, once University of California chucker, who was released.

Backing up Noonan, Manager Spanger has Al Duffy, another former St. Mary's college chucker, who once pitched for the Pacific Coast league Mission club; and Bill Thompson, 18-year-old Oakland high school graduate.

NEW PITCHERS

Two pitchers—Elmer Vigre, former Pacific Greyhound chucker, and Kenny Pruitt, 21-year-old Oakland youth, who had a tryout with the Acorns—have been affixed to contracts by Frank "Spec" Espina of Ben's.

However, Virgil Vierra, Ben's ace, has been chucking great ball and probably will be Manager Espina's choice for his crucial game.

Yet to win their first games in the Alameda-San Jose league, the S. P. Stores and the Merchants club of the latter city will clash at 2:30 o'clock in Graham Field.

ROBECK SET

Manager George Gerichten has not announced his chucker for Sunday but he canot go far wrong as he has rounded up a formidable staff in "Gunny" Fagundas, "Lefty" Gugich and Ray Ehlers.

Jerry Robeck, S. P. shortstop, who lost two teeth and received a laceration that required five stitches to close in a crash at second base with Al Gustin of the Elks, is reported ready to play, but it is doubtful if Manager Gerichten will use him.

Bye game—Elks vs. San Mateo Blues, 2 o'clock.

Leadership of the Alameda-San Jose city league will be at stake next Sunday afternoon in Lincoln park when Tye's Hop Gold and Ben's Golden Glow, both unbeaten, tangle.

RELEASED

Joe Noonan, former St. Mary's College and Sacramento Pacific Coast league chucker, has been signed by Manager Kibby Spranger of Tye's to replace released Charley Hardt, once of the University of California.

Ben's, winners of the mid-winter league, are anxious to match their title with the summer crown, giving it the all-year around championship.

But Manager Frank Espina's club will face a well-balanced hard-hitting rival in Tye's Hop Gold, beaten on Sunday by Moffat Packers 11-10 in a real slugging battle.

NEW CHUCKER

Whether Manager Spranger will use his newly signed chucker, Noonan, or start with Al Duffy, another St. Mary's graduate, who twirled once for the Mission Reds, is not known.

Conlan, Lyons Added to Team in S. J. Merchants Shake-Up

By TED SHIPLEY.

Carrying out his announced policy of revamping the lineup of the San Jose Merchants at all costs, Frank Boitano, Merchant manager, last night announced the signing of two well-known diamond stars, both of whom are expected to be real aids in the Merchants' efforts to snap out of their early-season losing streak. The new players are Tommy Conlan, former Coast league moundsman, and Eddie Lyons veteran local infielder.

A trip to Oakland Thursday night secured the signature of Conlan, former Oakland moundsman, on the dotted line, and he will probably start tomorrow's game with the S. P. Stores.

Conlan made the grade last year with the Oaks, but decided to pass up professional ball this year to complete his college edu cation at the University of California A big right-hander, he comes here highly recommended by "Wee Willie" Ludolph, another former Oakland mound luminary.

Conlan and Stan Botto will carry the Merchants' mound burden at least for the next few weeks, "Red" Hines, who hurt his arm in tossing a ball in from the outfield early in last Sunday's game, having asked for his release upon advice of his physician, who ordered the sorreltop to stay off the diamond for several weeks.

Yesterday Boitano lined up Lyons, who was with the Merchants in 1936, but played with Franco's Market in Santa Clara last year. A hard-hitter and a good fielder, Lyons will in all probability be used at third base tomorrow.

Gil Bishop, San Jose State college baseball mentor, and a good outfielder in his own right a few years ago, has also signed with the Merchants and will probably be used as a utility outfielder. Bishop makes the third local scholastic baseball mentor to sign with the Merchants, the others being Bob McGuire and Dick Main.

Merchants Seek First State League Victory

FACE ESPEE OUTFIT AT GRAHAM

Eddie Lyons, Conlan Figure to Aid Local Squad

By BILL FEIST

With a new pitcher tossing 'em over and a veteran of local baseball gracing third base, the San Jose Merchants will attempt to win their first California State League game tomorrow afternoon at Graham Field when they play the Southern Pacific Stores at 2:30.

Tom Conlan, former Oakland hurler, who quit the professional game to return to college, will pitch for the Merchants. Recommended by "Wee Willie" Ludolph, another Pacific Coast League veteran, Conlan reported to Manager Frank Boitano of the local outfit that he was in fit condition for the Merchants' third loop contest.

Boitano will name a catcher for Conlan tomorrow. Either Floyd Schick, one-time University of Santa Clara catcher, or the veteran Pete Lapan, formerly with the Washington Senators, will get the call.

Eddie Lyons is the veteran back with the club. A reliabale player, a hard sticker and popular, Lyons signed last night and will open at third base against the invading Stores.

ROSE SLATED FOR FIRST

Adding of Lyons and Conlan to the lineup will give the Merchants a stronger ball club. It is possible Conlan will not work the entire game. Stan Botto, regular Merchant pitcher, may alternate with the one-time Oakland star.

"Red" Hines, who hurled three innings for the locals last week, has taken a six-week leave of absence from the ball club. He hurt his arm in making a third base play and doctors have advised him to lay off for a time.

Another change will be noticed in the Merchant lineup tomorrow. On first base will be Hilliard Rose instead of the hard playing Al Linder. The latter suffered a bad hand and Boitano believes this move will aid the club.

Dick Main and Bob McGuire will play second base and shortstop, respectively. Bob Loane, Howard (Lefty) Blethen and Bill Swain or Gil Bishop will compose the outfield.

S. P. Stores To Battle San Jose

Ben's Sign Pitchers

Traveling to San Jose on Sunday, the S. P. Stores baseball club will be seeking its first victory in the Alameda-San Jose city league against the Merchants' club of the latter city.

For the leadership game in Lincoln park between the Tye's Hop Gold and Ben's Golden Glow several changes in the club's line-ups wil lbe made.

Manager Frank Espina matched the shift of Tye's Kibby Spranger by announcing today the release of one pitcher and the signing of two more chuckers.

NEW PITCHERS

Elmer Vigre, former Pacific Greyhound chucker, and Kenny Pruitt, 21-year-old Oakland youth, who was farmed by the Acorns, but refused to report because he has a good job, were added to the roster of the Ben's club.

Pruitt is a lefthander.

Russ Leslie, who has not reported to Ben's since the opening of the league, was released.

Manager G. W. Gerichten reports his club is not the least disheartened by the tough breaks it received against the Elks last Sunday and is full of fight and ready to do battle with San Jose Merchants.

ROBECK READY

Jerry Robeck, Espee shortstop, who had two teeth knocked out last Sunday will be ready to face San Jose. Jerry says he is a fighting Irishman and hard to stop.

S. P. pitching staff is hurling good ball and as soon as the heavy hitters in the railroad club's batting order start connecting the team should win.

"Lefty" Gugich allowed the Elks only two hits in seven innings last Sunday.

S. P. line-up:

George Powles, centerfield; Gilbert, shortstop; Arnold Berge, third base; Elmer Corbett or "Niggie" Fernandes, leftfield; "Brute" Labetich, rightfield; Ted Madruga, first base; Pat Clifford, second base; Tony Patch, catcher; "Gunny" Fagundas, "Lefty" Gugich, or Ray Ehlers, pitchers.

GAMES NEXT SUNDAY

San Jose—Elks vs. San Jose.

Bye game—Ben's.

By blasting Tye's Hop Gold, 8-0, Ben's Golden Glow went into the undisputed leadership of the Alameda-San Jose, City league yesterday afternoon in Lincoln park.

In San Jose, the Merchants of that city captured the first game of the league season by defeating the S. P. Stores by a score of 8-4.

HOME RUN

Jumping on Joe Noonan, former St. Mary's College and Sacramento chucker in Pacific Coast league, Ben's drove him from the box and had a lead of 8-0 in the third inning.

Virgil Vierra on the mound for Ben's pitched steady ball, keeping eight hits well scattered and the game always in control to shutout Tye's.

Ben's scored twice in the first inning on a walk, a hit batter and singles by Johnny Lombardi and Ernie Oliver.

Then in the third, added six more when Al Swick led off with a single, Jay Ryan was hit by a pitched ball, Lombardi singled, "Red" Andrew singled and Oliver tripled to clean the bags.

"Hootch" Graham, the hill billy softball chucker, then homed to score two more runs and make it six for the inning.

NO ERRORS

Al Duffy replaced Noonan and did not allow a run as he held Ben's to six hits for seven innings.

Neither team made an error.

In a game replete with thrills, the S. P. Stores, trailing 5-2 going into the ninth, unleashed a rally only to have it fall short.

Blethen, San Jose centerfielder, made a great running, one-hand catch of Ted Madruga's line drive, leaving Ray Ehlers stranded on second with what would have been the tying run.

Fielding gems were, turned in by McGuire, Merchants' shortstop, who handled several hot chances without a bobble, and young Arnold Berge of the S. P. team, who made a one-hand stop of Lapan's line drive in the eighth inning and tossed to Madruga for the greatest play of the game.

Stan Botto is returning to form.

Once more the husky right hander appears able to fool batters with the same cunningness that made him the outstanding semi-professional pitcher in Northern California during 1936 after a shaky early season start which saw him batted from the box twice.

Blethen

Yesterday afternoon while a big house looked on at Graham Field, Botto turned back the Southern Pacific Stores outfit, 5-4, to give the San Jose Merchants their first win of the present California State League.

Sent to the mound when it was discovered shortly before game time that Tom Conlan, one-time Coast League great, was not eligible for mound service, Botto came through with a brilliant performance.

He allowed eight hits, struck out six men, and was in danger only in the seventh and ninth frames. Two errors by Second Baseman Dickie Main in the seventh canto gave the Espee

Merchants

outfit two unearned runs. Botto weakened slightly in the ninth frame to allow two more, but a beautiful running catch by Center Fielder Howard (Lefty) Blethen ended a ninth inning rally.

Conlan, Eddie Lyons, Merv Bertholf and Gil Bishop, new Merchants players, were declared ineligible, inasmuch as Boitano failed to send the contracts to President Art Macy in time. Conlan will start next week's game against the Alameda Elks.

The Merchants collected only eight hits, but turned these into runs.

Bob McGuire, shortstop, and Catcher Pete Lapan, led the Merchant stickers with two blows apiece. McGuire's second base knock gave the locals their winning margin when it tallied Blethen from third sack.

Merchants Stop Ninth Frame Rally To Defeat S. P. Stores

STAN BOTTO IN OLD FORM ON MOUND

Four Local Players Are Protested By Espees.

By TED SHIPLEY.

The San Jose Merchants broke into the win column yesterday afternoon at Graham field, taking a 5 to 4 decision over the S. P. Stores to shove George Gerichten's Espees into the cellar in the Alameda-San Jose league race.

But they had to stave off a desperate ninth-inning rally by the Espees to do it, a sensational running catch by "Lefty" Blethen in deep right center field winding up the ball game with the tying run on second base.

The Merchants went into the final canto on the top end of a 5 to 2 score. Ehlers, S. P. relief pitcher, slapped Stan Botto's first pitch over second base for a hit, and George Powles drew a pass. A wild pitch advanced the two runners, and after Botto had tighened up to fan Pat Clifford, Ehlers crossed the plate after Hilliard Rose had captured Berge's long fly to left field. Corbett bored a double into left center to score Powles, and the fans had visions of at least a tie game, as Ted Madruga crashed one high and far into right center field. But Blethen, off with the crack of the bat, raced over and pulled the ball down to save the day.

PLAYERS PROTESTED.

The Merchants were without the services of four players signed last week by Manager Frank Boitano: Pitcher Tommy Conlan, Eddie Lyons, Gil Bishop, and Merv Bertholf. Manager George Gerichten of the Espees threatened to protest the use of these players, claiming Boitano had failed to file their contracts with Secretary Art Macy before Thursday night, the time limit for making changes for the succeeding Sunday's game. Boitano stormed back and forth when informed of the impending protest and threatened to use the players regardless. Informed by Umpire "Pesty" Ryan that use of any of the four would automatically forfeit the game, Boitano, after talking things over with his players, changed his mind and started his nine eligible men, identically the same lineup that faced Ben's Golden Glows a week ago.

Appearing to have regained much of his old-time skill, Stan Botto pitched a great game for eight innings, weakening only momentarily in the ninth as the Espees staged their final desperate rally.

Stan was nicked for only three hits in the first five cantos, and should not have been scored on before the final inning. Two errors by Dick Main coupled with a hit batsman and two singles, gave the visitors their first two runs in the seventh.

SCHICK STARTS SCORING.

Handcuffed by the southpaw deliveries of "Lefty" Gugich for two innings, the Merchants broke loose in the third, when Floyd Schick started things with a single. Pete Lapan sent Schick to third with another one-baser, but the rally appeared stymied when Pete was caught off first by Gugich and run down with Shortstop Gilbert making the killing, and Botto fouled out to Patch. But Dick Main belted a single between short and third to plate Schick with the first marker of the game.

Singles by Bob McGuire and Lapan and Schick's sacrifice added another in the fifth, and the locals got far out in the lead in the sixth when "Lefty" Blethen hoisted a triple over Powles' head in centerfield. Gugich settled to fan Al Lindner and Hilliard Rose, but Bill Swain drew a walk and Bob McGuire proved the hero of the moment with a resounding double to leftfield. McGuire's bingle ended Gugich's stay on the mound and Ehlers who replaced him was nicked for another counter in the seventh as Lapan, Botto and Blethen walked to fill the bags and Al Lindner admitted Lapan with a fly to Powles in centerfield.

Next Sunday the Merchants will play the Alameda Elks here, the game starting at 12 o'clock. Following the ball game the players of both teams, and the fans will adjourn to the Swiss-American grounds, Canoas Ave. and Almaden road for the Merchants picnic and barbecue.

BUSH BASEBALL GOSSIP

By Art Macy

Easter Sunday will find very few ball clubs playing, but of those in action good games should result. Tye's Hop Gold, and Ben's Golden Glow meet at Lincoln Park in Alameda at 2:30. Ben's are now leading the Alameda San Jose League with two wins. Manager "Kibby" Spranger of Tye's, has signed Joe Noonan, pitcher former St. Mary's boy, and was with Sacramento in the Coast League. Spranger will present later two high class players who will help his club to be in top place at the end of the season. "Speck" Espina, manager of Ben's has added Elmer Vigre to his pitching staff, and with Virgil Vierra going the way he is, Espina will not have to worry about pitchers.

The Alameda Elks, drawing a bye in the league, travel to San Mateo to play the Blues. Next year San Mateo hopes to enter this league.

BEERS TO PLAY

Grace Bros. Beer entertained the "Old Perennial Jefferson Club" who have been carrying on for many years, at the First and Macdonald Street Park. Harry Skow has entered his Grace Bros. club in the San Francisco Spring tournament starting May 9th. The Beers placed second in our recent Tribune Tournament losing an extra inning game to the Flying A's for the championship, and with the lineup they have this year I predict them to win the San Francisco tourney.

GAME AT SAN JOSE

Southern Pacific Stores play the Merchants at San Jose. Manager George Gerichten of the Espees has signed Lory Gilbert to play short in place of Jerry Robeck who was badly injured last Sunday. Frank Boitano of the Merchants is scouting for a good third baseman and an outfielder.

Ben's to Battle S. F. Team Here

With three straight victories in the Alameda-San Jose city league, Ben's Golden Glow draws a bye this week and will play the Bethlehem Steel Corp. of San Francisco in Washington park on Sunday afternoon at 2:30 o'clock.

In Lincoln park Tye's Hop Gold and S. P. Stores clash in the city league game here while the Alameda Elks travel to San Jose to battle the merchants of that city.

BUSH BASEBALL GOSSIP

By Art Macy

Ben's Golden Glow is well out in front of the Alameda-San Jose League, winning their third straight game, 8 to 0, over Tye's Hop Gold. Virgil Vierra has been pitching great ball for Ben's, and Sunday he scattered eight hits but allowed no runs. John Abrew did the catching.

Joe Noonan started for Tye's but had to be relieved in the early innings by Al Duffy. Joe has been idle for some time but as soon as he gets in shape he will give a good account of himself. Duffy has looked good as relief and Manager "Kibby" Spranger will probably use him from now on as his starting pitcher. Eddie Farro caught.

Jay Ryan has been a big help to "Speck" Espina's Glows as each game he always gets two or three hits. Against Tye's he collected three. Johnny Lombardi accounted for three, Ernie Oliver a triple and a double, and "Hooch" Graham a home run.

For the losers, George McDermott smacked three and Andy Ivaldi two. Next Sunday, Tye's meet the Southern Pacific Stores at Lincoln Park.

MERCHANTS BEAT S. P.

San Jose Merchants and Southern Pacific Stores played a good game at San Jose, with the Merchants coming out the victor, 5 to 4. Stanley Botto pitched this win, allowed nine hits and fanned eight. Pete Lapan caught. Phil Gugich and Ray Ehlers worked for the Stores, with Tony Patch doing the receiving. The Espees shoved over two runs in the ninth. With the tying run on second, Ted Madruga hit a line drive to right center that looked like a sure base hit, only to see Howard Blethan, fleet-footed center fielder, make a run and a dive, and come up with the ball on a great back-handed catch to end the game. Arnold Berge at third for the Stores drew applause from the fans when he handled a hard chance, turning it into a double play. For the winners, Blethan connected for a triple, Swain and Lapan hit doubles. Powles and Corbett for the Stores hit doubles.

GAMES SUNDAY:

Lincoln park—Tye's vs. S. P. Stores.

San Jose—Elks vs. San Jose.

Washington park — Ben's vs. Bethlehem Steel Corp. of S. F.

Seeking its first victory in the Alameda-San Jose baseball league, the S. P. Stores will battle Tye's Hop Gold in Lincoln park on Sunday afternoon in its third game of the loop season.

However, the S. P. Stores lost both its circuit games by one run and last Sunday looked good nicking Stan Botto of the San Jose club for nine blows.

Manager George Gerichten probably will use Phil Gugich who has been chucking good ball for the S. P. club, but has been put in bad holes by misplays on the part of his teammates.

Two new players were signed by Tye's Hop Gold during a meeting of the Alameda-San Jose league last night in the latter city.

Manager "Kibby" Spranger affixed the names of Jimmy Vierra, pitcher, and Jay Hughes, outfielder, who was formerly with the Santa Cruz state league club, to contracts.

Attending the meeting were: Jimmy Fayen, Elks; Kibby Spanger, Tye's; Frank Espina, Ben's; George Gerichten, S. P. Stores, and Frank Biotano, San Jose.

On Sunday the San Jose Merchants vs. Alameda Elks games will be played at 12 o'clock so that the teams may attack a barbecue to be held on the Swiss-American grounds after the contest.

Never interested in baseball much until he started sponsoring a team, "Babe" Tye, back of the Hop Gold club here; is rapidly approaching his brother, Charley, as the East Bay No. 1 diamond sport nut.

Pitching is the club's big weakness and after watching one of his chuckers batted from the mound, Tye saddled up to Manager Kibby Spranger and whispered in his ear:

"Say, Kib, do you think we could get Wee Willie Ludloph to pitch for us, and if so for how much?"

Al Duffy chucked good ball for Tye's on Sunday when he releived Joe Noonan, former St. Mary's college and Sacramento Pacific Coast league chucker, and allowed only six hits in the six and one-third innings he pitched and did not permit a run.

Chet Bottome will not be present for Ben's on Sunday as he will travel to Yountville to relieve Caesar Sinibaldi, who is managing the team there but was injured last week.

"Whitey" Olsen, they say, is considering an offer to play with Yountville this summer.

San Jose—Elks vs. San Jose Merchants, 12 o'clock.

Anxious to remain within striking distance of the loop leading Ben's Golden Glow, Tye's Hop Gold will face a stubborn S. P. Stores squad anxious to gain its first victory in the Alameda-San Jose baseball circuit.

Suffering from pitching trouble, Manager Kibby Spranger has signed up Jimmy Vierra, once one of the best in the East Bay, to correct the mound grief.

Al Duffy, who has been working in the relief role, but pitching good ball, may be Manager Spranger's choice after his trouble with Joe Noonan, former St. Mary's college and Sacramento Pacific Coast league chucker, who was nicked for eight runs in three innings last Sunday.

After dropping two games by one run and failing to capture a victory in the league yet, S. P. Stores will be fired up and ready to give Tye's plenty of opposition.

Phil Gugich, who has been pitching good ball, but not getting the proper support from his teammates, probably will be Manager George Gerichten's choice tomorrow.

Drawing a bye in the league, Ben's play host to the Bethlehem Steel Corp. of San Francisco in Washington park and Manager Frank (Spec) Espina probably will use the same line-up that won three straight games for him.

To give the players a chance to attend the barbecue planned by Manager Frank Boitano of the San Jose Merchants the game with the Elks in that city on Sunday has been moved ahead until 12 o'clock.

Southern Pacific Stores vs. Tye's Hop Gold.
Sunday, April 24th, 1938.
Lincoln Park, Alameda.

Southern Pacific Stores 2, Tye's Hop Gold 3.

The one run jink still persued the Southern Pacific Stores as they again lost another game by one run. This time the score was 3 to 2, Tye's Hop Gold pulling the game out of the fire in the last of the ninth, with two outs and two runs needed to win. Ivaldi former centerfielder of the Espees, turned defeat into victory for Tyes by hitting the centerfield fence for two bases, with two away in the last of the ninth, scoring the tying and winning run. "Gunny" Fagundas pitched one of the best games he has pitched in many a week and showed he is again one of the best pitchers in the East Bay. After allowing one run on three hits in the first inning, Gunny settled down and did not allow another score until the fatal ninth.

Tyes scored one in the first, when McDermott was out Corbett to Madruga, Nielsen doubled over the rightfield fence, Krasovich singled to center, scoring Nielsen, Ivaldi popped out to second base, Thomas singled to leftfield, Escobar forced Thomas at second.

Held to one hit for the first six innings, the Southern Pacific boys came to life in the seventh to score two runs and take the lead in the ball game, when Madruga was safe when Escobar erred on his roller to first base, Labetich sacraficed him to second and was out Escobar to Nielsen, Fernandes popped out to.short, Patch was safe on Krasovich's error, Madruga scoring, and Patch going to second, Fagundas singled past third, scoring Patch, Powles walked, Clifford flew out to centerfield.

Tye's Hop Gold won the game in the last of the ninth when, Spranger, batting for Duffy, went out Berge to Madruga, McDermott was safe at first when Corbett kicked his easy roller to third, Nielsen popped out to Patch, Krasovich walked, Ivaldi doubled to centerfield, scoring McDermott and Krasovich.

Bush Bushings

In one inning last Sunday against Tye's, Virgil Vierra, Ben's chucker, threw only four balls for three outs.

And the second baseman made all of the assists.

The first two batters hit the first ball to the second baseman.

The first pitch to the third batter was a ball and then he bounced the second to the keystone sack for the final out of the inning.

ON THE FIRST BOUNCE:

When Frank Medaglia, former Alameda high school pitcher, made his debut with Loomis in the northern California valley league he pitched good ball for the first ten innings of a game that went 16 frames to an 8-8 deadlock...Joe Medaglia, his brother and originator of the Alameda boys' baseball school, hit four blows for six trips... **MING SOBRERO**, co-sponsor of Ben's Golden Glow ball club, dedicated the victory over Tye's Sunday that put his team into the loop leadership to Mrs. Louise Mirandi, No. 1 rooter, who is confined to her home with illness...**CHARLEY KASICH**, Elks chucker, threw everything he possessed to the San Mateo batters except his glove and it is believed that they would have banged that out for a base hit if it were thrown over the platter...Longest hit of the Elks ball game came from the bat of "Whitey" Olsen, who tripled in the first inning... **RAY VIANI**, peppery shortstop, not only played a marvelous game in the field, but banged out a double and two singles.

San Jose Merchants—Bye.

With just one more game to play in the first round of the Alameda-San Jose City league, Ben's Golden Glow, unbeaten in three games, and Tye's Hop Gold, suffering only one defeat in four contests, battle for the first leg on the crown.

Tye's kept in the race by defeating S. P. Stores 3-2 in Lincoln park while Ben's was drawing a bye.

Pitchers' battle between Al Duffy and Gunny Fagundas was captured by the former St. Mary's chucker when his mates came from behind in the ninth inning to give him some runs.

HIGH HOPPER

Tye's scored in the first inning on a double by Hughie Neilson and singles by Krasovich and Thomas.

Duffy did not allow a hit for six innings and then Ted Madruga was safe on Carl Escobar's error was sacrificed and then scored when Tony Patch hit a high hopper to Krasovich, who threw wild. George McDermott singled to score Patch.

Then Duffy shut down and did not allow another hit.

Tye's won the game in the ninth inning when McDermott hit a slow roller to Elmer Corbett, and Krasovich walked and then Andy Ivaldi doubled to score two runs.

In a fast and well played baseball game the San Jose Merchants took the Alameda Elks baseball team into camp by a score of 3-1.

The game was completed in 1 hour and 46 minutes and the entire game was played in the rain.

Tom Conlon, ace hurler of the Merchants and former Coast league star, hurled excellent ball for the Garden City team and held the Antlered Herd to seven hits and one run, while big Joe Olsen on the mound for the Elks pitched swell ball, allowing but six scattered hits.

The San Jose Merchants took an early lead in the first inning when Joe Olsen was still cold. Main and Blethen walked to open the inning, Linder sacrificed them a base, and on Lyons' long fly to the outfield, Main scored the first run of the ball game.

BEN'S OUTHIT

Although outhit 9 to 8, Ben's Golden Glow won over Bethlehem Steel Co. by a score of 6-3 in a bye game in Washington park.

Vern Carter and John Abrew led the Ben's batting, each getting two hits, one of which was a double.

Carter handled 21 chances in the last three games without an error.

E. Bercovich Beats Cards

Espee Stores Beaten By Tyes on Ivaldi's Triple in Ninth

By ART MACY

E. Bercovich and Son Furniture nine traveled to Watsonville to hand the Cardinal's a 6 to 1 beating. "Lefty" Bernard pitched for the winners, fanning eight and giving 10 hits. Tony Anselmo caught. Lou Tognolini clouted a triple and single; Anselmo got two, and Bartoni, for the losers, hit two. Alex White at third, and Costano at short, played well. "Chasie" Silva, Lombardo and Souza worked for the Cardinals.

Tye's Hop Gold is going to make the leaders extend themselves to retain that position. Registering another win in the Alameda-San Jose League over the Southern Pacific Stores, 3 to 2, Andy Ivaldi tripled in the last of the ninth with two on and two out to win the game. Five double plays were made by Tye's, McDermott, Nielsen and Escobar accounting for three, with Nielsen, Krasovich and Escobar taking part in two more. George McDermott played a great game at third. Al Duffy, winning chucker, gave only two hits, struck out two and walked secen. Ivaldi got a double and triple, Hughie Nielsen two doubles, Carl Escobar and McDermott each hit two.

The Espees made their two runs in the seventh on two errors, a walk and a single. Madruga and Fagundas made the Stores' two hits. Ben's lead the league with 3-0, Tye's 2-1, San Jose 2-2, Elks 1-2, with Espees losing three.

A gala day is to be held at San Jose today.

The ball game between the Merchants and the Alameda Elks will take place at 12 noon. Frank Boitano will be host to his many friends at his annual barbecue following the game.

The Merchants will face the slants of Charlie Kasich, former Oakland twirler, who can still make the going tough for all opposition. "Butch" Simas will do the receiving. Boitano will send Tom Conlan to the mound with hopes of registering his second league victory. Conlan, also a former Oak, will have Pete Lapan. who served four years in the Coast League, as his battery mate.

S. P. VS. HOP GOLD

Southern Pacific Stores will make a strong bid to break into the win column at the expense of Tye's Hop Gold, these two crack teams meeting at Lincoln Park in Alameda at 2:30 p. m. The Espees have lost two tough games in the Alameda-San Jose League, both well played and each by one run. Jerry Robeck, who suffered a bad injury in a previous game, will not be able to play; his place at short will be taken care of by Lory Gilbert. Manager George Gerichten will probably start Ellsworth Fagundas, with Phil Gugich and Ray Ehlers in reserve. Tony Patch will do the catching.

Manager "Kibby" Spranger of Tye's, will pitch Al. Duffy, who has been displaying great form of late and will be hard to beat. Spranger has also signed Jimmie Vierra; Eddie Farro will be on the receiving end.

GLOWS VS. STEEL

Ben's Golden Glow drawing a bye in the league, entertain the Bethlehem Steel nine from Burlingame at Washington Park at 2:30 p. m. Ben's are leading the league with three wins.

Tye's Hop Gold can throw the round into a tie by defeating the Elks if Ben's lose to the S. P. Stores.

With the addition of "Coke" Freitas, former manager of Mal's as a utility fielder, and Larry Vinci, ex-Oakland Pacific Coast league chucker, as a pitcher, Ben's Golden Glow, winners of the mid-winter league, have filed an entry to compete in the San Francisco Northern California Baseball Managers' association elimination tournament to open in Seals' stadium on May 9.

BUSH BASEBALL GOSSIP

By Art Macy

Ben's Golden Glow continue to rule the Alameda-San Jose League, defeating the Southern Pacific Stores, 9-4, last Sunday. Pruitt, young left-hander, worked the greater part of the game for Ben's and looked very good. Virgil Vierra pitched the last inning. John Abrew caught and hit a long home run over the left field wall at Washington Park. Ray Andrews collected four for five, Oliver got two, and Berge for the losers, clouted three. Madruga playing at the initial sack for the Espees handled 15 chances without an error. Pat Clifford at second played errorless ball. Jay Ryan, Glows outfielder, injured his finger before the game and reported to the hospital.

DUFFY IN VICTORY

Al Duffy pitched Tye's Hop Gold to another win, allowing the Alameda Elks but four hits, fanning six, walking nine, and hitting three batsmen to win 3 to 1. Eddie Farro caught and cut the runners down trying to steal.

Andy Ivaldi, one of the best outfielders in semi-pro ball, made a great running back handed catch to rob Flynn of a three-base hit. Krasovich garnered a double and single. Mesple, Escobar, Duffy and Simas hit two baggers.

Charlie Kasich pitched a nice game for the Elks, giving 8 hits and fooling such hitters as Krasovich and Ivaldi on that third strike.

Manager "Kibby" Spranger of Tye's, would like to play Yountville on May 15. "Kibby" last year managed the Veterans.

Southern Pacific Stores vs. Ben's Tavern.
Sunday, May 1st, 1938.
Washington Park.

Southern Pacific Stores 4, Ben's Tavern 9.

The Southern Pacific Stores continued their losing streak by dropping the fourth game of the Alameda-San Jose City League to Ben's Tavern by the score of 9 to 4. Gugich, lefthanded chucker for the losers was not his usual self, being extremely wild, walking four men in one inning. Berge, Espee's third sacker hit two in four trips to the plate.

The Espees scored one run in the second when Madruga led off with a double to leftfield and scored a moment later on Berge's single to left. Clifford popped out to Pruitt, Gugich popped out to Swick and Fernandes popped out to Freitas.

Bens came right back in their half of the second to score 4 runs when after Carter was out Berge to Madruga, Morrish, Abrew and Pruitt walked filling the bases, Swickwwalked forcing in Morrish, Freitas double to leftfield, scoring Abrew and Pruitt, Oliver singled to left, scoring Swick, (Ehlers replaced Gugich for Southern Pacific)x~~Oliver singled~~ Andrews was out Ehlers to Madruga, Berge was out Robeck to Madruga.

The winners added another run to their total in the third without the aid of a hit when Carter walked, Morrish was safe at first and Carter safe at sedond when Clifford muffed a sure double play, Abrew flew out to left, Pruitt was out, Madruga unassisted, Swick walked filling the bases, Carter scored on a wild pitch, Freitas was out Clifford to Madruga.

The railroaders picked up a run in the seventh when Fernandes walked and took second on a passed ball, Robeck went out Freitas to Morrish, Fernandes going to third, Labetich was out Freitas to Morrish, Fernandes scoring, Corbett fanned.

The winners added another run to their 5 to make it 6 to 2 in the seventh when Carter was out Robeck to Madruga, Morrish was out Clifford to Madruga, Abrew hit a home run over the leftfield fence, Pruitt was out Berge to Madruga.

The Espee's scored two in the eighth when Patch walked, Madruga fanned, Berge singled to centerfield, Patch stopping at second, Berge and Patch worked a double steal, Clifford fanned, Ehlers singled to leftfield, scoring Patch and Berge, Fernandes singled to centerfield, Ehlers went to third, Vierra replaces Pruitt for Ben's, Tobin batting for Robeck went out Vierra to Morrish.

Ben's scored three more in the last of the eighth when Swick was given and infield hit to second, Freitas popped up to Madruga, Oliver was safe at first on Berge's error, Andrews singled to center, scoring Swick, Graham walked filling the bases, Carter popped up to Fernandes at third, Morrish singled to center, scoring Oliver and Andrews, Abrew flew out to rightfield.

FOUR ALAMEDA GAMES

In Alameda for the first time since the start of the league the four teams will be playing at home. At Washington Park, Ben's Golden Glow, who have yet to be defeated, meet the Southern Pacific Stores, who have lost every game by one run, the unexpected may happen in this game. The Stores on paper looked to be the class of the league, but the breaks seem to have been against them. Manager Geo. Gerichten has signed Dick Tobin, who can fill in at almost any position and is a good hitter. Phil. Gugich will pitch for the Espees, being opposed by Virgil Vierra.

Tye's Hop Gold battle the Alameda Elks at Lincoln Park. "Kibby" Spranger, skipper of Tye's, will send Al. Duffy against the Antlered Herd. Last Sunday Duffy allowed the Espees but one blow. Tye's have one of the smoothest working infields in this league in McDermott, Krasovich, Neilsen and Escobar. Last Sunday they turned in five double plays.

Bobby Smale, Elks mentor, feels that Charlie Kasich can tame Spranger's sluggers, and with the addition of "Butch" Simas, a powerful hitter, who will play the outfield, Smale feels confident.

Bush Bushings

Signing of two pitchers and the releasing of one was announced by Ben's Golden Glow, winners of the Alameda midwinter league, today.

Virgil Vierra has been released to Grace Brothers of Richmond, while Jimmy Rego, late of the S. F. Seals, and "Chassie" Silver, who won 22 straight games this past winter, have been signed.

Besides the new chuckers, Ben's have Frank Pesano, Larry Vinci and Hank Pruitt.

More bleachers would not harm Washington park, as many persons are forced to stand throughout the game almost every Sunday in the west end field.

Although his finger was not broken, Jay Ryan, Ben's centerfielder, will not be able to play against the S. F. Longshoremen in the opening of the Baseball Managers' association elimination tournament in Seals' stadium.

Ryan was forced to the bench on Sunday before the game started and it was feared for a while that his finger was broken, but an x-ray revealed otherwise.

Walter Gross, Washington park announcer, is a fortune teller.

When John Abrew stepped to the plate in the seventh inning on Sunday, Gross predicted a homer.

Abrew hit the first pitched ball for a four-base knock.

Slashing the ball for an average of .571, Johnny Lombardi, Ben's infielder, is leading his club for the first round of the Alameda city league.

Close behind Lombardi comes Ray Andrews with a mark of .556.

Other leaders:

Al Swick	.412
Ernie Oliver	.389
Hootch Graham	.273
John Abrew	.250
Virgil Vierra	.167
Vern Carter	.134

Jay Ryan hit .834, but has not played enough games to figure in the averages.

Competition in the Alameda-San Jose league has been exceptionally close.

Until last Sunday, the S. P. Stores, the bottom club, never lost a game by more than one run.

And the Elks with only one victory, played good ball until the late innings in all their contests.

ON THE FIRST BOUNCE:

Playing his first game for Ben's Sunday, BOB MORRISH handled eighth chances in good style . . . HANK PRUITT, left-handed pitcher, is a switch hitter . . . MING SOBRERO is really an uncle now . . . A baby was born to the wife of his brother, Al.

Bush Bushings

Probably the best infield in Northern California semi-pro, public parks is Dan Pauline's diamond in Washington, but John Abrew, Ben's player, gives the groundskeeper a bad time by continually telling him how bumpy and rough the surface is.

* * * *

Work on the fence in leftfield of Washington park has not as yet been completed, but Pauline has placed big planks along the bottom of the barrier to prevent balls from rolling under.

* * * *

Vern Carter has been playing great ball for Ben's and in the last three games has handled 21 chances without an error.

* * * *

Tough luck has dogged the S. P. Stores team in the Alameda-San Jose league and although the Railroaders have yet to win a game they have not been beaten by more than one run, losing 4-3, 5-4 and 3-2.

Dick Tobin, brother of Jim Tobin of the Pittsburgh Pirates, has been signed for the utility roll of the S. P. club by Manager George Gerichten.

* * * *

Managers of semi-pro clubs are pointing to the treatment received by Jerry Robeck, S. P. infielder, who was injured in a crash at second base with Al Gustin of the Elks, as an example of the protection given by the baseball insurance of the association.

Robeck lost two teeth and suffered a badly slashed nose and mouth.

All bills, doctor and dentist, were paid by the insurance.

* * * *

ON THE FIRST BOUNCE:

Due to the absence of Johnny Lombardi on Sunday, Ben's shifted its line-up all around . . . Chet Bottome caught, Ray Andrews was moved to third base and John Abrew to the initial sack . . . "Ming" Sobrero is an uncle now . . . A horse, owned by his brother, Paul, had a colt . . . "HOOTCH" GRAHAM really likes to play without his shoes . . . He claims they cramp his style . . . ERNIE OLIVER has been playing well for Ben's and made a great catch in rightfield on last Sunday . . .

All games in the league are played in this city as the San Jose Merchants draw bye and face the Tallant Tubbs of San Francisco on their home diamond.

NEW PLAYERS

With Al Duffy, former St. Mary's college and Mission Pacific Coast league chucker, who has been pitching good ball, on the mound for Tye's when they try to stay within striking distance of the loop leaders.

The winning of the round does not mean anything in the final standings as the play-off is between the first and second place clubs at the end of the season.

Two new players — "Coke" Freitas, former manager of Mal's and Larry Vinci, ex-Oakland chucker—have been signed by Manager Frank (Spec) Espina of Ben's.

Addition of Dick Tobin, brother of Jim Tobin, who has been pitching good ball for the Pittsburgh Pirates, has been signed by Manager George Gerichten of the S. P. Stores.

RETURNS

Besides Tobin, the S. P. Stores will be strengthened by the return of Gerry Robeck, who has been out of the line-up since he was injured two weeks ago.

"Butch" Simas, former St. Mary's college football and baseball star, is now playing the outfield for the Alameda Elks.

RESULTS:

Ben's 9, S. P. Stores 4.

Bye game—Tallant Tubbs 13, San Jose 8.

First round of the Alameda-San Jose city baseball league came to an end yesterday and Ben's Golden Glow, winners of the mid-winter league, remained one full game out in front.

Ben's retained its advantage and scored its fourth straight league victory by defeating the S. P. Stores in Washington park by a score of 9-4 before an overflow crowd.

Tye's Hop Gold stayed within striking distance of the loop leaders by breaking up with a ninth inning rally to win over the Elks 3-1.

PLAYER HURT

Wildness by Phil Gugich, S. P. Stores pitcher, started his club on the way to defeat in the second inning when he walked four straight batters.

Ben's shoved across four runs in that ninning and then capped it with three more on three blows in the eighth for more than enough tallies to win.

Ben's attack was led by Ray Andrews with four blows, one of which was a double, John Abrew's home run and Ernie Oliver's two hard singles.

Jay Ryan, Ben's centerfielder, was forced to the bench before the start of the game with a badly injured little finger and x-rays were to be taken today to determine whether or not it was broken.

BAD INNING

"Coke" Freitas played his first game for Ben's and turned in eight chances at second base without an error.

Going into the ninth inning with the score 1-1, Tye's Hop Gold took advantage of weakening on the part of Charley Kasich, Herd pitcher, and pounded out three doubles to win 3-1 in Lincoln park.

Tony Krasovich doubled to centerfield and then Andy Ivaldi advanced him to third base with a bunt. Thomas then bounced a slow roller to third on which Krasovich scored.

Carl Escobar doubled to rightfield, went to third on a wild pitch by Kasich, and scored when "Rrenchy" Mespie lashed out another double.

Tye's first run came in the fourth inning when Hughie Nielsen singled to centerfield, advanced to second on "Butch" Simas' error of Krasovich's fly ball and scored on Ivaldi's single to leftfield.

HARD HIT

The Elks scored in the fifth inning on two walks, a fielder's choice, a long fly to leftfield and Simas' double into center.

Ivaldi robbed Flynn out of a triple in the fourth, which was the hardest hit of the game.

Don Bernal, batting for Kasich in the ninth, singled through the pitcher's box and got to third on a walk and a fielder's choice, but could not score.

Tye's to Battle S. P. Stores Here

ELKS AT SAN JOSE

With the Alameda Elks visiting San Jose to play the Merchants in the Alameda San Jose League, the game to attract the fans will be the one between Southern Pacific Stores and Tye's Hop Gold at Lincoln Park. Tye's are now going full steam ahead, right on the heels of the leader, and from now on this league will be hot. With Al Duffy pitching two and three hit ball each Sunday, Manager "Kibby" Spranger will shove him right back in there. George Gerichten, stores skipper, will probably start "Gunny" Fagundas, with Tony Patch behind the log.

Upsets marked the play in the Alameda-San Jose City league yesterday as the last place S. P. Stores and the second division Elks rose up and smote their rivals.

With "Gunny" Fagundas pitching near perfect ball, the S. P. Stores captured its first game in the Alameda-San Jose City league by a score of 7-3 from Tye's Hop Gold in Lincoln park yesterday.

Infield errors robbed Fagundas of a possible shut-out victory in the eighth inning.

POWER ATTACK

Al Duffy, former St. Mary's College and Pacific Coast league chucker, starting upon the mound for Tye's, was wild and gave way to Andy Ivaldi who moved in from centerfield.

Elmer Corbett was the big power in the S. P. attack, slashing out a single to drive two runs across in the third and then banging out a home run with two runners on in the sixth frame.

Behind masterful pitching by Charles Kasich, former Pacific Coast league hurler, the Elks defeated the San Jose Merchants 5-4 on Graham field in the latter city.

Karich not only batted in two runs to help his cause but had his fast ball streaking across the plate to send ten San Jose batters back to the bench.

RALLY

The Elks scored three runs in the second inning when Florence and Ellsworth singled and then Jimmy Fayen was safe on a fielder's choice. Kasich scored all three runners on a hit over the torrid sack.

Two more were added in the seventh on a hit by Kasich, a double by Don Bernal and a single by "Butch" Simas.

Finally hitting upon a winning combination last week, the S. P. Stores are anxious to prove it was no fluke against the Elks club tomorrow afternoon in the Alameda-San Jose city league in Lincoln park.

The addition of Mel Fagundas at shortstop and the shifting of Jerry Robeck to second and the splendid play of Ted Madruga at first and Arnold Berge at third rejuvenated the S. P. Stores infield.

NEEDED PUNCH

Tony Patch, small but mighty catcher, has captured the fancy of the fans and is being rated as one of the classiest catchers in these parts.

Al Peacock, former Alameda high school player, who got into the game in the fifth inning last week and started a rally, is putting the necessary punch into the club.

When Ben's Golden Glow, winner of the mid-winter league here and entrant in the S. F. Baseball Managers' tournament, travels to San Jose tomorrow to battle the Merchants of that city it will be without the services of Ernie Oliver, outfielder, who is on his way to join the Kilgore club in the East Texas league. Oliver was offered a contract with Oakland.

San Jose—Ben's Golden Glow 5, San Jose Merchants 0.

Bye game (San Mateo)—Tye's Hop Gold 6, San Mateo 3.

Positions in the Alameda-San Jose City Baseball league remained unchanged as Ben's Golden Glow shut out the San Jose Merchants, 5-0, and the Elks slammed down the S. P. Stores, 10-4, yesterday.

SHUT OUT

Behind the five-hit pitching of Frank Pesano, Ben's Golden Glow nine defeated the San Jose Merchants yesterday by a score of 5 to 0. Pesano pitched masterful ball, allowing only one hit in the first and sixth innings, after which he eased up and allowed four more. This is the fifth straight win for the Glow boys in as many starts in the Alameda-San Jose league. Tommy Conlan, on the mound for San Jose, allowed eleven hits, five of them coming in the seventh inning for three runs. Manager Frank Boitano was gunning for this game, and he let the boys know that he was out to beat them. He then proceeded to get shut out on his own home diamond.

Coke Freitas was the big gun with the bat, getting three hits, one of them being a mighty triple to deep center. Swick and Andrews hit two each, getting one double a piece; Jimmy Rego also slammed out a healthy double. Pete Lapan, Merchants' catcher, got two of his team's five hits; Ed Lyons slapped out a double. Lapan was robbed of another hit in the fifth inning when Vern Carter made a great one-handed catch in short left field and was too close in for the left fielder to handle. Incidentally, Carter made his first error in this game after handling forty chances without a bobble. Glenn Sinnott, former St. Mary's third sacker, played that position for San Jose and handled five chances in good style.

Starting right out in the first inning, the Elks built up a lead in Lincoln park that the S. P. Stores could not approach and won easily by a score of 10-4.

Bernal singled to open the game, Ellsworth followed with a single, Simas advanced them both with a sacrifice. Olsen walked. Florence singled to score Bernal and Ellsworth and Flynn doubled over the right field fense to score Olsen.

BIG LEAD

The Elks added another in the second on Bernal's walk. Ellsworth singled and when M. Fargundas kicked Simas' drive to the short patch, Bernal scored the Elks' fourth run of the game.

The Elks added five more runs in the third when Florence singled, Flynn homed, Fayen doubled, Caya walked. Powers doubled and Bernal walked.

S. P. Stores scored two in the fifth by reason of four base-on-balls issued by Powers and Labitich's single.

S. P. scored another in the sixth by reason of two base-on-balls and Fagundas' single, and they added another run in the eighth, on a double by Labitch, single by Peacock, and Tony Patch's single.

In the Alameda-San Jose League, Alaeda Elks drubbed the Southern Pacific ores, 10 to 4. Dick Powers started on e mound for the Elks and gave way to asich after walking nine men. Caya ught and gathered two hits. Flynn ashed a home run, double and single; rnal and Florence hit two apiece. For losers, Ehlers, Fagundas and Patch re the battery, with Labetich hitting ee, Fagundas and Madruga two each.

t San Jose, Ben's Golden Glow blanked Merchants, 5 to 0. Frank Pessano hed for Ben's, and John Abrew caught. hitters for the winners were Cokie citas with a triple and two singles, Ray Andrews and Al Swick a double and ingle each. Verne Carter has been play- a great game at short, making his first or in this game in 41 chances. He made sensational catch of a ball hit into short ft field. Tom Conlan pitched for the ers, fanning nine, and Lapan caught. n's now lead the league with five wins and no losses.

Bushings Bush

"Pee-Wee" Ambrose, Ben's spare man who warms up the pitchers, is just 5 feet 2 inches tall. Ming Sobrero, co-sponsor, is 6 feet 4 inches. "Pee-Wee" is a known pest and Ming says if he isn't getting in his hair he's getting under his feet.

In their game against Bear Photo on May 17 Ben's got 14 hits and oddly enough they were all singles.

Ming Sobrero had a nice little surprise for Kibby Spranger when they played Sunday at Washington park. The loudspeaker played "Cry Baby" and dedicated it to Kibby from Ming.

Since a can of tamales blew up in his face and severely burned his cheek John Abrew says from now on he eats tamales only out of the skin.

Chet Bottome, who received a split hand in the first tournament game, is now ready to play again if he is needed. His doctor has advised him to favor the hand if he does play.

Spec Espina made a smart move when he signed Chassie Silva for mound duty. His fast ball will work very nice in the night games.

Vern Carter has been trying desperately to shake a batting slump but the fielding he has been turning in more than makes up for his weakness at the plate.

Bush Bushings

Ray Perry, high school third-sacker, has been signed by Ben's Golden Glow. He will start playing tomorrow and be used in the utility role. Ming Sobrero, co-sponsor, signed Perry himself. Also signed by Ben's is Peter Cuniberti, former outfielder of Tye's Hop Gold nine. Cuniberti will be used as utility outfielder.

Steve Barath, former Coast leaguer, who has been playing with the San Jose Merchants in the Alameda-San Jose league, left Saturday night to join Nashville in the Southern Association. San Jose also lost the services of Hilliard Rose who has joined the Santa Clara Merchants; and Stan Botto, who has joined the Weed club.

Tommy McGuire, San Jose Merchants shortstop, is baseball coach at Bellarmine school.

In their last 22 games Ben's Golden Glow has scored 137 runs and made 225 hits, while winning 16 and losing six. Opponents have scored 73 runs and made 155 hits. If any team can show a better record Spec Espina, Ben's manager, would like to hear about it.

Alameda fans who have seen the playing field at Richmond can realize what wonderful diamonds we have here in our city. The Richmond infield is full of rocks and bumps and bad hops are frequent. The outfielders are standing in grass nearly up to their knees when they are playing their positions. Another bouquet is hereby given to Dan Pauline and Herman for keeping our diamonds in such good condition.

Southern Pacific Stores vs San Jose Merchants.
Sunday, May 22nd, 1938.
San Jose, Calif.

Southern Pacific Stores 11, San Jose Merchants 5.

The Southern Pacific Stores had sweet revenge on their rivals the San Jose Merchants, landing on their ace pitcher Tom Conlon, for 8 runs in the first innings and walking off with the ball game by the score of 11 to 5.

This defeat put the Merchants out of the race and also eliminated them from further play, as the president of the Alameda San Jose League was notified by the Manager of the Merchants that he would be unalbe to field a team and that he was forced to drop out of the league.

Robeck greeted Conlon with a sharp single to center, hitting the first pitched ball, every batter for the Espees reached first safely without an out being made until the ninth batter, Gunny Fagundas came to bat and was out, hitting a sharp grounder to third and was out at first. Fagundas pitched a very good game and never was in trouble, taking things easy and bearing down only when he had to. Madruga was the leading hitter for the winners, hitting three in four trips to the plate, one a double. Robeck, Labetich and Patch hit two apiece for the winners, Labetich getting a double on one of his hits. Shick hit three for the losers and Linder, Blennerhasset, Sinnot, and Sandahl hit two apiece for the Merchants. Linder two hits were to long home runs over the leftfield fence. Sandahl hit one for three bases along the leftfield fould line. Every batter on the Southern Pacific Stores got at least one hit.

The first inning was the Merchants undoing, when the Southern Pacific scored 8 runs on 6 hits, a walk and two batters hit by pitched balls. Robeck hit the first pitched ball for a sharp single to centerfield, Labetich doubled to right, scoring Robeck, Nelson walked, Peacock was hit by a pitched ball filling the bases, Madruga singled to left, scoring Labetich, Patch drove a single past third, scoring Nelson, Berge hit to right, scoring Peacock and Madruga, Patching going to third, M. Fagundas was hit by a pitched ball, E. Fagundas was out, Sinnott to Linder, making the first out of the inning, Robeck up for the second time in this inning, walked, again filling the bases, Labetich up for the second time, singled to right, scoring Patch and Berge, Nelson was safe at first ona fielders choice, Robeck was out at the plate, Peacock was out, Conlan to Linder.

The Merchants scored one run in their half of the second inning when Swain flew out to Peacock in centerfield, Sinnott hit a long home run over the leftfield fence, Schick singled to left, Sandahl popped up to Robeck at Second, Conlan flew out to Labetich in right.

The winners made it 10 runs, by scoring two more in the last half of the second, when Madruga laid down a perfect bunt along the third base foul line and made first easily, Patch walked, Berge sacraficed them both along and was out Sinnott to Linder, M. Fagundas singled to center scoring Madruga and Patch, E, Fagundas popped out to short, Robeck walked, Labetich popped out to second.

San Jose added another run to their total in the fourth, when Swain went out, M. Fagundas to Madruga, Sinnott walked, Schick doubled to leftfield, scoring Sinnott, Sandahl flew out to leftfield, Conlan flew out to Peacock in center.

The Espees made it 11 runs by scoring one in the fifth, when Robeck fanned, Labetich went out third to first, Nelson tripled to deep denter field, and scored a moment later when Peacock singled to the same place. Madruga flew out to right.

San Jose finished their scoring by shoving three runs across in the sixth, when Blennerhasset, singled past third, Swain forced him at second, Sinnott hit his second home run of the game over the leftfield fence, scoring Swain ahead of him, Schick singled past short, Sandahl tripled along the leftfield foul line, Conlan was out, Berge to Madruga, Sandahl holding third, Blethen flew out to Peacock in centerfield.

Bye game—Pittsburg:

Alameda Elks vs. Pittsburgh Merchants, 2:15 o'clock.

Seeking their sixth straight win in the Alameda-San Jose city league, Ben's Golden Glow will play Tye's Hop Gold at Washington park tomorrow afternoon at 2:30 o'clock.

Manager Kibby Spranger will probably start Al Duffy, with Eddie Farro behind the plate.

Co-Manager Ming Sobrero said he has signed "Lefty" Thaman, of Tech high, and he will probably pitch part of the game.

A large attendance is expected at the game because part of the gate is to go to the fund which sent Jack Clark, Times-Star sports writer, east with the high school crew.

In San Jose the Southern Pacific Stores will try to even up the score with the San Jose Merchants, who defeated them 5 to 4 at their last meeting.

"Gunny" Fagundas will draw the pitching assignment, according to G. W. Gerichten, who admits that has been his weak spot to date. He is seeking another good chucker.

Ted Madruga's fielding is one of the mainstays of the S. P. Store's game. A first-class first sacker, his hitting is sprinkled with occasional long drives that bring in runners already on the paths.

Alameda Elks draw their bye in the city league this week-end and will go to Pittsburg tomorrow to battle the Merchants at 2:15 o'clock.

With the return of Al (Sparky) Gustin, who has not played for almost a month, the Elks will play at almost full strength. "Chick" Ellsworth, former Coast league star with the Seattle club, will fill "Bunny" French's position in the infield.

Manager Boby Smale will choose his starting hurler from either Dick Bowers, Charles Kasich or Joe Olsen, with either Nick Carter or Stan Caya on the receiving end.

Merchants, Francos Face Worthy Foes

Determined to accomplish the impossible, that of overcoming a four-game lead held by the powerful Golden Glow Beer team of Oakland, the San Jose Merchant baseball team will tomorrow afternoon battle the Southern Pacific Stores nine of Oakland in their seventh California State League game of the season. The contest is slated for 2:30.

Tomorrow, unless Manager Frank Boitano changes his mind at the last minute, the Merchants will use the same lineup as they did against the "Beers" last Sunday. It will be the first time this season the San Joseans have not introduced a new face.

Bill Swain, a fair infielder, will replace Eddie Lyons at second base. This leaves the remainder of the in-

(Continued From Sport Page)

field of Al Linder, Bob McGuire and Glenn (Chesty) Sinnott in tact.

Swain should play better ball on second base than he did in the outfield. He is a good hitter.

Floyd Schick, former University of Santa Clara baseball player, will open in right field.

Whether these two changes will aid the Merchants only tomorrow's game will tell. But Stan Botto turned the trick on that particular Sunday. Turning in his finest performance of 1937, Stan hurled the locals to their first league win.

CONLAN WILL HURL GAME

But Botto will not be chucking tomorrow. Tommy Conlan, a righthander with plenty of stuff, will take the mound. Conlan has won one game with the Merchants and lost three, but the support he has received was pitiful at times.

If Boitano can get his players to give Conlan plenty of support tomorrow, the Merchants can win and move up a step closer the first division. Pete Lapan, the old veteran, will catch the slants of Conlan.

Blennerhesset will open in left field, Howard Blethen in center and Schick in right.

Rumors Link Pampalone, Milbourne as Buyers Of S. J. Merchants

By BILL FEIST

Rumors today flew thick and fast along San Jose's baseball rialto after Frank Boitano, husky manager of the San Jose Merchants, had announced his retirement from the game.

Boitano's action, rumored for several weeks, came yesterday afternoon just a few minutes before the Merchant nine lost its seventh game of the season to the Southern Pacific Stores' nine, 11-5, at Graham Field.

Most outstanding among the rumors was one that Tony Pampalone, veteran hard ball manager, who has guided teams in the San Jose Winter League for years, would become manager of the local semi-professional nine. Also associated with the Merchants, as business adviser and booking agent for the team would be Percy Milbourne, Winter League president.

It has been known for several weeks these two talked to Boitano over "buying" of the local nine, but were waiting for an unnamed decision. Boitano quit the team because of business interests. He is to become an agent for the National Billiard Association on June 1.

Another report was that a new backer, so far unknown, would take over the club and Pete Lapan, veteran catcher, would manage it. A similar report had Johnny Walters, one time

Merchants

manager of the San Jose Bees, in the pilot's seat.

A third report and one entirely possible is the club would disband. Any report Firpo Hart, assistant pilot of the team during its first two years, would again take over the reins as he did for a time last season, were dispelled after Hart told close friends he thought he might quit the game after 25 years of active competition.

No league game is slated for the team Sunday.

SINNOTT HOMES TWICE OVER FENCE

But as reports drifted around town regarding Boitano's successor, fans who attended yesterday's game were still commenting upon the only highlight, the driving of two balls over the left field fence by Merchant third-sacker Glenn Sinnott.

Sinnott's first drive cleared the fence and fell into a lot across from the field. His second circuit blow leaped the fence on the first bounce. Both blows were well hit. Sinnott accounted for four of the Merchants' five runs.

In the Alameda-San Jose City league over the week-end, Ben's Golden Glow retained its unsullied lead, defeating Tye's Hop Gold, 9 to 7. Southern Pacific Stores dealt a 11-to-5 defeat to San Jose Merchants, making a double tie in the loop.

Alameda Elks, in a bye game at Pittsburg, turned back the Merchants, 6 to 5.

A home-run fest featured the Golden Glow-Hop Gold tiff, members of both teams beating out long ones to a final tally of five. McDermott knocked two, as did Nig Silva. Rego hit a record long one over the right field fence, scoring a man on. It's more than 100 yards to the fence and a ball seldom goes over.

Duffy was unsteady and relieved by J. Vierra in the sixth. Tye's defeat was charged to him. Pessano relieved Thaman for Ben's in the sixth.

S. P. IN TIE

S. P. Stores moved into a tie with San Jose Merchants by handing them a beating in San Jose. Jumping on Tom Conlan, a former Oakland and Mission chucker, for eight runs in the first inning, the railroaders were never in trouble, coasted during the entire game.

Charlie Nelson, playing his first game for S. P., besides turning in a neat game in left field, hit a line drive deep to center field for tthree bases.

It took a ten-inning decision for the Elks to turn back Pitt Merchants. The Elks broke a 4-4 deadlock, scoring two runs on hits by Carter, Bernal and Ellsworth. Butch Simas opened the seventh with a single. Olsen and Florence got free transportation to first and scored on Flynn's hit to center field.

The Merchants scored in the fourth, fifth and sixth, tied the score in the last of the ninth on Fullers single and an error by Nick Carter, catcher for the antlered herd.

Merchants Beaten

S. P. Tops, 11-5

By TED SHIPLEY.

Scoring ten runs in the first two innings, the S. P. Stores nine of Alameda put the game with the San Jose Merchants at Graham field yesterday afternoon on ice early. The final score was 11 to 5, with two home runs over the left field fence by Glenn Sinnott batting in three of the locals' runs.

BOITANO RETIRES.

The future of the San Jose Merchants baseball team appeared an uncertainty today as Frank Boitano, team manager, announced his retirement from the baseball picture because of the press of business engagements.

Just before yesterday's game with S. P. Stores, Boitano announced that he had turned over the manager's job to Pete Lapan, and followed the announcement with the statement that he was retiring from the game entirely.

Thirteen Espee batters stepped to the plate in the first inning and eight of them circled the bases on a combination of five hits, one a double by Labetich, two walks, two hit batsmen and two errors. Madruga singled and Patch walked to start the second, with Berge sacrificing the pair along and Mel Fagundas singling them across.

SINNOTT HOMES.

After this canto, Tommy Conlan, Merchant pitcher, settled down and kept the Espees from the plate with the exception of the fifth frame, when Nelson tripled with two down and Peacock singled.

Meanwhile the Merchants were hitting the deliveries of Gunner Fagundas, Espee hurler, but the visitors with Peacock in center field and Mel Fagundas at short showing the way, were turning most of the drives into outs.

Glenn Sinnott poled his first home run with one dead in the second and more scores seemed on the way as Floyd Schick followed with a single, but Sandahl and Conlan popped out to end the inning. Sinnott also scored the second Merchant run, when he walked in the fourth, scoring on Schick's double down the left field foul line.

Swain's grounder to short. Sinnott then caught another one of the Gunner's pitches boosting it over the left field wall counting Swain ahead of him. Schick singled and Sandahl plated the right fielder with a triple for the Merchants' final run.

Before the game announcement was made that Pete Lapan, veteran catcher, had been appointed manager of the Merchants as Frank Boitano stayed in the confines of the dugout all afternoon.

Announcement was made late last night, that the Merchants will remain idle next Sunday. No league games are scheduled for this date.

The Espees made eight runs in the first inning, Madruga collected a double and two singles; Elmer Sandahl, catcher, a triple and single; Nelson, a triple; Robeck and Labetich, two apiece, and Al Peacock had eight put-outs in the outfield. Tom Conlan toiled for San Jose with Sandahl, playing his first game, doing the receiving. Glen Sennott slammed two long home runs over the left-field fence.

Southern Pacific Stores vs. California Giants
Sunday, May 29th, 1938.
Washington Park, Ala.

Southern Pacific Stores 4, California Giants 3.

The Southern Pacific Stores defeated the California Giants, in a thrilling well played game, by the score of 4 to 3. Big Steve Menietti, pitching his first game for the Southern Pacific, displayed plenty of class holding the Giants to 8 scattered hits, fanning five. Nelson with two hits in three trips to the plate, led the attack for the winners. Brute Labetich hit one for three bases and Tony Patch hit one up against the leftfield wall for two bases.

The winners scored one run in the first inning without the aid of a hit, when Fernandes walked, Robeck sacraficed him to second and was out Blackshear to Grant, Nelson was hit by a pitched ball, Labetich and Madruga walked, forcing in Fernandes, Patch lined into a double play Sharkey to Grant.

The Giants knotted the count in the second when Sharkey flew out to center, Blackshear singled to rightfield, Cheery was safe at first and Blackshear scored when Robeck threw the ball up on the wire between home and third.

The Espees forged ahead in the third when Fernandes was out Rice to Grant, Robeck was safe on Sharkey's error, Nelson singled to rightfield, Labetich was safe on Rice's error, Robeck holding third, Robeck scored on a wild pitch, Nelson was out at third, Cherry to Blackshear, Madruga flew out to rightfield.

The railroaders added another run to their score in the sixth, when Labetich led off with a long triple to deep rightfield along the foul line, Madruga lined out to Grant at first base, Patch hit the leftfield screen for two bases, scoring Labetich, Berge was out Rice to Grant, Fagundas popped out to Berry.

The Giants picked up a run in the seventh, when Berry got a life on Madruga's error, Rice singled to left, Berry holding second, Thompson forced Berry at third, Menietti to Berge, Grant flew out to rightfield, Hosley singled to center, scoring Rice, Sharkey fanned.

The Southern Pacific made thier final and what later proved to be their winning runin the eighth, when Nelson singled to centerfield, went to second ona passed ball and stole third, Labetich fanned, Madruga was out, third to first, Nelson scoring, Patch was out third to first.

The Giants put on a rally in the ninth, when Berry was out Robeck to MadrugaPerry, batting for Thompson, Singled to centerfield, Rice walked, Grant singled to rightfield, scoring Rice, Hosley lined out to Robeck at second, who made a great play to snag this hard hit line drive and end the game.

Schedule No Games In Loop

Since there are no games scheduled over the week-end for member teams of the Alameda-San Jose City league, Southern Pacific Stores and Alameda Elks will play outside teams and Ben's Golden Glow and Tye's Hop Gold will probably take rests.

S. P. Stores will meet the California Giants, rated as one of the best colored teams now playing ball in northern California, in Washington park at 2:30 Sunday.

Manager G. W. Gerichten is proud of the way his boys are hitting their stride and is at present dickering with two new pitchers in an effort to take the strain of a full load pitching assignment off Gunny Fagundas.

Alameda Elks will travel to San Quentin Sunday morning to play the San Quentin All-Stars at 10 o'clock.

Only 20 men in uniform plus a trainer and scorekeeper, will be taken on the trip.

Headed by Manager Bobby Smale, the balance of the roster will include "Bunny" French, Eddie Flynn, "Chick" Ellsworth, "Whitey" Olsen, Ray Kranelly, Don Bernal, "Butch" Simas, Charlie Agnew, Dick Powers, Charles Kasich, "Nick" Carter, Stan Caya, "Sparky" Gustin, Joe Olsen, Jess Ramos, Andy Stewart, Manuel Duarte, Fred Nance and Paul Stang.

Ben's, because they are playing in the San Francisco tournament, which has them scheduled for a game tomorrow night, will take a lay-off.

Tye's has no games scheduled.

Bush Bushings

Nelson (DiMaggio) Gustin wishes it to be publicly announced that he couldn't hold out any longer and has finally put his "x" on a contract. He is now a full-fledged member of the Signal Oil squad.

Jerry Conlee, former All-Coast football player, is now on the Dietz Ford team.

Ben's Golden Glow, at present leading the Alameda-San Jose league by three full games, have won their last 11 straight. They started their winning streak April 3, when they defeated Alameda Elks in the opening game of the loop.

S. P. Stores Play Giants Tomorrow

Tomorrow afternoon Southern Pacific Stores, drawing a bye in the San Jose-Alameda city league, plays the all-colored California Giants in Washington park at 2:30 o'clock.

According to J. H. Stevens, Giants manager, battery will consist of Mike Barry on the mound and Fry Cherry, well known among ball fans in the East Bay, behind the plate.

S. P. Stores Manager G. W. Gertichten will start the following:

Robeck, ss; Labetich, rf; Nelson or Fernandes, lf; Peacock, cf; Madruga, 1b; Patch, c; Berge, 3b; M. Fagundas, ss; E. Fagundas, p; Ehlers, p; Kersten, p; Tobin, utility.

Colored Team In Good Game

There were no games scheduled over the week-end for the Alameda-San Jose city league, so Alameda Elks traveled to San Quentin to play the All-Stars and Southern Pacific Stores played the California Giants in Washington park.

In a close game Sunday afternoon, Southern Pacific Stores won from the Colored Giants, 4 to 3.

In the first inning Midge Fernandes walked, Robeck bunted him to second and on heads up went to third. Grant tried to get him and heaved the ball into left field, scoring Midge.

In the third Fernandes was thrown out, second to first. Robeck singled to center, then Nelsen singled and he went to third. Berry let a wild pitch go and Robeck scored. Nelsen took a slide to third and was called out.

Bickering over the decision caused a minor ruckus and delayed the game a while.

Labetich was safe and on Rice's error Madruga flew to right.

For the Giants in the second Blackshear singled after one out and went to third on Cherry's single to right. He scored on Robeck's wild throw to home.

In the seventh Berry was safe on Madruga's error. Rice singled to right and Thompson forced Berry at third. Hosley singled to score Rice.

RICE SCORES

In the ninth Berry was out at second. Rice walked and Perry singled to center, Rice going to third. Perry overran second and was trapped, Berge to Robeck. Grant singled, scoring Rice.

Nelson and Berge were credited with excellent games.

STREAK HALTED

The San Quentin All-Stars stopped the Alameda Elks, winning streak of three games Sunday when they downed the antlered herd by a score of 4-3.

Dick Powers on the mound for the Bills, pitched a superb game, allowing ten scattered hits and striking out six. The San Quentin hurler, a port sider, struck out 13 with his fast ball.

Charlie Agnew tied the score at 3-3 in the first of the ninth when he drove the ball out of the park for a long home run. It was the first time a ball has been lofted over the fence and the crowd gave Agnew a good hand.

Leading hitters for the Elks were Eddie Flynn, with two singles, Gustin with a single, Florence a double, Olsen a single and Powers a single.

Infield playing featured Gustin, Flynn, Olsen and Fayen.

Southern Pacific Stores vs. Reno Garage.
Sunday, June 5th, 1938.
Threlkel Park, Reno, Nevada.

Southern Pacific Stores 8, Reno Garage 6.

The Southern Pacific Stores continued their winning streak by defeating the hard hitting Reno Garage Club by the score of 8 to 6. Landing on three pitchers for 13 hits, the Espees were the second club to defeat Reno this season. Patch with three hits and Fernandes and Nelson with two apiece, were the heavy hitters for the winners. Eastland hit a triple and a double for the Garagemen. Ray Ehlers, who for the past two years has been pitching for the Reno Club, defeated his old teammates, and held them to 9 scattered hits. In the last of the ninth inning with one run already across and Salinson on first, the railroaders executed a fast double play, Ehlers to Fagundas to Madruga, to kill the rally and end the game.

The Garagemen scored first whenLloyd started off the third inning by working Ehlers for a walk, Menanti was hit by a pitched ball, Gomez forced Lloyd at third, Ehlers to Berge, Eastland doubled to center, scoring Menanti and Gomez, Salinson singled to short, Snyder popped out to Ehlers, Baker fanned.

The visitors grabbed off one run in the 4th, when Nelson flew out to deep centerfield, Labetich and Madruga walked, Patch fanned, Berge doubled to center, scoring Labetich, Fagundas fanned.

The Reno boys added two more runs to their total in the fifth, when Menanti was safe at first when Ehlers threw the ball away at first, and then stole second, Gomez singled past short, scoring Menanti, Eastland was out, Fagundas to Madruga, Salinson singled to left, scoring Gomez, Snyder popped out to Robeck, Baker singled to center, Inda popped out to Fagundas at short.

The Espees put the game on ice in the sixth, scoring 7 runs on 6 hits and sending pitchers Anderson and Parrish to the showers. Nelson led off with a sharp single past second, Labetich and Madruga doubled to center, scoring Nelson and Labetich in order, Patch singled to centerfield scoring Madruga, (Parrish relieves Anderson for Reno) Berge sacraficed Patch to second and was out Snyder to Eastland, Fagundas singled to left, scoring Patch, Ehlers walked, Fernandes singled to leftfield, filling the bases. Robeck forced Ehlers at the plate, Gomez to Snyder. Nelson was safe at first on a fielders choice, Fagundas scoring, Labetich walked, forcing in Fernandes. Robeck scored on a wild pitch by Parrish. Madruga flew out to deep rightfield, the ball almost hitting the fence.

Reno scored one run in the sixth to bring their total to 5, when Parrish poped out to Berge at third, Lloyd walked, and stole second base. Menanti singled to center, scoring Lloyd, Gomez popped out to Berge at third, Eastland went out, Fagundas to Madruga.

The last of the ninth saw the home town boys put on a desperate rally to pull the game out of the fire, when Gomez flew out to leftfield, Eastland hit a long triple to deep centerfield, Salinson singled to center, scoring Eastland, Snyder hit into a double play to end the game, Ehlers to Fagundas to Madruga.

Bush Bushings

Frank Brazill, former first baseman for Ben's Golden Glow, and now manager of the Fort Smith team in the Western Association, has a standing offer to give a free steak dinner to anyone on his pitching staff who pitches a shut-out game. So far the only one to collect was Chester Steengraffe, who pitched a 9 to 0 shut-out.

Ming Sobrero, co-sponsor of Ben's Golden Glow team ate 49 hot dogs during the tournament just completed in S. F. Ben's played 7 games, so he ate 7, a game average, what a man.

In a letter to Spec Espina, Ernie Oliver, ex-Ben outfielder, now with Kilgore in the East Texas league, states that he has knocked 6 home runs in the 10 games he has played. He also expresses wishes to be able to play with Ben's when he gets back.

A lot of credit is due Jimmy Rego for the part he played in landing Ben's in third place in the S. F. tournament. Rego won four games on the mound, and also played part of the time at first base. His hitting was not so hot, but his willingness to play whereever needed was a great help to the team.

After being beaten by Associated last Friday night, Ming Sobrero presented the Oil team with a case of beer. One of the boys on the Oil team expressed his thanks thusly: "Maybe I am on the wrong team."

Ray Sevina, Ben's scorekeeper, didn't do so bad on the eats either, he whipped 23 hot dogs and 12 bottles of beer during the tournament.

M. Fagundas has been signed by Oakland coast league and will be farmed later.

Charles Agnew batted one out of the park in the Elks' game with the San Quentin All-Stars last week-end in their walled-in stadium. We wonder how many wanted to go retrieve the ball.

S. P. Stores has signed Steve Monutte, a six-foot right-hander formerly with Mascogi Western Association, and Gene Kirsten, former Oakland Coast leaguer now with Standard Oil in Richmond.

Charles Nelson was signed by Cincinnati national league and farmed to Mascogi this spring. He drew his release and returned here to play outfield for S. P. Stores—and how!

Garage Shortstop To Quit Baseball

Menante Will Succeed Oscar Freitag

Oscar Freitag, veteran Reno Garage second baseman, announced his retirement from active baseball Thursday.

"I just don't get much thrill out of playing any more," "Osc" told Manager Jack Threlkel. He has been with the local semi-pro club for several seasons, playing regular all the time.

Freitag, who was the club's leading base-stealer last season, was recently married. He batted in second place on the Garage lineup. Before entering semipro baseball, Freitag starred on the basketball court and on the football gridiron for University Nevada.

His place at the keystone sack will be taken by the most promising infielder developed in Reno in many years, speedy little Frank Menante. Threlkel hopes to develop the youngster into major or minor league calibre in a few years, he says. Menante is the fastest runner on the club, and beats out many hits with his superior speed.

Arnie Anderson, the young left-hander who handcuffed Pacific Greyhounds last week, will probably start on the pitching mound Sunday against S. P. Stores of Oakland. Bert Parrish will be given the hurling assignment the following week, against a barnstorming colored team.

GARAGE TO CLASH WITH OAKLAND AT THRELKEL PARK

The Reno Garage, filled with confidence after last weekend's double victory over invading baseball teams, meets the Southern Pacific stores nine of Oakland tomorrow afternoon at Threlkel park.

The railroad men are coming to Reno with their usual first class team, with Manager George Gerichten expecting to start his ace pitcher, Gunny Fagundas, with Ray Ehlers, former Reno star, held in reserve to be used if needed. The squad has been changed somewhat over last year with Robeck at second base in place of Clifford Labetich, who goes to right field. Al Peacock will play in center field, Madruga at first, Tony Patch catcher, Berge at third and Mel Fagundas at shortstop.

Manager Jack Threlkel of the garage nine will start with Loyd at right field, Menante at second base, Gomez in the short patch, Eastland at first, Salensen in left field, Kaiser or Inda in center, Snyder catcher, Baker or Cassinelli at third and Anderson or Parrosh pitching. It looks like Anderson will get the draw on the mound this Sunday because of Threlkel's desire to push his young southpaw ahead as fast as possible.

Freitag, Jack's old reliable second baseman, has notified his manager that he will be unable to appear in future games and as a result Menante will get the call.

STORES DEFEAT RENO

Southern Pacific Stores turned Reno Garage sluggers back, 8 to 6. Ray Ehlers, who used to pitch for Reno, worked the entire game for the Espees, with Tony Patch handling his slants. The Stores scored seven runs on six hits in the sixth inning, forcing Reno to run out their string of pitchers, starting with Lefty Anderson, Parrish, and Mike Salinsen finishing.

Tony Patch collected three blows; Midge Fernandes and Charles Nelson, two apiece; Madruga, Berge and Labetich clouted doubles. Salinsen, for the losers, led all hitters with four for five; Eastland smashed a double and triple. With the score 8 to 5, and one away in the last of the ninth, Eastland tripled, Salinsen getting his fourth hit of the day, scored Eastland. Snyder, Reno catcher, hit to Ehlers, who threw to Mel Fagundas, forcing Salinsen at second, and Mel, off balance, threw to Madruga at first, who dug the ball out of the dirt to complete a double play and end the game. More than 2000 fans witnessed this game, with the odds 2 to 1, favoring Reno.

Anderson Starts For Reno Sunday

Ehlers Hurls Against Old Teammates

Arnie Anderson, latest addition to the Reno Garage ball club, will make his second appearance for the locals when he takes the pitching box Sunday against the visiting Southern Pacific Stores.

Anderson, who was recently released by Tucson on the Arizona League, looked good last week in limiting the Greyhounds to four hits.

He will be opposed by Ray Ehlers, the big righthander who hurled for Reno in 1936 and 1937, or by Gunny Fagundas, another crack chucker for the Oakland nine.

Filling the gap left by the retirement of Oscar Freitag at second base will be Fran Menante. If Bob Baker is still troubled by his injured knee, struck by a line drive last week the infield for Reno will be composed of Eastland, first; Menante, second; Gomez, short; Cassinelli, third. Salinsen will be back in his old spot at leftfield, with Inda or Kaiser at center and Lloyd in right.

The visitors will start Madruga, first; Robeck, second; M. Fagundas, short; Berge, third, with a shakeup in the outfield.

GARAGE DEFEATED 8 TO 6 BY ESPEES

A sixth inning rally which brought in seven runs gave the Espee Stores nine of Oakland an 8 to 6 victory over the Reno Garage baseball team at Threlkel Park yesterday.

Reno started things off in the third as Eastland got a two base hit to score Menante and Gomez. Espees collected one in the fourth but the Garage looked safe enough by getting three in the fifth. Arnie Andrson had been pitching fine ball, although he allowed four passes.

Then the Oaklands sent Nelson to bat to start the sixth and he singled. Labetich and Madruga each doubled, Patch singled and the score was tied at five-all. Parrish relieved Anderson but before he could do anything about the situation the visitors got three more runs.

The Garage connected for another run in the eighth, and had the bags loaded in the ninth but the visitors turned in a snappy double play to retire the side.

Pitcher for the visitors was Ray Ehler, Garage moundsman last year. He was nicked for ten hits, fanned three and walked four.

Wild pitching and errors by Menante and Gomez cost the Garage its ball game. The Reno team had nine of its men die on base. It was the second setback of the year for the locals in seven games.

Big Sixth Frame By Espee Beats Reno Garagemen

Visitors On Long End Of 8 To 6 Count Here Sunday

Driving home seven runs in the sixth inning, the Southern Pacific Stores baseball team from Oakland handed the Reno Garage an 8 to 6 setback at Threlkel's ball park Sunday afternoon.

The defeat was the second suffered by the local club this year, as they were dumped in the season's opener by the Chinberata club from Oakland.

Three Hurlers

Three pitchers were used by the Garagemen, but none was able to stop the slugging railroaders once they got started. Arnie Anderson, latest addition to the Reno club, was blasted out of the box in the sixth, after having pitched a near-flawless game. Anderson, who won his initial start for Reno last Monday against the Pacific Greyhounds, was a little wild, allowing four bases on balls.

Neither team scored until the last of the third when Eastland ripped off a two-bagger to score Menante and Gomez. The Southern Pacific nine collected a tally in the first of the fourth, and the Garagemen retaliated by collecting three more in the fifth.

Nelson, of the S. P., started the merry-go-round in the sixth with a single, and was immediately followed by doubles by Labetich and Madruga. A single by Patch drove in a run to tie the score at five all. Parrish replaced Anderson on the mound for Reno, and four more runs were tallied by the visitors before they were retired.

Allows 10 Hits

The Garagemen drove in another run in the seventh, and a triple by Eastland resulted in a score in the ninth when Salinsen singled, with the final score remaining 8 to 6.

Ehlers, moundsman for the visitors, and who pitched for the Reno Garage team last year, allowed but ten hits, had three strikeouts, and gave four bases on balls.

S. P. Stores Down Reno

Ray Ehler Pitched Great Ball

The Southern Pacific Stores continued its winning streak by handing the Reno Garage Club an 8 to 6 defeat at Reno, Nevada. This makes only the second team to defeat Reno this year.

Ray Ehlers pitched great ball against his old teammates, allowing nine scattered hits. This game was played before a crowd of 2100 fans and was one of the most thrilling games played in Reno this season to date. Every player on the Southern Pacific team got one or more hits.

The game ended with the fans on their feet, when in the last of the ninth with one run already in and Salinson on first, Snyder, Reno catcher, hit to Ehlers, who threw to Fagundas at second getting Salinson, and then a quick underhand toss by Fagundas while off balance to Madruga to retire Snyder at first and complete the double play and end the game.

The heavy hitting of Fernandes, Nelson and Patch, the latter getting three blows in five trips to the plate, was a feature.

This makes four wins out of the last five games for the Southern Pacific, and a total of 34 runs scored in the last five games.

GAMES TOMORROW

Lincoln park—Ben's vs. S. P. Stores, 2:30 o'clock.
Washington park—Elk's vs. Tye's, 2:30 o'clock.

With the final game of the second round of the Alameda-San Jose league scheduled for tomorrow afternoon in Lincoln park at 2:30 o'clock between the leading Ben's Golden Glow and the last place S. P. Stores, the circuit is being revised for the home stretch.

SAN JOSE OUT

With the dropping of the San Jose Merchants because of inability to field a team regularly, only the four Alameda clubs—Ben's, S. P. Stores, Tye's and Elks—remain in the circuit.

Sunday's game brings together the unbeaten Ben's, who need only one victory to insure themselves of no worse than a tie, and the S. P. Stores boasting four victories out of five games last month.

If Ben's are able to sign Elmer Corbett, recently released by the Oaks, he will appear in the line-up of Manager Frank "Spec" Espina.

PITCHERS

With a pitching staff composed of Gunny Fagundas, Ray Ehlers, Steve Menetti and Gene Kersten, S. P. Stores are anxious to spoil Ben's unbeaten record.

With second place and the right to qualify for the championship play-off as the goal, the Alameda Elks and Tye's Hop Gold will clash in Washington park tomorrow afternoon at 2:30 o'clock.

S.P. Stores To Host Gustine Team

Elks Club on Picnic

Two baseball games—one in the Alameda city league and one independent—are scheduled here tomorrow.

Unbeaten in seven Alameda city league games, Ben's Golden Glow, winners of the mid-winter circuit, will clash with Tye's Hop Gold at 2:30 o'clock in Washington park.

HOME RUNS

Twice before the two clubs have met in league competition and each time Ben's came off victorious winning 8-0 and 9-7.

Home runs were features in both games, a long clout off the bat of Jimmy Rego over the far right field fence in Washington park was the deciding factor in the second Ben's victory.

Five home runs were hit in the two games as George McDermott and "Niggie" Silva each banged out a pair.

POPULAR CLUB

After losing a tough game to Ben's last week but in no way discouraged, the S. P. Stores will play host to the Gustine Merchants in Lincoln park at 2:30 o'clock.

Managed by Pat Cosentino and traveling almost 250 miles each Sunday to play ball, the Gustine club is one of the most popular out-of-town teams visiting here and made a big hit in the northern California championship tournament this year.

GAMES SUNDAY
Washington Park
Ben's vs. Tye's, 2:30 o'clock.

The shift in Alameda City Basebal league schedule for Sunday sends Ben's Golden Glow, undefeated leaders, against Tye's Hop Gold, instead of the Elks, in Washington park at 2:30 o'clock.

Ben's will be attempting to win its ninth straight game in the Alameda city league against Tye's which it has twice beaten by the scores of 8-0 and 9-7.

In Lincoln park, the Southern Pacific Stores will play an independent game against the Gustine Merchants, known as one of the most popular out-of-town teams in this section, and managed by Pat Cosentino.

The Gustine team boasts a fine club of young ball players and much credit is due them as they travel close to 250 miles each Sunday to play.

Gustine Merchants jumped on the Southern Pacific Stores in the first inning for four runs, but had the score tied, and in the last of the eighth Midge Fernandes crashed a home run with two ducks on the pond, which made the final score 9 to 6. Midge was robbed of another home run by Centerfielder Redman, who made a great running one-handed catch, landing on his back, but holding onto the ball. Gene Kersten started on the hill for the Stores, with Fagundas finishing. Tony Patch caught and got a double and single. Al Peacock connected for a triple and Berge a double. The battery for Gustine was Castro and Olivera; Machado came through with two doubles and a single, and Galatro got three hits. Allen Moore umpired a good game.

S. P. Stores 9, Gustine Merchants 6.

Jumping into an early lead, Tye's Hop Gold defeated Ben's Golden Glow, mid-winter loop titlist, and complicated the race in the Alameda city baseball league yesterday afternoon in Washington park.

When Tye's defeated Ben's, 8-5, it moved to within half a game of the second place Elks and the position that qualifies for the championship play-off.

EARLY LEAD

Ben's, already certain to be in the play-off, will play the team that finishes second a series for the title.

Starting on Jimmy Rego in the first inning, Tye's scored three runs when Andy Ivaldi walked, Bill Marriott sacrificed, George McDermott walked, Tony Krasovich singled scoring Ivaldi and then Thomas doubled to centerfield to drive in two more singles.

Ben's got two runs back in the fourth on singles by Al Swick, Ray Andrews and Vern Carter.

LATE RALLY

Tye's added another in the fifth and two each in the sixth and seventh to pile up a good lead, but Ben's could not close the gap despite the pair of runs in the sixth frame and then after two batters were out in the ninth tallied once when "Niggie" Silva tripled and Al Swick singled his across.

The Southern Pacific Stores spotted the Gustine Merchants to a five-run lead in the first two innings and then beat them out by a score of 9 to 6 in Lincoln park.

"Midge" Fernandes' home run to deep leftfield, with two on base in the last of the eighth, broke up a 6 to 6 tie and put the game on ice for Southern Pacific Stores. "Gunny" Fagundas pitched great ball after relieving Kersten in the sixth, allowing but three scattered hits for the rest of the game and striking out four. Little Tony Patch continued his hard hitting by getting two doubles in four trips to the plate, driving in four runs for the winners. Berge and Peacock hit two apiece, Berge a double and Peacock a long triple to centerfield.

The Espes were leading 2 to 0 ending the fifth. Steve Menietti had allowed only two blows and struck out 8. Starting this frame Steve jerked a vertebrae out in his back, but managed to strike out the first three batters before retiring from the game. Fagundas finished. Tony Rinella lifted one over the left field fence and Ed Church's hard line drive single took a high bounce over the outfielder's head and went for a circuit drive. Johnny Lombardi garnered two blows and Al Peacock hit two for the losers. Al Silva caught for Golden State and Tony Patch for the stores.

Bush Bushings

Calibre of the talent in the Alameda city baseball league was viewed last Sunday by "Dutch" Reuther, former major and Pacific Coast league pitcher, who is now scouting for the Chicago Cubs.

Reuther, it developed in his conversation with Alameda fans, was born in Alameda in the 1100 block on Union street.

LETTERS TO THE EDITOR

Mr. Jack Clark,
Alameda Times-Star.

Dear Jack:

Just how long do we have to wait before our dear "City Fathers" that rule the destiny of our wonderful city take action and give us more grandstand space at Washington park ballgrounds.

It seems to me it could be extended right down the third-base line. Also, Jack, we need boarding on the understand of all the cracks of our present grandstand and a wind break so that softball fans may enjoy themselves in the evenings.

J. T. HOLLINGS,
905 Pacific Avenue.

Near-riot enlivened the Ben's-Tye's game in Washington park last Sunday when Umpire "Pesty" Ryan tried to remove some non-uniformed persons from the bench.

Before the excitement subsided Ryan and Manager Frank Espina of Ben's had exchanged a few blows and Police Officer William G. Pries, who was off-duty watching the game, came down out of stands to preserve law and order.

Lashing out 14 hits and converting them into 11 runs, the Tye's Hop Gold won over the Alameda Elks 11-2 and moved into second place in the Alameda City baseball league yesterday in Lincoln park.

Before another record crowd in Washington park, the S. P. Stores of Alameda dropped a 5-2 decision to the Golden State Creamery in a non-league game.

BLASTED

Four home runs—two by Tony Krasovich, and one each by Andy Ivaldi and Axley—studded the Tye's attack as it blasted Charley Kasich on the mound for the Elks.

Tye's scored first on a walk to Thomas, a sacrifice by Escobar and a single by Axley and then the Elks evened the score when Butch Simas singled, Ellsworth sacrificed, Flynn was out infield and Jimmy Fayen hit safely.

Then Tye's launched their home-run attack as Ivaldi connected for four bases in the third, Krasovich cleaned the bases with another circut blow, Axley landed out a Ruthian swat and Krasovich connected for the second time.

HOME RUNS

On the mound for the S. P. Stores of Alameda, Big Steve Meniette chucked good ball for his club until the sixth inning when he pulled a muscle in his back and was forced to leave the game.

With his club leading 2-0, Eddie Church, Golden State hitter, banged out a line drive that took a high bounce over Al Peacock's head in centerfield, going for a home run.

EASTLAND HURT

Charles Eastland, heaviest slugger on the Reno Garage baseball team, was injured in Monday's game against S. P. Stores. In a collision with an opposing player, the Reno first baseman aggravated an old leg injury. Reno Garage lost the game, 10 to 5, with Fagundez hurling for the visitors; Piscovich and Jacobsen for Reno.

S. P. BEAT RENO ONCE

At Reno—where baseball plays an important role on their three-day rodeo celebration—the Southern Pacific Stores of Oakland, piloted by George Gerichten and assisted by Tony Patch, will meet the Reno Garage in a two-game series—the first starting tomorrow afternoon. In their only meeting this season, S. P. emerged victorious, being one of the few clubs to leave Reno with a win this year. According to Sam Alice, the team's trainer, Southern Pacific should make a double killing.

S. P. Stores To Travel

Alameda Club Plays Reno

Traveling to Reno, Nev., the S. P. Stores baseball club of Alameda will play two games over the two-day holiday in the "Biggest Little City in the World," it was announced by George W. Gerichten, manager.

Still smarting under the defeat handed them by the Southern Pacific early in June, the Reno Garage will be out to even things up.

Manager Gerichten has different ideas and he will pitch big Ray Ehlers, who already defeated Reno once, and then chose between Gunny Fagundas and Steve Meniette in the second contest.

GEORGE GERICHTEN, manager of S. P. Stores, reported **JACK THRELKEL** has increased the seating capacity of his park in Reno to 1800 and plays to sell-out crowds at 25 cents for ladies and 40 cents for men . . . Threlkel's park is better than any on the Pacific coast and the equal of some in the major leagues, according to Gerichten . . .

The Southern Pacific Stores made a clean sweep of their two game series with Reno by winning the second game by the score of 10 to 5. Espees gathered 12 hits off of pitchers Piscovich and Jacobsen Tobin getting 3, Robeck and Berge 2 apiece.

It look bad for the Southern Pacific Stores when Reno scored 4 runs in the secondon four hits, when Eastland singled to center, Loyd singled past first base, Baker was safe at first on a fielders choice filling the bases Inda popped up to Robeck, Snyder doubled to center, scoring Eastland and Loyd, Piscovich singled to left, scoring Baker and Snyder, Gomez was out Tobin to Madruga, Menanti was out Fagundas to Madruga.

Ehlers Pitches, Slugs Win Over Old Teammates

Salinsen Strikes Out Eleven, But Loses Contest

For the second time this season, Ray Ehlers has come back to Reno to beat Reno Garagemen, his former teammates, at Threlkel Park.

Big Ray, hurling for S. P. Stores of Oakland, limited the locals to ssven hits and saw his team win, 7 to 3, despite the yeoman efforts of Mike Salinsen. Ehlers was mighty at the plate, too, gathering a triple and double.

Salinsen celebrated his recent marriage by sending down 11 of the visiting batters on strikeouts. He fanned three in the first frame, two in the second, one in the third, one in the fourth, two in the eighth and two in the ninth.

But one bad innings, the fifth, saw the visitors score five runs on four hits, three of which were doubles by Fernandez, Robeck and Ehlers.

The two teams will meet again Monday afternoon, with Fagundas slated to take the mound for the Stores.

Charlie Eastland got most of Reno's hits Sunday, continuing his sensational slugging pace with a home run, double and two singles. Lloyd whacked a triple.

Reno Conquerors Back for Games Sunday, Monday

S. P. Stores, Oakland, Provide Garage Opposition

S. P. Stores, the ball team which handed an 8 to 6 licking to Reno Garage earlier this season, returns to Threlkel park for a two game series, Sunday and Monday.

Mike Salinsen, returning from his honeymoon, will take the pitching mound for Reno in Sunday's game, while the chucking chores for Monday's contest will be split between Paul Piscovich, Bert Parrish or Arnie Anderson.

Salinsen had a big day at bat when the Stores played here June 5. He collected four hits from Ray Ehlers, former Reno hurler, who now graces the Stores' uniform. Big Mike was married last Sunday and wants to celebrate the nuptials with a victory over the powerful Stores nine.

Ehlers will probably pitch Sunday's game against his old teammates, with Patch, who led the S. P. boys June 5 with three hits, as his battery mate behind the plate.

The rest of the S. P. lineup needs no introduction to Reno fans. Fernandez ss., Roebeck 2b, Nelson cf, Labeich lf, Madruga 1b, Berge 3b, and Fagundas ss, are all well known here as veteran semi-pro ball players.

Both games start at 2:30.

Aside from the rodeo, there were numerous other attractions for western Nevada's holiday pleasure-seekers. About 1000 baseball fans gathered at Threlkel Park to watch Reno Garage ball club lose its third straight game to S. P. Stores of Oakland.

S. P. STORES WIN

Southern Pacific Stores handed the Reno Garage a double beating, 7 to 3, 10 to 5.

Ray Ehlers turned his old teammates back with six hits. He also did his part with the willow, getting a triple and a double. Jerry Robeck and Arnold Berge got two apiece. Midge Fernandes drove in three runs with a double and single.

Mike Salinsen pitched for the losers, fanning 11. Mike walked the first man up in the first inning, and then struck out the next five. Eastland connected for a circuit swat, a double and single. Tony Patch caught for the Stores, and Snyder for Reno.

Piscovich started for Reno in the second game, and did not allow a hit up to the fourth inning, when seven runs were chalked up on six hits. Jacobsen stepped in with the bags bulging and no outs, and two of the seven runs were made off his delivery. The Espes' scored three more in the sixth.

Gunny Fagundas pitched for the winners, and had one bad inning, the second, in which four hits and two errors accounted for four runs. Dick Tobin led the hitters with three hard singles. Robeck and Berge got another pair. Gomez for the losers hit two, and Snyder the catcher, smacked a double. Tony Patch caught both games for the Stores. Six thousand fans witnessed the two games.

EHLERS DEFEATS FORMER MATES AS ESPEES WIN

Ray Ehlers, veteran chucker, put the pressure on his former teammates yesterday and led the Southern Pacific Stores of Oakland to a 7 to 3 victory over the Reno Garage at Threlkel park. A capacity crowd watched the ex-Garager keep his victory string for the season unbroken and score his second consecutive win over the wrecking crew.

It was Ehlers who kept the Garagemen from belting the ball with their accustomed vigor, and it was Ehlers who doubled in the first half of the fifth inning to spark the Stores to a five run rally and break up the ball game.

Mike Salinsen, on the mound for the Garage, was just as much the goat of the game as Ehlers was the hero. Big Mike pitched the best ball any Garage twirler has displayed this year. He achieved eleven strikeouts, no mean feat considering that the Espees are all good hitters. His stop of a ground ball in the eighth inning to toss to first for an out was sensational. But Mike didn't have the hitting behind him and although his mates backed him up by playing errorless ball, the ten hits he gave up were sharply swatted and well placed.

Mike walked the first man up, Fernandez, then proceeded to strike out the next five men to face him before Berge singled to left in the second inning. It looked a real chucker's battle as Ehlers gave up only two singles in the first and none in the second.

Ehlers came up to bat in the third and hit a three bagger to rightfield. He scored on a single by Fernandez. Gomez came in with the tying run after getting to first on an error, going to third on Eastland's single and taking home after the catch of Salinsen's high fly to centerfield.

Came the fifth frame and Fagundas singled. Ehlers smacked a double into deep rightfield sending Fagundas to third. Both came in on a double by Fernandez. Robeck got a hit to centerfield scoring Fernandez. Nelson, struck by a pitched ball, went to first. Peacock laid down a good punt to load the bags. Madruga's long fly scored Robeck, and Patch socked another long one to score Nelson. Berge finally was tossed out at first retiring the side.

The Wreckers staged a brief rally of their own in the fifth. Loyd's long hit struck the right field fence and was good for three bases, and Menante was out at first as his hit ball scored Loyd. After Gomez struck out, Eastland drove another ball to the rightfield fence and it was good for a home run. That ended the Garage scoring for the day.

Madruga got a single in the first of the seventh to score Robeck and made it 7 to 3 for the visitors. On several occasions the Garagemen were in position to score but Ehlers, backed by strong support, bore down to retire the side. The locals left eight runners stranded, while the visitors brought in all but three of their batsmen.

Hitting honors for the day went to Eastland who got four for four, including his homer, one of the few to be socked in the local park all year. Bob Baker performed well on third base while Berge handled the hot corner for the visitors in great shape.

The two teams were scheduled to play the second and last game of their current series tody at the park.

S. P. STORES WIN TWO STRAIGHT FROM! RENO GARAGE

Southern Pacific Stores of Oakland pounced on Reno Garage for seven runs in the fourth inning of their ball game yesterday to wind up on the long end of a 10 to 5 score, cop a two game series and run their string of victories over the locals to three straight.

For three innings Mike Piscovich, youthful Garage hurler, held the Stores in check. Only nine men faced him, and none got a hit. His mates rallied with perfect support, gave him a four run lead in the second inning, and things looked very rosy.

Then Piscovich and the rest of the team exploded, and when the dust settled, the visitors had the ball game sewed up. It went this way: Robeck drew a walk and Tobin was safe at first on a ground ball to right field. Nelson doubled, as the Garage booted the ball around, and Robeck and Tobin scored. Invaldi hit safely and got to second, as Nelson scored on an error. Labetich singled and brought Ivaldi in. Madruga drew a walk.

Lefty Jacobsen went in for Piscovich at this point and after some hard work, retired the side. Not before three more runs were scored, however. Berge singled and loaded the bags, when Patch finally fanned out. Fagundas singled scoring Labetich, and Robeck singled and brought in Madruga and Berge. Tobin hit one to Baker at third and he tossed to Menante for the third out, the score being 7 to 4.

The Stores added three in the sixth, helped by two Garage errors which put men on base, and another bobble which gave the visitors a run.

Reno's fourth inning splurge looked good. Eastland got to first on an error and advanced to second as Loyd bunted safely and Baker was safe on another bunt to load the bags. Eastland was injured sliding into third as Berge, leaping high to get the ball, brought his spikes down on the Reno first baseman's legs. Gomez ran for Eastland and came in on Inda's infield fly, which was muffed. Snyder doubled, scoring Loyd and Baker. Piscovich was safe at first and Gomez was out at first as Snyder scored. Menante finally was out at first retiring the side.

The Garage started a belated rally in the ninth but it fizzled. Snyder doubled, Jacobsen fanned and Snyder then stole third. Gomez singled, scoring Snyder. Menante singled, Salinsen flied out to centerfield and Menante was out trying to take second.

Nearly two thousand turned out for game again and agreed that the Garagemen weren't quite so bad as they looked. Things might have been different if Eastland had not been injured. Outstanding player was Berge, the Stores' youthful third baseman. Tobin of the visitors got three for five to take hitting honors.

Reno Garage will hook up with the Chinn Beretta nine of Sacramento Sunday.

S. P. Wins In Reno

Railroaders Capture Two Games

Handing the Reno Garage two defeats over the week-end, the Southern Pacific Stores baseball club of Alameda was home today considering its trip to Nevada a huge success after winning the first game 7-3 and the second 10-5.

Big Ray Ehlers defeated his old teammates for the second time this season, allowed but six scattered hits and struck out five, four in the last two innings. Besides pitching great ball, Ehlers hit a triple and a double. Fernandes, Robeck and Berge hit two apiece for the Espees. "Midge" Fernandes, besides playing errorless ball in leftfield, drove in three of the Espee's runs with a single and double in four trips to the plate. Mike Salinson, former Oak, pitched for Reno and struck out 11, but was nicked for 10 hits. A big fifth inning rally by the visitors, in which they scored five runs on four hits, gave the Espees a lead that the Nevadans could not overcome.

HITTERS

In the second game, held hitless for three innings, and trailing by four runs, the railroaders turned on the heat in the fourth, landed on Pitchers Piscovich and Jacobsen for seven runs and six hits to put them in the lead, and put the game on ice in the sixth by gathering another three hits which were good for three runs. Dick Tobin lead his teammates in hitting, gathering three blows in five trips to the plate. Robeck and Berge hit two apiece for the winners. Gomez hit two for the Garagemen. Ivaldi and Labetich made some great plays in the outfield, to keep the home town boys from scoring. Nelson made a great throw from deep rightfield in the last of the ninth to double a man off of second to end the game.

Gunny Fagundas pitched the second game, and his baffling curve ball had the Reno boys helpless during the entire game, he allowing only one earned run.

FIELDING STARS

Arnold Berge, young third baseman of the Espees, made several fielding gems on hard chances to retire runners at first base. Tony Patch caught both games and did a great job. Ted Madruga's fielding at first base was the talk of both games.

Southern Pacific Stores vs Tye's Hop Gold.
Sunday, July 10th, 1938.
Lincoln Park.

Southern Pacific Stores 2, Tye's Hop Gold 8.

Inability to hit in the pintches and too many errors spelled defeat for the Southern Pacific Stores in their game with Tye's Hop Gold, the final score being Tyes 8, Southern Pacific Stores 2. Mel Fagundas had a bad day at short and made three bad errors to give Tyes 4 runs. The Espees gathered 10 hits off of Vergil Verria, but left 10 men stranded on base.

Tyes started off in the last of the first when Ivaldi singled to right thru Madruga, Nielson was safe at first on Madruga's error, McDermott popped out to Tobin at second, Krasovich doubled to center, Nielson going to third, Thomas flew out to centerfield, Escobar flew out to center.

Tyes picked up another run in the second when Mesple led off with a walk, Farro sacraficed him along to second and was out Fagundas to Madruga, Vierra singled to center, Mesple scoring, Ivaldi forced Vierra at second, Tobin to Fagundas, Nielson fanned.

The winners picked up two more runs in the third, when McDermott fanned, Krasovich singled to left, Thomas flew out to left, Krasovich going to second after the catch, Escobar was safe at first on M. Fagundas's error, Mesple singled to center, scoring Krasovich and Escobar, Farro popped up to M. Fagundas at short.

Three more runs were added to the winners total in the fifth, when Spranger, batting for McDermott, after the later was thrown out of the game by umpire Pesty Ryan, walked, Krasovich forced him at second, Tobin to M. Fagundas, Thomas flew out to centerfield, Escobar walked, Mesple singled to center, scoring Krasovich, Farro singled to left, Escobar scoring when they attempted to get him at second and threw the ball into rightfield. (Kersten replaces E. Fagundas) Vierra fanned to end the inning.

The Espees scored their two runs in the eighth when Berge singled past third base, Labetich singled to right, Madruga popped out to short, Peacock bounced a single off of Vierra's glove, filling the bags, Patch singled to center, scoring Berge and Labetich, Kersten fanned.

Tyes scored the last and final run of the game in the last of the eighth when Vierra was out Kersten to Madruga, Ivaldi singled to center, Nielsen fanned, ~~XXXx~~ Spranger singled to left scoring Ivaldi, who had previously stole second, Krasovich singled to left, Thomas forced Spranger at third, Berge unassisted.

GAME SUNDAY:

S. P. Stores vs. Tye's Hop Gold, Lincoln park at 2:30 o'clock.

Umpires—Marty O'Toole and Pesty Ryan.

Firmly entrenched in second place—qualifying for the championship play-off—the Tye's Hop Gold will fight off a stubborn challenge by the S. P. Stores in Lincoln park at 2:30 o'clock on Sunday afternoon.

Out of the running, the S. P. Stores would like nothing better than to upset Tye's to partially redeem its season in the city league here.

Fresh from doubleheader victories over the Reno Garage, the S. P. Stores, according to Manager George Gerichten, is playing the best of the season.

Each team holds a victory over the other and both will be out to annex the odd contest. The S. P. Stores have finally hit their winning streak, capturing seven out of their last ten games and scored 71 runs in doing so.

Fighting Kibby Spranger won an uphill battle over the Elks in the last league game to move into second place and has no idea of giving it up now.

Traveling to San Jose on Sunday, the Ben's Golden Glow, Alameda's mid-winter champions, will battle the Tallant Tubbs club of that city in Graham Field at 2:30 o'clock.

In the city league here, Tye's Hop Gold will battle the S. P. Stores in Lincoln park at 2:30 o'clock.

Bush Bushings

Public address system in Washington park conducted by Walter Gross has been converted into a lost and found department.

Over the holiday week-end when he announced two games, Gross was instrumental in returning to terror stricken parents eight children of various ages and sexes as well as sundry articles.

Gross hit a new high in returning lost children when the Alameda police department picked up a little tot and, unable to locate its parents, struck upon the Washington park public address system.

Upon the request of the police officer Gross announced anyone missing one of their offspring could obtain the same by calling at the city hall.

The daddy did.

Rena B. Kimball, playground director, admits if it wasn't for the public address system she would have to open an orphanage.

Tye's Hop Golds retained their standing in the Alameda City League by turning back the Southern Pacific Stores, 8 to 2. "Kibby" Spranger, the old perennial, was forced to finish the game at third base when George McDermott was ejected from the game in the fourth inning by Umpire Ryan, after a heated argument over a called strike. "Kibby" drove out a sizzling single in the eighth to drive in a run. Virgil Vierra went the route for Tye's, while "Gunny" Fagundas and Gene Kersten toiled for the Espees. The sluggers were Krasovich with a double and two singles; Andy Ivaldi a double and single; Tony Patch, S. P. catcher, a double and single; Farro and Mesple two apiece. A fast double play was handled by Krasovich, Nielsen and Escobar.

RESULTS:

Tye's 8, S. P. Stores 2.

Playing its last game in the Alameda City league Tye's Hop Gold defeated S. P. Stores yesterday at Lincoln park, 8 to 2.

By winning yesterday, Tye's got a good hold on second place and the right to battle Ben's Golden Glow championship playoff. But winning its two remaining scheduled league games and a disputed contest with Ben's, the Elks may move into a deadlock with Tye's.

With the hits fairly even, exceptionally good fielding by Tye's and six errors by their own team kept S. P. Stores out of the running as they went scoreless till the eighth inning.

NEW PITCHER

Tye's first run came in the first inning when Krasovich hit a double with two runners on base. The second inning run was scored on a fielder's choice. Mesple singled in the third to bring home two runs.

In the fifth two walks, two errors and two singles scored three more runs. Krestin replaced Fagundas for S. P. Stores and allowed only one more run in the eighth.

S. P. Stores started a short-lived rally in the eighth when they got four singles to score their only two runs of the game.

FAST DOUBLE PLAY

Feature of the day was a sensational double play, Tony Krasovich to Hughie Neilsen to Carl Escobar.

George McDermott, third baseman for Tye's, was thrown out of the game by Umpire Pesty Ryan for arguing over a decision.

SOUTHERN PACIFIC STORES VS. BENS GOLDEN GLOW.
Sunday, July 17th, 1938.
Washington Park, Ala.

Southern Pacific Stores 7, Bens Golden Glow 9.

The Southern Pacific Stores continued to play in hard luck, dropping their game to Bens Golden Glow by the score of 9 to 7. Trailing 9 to 6 in the last of the ninth, the Espees filled the bags with none away, the next batter was hit by a pitched ball, driving in a run, making the score 9 to 7 and leaving the bases still full. Tony Patch, Espee catcher hit a line drive right over second base, for what looked like a sure base hit and a tie score, but the second sacker of Bens made a wild dive for the ball caught it backhanded almost on top of second base, touched second and threw the ball to first to beat Patch to the bag, completing a triple play and ending the game.

The Espees drew first blood when in the third inning E. Fagundas fanned, Fernandes doubled to center, Tobin beat out a hit to short, Berge walked filling the bases, Peacock walked forcing in Fernandes, Nelson singled to left, scoring Tobin and Berge was out a third when Peacock ran him off of third base. Madruga walked filling the bases again, M. Fagundas was hit by a pitched ball, forcing in Peacock, Patch forced Fagundas at second, Carter to Freitas.

Fagundas error, Freitas was safe at first on Berge's error, Stewart scoring, Bottome popped out to Tobin, Abrew doubled to left scoring Carter and Freitas, Peasano was out M. Fagundas to Madruga.

Espees went into the lead in the last of the seventh, when Berge singled to centerfield, Peacock sacraficed him to second and was out, Perry to Andrew, Nelson singled to third base, Madruga popped out to short, M. Fagundas hit a home run over the leftfield fence, scoring Berge and Nelson ahead of him. Patch was out Perry to Andrew.

In the first of the ninth Bens scored three more, when Perry beat out a bunt to E. Fagundas, Silva was safe at first and Perry was safe at second when Fagundas threw wild thrying to force ~~Silva~~ Perry at Second. Andrew doubled to center scoring Perry and Silva, Stewart popped up to Madruga at first, Carter flew out to Nelson in rightfield, and when Nelson attempted to threw Andrew out at third after the catch the ball got away from Berge and Andrew scored, Freitas fanned.

In the first of the eighth Bens cored three, when Stewart beat out a bunt to third, Carter singled to left, Freitas foreced Carter at third, Tobin to Berge, Bottome flew out to center, Abrew hit a home run over the left field fence, scoring Carter and Freitas aheand of him.

The Espees had their big chance in the last of the ninth, when Peacock walked, Nelson doubled to center, Peacock holding up a third, Madruga walked filling the bases, (Abrew went in to pitch for Bens) M. Fagundas was hit by a pitched ball, forcing in Peacock. GAMES SUNDAY

Ben's vs. S. P. Stores, Washington park, 2:30 o'clock.

Alameda Elks vs. Owl Drugs of S. F., Lincoln park, 2:30 o'clock.

Proceeds of the Ben's Golden Glow-S. P. Stores in the Alameda City league in Washington park on Sunday afternoon will be given to the family of the two small boys—Joseph, 5, and Timothy, 3—killed in a hit-run auto accident in Oakland early this week.

The boys, who were killed in an auto crash that stirred the entire East Bay, are related to Bill Gonslaves, shortstop for Ben's mid-winter championship team.

SHIFT LINE-UP

Last chance for the S. P. Stores to halt the constant winning Ben's Golden Glow will come on Sunday and Manager George Gerichten has shifted his line-up to capitalize upon the final attempt.

With Jerry Robeck back on shortstop, the S. P. Stores hope to have their infield straightened out and do not anticipate another batch of errors that gave Tye's six unearned runs last Sunday.

BAD BREAKS

Either Gunny Fagundas or "Lefty" Ehlers will do the pitching and both hurlers are reported in good shape.

Although S. P. Stores are destined to finish in the cellar they have played good ball most of the year and with a few lucky breaks would have finished much higher in the standings.

Ben's Golden Glow 9, S. P. Stores 7.

A triple play and a called home run featured the 9-7 victory of the Ben's Golden Glow, first half winners, over S. P. Stores in the Alameda City league yesterday afternoon in Washington park.

Rapid fire line drive off the bat of Tony Patch that looked like a sure single was snared out of the air by Coke Freitas who apparently came from nowhere to make the catch, touch second base and then whip a throw to first for the triple play.

HOME RUN

Then in the eighth inning John Abrew, Ben's catcher, came to bat and asked the announcer if the order for a case of beer previously won in the early frames by Midge Fagundas still went for a home run.

After a conference with the donor it was agreed that the prize still went.

Abrew said he would hit a home run.

And did . . . over the leftfield fence.

Oddly enough all the runs except the final one scored by S. P. Stores in the ninth inning were scored in groups of three.

TRIPLE PLAY

S. P. Stores scored first in the third inning with a trio of runs when Fernandes doubled, Nelson singled, to space three walks, an error and a hit-by-pitcher.

Ben's scored three runs in each of the sixth, eighth and ninth capitalizing upon five errors and 13 hits, including a home run.

S. P. Stores threatened to tie the score in the ninth inning when Al Peacock walked, Nelson doubled, Madruga walked and then Fagunas drove across a run to load the bases with none out.

But then came the triple play—Freitas to Ray Andrews and the scoring was stopped.

The score:	R.	H.	E.

Moore and Clayton; Solari and Costa.

The game played at Washington Park in Alameda between Ben's Golden Glow and the Southern Pacific Stores, for the benefit of the family of the two Kelly boys who were killed by a hit-and-run driver, netted $110.

A large crowd turned out to witness a thrilling game with a triple play made in the last of the ninth inning with the bases loaded, settling the issue. John Abrew, Ben's catcher, came from behind the log to take over the pitching duties when Pessano weakened and filled the bases with none out. Abrew hit Mel Fagundas to force in a run, and then Tony Patch smacked a line drive over second that "Cookie" Freitas speared back handed, touched second, and threw to first for a triple play, ending the game in Ben's favor, 9 to 7.

The Espees drew first blood in the third, scoring three; the Glows knotted the count in the sixth; Mel Fagundas' circuit drive with two mates on in the seventh put the Stores again in the lead; Abrew's four-ply swat in the eighth, and another three-run tally in the ninth settled the game.

ABREW TOPS HITTERS

Abrew led the hitters with his homer and two singles; Perry played a swell game at third, also getting a triple and single; Nelson, for the losers, smacked a double and two singles and Dick Tobin connected for two. Thursday night the Southern Pacific Stores meet Franco's Market at Santa Clara in a nocturnal contest. On Sunday they tackle the San Quentin All Stars in the prison grounds.

Death Driver Held in Jail

Aviator Fails to Post $25,000 Bail In Hit-Run Case

John Olsen, 22, of 1318 Lakeshore Avenue, who assertedly confessed to driving the automobile which took the lives of Joseph Kelly, 5, and Timothy Kelly, 3, and seriously injured Mr. and Mrs. Joseph Kottinger, of 546 East Tenth Street, last Monday night, remained in jail today in lieu of $25,000 bail, following a court appearance yesterday.

Olsen entered a plea of not guilty when he appeared yesterday for arraignment, accompanied by his attorney, John Felton Turner, before Police Judge Chris B. Fox. Neither Turner nor his client disclosed any plans for defense, at the preliminary hearing, July 27.

Bail on two charges of manslaughter was set at $20,000, and on one charge of failure to render aid after an accident, at $5000. The charges, if Olsen is convicted, carry possible maximum sentences of from three to 25 years imprisonment.

Funeral services for the Kelly children, sons of Mr. and Mrs. Daniel Kelly, were held yesterday from the East Lawn Chapel of Mary Help of Christians Church, where mass was said. Eight boys from St. Bernard's Catholic School served as pallbearers. Interment was at St. Mary's Cemetery.

It was announced today that the baseball teams of the Southern Pacific Stores and Ben's Golden Glows, prospective entrants in The Tribune's State Championship Tournament in September, will play a benefit game Sunday at the Alameda Ball Park, with the proceeds to go to the Kelly family. Mrs. Eva Kelly is a sister of Billy Gonsalves, semipro baseball player.

Ray Perry Outstanding Prospect in East Bay

BY DAN DORCEY

PAT PATTERSON, former Santa Clara student and now a pitcher with Franco's Market, has possibilities of making a living in professional baseball. Patterson last night pitched the Franco's Market of San Jose to a 4 to 1 triumph over the Southern Pacific Stores before 700 fans at the Santa Clara ball yard.

Towering better than six feet and only 21 years old, Patterson has one of the best fast balls we have seen around these parts of the country. He throws overhand, sidearm and underhand but is at his best with his overhand pitch. He's so quick that he has the ball past the batters before they take the bat off their shoulder. His record of striking out 10 and issuing only two hits is evidence that he's mighty fast.

* * *

WILD, BUT EFFECTIVE

Patterson is a wild man, wild enough to be effective for last night he tickled two men in the ribs—Labetich and Menietti—and hit Frank Peacock in the elbow. He also worked the batters to three and two, then either walked them or they'd pop up. He issued six free passes.

The first man to touch first base off of Patterson was Mel Fagundas when he rapped the horsehide pellet for a double into right field in the third inning. Charley Nelson, outfielder, was the other batter to hit safely off of the tall righthander, blasting a single into right field in the eighth.

Southern Pacific Stores, one of the better East Bay teams, started Steve Menietti on the hilltop and he was yanked in the fourth after the Franco nine had tallied four times. Dick Tobin held the San Jose grocerymen scoreless for the remainder of the contest, allowing only four bingles. Franco's scored 10 hits during the game and made one boot.

Martinez, second sacker for Franco's, played a nice game, getting two for four, one a triple. Montilla and Jelinich were also sluggers for the winners, getting two hits apiece.

SAM ALIS HAS PROSPECT

Sam Alis, trainer for the S. P. Stores, was talking in the clubhouse about a young prospect in the East Bay that he believes should make the major leagues some day. The lad is Ray Perry, scrappy third sacker now with Ben's Golden Glow. Not even out of high school, Perry has plenty of power in his shoulders for his age and hits the ball right on the nose for distant bingles. He's a flawless fielder and was a big hit in last year's Oakland semi-pro tournament. According to Alis, Perry loves to play baseball and hopes that some day he may find himself in the professional ranks. We saw him in the tournament and he looked mighty sweet to us.

With Franco's Market of Santa Clara as its opponent, the Southern Pacific Stores of Alameda will play its first night game of the 1938 season on the latter's home field this evening.

Battery for the Alameda club will be big Steve Meniette as pitcher and Tony Patch as catcher, it was announced by Manager George Gerichten.

S. P. Stores To Play Night Baseball

Traveling, the Southern Pacific Stores of Alameda will play its first night game of the season tomorrow evening under the lights against Santa Clara on its home field.

Manager George Gerichten has selected his battery with Big Steve Meniette to pitch and Tony Patch to catch.

The game under the arcs will prepare the S. P. club for the Tribune tournament, set for September.

Don Bernal, Andy Ivaldi Top Hitters For 1938 Ball Season Here

First of a three-game series to determine the Alameda city baseball championship will be held in Washington park on Sunday afternoon when the Ben's Golden Glow and Tye's Hop Gold clash at 2:30 o'clock.

Losing only one league game this season, Ben's enter the playoff as a favorite and Manager "Spec" Espina plans to throw "Bud" Lindsten and Jimmy Rego against his arch rivals, Tye's.

With a well-balanced club, Tye's piloted by the noisy "Kibby" Spranger, had early season pitching trouble, but is now hitting on all cylinders.

Slashing the ball for an average of .444, Don Bernal, Elks outfielder, is leading the Alameda city league batting race.

Carl Escobar Bangs Out Home Run

Ninth Inning Bunt Ties Game

Laying down a near-perfect bunt in the ninth inning, Ben's Golden Glow captured what spectators claimed was one of the most thrilling games seen in Washington park in years and defeated Tye's Hop Gold 6-5 to win the first of the three-game series for the Alameda city baseball championship.

Trailing 5-4 going into the last half of the ninth inning, Ben's scored twice to come-back and win the game.

PERFECT

Vern Carter opened the inning with a double, and then advanced to third base on an infield out. Off third base on the pitch, Carter was safe at home without a play being attempted upon him as Coke Freitas, batting for Pitcher Frank Pesano, laid down a rolling bunt.

With the score tied and Ben's full of confidence they went on to won. Ray Perry walked and crossed the plate when Al Swick doubled into right centerfield.

Elmer Corbett's attempt to catch Carl Escobar's home run drive was a great piece of fielding in spite of the fact that he dropped the ball. Corbett leaped high to try for the ball, but he struck his head on a fence post and was stunned momentarily.

Ben's scored in the first inning on three singles, but Tye's came back and converted two singles, a walk and Escobar's home run which Corbett gloved before he crashed into the fence and dropped it into four tallies.

Tye's scored another run in the fourth after two batters were out when Andy Ivaldi walked and then Kibby Spranger doubled into centerfield.

Next Sunday the two teams will play the second game of the series in Lincoln park.

On Friday night Ben's lost to the Grace Brothers of Richmond 8-2 for the benefit of the Kelly family in the Oakland Pacific Coast league ball park.

Face Sausalito In Lincoln Park

After defeating the Keystone club last week in a close game, the Southern Pacific Stores of Alameda will take on the Sausalito Merchants in Lincoln park on Sunday afternoon at 2:30 o'clock.

The Merchants are one of the best clubs from Marin county, and have been defeating the best clubs from San Francisco.

Southern Pacific Stores are preparing for the big tournament and are adding new players to their roster. Last Sunday young Harold Eckhardt, playing his first game with the Espees looked very good at short, handling seven chances without an error and getting a good base hit to center in three times at bat. Al Drolett, veteran catcher, is again back in Alameda and will be seen in uniform with the Southern Pacific Stores next Sunday. On the mound for the Espees will be Eddie Collins from San Francisco, a young, fast ball pitcher who was signed up this last week and who comes highly recommended.

S. P. Stores Win, 5-2

Sausalito Merchants Downed

Playing the best brand of ball it has displayed this season, the Southern Pacific Stores of Alameda took the Sausalito Merchants into camp by the score of 5 to 2.

Eddie Collins, San Francisco boy, pitching his first game for the Southern Pacific Stores, turned in a great game, allowing six hits and striking out six. Al Drolette, recently returned from Grants Pass, Ore., caught a fine game and hit a double and a single. "Midge" Fernandes, besides hitting two, made a great running one-handed catch in leftfield. Glows, Golds In Title Tilt

Second Game of Alameda Loop on Tap Tomorrow

By ART MACY

Holding one victory over Tye's Hop Gold, Ben's Golden Glow will attempt to cop the odd game tomorrow and end the series for the championship of the Alameda City League.

The Glows' great problem is pitching. "Bud" Lindsten pitches during the week in the refinery league for the Flying A's and is not always at his best on Sunday. Jimmie Rego should carry his club through the series, but Manager Frank Espina can never depend on him putting in an appearance. Frank Pessano has been carrying the brunt of the burden, doing a fine job, and will probably get the call Sunday. Jay Ryan has returned from Dunsmuir and will take his place in the lineup.

Three thousand fans witnessed last Sunday's game at Washington Park, which was won in the ninth inning.

"Kibby" Spranger of Tye's Hop Golds will start big Russell Leslie, and if the big boy has one of his good days he may shut the door in the face of Bens' sluggers.

GAME AT LINCOLN

Sausalito Merchants have filed intentions of entering The Tribune tournament, and play the Southern Pacific Stores at Lincoln Park tomorrow. The Merchants have a good young pitcher in Ashoff, who has quite a strike-out record. He will toe the mound against the Espees, with "Skid" Scoddero behind the log. The balance of their lineup as they come to bat is: "Pongo" Guerrero, cf; Earl McLaughlin, ss; George Rettig, 3b; Jay Walsh, 1b; Eddie Noakes, lf; Hughie Venturi, rf, and Dick Rugoni, 2b.

Champions Hit Ball Hard

"Bud" Lindsten Pitches Well

Helpless before the pitching of "Bud" Lindsten, paralytic chucker, Tye's Hop Gold bowed to Ben's Golden Glow 15-2 and the west end club became the Alameda city baseball champion yesterday in Washington park.

Already mid-winter champion, Ben's became all-year around king when it rained home runs, triples and doubles all over the park to score in every inning up to the seventh and pile up 15 tallies.

CHASE PITCHERS

Ben's landed on four pitchers, starting off by scoring three runs in the first inning on two walks, a single and then a home run by Elmer Corbett and did not let up until it chased Leslie, Jimmy Vierra, George McDermott to the showers and had Andy Ivaldi, an outfielder, toiling on the mound.

Lindsten on the mound for the winners did not allow a hit until the fourth inning when he was touched for a long single.

Al Swick, Ben's outfielder, had a great day on defense, saving at least four hits with fancy running catches.

LONG FLY

Tye's scored in the late inning when Axley led off the eighth with a double to rightfield, advanced on a fly ball and scored on a ground run and crossed the plate on Cal Escobar's double.

"Ming" Sobrero, co-sponsor of Ben's ,announced the championship game had been dedicated to Henry Littlewood, who is confined to the Veteran's hospital in Livermore.

Colored Giants Clash With Railroaders In Washington Park

Alameda baseball clubs—S. P. Stores and Ben's Golden Glow—are playing host to San Francisco and Oakland teams in the parks here on Sunday afternoon.

In Washington park, the S. P. Stores battle the California Colored Giants in a return game at 2:30 o'clock.

In Lincoln park, Ben's clash with the American Building Maintenance of San Francisco featuring the appearance of Mark Koenig, veteran world series star on second base.

The Giants are entered in the coming Tribune tournament and are rated as the best colored club playing ball in the northern part of the state. They are not strangers to Alameda fans as they have played on the Alameda diamonds several times this season and each time have displayed a good brand of ball. The Southern Pacific Stores hold a 4 to 3 decision over them, in their meeting last May. To the 4000 fans who were in attendance at Washington park that Sunday, most of them still remember the many thrills that were enacted in that close and exciting game. Southern Pacific boys have finally hit their stride and with the addition of Hal Eckardt at short and Peacock at second, besides the addition of Al Drolette sharing catching honors with Tony Patch, the Espees are going to be hard to beat from now on.

The Southern Pacific Stores of Alameda have been accepted in the sixth annual Tribune California state championship tournament. This will be the sixth time the railroaders have been entered in this classic, finishing in the money the first four times and last time being eliminated just one game out of the pay off. Nothing would please the Espees more than to bring the championship back to Alameda.

Building for the Tribune tournament, Ben's are trying out two new fast ball pitchers from San Francisco—"Lefty" Tataro and "Butch" Moran — against the American Building Maintenance club from across the bay.

Pitchers In Real Battle

Bad Hop Starts Defeat

Bad hop over a fielder's head broke up a pitchers' battle between "Slim" Berry and "Gunny" Fagundas and gave the California Colored Giants a victory over the S. P. Stores 3-2 in one of the best games ever to be played in Washington park.

Going into eighth inning leading 2-0, the S. P. Stores appeared destined to win, but its bad luck caught up with it all at once.

TROUBLE

Fagundas, who had allowed only two hits—one an infield tap and the other a single to centerfield—was nicked for a double by Pitcher Berry after an error. Fagundas then showed some real curve ball pitching by fanning Thompson and Stout in succession to make it two outs.

Then came the bad break as Logan hit an easy roller to Ted Madruga, who needed only to field the ball and step over the bag. But it took a bad bounce and rolled into right field as two runners crossed the plate.

DROVE HOME

The winning run came a minute later when Grant rifled out a double to score Logan.

Southern Pacific runs came in the second inning when Eckardt walked, Madruga was hit by a pitched ball, Second Baseman Fagundas sacrificed them along and Pitcher Fagundas drove them home with a rightfield single.

SEMIPRO BASEBALL GOSSIP

By Art Macy

California Giants look to be one of the best Negro teams to ever compete in The Tribune tournament. Their win over the Southern Pacific Stores, 3-2, was the outstanding game of Metropolitan Oakland.

The Stores scored two in the second, when Fagundas cracked a long single to drive in two mates who were on. The Giants did not score until the eighth, Logan was safe on an error; Berry doubled, scoring Logan; Fagundas fanned the next two; a bad hop over Madruga's head allowed Berry to score, and a double scored the third run. Fagundas pitched five-hit ball, and allowed only two blows up to the eighth inning. Tony Patch caught. Mike Berry pitched for the Giants, gave six hits, and Cherry caught. Berge and Eckhardt played nice ball at third and short.

S. P. Stores to Play Final 1938 Game Sunday

Playing its final game of the 1938 season at home, the Southern Pacific Stores of this city will battle the Union Oil team in Lincoln park on Sunday afternoon at 2:30 o'clock.

Then, next week, the S. P. Stores will play two games over Labor day, returning to compete in the Oabland Tribune night tournament in the Pacific Coast league park, which opens Sept. 25, it was announced by Manager George Gerichten.

Final game of the current season is scheduled at Reno, Nev., against the Reno Garage club on Oct. 2.

Reno club has lost only four games this year and the S. P. has administered three of those four defeats.

When the S. P. Stores go to Scotia, the Pacific Lumber Co., hosts for the two games, have promised a gigantic barbecue consisting of seven whole steers, enough to feed everyone.

Playing its final game of the 1938 season in Alameda, the S. P. Stores sharpened its team for the Oakland Tribune semi-pro championship by defeating the fast Union Oil team from Oleum by a score of 7-2 yesterday.

In a vain attempt to halt the S. P. Stores, the Union Oil club used three chuckers, but the railroad team had on its hitting togs.

"Lefty" Hardt, Stewart and Ray Ehlers, former Espee hurler, were all batted around by the hard hitting S. P. sluggers.

Ehlers pitched good ball, striking out 11 in the six innings he chucked, but suffered a bad seventh frame when Tony Patch, hard-hitting midget catcher, got hold of his fast one and drove it into deep centerfield with a runner on board for a home run.

The second game was one of the features of the annual Pacific Lumber Company employes' picnic which was attended by 3000 people.

The Lumberjacks outhit their rivals 12 to 9 in the second game but Southpaw Mickey McKay issued eight free passes to give the invaders an edge. It was hard-fought all the day with Scotia holding a 9 to 7 lead at the end of the sixth. S. P. pushed over two runs in the seventh and the winning run in the eighth.

Ellis of Scotia and Nelson of S. P. smacked home runs.

Alameda Club To Play In Tourney

Games Set Sunday And Monday

Leaving in its private Pullman, the Southern Pacific baseball club of Alameda will travel to Scotia to play two games—Sunday and Monday — against the Pacific Lumber company's crack team of that city.

With the same team it plans to use in the Oakland Tribune California state championship baseball, the S. P. squad will leave at 8:30 o'clock tomorrow night for the trip.

In the tournament, the S. P. Stores drew No. 24 and do not play until the final game of the first round and then they face the fast Golden Gate Creamery, No. 5 in last year's tournament.

This will be the railroaders first trip to Scotia and they are anxious to play their best brand of ball so as to make a good impression and polish their signal and strategy for the big tournament.

STORES BOOK TWO GAMES

Southern Pacific Stores play the Pacific Lumber Company Sunday and Monday at Scotia. George Gerichten has arranged to have their special Pullman attached to the Northwestern Pacific, and they will leave the Ferry Building at 8:30 p. m. The opposition is to be an All-Star team selected from the Redwood League: Scotia holds open house at this time each year; seven steers will be sizzling over the barbecue pit, and the visitors are looking forward to a great time.

Southern Pacific Stores vs. Bens Golden Glow.
Saturday, Sept. 17th, 1938 9:00 P.M.
Coast League Park, Emeryville.

Southern Pacific Stores 1, Bens Golden Glow 0.
(14 innings.)

In what the judges allowed was the best game ever to be played in any of the Tournaments todate, Southern Pacific Stores of Alameda went fourteen innings to defeat Bens Golden Glow, also of Alameda by the score of 1 to 0. "Gunny" Fagundas of Espees and Bud Lindsten of Bens hooked up in one of the greatest pitching exhibitions ever seen at any of the Tribune Tournament games todate. Fagundas holding the hard hitting Bens to seven scattered hits while his teammates were collecting six hits offof Lindsten. Patch for Espees and Lindsten for Bens did all of the heavy hitting, each getting three blows apiece. The only extra base hit of the game was a double by Stewart, center fielder of Bens, in the last of the fourteenth inning, but Fagundas struck out the next batter to end the game.

A perfectly executed squeeze play in the first of the fourteenth spelled victory for the railroaders, when withLabetich on third base and Eckardt on second with one away, "Midge" Fernandes laid down a perfect bunt while Labetich tore across the plate with what prooved to be the winning run of the game. Fagundas had such perfect control that he did not walk a man in the entire 14 innings he pitched. Twice when Bens threatened to score fast double plays killed off their chances..

It was well after 12:30 in the morning when openign the fourteenth inning Labetich slashed out a single to right. Eckardt was safe at first on a fielders choice and Labetich was safe at second on Lindsten's error. E. Fagundas sacraficed both runners along and was out, Lindsten to Andrews. Fernandes, with the squeeze sign up, dumped a perfect bunt between third and the pitchers mound, while Labetich tore across the plate with the one and only score of the game, Lindsten just barely tossed Fernandez out at first. Madruga flew out to leftfield.

S. P. Stores Eliminate Ben's 1-0 After 14 Innings in Tourney

Eliminating Ben's Golden Glow, Alameda city champions, in what was described as the best game to date, the S. P. Stores won over its city rivals 1-0 after fourteen innings in the sixth annual Oakland Tribune's semi-pro baseball tournament yesterday in the Pacific Coast league park in Emeryville.

Tomorrow night, the Southern Pacific club battles its old rivals the Pacific Greyhounds in the third round of the tournament.

STRUCK OUT

In what was probably the best pitching duel in the Oakland park this year, "Gunny" Fagundas of the S. P. and "Bud" Lindsten of Ben's clashed.

With perfect control and his baffling curve ball breaking nicely, Fagundas did not walk a man in the entire game, struck out seven and allowed only seven bingles.

Squeeze play in the first of the fourteenth with Captain "Midge" Fernandez laying down a bunt in front of Pitcher Lindsten as "Brute" Labetich streaked for home.

Labetich, who played great ball in rightfield, making some great running catches, opened the fourteenth with a clean single.

Then Eckardt sacrificed and all hands were safe when Lindsten threw bad to second in an attempt to beat Labetich to the bag.

Fagundas advanced the runners with a bunt and then the stage was set for Fernandez' squeeze play.

In the last of the fourteenth and with two outs, Stewart, rightfielder, hit one for two bases, but "Gunny" was the master of the situation and fanned Pinch Hitter Franks to end the game.

Tony Patch, besides catching a great game for the S. P., gathered three of his club's six hits, and Hal Ekhardt played stand-out ball at shortstop.

TOURNEY MOUND DUEL GOSSIP AMONG FANS

The mound duel which Gunny Fagundas and "Bud" Lindsten staged at the Oaks' ball park when the S. P. Stores managed to remain in the running for the State semipro title by defeating Ben's Golden Glow of Alameda, 1 to 0, in 14 innings, is still hot gossip despite the no-hit, no-run game which Russ Leslie pitched for Tye's Hop Golds last night.

Fagundas did not allow a walk in the 14 innings. Three of the nine hits he allowed were made by Lindsten on his first three trips to the plate. It was one of the best pitched games in State tourney history.

Fans who missed the game have written in to get a glimpse at the box score, which tells part of the story. It follows:

S. P. STORES WIN 1 TO 0

The most interesting contest and by far the best played this season in the tourney was the Southern Pacific Stores-Ben's Golden Glow tilt, a hard game for either pitcher to lose. Gunny Fagundas and Bud Linstren hooked up in a 14-inning mound duel and the S. P. Stores won on a squeeze play. Linstren fanned 12 and walked five while his winning mound opponent fanned seven and issued no walks. Great pitching in any league.

A familiar face missed in the Alameda league this year is that of Billy Gonsales. Billy played with Ben's last year and was instrumental in its winning the league.

S.P. Stores Open Sunday

Alameda Clubs Resume Play for 13th Consecutive Season

With appropriate exercises, the Southern Pacific Stores Baseball club of Alameda will open its thirteenth consecutive year against the Verdi club of San Francisco, runnersup in the Golden Gate Valley league, on Sunday afternoon at 2 o'clock in Lincoln park.

Both officials of the city of Alameda and the Southern Pacific company will participate.

IVALDI RETURNS

Last year's team has been entirely revamped and many new faces will be found in the lineup this season. Andy Ivaldi, with Peterson's and Tye's last year, and prior to that centerfield for the Southern Pacific Stores for many years, returns to his old team and will hold down third base. Andy is regarded as one of the greatest hitters and fielders in semi-pro ball. Tony Pacheco, who played such sparkling ball for Alaska Packers this winter, will play short and his brother, George, will hold down second base. George was a sensation with his hitting and fielding for Bercovich in the Alameda city league just concluded. First base will be taken care of by Ted Madruga, flashy lefthander, who returns from last year's team and "Jug" Mandish, who is a slugger and who also is quite a pitcher with Mickey's Inn of the Bayview league.

TONY READY

Tony Patch, in a class by himself in the catching department, will again hold down that important position. Tony was catcher for the winning Langendorf Royal Team in the Golden Gate Valley league of San Francisco and was one of the first ten in hitting. Statistics show that he smacked the apple for a cool .346.

In the outfield, Captain "Midge" Fernandes for the thirteenth consecutive year will hold down leftfield, besides running the ball club on the field. Fernandes is one of the smartest ball players in the business and has been the spark plug of the Southern Pacific Stores Team for the past twelve years. Centerfield will be taken care of by Charlie Nelson, slugging fielder of the Champion Langerdorf Royal Team and teammate of Tony Patch. "Brute" Labetich will patrol rightfield for the thirteenth consecutive year and is hitting the ball harder than ever.

PITCHERS

Southern Pacific Stores has an exceptionally strong pitching staff in "Gunny" Fagundas, better known as "Ace," and one of the leading pitchers of the Bayview league. "Gunny" has had a successful winter helping Mickey's Inn win the championship. Leno Corazzo, fire ball pitcher, formerly with Grace Brothers and one of the leading pitchers of the East Bay for the past several years, has joined the Southern Pacific this season and looks forward to having a great year in Alameda. For its lefthander, Southern Pacific has signed John "Lefty" Fernandez, strikeout king, whom everyone knows for his great pitching in the past three or four Tribune tournaments.

NEW UNIFORMS

Southern Pacific Stores, the oldest semi-pro team now playing ball in northern California, will open its 1939 season by being completely outfitted in new uniforms which will be the classiest in the East Bay. The words Southern Pacific will be across the front of the suits. On the left sleeve there will be a shield on which will be a baseball with the word "Alameda" across it. On the back of the uniforms there will be a reproduction of the famous locomotive of the crack streamline train Daylight Limited.

PLAN TRIPS

Sam Alis, Alameda trainer, will again be with the Southern Pacific Stores and promises to have all the players in A-1 condition for the opening game.

The team will travel up and down the state meeting the better clubs of the various towns and cities. They will for the eighth consecutive year take on their old rivals, Jack Threlkel's Reno Garage Team, in a trio of games at Reno. On Labor Day, September 3 and 4, they will again travel to Scotia for a doubleheader and this again promises to be the biggest trip of the season.

The Southern Pacific Stores, who were rained out of their opening game last Sunday, will open their season next Sunday at Washington park when they play the Southern Pacific team of Sacramento. Those who stay in town for this game, will also see new suits flashed before them, when the Alameda S. P. team wears theirs for the first time.

S.P. Opens '39 Season On Sunday

The Southern Pacific Stores baseball club of Alameda will open its 1939 season Sunday at Lincoln Park, Alameda, when it meets the Verdi Club from San Francisco, runners-up in the Golden Gate Valley League just concluded. For the thirteenth consecutive year the Southern Pacific will field one of the strongest semipro ball clubs in the State.

The usual opening day ceremonies will precede the game, in which officials of both the city of Alameda and the Southern Pacific Company will participate. As an added attraction the famous Southern Pacific Band, consisting of 60 pieces, will be on hand and will give a concert before the game.

Last year's team has been entirely revamped, and many new faces will be found in the line-up. Andy Ivaldi, with Petersens and Tyes last year and who prior to that was center fielder for the Southern Pacific for many years, returns to his old team and will hold down third base.

PACHECO AT SHORT

Tony Pacheco, who played for Alaska Packers this Winter, will be at short, and his brother George will hold down second base.

First base will be taken care of by Ted Madruga, left-hander who returns from last year's team, and Jug Mandish, slugger and also quite a pitcher, helping Mickey's Inn in the Bay View Leage win the championship.

Tony Patch will again catch.

NELSON IN CENTER

In center field will be Charlie Nelson, slugging outfielder of the champion Langendorf Royals. Capt. "Midge" Fernandes for the 13th consecutive year will hold down left field, besides running the club on the field. "Brute" Labetich will patrol right field, the same position he has held for the past 11 years.

Southern Pacific Stores will have an exceptionally strong pitching staff in "Gunny" Fagundas, one of the leading pitchers in the Bay View League this Winter. Leno Corazzo, fireball pitcher formerly with Grace Brothers, has joined the Southern Pacific Stores this year. For a lefthander Southern Pacific has signed John (Lefty) Fernandez, strike-out king, a star in the past four Tribune Tournaments.

Sam Alis, famous trainer from Alameda, will again be with the Southern Pacific Stores and promises to have all the players in A1 condition for the opening game.

SEMIPRO BASEBALL GOSSIP

By Art Macy

Rain spoiled a perfectly good baseball program for Sunday and the athletes had to be satisfied getting their base hits in the hot stove league.

Harry Skow, skipper for Grace Bros.' Beer tossers, and president of the Baseball Managers' Association, is convalescing in a quiet place in Richmond. Harry, recently confined to a Richmond hospital when an operation was necessary, will soon be out on the ball field an entirely new man. As a man of much avordupois, Harry will now look the part of a trained athlete.

The Standard Oil Interrefinery League will get under way about the first of May. The veteran, Tom Shea, who is now 72 years of age but does not look a day over 55, will again have the First and Macdonald Park in fine shape. Tom has seen many ball players come and go in his time and when it comes to talking baseball is an interesting character. Some of the best players in this section participate in this league and last year after a close race the Mechanics copped the bunting.

IANNARELLI HERE

Scouting for the Philadelphia Stars, members of the Negro National League, M. A. Itnnarelli will pay our Eastbay a visit in the near future to watch some of our fast Negro teams in action. Recognized as a hotbed for budding talent, where baseball is played the year round, our section is a haven for scouts of both races. Running in direct competition to the American and National Leagues on the Atlantic Coast, the Negro National League is composed of such fast clubs as the Philadelphia Stars, Homestead Grays, Pittsburgh Crawfords, New York Black Yankees, Newark Eagles and the Elite Giants. Players on these clubs command salaries much in comparison to our big league stars.

THIRTEENTH YEAR

Opening their 13th consecutive year of Summer play the Southern Pacific Stores of Alameda will open at Lincoln Park next Sunday against the Verdi Club of San Francisco.

Manager George Gerichten predicts the Espees will have one of their best years. While many of the original players are still on the team, new talent has been added in all departments, that make the Stores look like this year's Tribune tournament champions.

"Midge" Fernandes will again captain the team and their schedule includes games throughout the State. The longest jump is to Reno, Nevada, where they engage in a trio of games with Jack Threlkel's Reno Garage, while over Labor Day, September 3 and 4, a double header is to be played at Scotia.

CEREMONIAL OPENING

Opening ceremonies at Lincoln Park will be celebrated with much pomp and dignity. The famous 60-piece Southern Pacific band will be there to render a concert; the ball club bedecked in brilliant new uniforms, will rival our Oaks; officials of the City of Alameda and of the Southern Pacific Company, will be there to wish the boys luck.

Piedmont Parlor 120 N.S.G.W. baseball club, under the capable managment of Jim Dignan, is now ready to schedule a few practice games in preparation for the Native Sons League. The boys have been limbering up with games among themselves for the last couple of weeks and feel they are ready to go. The Piedmont Natives always end their schedule with the annual Married and Single Mens' game at the Coast League Park.

S. P. Stores Play Sunday

Face Sacramento Club

Only one baseball game is scheduled in Alameda on Sunday.

S. P. Stores baseball club of Alameda will play host to the S. P. Stores baseball club of Sacramento in Washington park at 2:30 o'clock.

REAL CROWD

Rained out last Sunday when it was to open its thirteenth consecutive year of semi-pro baseball, the S. P. club of Alameda plans to substitute with a real crowd this week-end.

Three cars of rooters are expected to leave the Capitol City at 8:30 o'clock and arrive at 10:30 o'clock at the Sixteenth street depot, Oakland.

Johnny Fernandez was borrowed from Southern Pacific by Ben's last Sunday and pitched a swell game. Fernandez is only about five feet, seven inches tall but has a real fast ball. He struck out eight of the Pine team last Sunday. He also had perfect control, as he did not issue one free pass in the whole game.

Clash of colors will be in evidence when Ben's Golden Glow clash with the Southern Pacific Stores in the near future. Both clubs will be strutting their best stuff with their new uniforms.

S. P. Stores team opens its summer season next Sunday at 2:30 o'clock against the Verdi club of San Francisco in Lincoln park.

Due to wet grounds, the opening game of the Southern Pacific Stores club of Alameda will be postponed until next Sunday when it battles the Southern Pacific club of Sacramento here.

S. P. Stores was scheduled to meet the Verdi club of San Francisco yesterday to open its thirteenth consecutive year of play, but Lincoln park was deemed too soggy despite clearing skies.

S.P. to Play Solon Club

Washington Park Will Be Scene Of Big Celebration

By ART MACY

With the cancelling of many semi-pro games it is evident that baseball players are to take a prominent part in the Easter Parade.

Despite the fact the games are few they are nevertheless good.

The Southern Pacific Stores, rained out last Sunday when plans had been set for elaborate ceremonies, including the Southern Pacific 60-piece band, will open their 13th consecutive year of Summer play at Washington Park in Alameda, against the Southern Pacific Club of Sacramento. The band, which plays on schedule throughout the year, will not be able to participate in the opening.

Otto Rittler will toss the first ball with one of the Southern Pacific officials behind the log.

FERNANDEZ CAPTAIN

Captain "Midge" Fernandez will lead his team on the field for the 13th season, and will also take his position in left field. Manager George Gerichten has bolstered his pitching staff and plugged up a gap in the infield.

With the addition of "Lefty" Fernandez, and Leno Carazzo, fast ball pitchers, and "Gunny" Fagundas with plenty curves, George will have little to worry about.

Andy Ivaldi, a powerful hitter who formerly played outfield, will be seen at third. "Hony" and George Pacheco will be at short and second respectively. Ted Madruga and Jug Mandish will alternate on first. Fernandez, Nelson, and Labetich will be in the outer garden with Tony Patch doing the catching.

Their schedule as usual calls for many out of town games, which include trips to Reno, and Scotia, and winding up in the Tribune State Championship Tournament.

Sunday Baseball Games Set

Featuring the opening of the summer season of the S. P. Stores a busy program is scheduled for Sunday afternoon in Alameda baseball parks.

The S. P. Stores face the Verdi Club of San Francisco at 2 o'clock in Lincoln park.

In the other games, the Ben's Golden Glow battles the Pine Rainier Club at 2 o'clock in Washington park and the E. Bercovich & Sons face the Owl Drugs of San Francisco at 11:30 o'clock on the same field.

ESPEE STORES GET WIN

Southern Pacific Stores, taking the field in their new Easter suits, added much color to their opening ceremonies before one of the largest crowds ever assembled at Washington Park, and incidentally started the season with a 13-2 win over Southern Pacific Club of Sacramento.

Things were about even up to the sixth frame with the locals leading, 3-2. At this point the Stores unleashed an attack that drove Enos from the mound, and Keenan was substituted but fared worse. The Pacheco brothers led the sluggers, each with a double and two singles; Tony Patch and Madruga blasted triples and Nelson a two-bagger. Hony Pacheco at short and George Pacheco at second came up with three double killings. De Fazio's triple and Catcher Newbert's single accounted for the losers' two tallies. Corazza and Fagundas divided the pitching for the winners.

S. P. Stores Baseball Club To Open Thirteenth Season Here on Sunday

Thirteenth consecutive year of baseball will be opened by the Southern Pacific Stores club of Alameda when it battles the Verdi team of San Francisco in Lincoln park on Sunday afternoon at 2 o'clock.

With both city and Southern Pacific officials on hand to participate in the opening, the Alameda club, always a leader in the semi-pro game, will start a season that will be climaxed by the Oakland Tribune's Northern California championships.

Southern Pacific Stores vs. Moffat Packers.
Sunday, April 16th, 1939.
Lincoln Park, Alameda.

Southern Pacific Stores 3, Moffat Packers 2.

The Southern Pacific Stores prooved beyond any doubt that they are ready for the best of them when they handed the highly touted Moffat Packers, winners of last years Oakland Tribune's California State Baseball Championship Tournament, a 3 to 2 defeat in a well played game.

Fagundas pitched a great game allowing but eight scattered hits and not walking a man. Curcio, Shoemacker and Gould pitched for Moffats, the winning run being scored off of Pudgy Gould in the eighth when Barovich slammed a triple to deep centerfield after Fagundas had walked.

Only the great work of shortstop Kingsley and second baseman Krasovich of Moffats, kept the Espees from scoring several more runs, as they executed three double plays.

Southern Pacific Stores scored two runs in the third inning when Patch fanned, Fagundas singled to center, Fernandes and Labetich walked, filling the bases. Ivaldi singled to right, scoring Fagundas, Mandish walked, forcing in Fernandes. (Shoemacker replaces Curcio for Moffats) G. Pacheco fanned and Nelson flew out to center.

Moffats scored their first run in the fifth when George doubled to centerfield and scored on Gallagher's double to right. Clarke popped up to Fagundas, Kingsley was out Ivaldi to Mandish and Shoemacker flew out to rightfield.

Southern Pacific scored what prooved to be the winning run in the last of the eighth when Patch flew out to centerfield, Fagundas walked, Barovich batting in place of Fernandes, tripled to centerfield, scoring Fagundas. Labetich struck out and Ivaldi flew out to right.

Moffats threatened in the first of the ninth when Bradbury was out, G. Pacheco to Mandish. Brain drilled a single to centerfield, George popped up to T. Pacheco at short and Gallagher slammed his second double of the game into centerfield, scoring Brain. Clarke flew out to center, to end the game.

S. P. Stores Win Game

Moffats Beaten, 3 to 2

Southern Pacific Stores of Alameda proved that its win last Sunday was no fluke, when in its second game of the season they handled the highly touted Moffat Packers, winners of last year's Tribune tournament, a 3 to 2 defeat in a well played ball game.

Fagundas for the winners was in excellent form allowing eight scattered hits and walking none. Tony Patch caught his usual fine game. For Moffat Packers, Curcio, Shoemacker and Gould did the pitching with George catching.

The winning run was made off of Pudgy Gould in the last of the eighth when Barovich tripled to deep centerfield with Fagundas on first. Fagundas and George Pacheco hit two apiece for the winners. Ivaldi played great ball at third and Mandish played sensational ball at first for the Southern Pacific Stores.

FAST FIELDING

Kingsley and Krasovich played great ball at short and second for Moffats, turning in three double killings to save many runs for Moffats.

Southern Pacific Stores look well on their way to have one of the most successful seasons that they have enjoyed in several years. They have a great defensive infield and also have the power this year that was lacking in last year's club.

Next Sunday at Washington park the Southern Pacific Stores meet the American Building Maintenance team from San Francisco at 2 p. m.

SEMIPRO BASEBALL GOSSIP

By Art Macy

In a game featured by some sharp hitting and many spectacular plays, Southern Pacific Stores bested Moffat Packers, 3-2. Gunny Fagundas pitched the win and with his usual good control did not walk a man. Barovich won the game in the eighth inning. Stepping in as a pinch hitter, he crashed a triple over Freddie Brain's head, driving in a runner ahead. For Moffat's Kingsley and Brain connected for three-baggers, Gallagher delivered two doubles, Krasovich and Kingsley took part in three double plays. Charlie Nelson, Espee's center fielder, ruined Moffat's chances in the fifth frame when he speared Brain's line drive with the bags loaded to retire the side. The entire Stores infield played a fine game, with George Pacheco and Fagundas leading the attack, tallying two hits apiece.

S. P. Battle Moffat in Lincoln Park

After a most successful opening game last Sunday when the Southern Pacific Stores of Alameda turned on the heat to defeat the Southern Pacific club of Sacramento 13 to 2, the railroaders are in for a real test Sunday when they meet the Moffatt Packers, winners of last year's Tribune State Championship tournament, at Lincoln park at 2:30 o'clock.

The Southern Pacific Stores in its initial appearance left no doubt in the minds of the fans who witnessed the game, that they are a greatly improved ball team over last year. With Corazzo, Fagundas and Fernandez making up the pitching staff, they have one of the strongest pitching staffs that they have had in the past several years. The addition of the Pacheco brothers, Tony at short and George at second, fills a big gap, which was the Southern Pacific team's weak spot last year.

Southern Pacific Stores of Alameda have already signed up for many out of town games for the coming summer months, a few of them being Reno (three games, June 4, July 4 and a game in September), Scotia (two games over Labor Day), San Quentin, and night games at Santa Clara and Palo Alto.

Dick Raffanti, Moffat's skipper, claims Ben's Golden Glow is one club that always gives his club a tough argument and, according to the law of average, it should be the Packers' turn to win. They tangle at Washington Park at 2:00 o'clock.

S. P. Stores Win Game

Andy Ivaldi Hits Homer

By defeating the Longshoremen's team of San Francisco 9-1, the Southern Pacific Stores baseball club of Alameda ran its winning streak to four straight games yesterday afternoon in Lincoln park.

"Gunny" Fagundas on the mound for the winners pitched a good game, striking out eight and allowing only eight hits.

HARD HITTING

One bad innings—the third—proved the downfall of the S. F. club as Abad was nicked for six runs on three hits, three walks and two errors to mar what might have been a good game.

"Brute" Labetich continued his heavy hitting getting a double and a single while Tony Pacheco connected for a pair of singles.

Southern Pacific Stores vs. Bens Golden Glow.
Sunday, May 7th, 1939.
Washington Park, Alameda.

Southern Pacific Stores 6, Bens Golden Glow 5.
(13 innings)

Billed as a natural, the game between Southern Pacific Stores and Bens Golden Glow, lived up to everything that was expected of it when the Espees had to go 13 innings to come out on the long end of a 6 to 5 score. Trailing 5 to 1 in the eighth it looked as though Southern Pacific Stores winning streak of four straight was about to be broken as pitcher Casteel of Bens held the strong sluggers of the railroaders to two lone hits. But in the last of the eighth the big bats of Ivaldi, George Pacheco, Patch and Fagundas, began to crash base hits to all parts of the lot and when the smoke had cleared away, the score was tied and pitcher Casteel was headed for the showers. The game remained scoreless until the winning run was pushed across by Espees in the last of the 13th. Fagundas, who relieved Corazzoin the 4th, pitched 8 innings of shut out ball and slammed out three hits in five trips to the plate, one being good for two bases. In the twelth inning it looked like Espees were a sure winner when Mandish led off with a double and went to third base on Gonsales's error. Manager Spec Espina of Bens then order his pitcher to walk Geo. Pacheco and Nelson to fill the bags with none down. Labetivh hit a sharp grounder to the pitcher and Mandish was forced at the plate. T. Pacheco hit to Swick at second base who thru to the plate, forcing G. Pacheco and Patch fanned to end the inning. The winners were not to be denied however for in the 13th inning "Gunny" Fagundas led off with a sharp single to left, his third hit of the game. "Midge" Fernandes laid down a sacrafice bunt along the third base line and was safe at first when pitcher Atanazio was unable to field the ball. Ivaldi laid down a perfect bunt to advance both runners, Mandish was walked on purpose to fill the bases, and with the count three and two, Geo. Pacheco drew a walk to force in Fagundas with the winning run.

Both teams scored one run in the third inning, Bens in the first half when Casteel fanned, Gonsales doubledto centerfield, Swick flew out to center, Escobar singled to left, scoring Gonsales, Corbett singled to left, Escobar stopping at third. Masucci walked to fill the bases. Andrews fanned.

Espees tied the score in their half of the inning when T. Pacheco walked, Patch fouled out to Swick in short leftfield. Corazzo was safe at second and T. Pacheco at third on Escobar's error, T. Pacheco scored when Masucci let the ball get away from him at third and it rolled clear to the players bench. Fernandes popped up to second and Ivaldi fanned.

Bens scored two runs in the fifth when Gonsales led off with a double to right. Swick was safe at first and Gonsales at third on a fielder's choice. Escobar singled to left, scoring Gonsales. Escobar went to second and Swick to third on Patch's error. Corbett singled to center, scoring Swick, Escobar stopping at third. Masucci flew out to left. Andrews flew out to center. Gerner was out G. Pacheco to Mandish.

Bens scored their final two runs of the game in the first of the sixth when Abrew led off with a double to left. Casteel was safe at first on a fielder's choice and went to second and Abrew scored on Mandish's error. Gonsales fanned. Swick flew out to rightfield. Escobar singled to right and was thrown out attempting to steal second, Patch to G. Pacheco.

Southern Pacific came to lefe in the last of the eighth to tie the score at 5 all when Patch opened up with a single to left. Fagundas drove out a hit to deep short. Fernandes walked filling the bases. Ivaldi singled to left, scoring Patch. Mandish walked forcing in Fagundas. G. Pacheco singled to rightfield, scoring Fernandes and Ivaldi. (Atanazio now replaces Casteel for Bens) Nelson was out short to first. Labetich popped up to short. T. Pacheco struck out to end the inning.

In the last of the thirteenth the railroaders clinched the game when Fagundas singled to left, his third hit of the game. Fernandes laid down a sacrafice bunt and was safe at first when pitcher Atanazio was unable to field it. Ivaldi sacraficed both runners along and was out pitcher to first. Mandish was purposely walked to fill the bases. G. Pacheco with three and two walked on a high pitch to force in Fagundas with the winning run.

Old Rivals To Settle Ball Feud

Railroaders Win Four

Billed as a natural, the Southern Pacific Stores and Ben's Golden Glow, both Alameda clubs, will clash at 2:30 o'clock on Sunday afternoon in Washington park for what should be the clasic of the summer season.

SEMIPRO BASEBALL GOSSIP

By Art Macy

The only baseball in Alameda tomorrow will be at Washington Park.

Lincoln Park has been turned over to the Boy Scouts for the day. The game scheduled at 2 o'clock looms as a natural, and will bring together two Alameda teams, Ben's Golden Glow and Southern Pacific Stores. This is the first time the two have met this year. Leno Codurazza will take over the mound duties for Espee and Tony Patch will do the receiving. Jim Atanzio will fire them across for Ben's, with John Abrew behind the log.

S. P. Stores Beat Ben's in 13th, 6-5

SEMIPRO BASEBALL GOSSIP

By Art Macy

By ART MACY

In a game sprinkled with many spectacular plays, Southern Pacific Stores won from Ben's Golden Glow 6-5 in 13 innings. Washington Park was packed with standing room only and very little of that unless you cared to look over someone's shoulder. Fans did not forget the last meeting of these two teams in The Tribune tournament, which lasted 14 innings; the Espees winning out by a score of 1-0.

Behind 5 to 1 in the eighth, Southern Pacific turned on the steam to knot the count five all. Up to this frame only two safeties had been given up by Bob Casteel. Jim Atanazio relieved Casteel and pitched himself out of some tough spots. Starting the fatal 13th, Fagundas greeted Jim with a single, his third hit of the game. Fernandes spotted one by the pitcher and was safe at first. Invaldi laid down a bunt, advancing both runners. With one away, Mandish was purposely walked to fill the bags and Atanzio, pitching to the corners to a good hitter, walked George Pacheco, forcing Fagundas across with the winning marker.

DOUBLE KILLING HURTS

Ben's chances looked bright in the 10th. Andrews led off with a twobagger, Gerner flew out, Abreu hit infield, Andrews going to third. With Abreu safe at first and one away, Antanazio hit into a double play.

Manager Espina's strategy worked in the 12th. After Mandish had doubled and had gone to third on a bad throw to second, Espina ordered the next two men walked to fill the bags with none down. Two force plays were made at the plate and Tony Patch fanned to retire the side without a score.

Although Bens amassed a total of 17 hits, Espees wiped them off the bags with double plays, making a total of three. A pair of them were completed with the bags loaded. Gonsalves of the losers hit three doubles and Andrews two.

Winners Trail 5-1

Losers Outhit Rivals

Living up to advance expectations, the natural billed between the S. P. Stores and Ben's Golden Glow, two Alameda clubs, proved to be just that when it took the Railroaders 13 innings to win out 6-5.

Trailing 6-1 in the eighth inning, the S. P. Stores opened up on "Red" Castell for four hits and two walks to convert them into four runs.

GOOD PITCHER

Except for this weak moment, the young flaming haired pitcher chucked good ball and had allowed the S. P. only two hits in seven innings.

Fast fielding saved the S. P. Stores from defeat several times and Ben's outhit its rivals 17 to 11, but the Pacheco brothers—George and Tony—came up with double plays to cut off runs.

Andy Ivaldi not only played well in the field, but in the thirteenth inning with two runners on base laid down a perfect bunt to move them into scoring position.

OPFNS FRAME

S. P. Stores won the game in the 13th when "Gunny" Fagundas opened the frame with a single, Pitcher Antanazio errored on "Lefty" Fernandez' bunt and then Ivaldi sacrificed them along.

"Jug" Mandish then walked, loading the bases.

After forcing the count up to two and three, George Pacheco walked forcing the winning run home.

The response of Washington park baseball fans to the score of the Oaks-Portland game, when it was given by Walter Gross, public address announcer, shows that they are with the Acorns. When Gross announced that the Oaks had won the first game on Sunday, the stands went up in a great round of applause.

A crowd estimated at 1400 people witnessed the 13-inning clash at Washington last Sunday. It was a grand day, the grounds were in their usual perfect shape, and Danny Pauline acted as usher for those that had a job finding seats. We could still use that extra set of bleachers out along the left-field foul line.

Bush Bushings

By RAY SEVINA

It looked for awhile Sunday as though Ben's Golden Glow was going to stop the Southern Pacific winning streak. They were leading 5 to 1 when the railroad boys came up for their eighth inning turn at bat, and when the smoke cleared away the score was 5 to 5.

It was good strategy on the part of Spec Espina to walk two batters after Jug Mandish had led off with a double in the last of the twelfth and advanced to third on an error. All Espees needed was one run so the other two men on bases could not do any harm. The side was retired without a run being scored and Spec and the team got a good hand. Had the railroaders managed to get a run across, Ben's "Brain Trust" would have been called a bunch of bums . . . That's the way it goes in baseball.

Lino Corazzo had to leave the game in the third inning due to a lame arm. He hurt the arm in the second inning as he threw a sharp curve to John Abrew that struck him out.

Ray Andrews snapped out of a too-long hitting slump with a pair of doubles and a single in six trips to the plate. I hope that Ray has regained his old confidence back and will continue to smack that ball.

There's no need to have ball shaggers around when the S. P. team is playing. Sam Alis, its trainer, is always the first one on the spot when the ball lands no matter where it goes. He just takes one long breath and gets the scent and away he is after the horsehide.

Carl Escobar made his return to Ben's line-up in an impressive manner. He got himself three singles, drove in three runs and handled 11 chances at first base without an error.

After an absence of about 6 weeks, Pesty Ryan returned to Alameda to umpire bases in the Ben-S. P. game. Ryan, along with Al Drollette, who was behind the plate, did a good job.

Ben's to Play S. P. On Sunday

Two Alameda clubs—Ben's and S. P. Stores—will clash in Washington park Sunday afternoon at 2:30 o'clock in the feature game of the summer season.

In the early game, Moffat Manteca will play the West of Market Boys' club.

Southern Pacific Stores vs. Rose Garden Chapel.
Sunday, May 14th, 1939.
Lincoln Park, Alameda.

Southern Pacific Stores 4, Rose Garden Chapel 2.

Southern Pacific Stores continued on their winning streak, making it six straight wins, by handing the Rose Garden Chapel club of San Leandro, the short end of a 4 to 2 score. Faria, Chapel pitcher, held the hard hitting Espees to six hits, but wildness on his part and the ability of the railroaders to hit in the pinches, gave the Stores the win. Corazzo pitched a very good game for Southern Pacific, allowing nine scattered hits and striking out six, was at no time in trouble and smashed out a three base hit in the second inning to score a run that gave the Espees a lead which they never relinquished. Nelson hit a double and Mandish hit two for three for Southern Pacific Stores.

Rose Garden scored a run in the first of the second when Brown led off with a double to centerfield. Correa walked and Gulino fanned. Benites flew out to left. Ferrera singled to center, scoring Brown, with the first run of the game. Faria forced Correa at second T. Pacheco to G. Pacheco.

The railroaders lost no time in jumping into the lead when they scored twice in the last half of the second. Nelson walked, Labetich was out third to first. T. Pacheco was out, short to first. Patch walked. On a double steal, Nelson scored and Patch was safe at second. Corazzo tripled to deep center, scoring Patch. Fernandes went down swinging.

Espees scored another in the third when Ivaldi singled to center. and went around to third when Gulino, Chapel's centerfielder erred and let the ball get away from him. Mandish singled to center, scoring Ivaldi. G. Pacheco fanned. Nelson was out third to first. Labetich walked. T. Pacheco went out second to first.

Rose Garden scored their second and final run of the game in the fourth when Correa doubled to leftfield. Gulino went out G. Pacheco to Mandish. Benites flew out to center. Ferrera singled to left, scoring Correa. Faria fanned.

Southern Pacific scored their fourth run in the last of the seventh when Ivaldi popped out to short. Mandish singled to center. G. Pacheco flew out to center. Nelson doubled to rightfield, scoring Mandish. Labetich beat out a hit to second base. T. Pacheco flew out to rightfield.

Special to all baseball fans' wives:

Yes, your husband told the truth when he came home late for dinner Sunday and said he was at the game. The game lasted three hours and ten minutes and was not over until 5:45 o'clock.

*** *** ***

The Pacheco brothers, Tony and George, continue to play great ball for the Southern Pacific team. Manager George Geritchen made a smart move when he signed these two boys.

*** *** ***

Another nice little ballplayer is Tony Patch, S. P. catcher, Tony is smart behind the bat and tough when he is at the plate. More than one person thought he would break up the old ball game Sunday in the twelfth when he was up with the bases loaded. He undoubtedly will break up many games before the summer season is over.

*** *** ***

The game at Washington last Sunday was billed as the first of a three-game series to decide the summer championship of Alameda. The second game will be played in the near future. Now wait a minute, Mr. Espina and Mr. Geritchen, Moffat Packers call Alameda their "home" and maybe they want to be in this "Champeen-ship Series."

S. P. Stores Battle Rose Garden; Ben's to Play Bercovich & Sons Here

Southern Pacific Stores of Alameda will endeavor to make it six straight wins by taking the Rose Garden Chapel of San Leandro down the line Sunday, when they meet in Lincoln park at 2:30 o'clock.

The Chapel boasts of a hustling club of young ball players who are capable of giving the best of them a lot of trouble. Many of the fans will remember them from last year's tournament, when they played such fine ball. They finished second in the winter league and so far this season have been enjoying quite a successful year.

STRONG RIVAL

Southern Pacific Stores are hot as a fire cracker after pulling last Sunday's game out of the fire. They look better each start and in winning their first five games, have defeated some of the strongest teams in this locality. Their fielding leaves nothing to be desired and they are hitting in the pinch which is about all you can expect of players on any ball club.

Alameda fans should put the date of Sunday, June 18, down in their notebooks, for that is the date of the second game with Ben's Golden Glow. If the Tavern boys win this one it will be necessary to play a third, or rubber game, to decide who will be Alameda's summer champions.

NIGHT GAME

Thursday night, May 25, Southern Pacific Stores will travel to Santa Clara to meet Franco's Market in a tilt under the lights and from all reports the boys from Santa Clara are going like a house afire in their night games, and the Southern Pacific team will have to play some real ball to chalk up a win.

S. P. Stores Play Rose Garden Team

With five straight victories and as yet undefeated, the S. P. Stores baseball club of Alameda will battle the Rose Garden chapel of San Leandro next Sunday afternoon at 2:30 o'clock in Lincoln park.

PRISON GAME

Harmon Blennerhassett, who has been slugging the ball for Ben's, has been released at his own request due to the fact he promised to play for the Grace Bros. team of Richmond.

The S. P. Stores is rapidly filling up its schedule and during the week has booked games with the E. Bercovich & Sons, Oakland Caskets, Grace Brothers of Richmond to be played on Alameda diamonds and then will travel to Folsom for a game with the prison team.

CARAZZA FEATURES S.P. WIN

Leno Sarazza hit a triple to drive in two runs and pitched the Southern Pacific Stores to a 4-2 win over Rose Garden Chapel; Tony Patch caught. Faria and DeCruz worked for the Chapels. De Cruz, Luque and Ferreira hit two apiece; Brown and Correa hit doubles. Nelson, for the Stores, doubled.

S. P. Stores Win 6th

Southern Pacific Stores ran its winning streak to six straight by defeating the Rose Garden Chapel team of San Leandro by the score of 4 to 2.

Rose Garden Chapel's pitcher, Faria, pitched good ball, holding the hard-hitting Espees to six hits, but wildness and the Railroaders ability to hit in the pinches proved his downfall. Faria walked seven and struck out eight. Corazzo for the winners pitched a very steady game and at no time was in trouble, allowing nine scattered hits and striking out 6, issuing one free pass. Corazzo, besides pitching well, hit a long triple to centerfield in the second inning to drive in a run. Mandish hit two for the winners. Luque, DeCruz and Ferrera hit two apiece for the Chapels. Nelson for Southern Pacific and Brown and Correa for Rose Garden hit doubles.

The Southern Pacific Stores team continued on its merry way last Sunday, bringing its winning streak to six straight. The Railroaders beat the Rose Garden Chapel team of San Leandro at Lincoln park.

According to reports Lincoln park was in the best shape it has been in for a long time. The infield was smooth and the outfield didn't seem to have many bad hops in it. Credit for this good work goes to Herman Graub and his aides at Lincoln park.

A few managers and some fans have remarked from time to time about the consistently improving style of Umpire Al Drollette. Al gets better from Sunday to Sunday, and, if he has desires to, I would like to see him get a chance in professional baseball.

S. P. Stores Play Inn

Bayview Champs To Play

With six straight victories and enjoying one of its best seasons in five years, the Southern Pacific Stores will battle Mickey's Inn, champions of the Bayview Winter League, in Washington park on Sunday afternoon at 2:30 o'clock.

Composed of young ball players mostly from West Oakland and fresh from a victory over Salinas last Sunday, the Mickey's club is anxious to break the railroaders win streak.

"Gunny" Fagundas, ace right-hander for the Alameda club, who helped Mickey's win the winter league title, will be on the mound for the Espees against his former mates.

NIGHT GAME

Next Thursday night, Southern Pacific Stores will travel to Santa Clara to meet Franco's Market in a game under the lights, at the latter's home diamond. Francos have been defeating the best of them and Southern Pacific will have to play their best brand of ball if they expect to come out on the long end of the score. Speed Ball "Lefty" Fernandez is slated to take the mound against the Canta Clarans and if he is right, the Marketers can expect plenty of trouble.

Fagundas is at the present writing leading his club in hitting, getting 8 hits in 16 trips to the plate for an average of .500. Corazzo is next with .375 and George Pacheco next with an average of .364. "Midge" Fernandes leads the club in walks, getting 10 free passes to first in six games. Ivaldi leads with runs batted in, with 10. George Pacheco is leading in stolen bases, having pilfered 4 in six games.

Mickey's Toscanellis stepped a little out of their class when they tackled Southern Pacific Stores, who handed them a 10-1 beating. "Gunny" Fagundas limited Mickeys to eight scattered hits and struck out eight.

Espees' heavy artillery blasted out 14 hits. Andy Ivaldi hit three, one a triple with the bags bulging in the fourth inning. Tony Patch got two doubles and a single. Jug Mandish, Tony Pacheco and Barovich each hit two. Southern Pacific Stores will play Franco's Market a night game Thursday. May 25, at Santa Clara.

The Southern Jacific Stores nine continued on its winning way last Sunday with a 10-to-1 win over Mickey's Inn, champions of the Bay View league.

Prediction:

The S. P. winning streak will be broken when they face the Franco Market team on Thursday night at Santa Clara, under the lights. The market boys have played a lot of games under the arcs and are used to conditions.

S. P. Stores Win 7th

Mickey's Inn Beaten

Banging out a victory over Mickey's Toccannelis, champions of the Bayview winter league, 10-1, Southern Pacific Stores of Alameda continued to roll along on its winning streak, making it seven straight in Washington park yesterday afternoon.

Too much power and too much "Gunny" Fagundas spelled defeat for the young and ambitions Mickey's as the Espees banged out 14 safe blows off three pitchers and their ace chucker held the rivals to eight scattered hits and struck out eight.

HARD HITTING

Andy Ivaldi hit a triple with the bags loaded in the fourth inning to start the winners well on their way to victory.

Tony Patch, squat S. P. Stores catcher, added further testimony to the case he is making before the Alameda fans to prove he is one of the best receivers in these parts, bar none, when he slashed out two hits and handled his pitcher well.

Followers of inside baseball have been endeared to Patch because of his ability to get the best out of a pitcher and the manner in which he conducts himself behind the plate.

Southern Pacific Stores vs. Franco's Market.
Thursday night, May 25th, 1939.
Santa Clara, Calif.

Southern Pacific Stores 6, Franco's Market 9.

It took a night game under poor lighting conditions to stop the Southern Pacific Stores winning streak at 7 straight games, when Franco's Market handed the Espees a 9 to 6 defeat. So poor was the lights that Franco's own centerfielder was hit on top of the head by a line drive off of T. Pacheco's bat in the second inning. Many misplays and several balls that dropped in front of the outfielders for safe hits, were directly attributed to the poorly lighted park. Francos have been playing night games all season and were naturally more accustomed to the lights than were Southern Pacific. At that the visitors showed several flashes of being a great ball team when George Pacheco's home run inside the park with Ivaldi on base in the first inning gave the Espees a two run lead. Tony Pacheco's triple off the top of centerfielder's Duino's head was a pip, and in the seventh inning much embaressment was caused to second baseman "Pep" Martinez when Espees first baseman, Andy Genovesino, pulled the hidden ball trick on him to trap him off of first base.

The visitors scored first in the initial inning when after Fernandes and Genovesino fanned, Ivaldi walked and scored ahead of G. Pacheco on the latters home run to deep centerfield.

The Market boys came right back in their half of the inning to tie the score when Martinez was out, Corazzo to Genovesino. Duino was safe on G. Pacheco's error at second, and scored on Perina's triple to center. Lyons fanned. Rose singled to right, scoring Duino. Montillo lined out to T. Pacheco at short.

Espees forged into the lead in the first of the second when Labetich fanned, T. Pacheco tripled off the top of centerfielders Duino's head and scored on Patch's sacrafice fly to centerfield. Corazzo singled to left and Fernandes fanned.

Francos scored three runs to take the lead in the last of the second when Fizzini walked and was sacraficed to second by Rinaldi who was out Ivaldi to Genovesino. Freitaswas hit by one of Corazzo's fast onesaand Martinez walked to fill the bases with one out. Duino singled to right scoring Fizzini. Perina was hit by a pitched ball forcing in Freitas. Lyons forced Duino at third, Ivaldi unassisted, Martinez scoring. Rose walked again filling the bases and Montilla fanned.

Espees scored twice in the fourth to again tie the game up at 5 all when Nelson fanned, Labetich and T. Pacheco walked, Patch fanned, Corazzo singled to rightfield, scoring Labetich, T. Pacheco stopping at third. With Fernandes at bat, T. Pacheco made a clean steal of home with the tying run. Fernandes walked and Genovesino struck out.

The Santa Clarans scored twice in the last of the fourth to again take the lead when Duino was safe on shortstop'T. Pacheco's error. Perina was out Corazzo to Genovesino. Lyons doubled over the rightfield fence, scoring Duino. Rose doubled to centerfield, scoring Lyons. Montilla was out Ivaldi to Genovesino. Fizzini popped up to G. Pacheco at second.

The winners scored another run in the fifth when Rinaldi flew out to left. Freitas doubled over the rightfield fence. and scored when Martinez doubled,off of pitcher Fagundas who replaced Corazzo for Espee Stores, over the rightfield fence. Duino popped up to Genovesino at first. Perina was hit by a pitched ball and was out attempting to steal second, Fagundas to G. Pacheco.

The winners final tally was made in the last of the sixth when Lyons doubled to leftfield and scored when Fernandes dropped Rose's high fly ball. Montilla was hit by a pitched ball. Fizzini hit into a double play, Patch to T. Pacheco to Ivaldi. Arino flew out to center.

The visitors scored the sixth and final run of the game in the eighth when T. Pacheco single to center and went to third when Duino let the ball get away from him. Patch fanned. Fagundas was out at first Rose unassisted, Franco's first baseman just barely snagging a hard hit ball with one hand, T. Pacheco scoring on the play. H. Pacheco walked and Genovesino struck out.

SAN JOSE, CALIFORNIA, FRIDAY MORNING, MAY, 26, 1939.—TWENTY-TWO PAGES.

Freitas Ties Strikeout Mark: Grocers Win 5th

Riding atop a five-game winning streak, Franco Stores "bombers" prepared for a heavy holiday schedule today which will terminate next Thursday evening with its fifth night engagement of the semester.

Sunday afternoon at Washington Diamond, Santa Clara, the Grocers will face a powerful Longshoreman outfit. Tuesday afternoon (Memorial day) Manager Frankie Delasandro will send his players against the San Francisco Verdi club. Thursday night the Grocers complete their heaviest week's schedule in history by opposing a strong Vallejo nine.

Victim No. 5 of the locals was the Southern Pacific Stores aggregation from Oakland. Playing fair ball behind the sensational strikeout hurling of Dick (Lefty) Freitas, the Grocers turned back the "Espee" outfit, 9-6, last night at Washington.

Freitas tied the county strikeout record by whiffing 19 batters. He walked 10 and scattered eight hits, but was effective in the pinches. His number of 19 was one better than his best hurling performance of last season when he struck out 18 in a single contest.

ROSE LEADS TEAM AT BAT

Meanwhile his mates were taking advantage of 10 hits given them by the opposing hurling staff. Incidentally this is the least number of bingles allowed the Grocers in the last eight games.

Hilliard Rose, on a hitting streak, continued to slap out the apple. He collected three hits in four trips to the rubber. Larry Perrina also hit twice, one a double, while Eddie Lyons strengthened his average with a pair of base knocks.

FREITAS FANS NINETEEN AS FRANCO'S BEST ESPEES, 9-6

By TED SHIPLEY.

Dick Freitas fanned 19 men and walked 10 as Franco's Markets won their fifth consecutive night game of the season by defeating S. P. Stores of Oakland at Washington park, Santa Clara, last night 9 to 6.

The contest was a see-saw affair, with the visitors taking a two-run lead in the initial half inning, as tiny George Pacheco slugged a home run over Bennie Duino's head that scored Andy Ivaldi ahead of him.

The Grocers knotted the count in the last half of the first as Larry Perrina tripled to score Bennie Duino, on base by way of an error, and later scored himself as Pitcher Corazzo balked.

Tony Pacheco's triple and a sacrifice fly by Patch gave the Espees another marker in the second, but this was tame compared to what happened in the Franco half of the canto.

CORAZZO WILD.

In this hectic frame the locals put over three runs on one hit, a right field single by Duino, three walks and two hit batsmen.

The Espees again knotted the count in the first of the fourth, as Labetich and Tony Pacheco walked and Corazzo singled to score Labetich. Pacheco stole home with the second run.

An error followed by doubles by Eddie Lyons and Hilliard Rose gave the Grocers two in their half of the fourth, two more doubles by Freitas and "Pep" Martinez gave them another in the fifth, and they put over their final tally in the sixth as Lyons and Rose doubled in succession.

The Espees plated their final run in the eighth as Duino let Tony Pacheco's single roll between his legs to put the Espee shortstop on third, and he scored on Fagundas' roller to Rose.

SEVEN DOUBLES.

Seven doubles, six by Franco's enlivened the proceedings. Lyons and Rose clicked with two each, and Freitas and Martinez of the Grocers and Patch of the visitors connected with one two-bagger each. Larry Perrina of Franco's and Tony Pacheco of the visitors bumped a triple each, with George Pacheco securing the only home run.

Franco's have a full schedule for the coming week, playing the Longshoremen Sunday afternoon, Verdi club of San Francisco Tuesday afternoon (Memorial Day) and Vallejo next Thursday night.

Southern Pacific Stores crashed right back into the win column after losing its first game of the season to Franco's Market in a night game at Santa Clara last Thursday night, by handing the E. Bercovich & Sons team, a 5 to 3 defeat. This makes eight wins out of nine games played this season todate. "Lefty" Fernandez was in exceptionally good form and limited the furniture boys to six scattered hits striking out seven. Bud Lindsten pitching for the losers did not have his usual stuff and was nicked for ten hits, among them a home run by Andy Ivaldi and a double by Barovich. Bercovich scored two runs in the fifth on some sloppy playing by Espees when Perata was out, Fernandez to Mandish, Castahno flew out to centerfield. Wetherbee singled to right, Sparacino singled to left. Wetherbee scored and Sparacino went to second when T. Pacheco threw the ball away attempting to catch Sparacino coming into second. Annunzio was safe at second and Sparacino scored when Fernandez threw the ball away after fielding Annunzio's grounder. Lindsten fanned.

Espees added another run to their total in the seventh when Mandish was out short to first, G. Pacheco beat out a single to second, Nelson walked, Barovich hitting for Labetich, doubled to rightfield, scoring Nelson after G. Pacheco was out attempting to steal second. T. Pacheco fanned.

Patch scored on Ivaldi's sacrafice fly to centerfield. Mandish singled to rightfield and Fernandes was out at the plate, Dix to Annunzio.

S. P. Stores to Battle Bercovich Team In Lincoln Park Sunday

Southern Pacific Stores will play E. Bercovich & Sons, runners-up in the past Alameda winter league, at Lincoln park Sunday afternoon at 2:30 o'clock.

The furniture boys are always capable of putting up a good game and having a fine hustling team of well known ball players. They are not strangers to the fans of Alameda and can always be counted upon to give their opponents a run for their money. "Gunny" Fagundas will draw the pitching assignment, with Patch behind the plate.

BIG GAME

Much talk is going around the ball fans about the second game between Ben's Golden Glow and Southern Pacific Stores, which will be played at Washington park on Sunday, June 18. Everyone remembers that thrilling first game a few weeks back when Espees nosed out Ben's, 6 to 5, in 13 innings. Both teams are from Alameda and are rated as the best in this part of the state. It should be a nip and tuck battle all the way, with the winner in doubt until the last man is out.

RENO TRIP

Southern Pacific Stores special Pullman, chartered for the trip to Reno, Nev., on June 4, is filled to capacity, 43 having already signed up to accompany the ball team to the Nevada metropolis to root their team to victory. The chartered Pullman will be put on train No. 210, leaving the Sixteenth Street station in Oakland Saturday night, June 3, at 9:45 o'clock. Many fans who will be unable to make the trip will be on hand to wish the players luck and see them off.

Alameda teams will be well represented in Reno on June 4, as Ben's Golden Glow plays the Sierra Royals, Reno's new ball team, on the same day Espees plays Jack Threlkel's Reno Garage team.

S. P. Stores Score Win Over Bercovich By 5-3 Score

After dropping a night game to Franco's Market on Thursday, the S. P. Stores baseball club of Alameda continued its day winning streak by defeating E. Bercovich & Sons by a score of 5 to 3 yesterday afternoon.

DAY VICTORIES

Except for the defeat under the lights, the S. P. Stores have not been beaten this year and have turned in eight victories in nine games.

"Lefty" Fernandez was in rare form yesterday and let the hard-hitting furniture boys down with six scattered hits striking out seven rivals. "Bud" Lindsten did the chucking for Bercovich and was nicked for ten blows including a long home run by Andy Ivaldi and a double by Barovich.

Joe Annunzio, recently released by the Hollywood Stars, caught for Bercovich and looked exceptionally good behind the plate.

Tony Patch, S. P. catcher, did a great job of throwing base runners out attempting to steal.

Next Sunday the Southern Pacific club will travel to Reno, Nev., to battle Jack Threlkel's Reno Garage team in the first of a three-game series. The second game will be played on July 4th and the third and final game on Sept. 24.

Southern Pacific Stores vs. Reno Garage.
Sunday, June 4th, 1939.
Reno, Nevada.

Southern Pacific Stores 1, Reno Garage 3.

After enjoying a one run lead for seven innings the Reno Garage boys came to life, tieing up the game in the last of the seventh, with the aid of an error and when Snyder was completely fooled by one of Fagundas's change of pace pitches, the bat slipped from his grasp as he swung, but met the ball and it dropped over first base for a base hit, the winning run crossing the plate in the meantime. Fagundas pitched great ball for the Espees, allowing but nine scattered hits and striking out four. Five of the nine hits were of the infield variety. Nelson for the visitors came out of his long batting slump to slam out two doubles and a single in four trips to the plate. Porter, Reno pitcher pitched fair ball allowing 12 hits and striking out 5. Espees had many men die on base and several time with two on, the batter lined right into some Reno players hands. "Brute" Labetich in rightfield, made two sparkling catches, one a running back hand one hand catch that brought much applause form the crowd.

Southern Pacific scored their run in the fourth when G. Pacheco led off with a single to centerfield, Barovich singled to the same spot. Labetich sacraficed both runners along and was out, on a fly to rightfield. G. Pacheco scoring after the catch. Nelson singled toleft, Barovich being out at the plate coming in standing up, Mayer to Snyder. Patch singled to left, Nelson going to third. Patch stole second. Fagundas was out, third to first.

Reno tied the score in the last of the seventh when B. Cassinelli was safe at first on Mandish's error. When Snyder let the bat slip from his hands, it hit the ball over first base into rightfield, B. Cassinelli going all the way around to score the tyeing run. F. Cassinelli was out to Mandish at first unassisted. Mayer was out T. Pacheco to Mandish. Porter was out, G. Pacheco to Mandish.

The Nevadans scored two runs on some very questionable decisions by both the base umpire and the one calling balls and strikes in the last of the eighth when Manenti singled to leftfield. Loyd laid down a bunt to sacrafice him along and was declared safe by the umpire on bases. (A very poor decision) Gluck did the same thing and again he was declared safe by one of the worst decisions handed the Espees in along time. The whole Southern Pacific team came off the field to argue with the ump but of coarse it stood as safe, and the bags were loaded with none away. Eastland flew out to rightfield, Memanti scoring after the catch. B. Cassinelli hit to Barovich at third who made a great play, but he scored when Patch erred and threw the ball into the dirt in the run down. Snyder also hit to Barovich at third who threw to the plate and Gluck was out on a close play. F. Cassinelli was out on a fly to rightfield.

Southern Pacific threatened to tie the game up in the first of the ninth when Nelson led off with a long double to center, Patch beat out a hit to short, putting two men on and no outs, but Fagundas, in attempting to bunt both men along, popped up to pitcher Porter, T. Pacheco was out Porter to Eastland and Ivaldi was out on a great play by shortstop Gluck, who ran over behind second to field his high hopper and throw to first for the out, to end the game.

Reno Garage Wins 3 to 1 Ball Game From S. P. Stores

Visitors Place Two On Base Last Inning

Another of those air-tight ball games which have been dished up to Reno baseball fans was staged at Threlkel Park Sunday afternoon, with the Reno Garage upsetting the slightly-favored Southern Pacific Stores, 3 to 1.

It was anybody's game at any time, although the tight pitching of Porter and Fagundas held the batsmen on both teams to only a pair of extra base hits, and left a combined total of 15 runners stranded on the bases.

The visitors threatened to recover the game in the ninth inning when they placed runners on second and third, but Porter held them to three infield outs.

The game went scoreless until the fourth, when the Espees tallied their lone run. G. Pacheco singled and scored on bingles by Barovich, Nelson and Patch. Reno Garagemen finally knotted the count at one-all in the seventh inning. Bill Cassinelli found himself on the initial sack on Mandish's error, and was batted in on Bob Snyder's single.

Victory came for the Garage in a hot eighth frame, featured by the Espees' vigorous protests on several decisions by Umpires Hastings and Edwards. Singles by Menante, Lloyd, Gluck and B. Cassinelli, Eastland's sacrifice fly and a fielder's choice sent Menante and Lloyd across with the winning runs.

Nelson of the visitors and Gluck of Reno were the outstanding hitters.

GARAGE DEFEATS ESPEE STORES IN TIGHT GAME

Reno Garage captured another close baseball game yesterday, measuring the Southern Pacific Stores by a 3 to 1 score. Although the day was chilly, a fairly large crowd atteended and got warmed up over the contest.

The Garage came from behind to tie the score in the seventh inning, Bill Cassinelli scoring on Fran Cassinelli's sacrifice. In the eighth the Wrecking Crew loaded the bags and Menante came in on Eastland's long fly for the winning run. Just to make it sure, Stan Loyd came in, too. Loyd was trapped between third and home but Barovich dropped the ball and Loyd hustled over the home plate.

G. Pachino tallied the only Espee run in the fourth inning, scoring on singles by Barovich, Nelson and Patch. Each team had numerous runners stranded on the bases.

Some kind of record was set for park as neither pitcher, Porter of Reno and Fagundas of Oakland, allowed a base on balls, a balk or a hit batter. Nelson of the Espees poled out a pair of two base hits for the day's longest clouts and added a single in four trips. Gluck of Reno also hit three for four. Each team collected eleven hits, Porter fanning five and Fagundas four.

Espees Rally, Beat Caskets

Greyhounds Blast Salinas; Reno Nine Defeats Bercoviches

By ART MACY

Southern Pacific Stores' tossers had to turn on the steam to eke out a 9-8 victory over Oakland Casket Company. The Caskets were out in front 7-3 going into the last of the seventh, when the Stores pushed four across the platter to knot the count.

Caskets tallied one in the eighth to take the lead momentarily, but the Espees came on in the last of the ninth to ice the game with two runs.

Nelson, first up, walked; Labitich sacrificed, moving Nelson to second; Tony Pacheco's single enabled Nelson to tie the score, and Pacheco went to third on Vincent's error. Patch flew out to short center field, and Barovich, sent in to pinch hit for "Lefty" Fernandez, laced a single to left to win the game.

The game afforded many a thrill for the large crowd at Washington Park, with plenty of lusty hits registered by both teams. Ike Vincent, catcher for the losers, topped the sluggers with a triple, double and single. Both pitchers, Fernandez for the Stores, and De Santos for the Caskets, are left-handers and both went the route.

S. P. Wins In Late Rally

Pitcher Shortage Nearly Fatal

Rallying in the late innings, a fighting Southern Pacific Stores baseball club came from behind, 7-3, to put out with a 9-8 victory yesterday afternoon in Washington park over the fast Oakland Casket team.

Caught short in the pitching department, with two of its regular chuckers unable to be present, the S. P. Stores were forced to leave "Lefty" Fernandez in the game, despite the fact he was hit hard.

COME-BACK

Trailing 7-3, in the seventh inning, the S. P. club went to work and got four hits and as many runs to tie up the game at 7-7 in that frame.

The S. P.'s gave the fans a great thrill when they came out in the last of the nine inning full of fight. Nelson, first man up, worked the count to 3 and 2 and then walked. Labetich sacrificed him to second and was out, De Santos to Genovisino. T. Pacheco, after having Umpire Drolette call a bad strike on him, got mad and slashed a hard single to left field, scoring Nelson, and when he made a bluff to go to second, A. Vincent, third baseman for the Casket team, cut the ball loose over to Genovisino at first, but the throw was bad and the ball went out into right field, sending T. Pacheco all the way to third base. Patch flew out to short center field and T. Pacheco held third. Barovich, batting for Pitcher Fernandez, singled to left field to win the ball game.

Being short of pitchers Manager George Geritchen was forced to let Lefty Fernandez twirl the whole game in spite of the fact that he was touched for 15 hits.

Due to the fact that Ben's Golden Glow Starchless are traveling to Reno next Sunday to play the Sierra Brewery Co., the S. P. team will again use the Washington park diamond. As this is written an opponent has not yet been selected.

Three Upsets in Semipro Play

By ART MACY

Three upsets were registered among the semipros as Oakland Casket shellacked the strong Veterans Home Tossers, 16-3; Southern Pacific Stores dropped a close one to North Beach Merchants of San Francisco, 7-6; Ransome Company, tailenders in the Eastern Summer League, toppled the leaders, Mike's Buffet, 9-7, and Pacific Greyhound's long winning streak was checked by Santa Rosa Merchants, 7-5.

Southern Pacific Stores were behind the eight ball when the Merchants scored six in the sixth. A seventh-inning rally netted the Railroaders five runs, and a last stand in the ninth added one more. The game ended with the bases loaded.

Lodigiani (brother of Dario), now with the A's, sparkled at third base, accepting five chances without a miscue, and clouting one for the circuit with the bases bulging.

Southern Pacific Stores To Battle S. F. Team Here on Sunday

With a record of 10 out of 12 games, the S. P. Stores will battle the North Beach Merchants of San Francisco, runners-up in the Golden Gate Valley league, on Sunday afternoon at 2:30 o'clock in Washington park.

Rated as one of the strongest teams in the bay district, the North Beach Merchants are expected to give the Alameda club plenty of opposition.

HARD HITTERS

The Railroaders have yet to be defeated on its home diamonds in Alameda, losing to Santa Clara under the lights and dropping a game in Reno.

Smacking the ball for a terrific clip, Ton' Patch, squat catcher, had a batting average of .429 up to last Sunday.

Close behind Patch in the club averages comes little George Pacheco, flashy second sacker, with a mark of .371.

HIGH PRAISE

Manager George Gerichten is high in his praise of two key men in the success of the Southern Pacific baseball club and is anxious to give a cheer for Capt. "Midge" Fernandes, who has been doing a great job of running the club on the field and proven himself one of the smartest players in the bushes and Sam Alis, trainer, who has kept the squad in splendid physical condition.

HOME GAME

With the bags loaded and only one out, the S. P. club could not score the tying run and lost its first home game of the season.

Lino Corrazzo was hit hard for the losers and "Jug" Mandish went in to relieve him and held the rivals scoreless for the balance of the game.

The S. P. Stores team lost Sunday by a score of 7 to 6. At one stage of the game they were trailing, 7 to 0. The S. P. boys are a fighting bunch and you can never count them out until the game is over.

Southern Pacific Stores vs. Grace Brothers.
Sunday, June 25th, 1939.
Lincoln Park, Ala.

Southern Pacific Stores 0, Grace Brothers 1.

For the first time this season the Southern Pacific Stores was held scoreless, when the Grace Brothers Beer team of Richmond, nosed them out by the score of 1 to 0 in a swell ball game, which sparkled with many sensational plays. Corazzo of Espees and Ramondi of Grace Brothers hooked up in a real pitchers battle, with neither having any edge. The only run of the ball game was scored by Grace Brothers in the fifth when with two away and a runner on second, a sharply hit ball to short took a bad bounce and went out into leftcenterfield, scoring the only run of the game. Charlie Nelson hit two one a double. The railroaders looked sure to tie the game in the last of the eighth when Jug Mandish hit a terrific line drive to leftfield that Beetem turned his back on and threw up his hands to have the ball hit his glove and bounce up in the air, but he caught the ball before it hit the ground and Mandish was robbed of a sure home run. For Grace Brothers, Elmer Sandahl, former Espee catcher hit three, one a double. Emeldi another former Espee player fanned three times in succession. Pat Clifford who played second base for Southern Pacific Stores for many years and now playing with Grace Brothers, was held hitless by Corazzo. Nelson hit a line drive to centerfield that McNiel just tiped enough to stop the progress of the ball, holding Nelson to a double, had the ball not been touched it was a sure three bagger or a possible home run.

The winning tally was made by the Beermen in the first of the fifth when Green popped up to G. Pacheco at short. Carter doubled to left. Ramondi popped up to G. Pacheco at short. Beetem hit a hard drive to G. Pacheco and as he was set to field the ball it took a bad hop to one side and went out into leftcenter field for a base hit and Carter scored the only run of the game.

SEMIPRO BASEBALL GOSSIP

By Art Macy

If Grace Bros. Beer can knock over all these clubs in the coming Tribune Tournament as they are now doing they will be right up in the money, and closely followed by Southern Pacific Stores, as they barely nosed the Stores out 1-0.

The lone marker was scored when Carter doubled and Beetem hit a hard grounder that glanced off Shortstop Pachecos' hand. Al Raimondi limited the Espees' to five safeties and Corazza was touched for eight, but pitched a fine game by working himself out of many tight spots. Elmer Sandahl played a great fielding game in right, and had a perfect day at bat, hitting three for three. George Beetem clicked two and made what looked like an impossible catch of Jug Mandish's line drive that would have gone for a homer. Emeldi turned in a clever game at short, and Raimondi and Nelson each collected two hits.

S. P. Plays Richmond

Rated As Strong Club

Rated as the strongest opposition the Southern Pacific Stores have faced this year, the Grace Brothers Beer of Richmond will play the Alameda club in Lincoln park on Sunday afternoon at 2:30 o'clock.

With "Gunny" Fagundas on the sick list and "Lefty" Fernandez working Sundays, the S. P. pitching staff has been crippled recently, but Manager George Gerichten hopes to have his full strength shortly.

Lino Corazzo probably will start on the mound for the S. P. Stores with "Jug" Mandish and Fernandez as relief.

Hitting for the Alameda club is being turned in by Ted Madruga and Brute Labetich.

S. P. Stores Lose, 1-0

Great Catches Feature

In one of the tightest ball games seen at Lincoln park in some time, the Southern Pacific Stores was nosed out by Grace Brothers Beer of Richmond by a score of 1 to 0. Ramondi of the Beermen and Corazzo of the S. P.'s hooked up in a real pitchers' battle, the only run of the game being that scored by Grace Brothers in the fifth, when the ball took a bad hop as Shortstop Pacheco was set to field it, the ball going into left center field and the winning run scored from second base. There were two men out at the time.

GREAT CATCHES

The S. P.'s threatened several times during the game and two sensational catches by Grace Brothers saved at least two runs. In the fourth inning Nelson, S. P. center fielder, hit one on a line to center field, McNeil just tipping the ball enough that it stopped its flight, had the ball hit the fence on the fly it would have gone for a sure triple or possibly a home run. In the eighth inning, "Jug" Mandish got hold of one for a terrific drive to the left field, Beetem turned and ran and threw up his hands, the ball hitting his glove when he had his back to the home plate and bouncing up in the air, but he caught it again before it hit the ground, robbing Mandish of a sure home run that would have tied up the game.

Corazzo for the Stores pitched the best game that he has thrown this season and only the breaks beat him. He struck out six and walked four. Ramondi pitched good ball for Grace Brothers, striking out one, walking three and allowing five hits. Nelson hit two for the S. P.'s, one a double. Sandahl hit three for the winners, one a double.

This was a good game with the Grace Bros. team winning 1 to 0. They scored the lone run of the game in the fifth inning on one hit.

The Lincoln park diamond was also in nice shape and the crowds there seem to be increasing every Sunday. Give the fans a good attraction and they will turn out for it. There are enough fans in this city to fill both parks each week, so keep both parks booked with good games and the fans will turn out to see them.

Ben's Golden Glow Starchless No. 2 team took a 12 to 4 beating last Sunday by the Bushrod Oaks. Lefty Brendel, who is a real old-timer, pitched four innings for the winners. Previous to this game the Glow juniors had lost one by a 2 to 1 score and won one by a 3 to 1 score. This was probably just an off day and they will be back strong next Sunday.

Ben's Golden Glow Starchless will be in the Oakland Tribune Tournament this year. Look for manager Spec Espina to have a good club out there. The feature of last year's play which will never be forgotten by some fans, was the elimination game in which the S. P. team beat Ben's by a score of 1 to 0 in 14 innings.

S. P. Stores Play Reno Garagemen In Tussle Today

Monzo Faces Botto In Pitching Duel

Fireworks may be officially banned in Reno but basehits will bang and pitchers may blow up at Threlkel Park Tuesday afternoon, when the dynamite-packed Southern Pacific Stores lineup comes up against the Reno Garagemen.

The Independence Day clash will bring together some old rivals who battled to a 3 to 1 game earlier this season. The Espees have strengthened their pitching staff by borrowing Carl Monzo from Moffat Packers. Little Monzo has a fast-dropping "downer" which has always given the Reno Garagemen considerable trouble.

Stan Botto has been named by Manager Threlkel to pitch against the visitors who will start T. Pacheco, ss; Ivaldi, cf; Mandish, 1b; G. Pacheco, 2b; Barovich, 3b; Labetich, rf, Nelson or Fernandes, lf; Patch. c.

With the game at Threlkel Park the lone sports event in Reno, besides the rodeo, Tuesday afternoon, a record holiday crowd is expected to witness the game.

Southern Pacific Stores vs. Reno Garage.
Tuesday, July 4th, 1939.
Reno, Nevada.

Southern Pacific Stores 5, Reno Garage 6.
(10 innings)

In what was plainly to be seen the most rank umpiring ever to be forstered off on a visiting club, the Southern Pacific Stores were robbed out of their game with Reno Garage, by the score of 6 to 5 in ten innings. The umpiring was such that even the fans could see that it was a case of deliberate cheating. Southern Pacific Stores put on a courageous uphill fight after spotting their opponants 5 runs in the first inning, to even up thescore at 5 all in the sixth and being deprived of several chances to score, by umpiring that called balls over the batters head and balls that the catcher had to lay his glove flat on the ground to get, strikes breaking up an Espee rally every time the railroaders had men on and threatened to step out in the lead. Such tactics as this does not do the game of baseball any good, and the fans went away with a bad taste in their mouths. If any club deserved to win it was the Southern Pacific. Trailing 5 to 0 in the last of the first with two away. Monzo relieved Corazzo and held the Garagemen to three hits and no runs for the balance of the game. The visitors kept pecking away at Stanly Botto, Reno pitcher, scoring two runs in the third, two in the fifth and tied the game up in the sixth, sending Botto to the showers. Espees had many opportunities to win the game having the bags loaded on two occasions with one away, only to have the umpires resort to deliberate cheating to keep the visitors away from crossing the plate. In the tenth inning Eastland drew a walk with none away and Pilgrim was put in to run for Eastland who had a bad foot. Loyd sacraficed down the first base line and was out, Mandish trapped Pilgrim off of second and in running him down, Pilgrim made a dash for third and was thrown out by feet, the umpire waving his hand up in the air and holloring you'r out. Upon looking over a manager Threlkel of the Garage team, he reversed himself and declared the runner safe. A hot argument resulted and the whole Espee team shoved the Umpire all over the diamond. That was the decision that won the game for Reno as the next batter dropped a short singled into short centerfield.

Reno scored five in the first when B. Cassinelli hit third base with grounder and the ball hit the bag and bounced up in the air. Minante popped up to Ivaldi at third. Gluck was safe on T. Pacheco's error, going to second and Minante to third when the ball was thrown away from Mandish at first. Eastland was safe at first on a fielder's choice, and B. Cassinelli was declared safe at home. Loyd walked filling the bases. Snyder was hit by a pitched ball, forcing in Gluck with the second run. Mayer was out to Mandish at first unassisted, Eastland scoring on the play. F. Cassinelli was safe at first on Mandish's error, Loyd scoring. Botto singled to right, scoring Snyder. Monzo replaced Corazzo for Southern Pacific Stores. B. Cassinelli, up for the second time this inning, forced Botto at second, T. Pacheco to G. Pacheco.

S. P. Stores Ball Club Idle Sunday

Due to the fact the S. P. Stores baseball club will play in Reno on the Fourth of July it will be idle on Sunday, it was announced by Manager George Gerichten.

Leaving on its special Pullman car filled to capacity, the S. P. Stores club will travel to Reno to play Jack Threlkel's Reno Garage in the second of a three-game series.

S. P. lost the first game 3-1, but with Lino Corazzo, "Lefty" Fernandez and Carl Monzo pitching the club expected to avenge the defeat.

Southern Pacific recovered two of the runs in the third, whenwith two out and no one on base, Mandish drilled a single into rightfield, and scored on Ivaldi's double to right, T. Pacheco singled to right, scoring Ivaldi. Nelson fanned.

Espees picked up two more runs in the first of the fifth when Monzo fanned to open the inning, Fernandes beat out a hit to third, Mandish doubled to left, scoring Fernandes. Ivaldi singled to left, scoring Mandish. and went to second on Mayer's error. G. Pacheco fanned, Nelson flew out to centerfield.

The visitors tied up the game in the sixth and sent Botto to the showers, when after Labetich flew out to rightfield and T. Pacheco was out third to first, Carter singled to left, Monzo was safe at first on.Snyder's error, Carter going to third. Fernandes singled to rightfield, scoring Carter with the tieing run. B. Snyder replaces Botto for Reno Garage. Mandish fanned.

In the last of the tenth, the umps desided it was time to end the game, so after Eastland had been given a free passage to first base and Pilgrim was sent in to run for him, Loyd sacraficed and was out. G. Pacheco to Mandish. Pilgrim then got fancy and rounded second base a little to far and Mandish had him trapped off of second he made a dash for third and Mandish threw to Ivaldi for an easy out, the umpire running over and throwing his arm up into the air and calling "Your's out". Then looking over at manager Threlkel, he reversed his decision and declared the runner safe. This resulted in a near riot and all the players on the Espee team shoved the ump all over the diamond and it was mighty lucky some one did not haul off and let him have one as he surely had it coming. Snyder the next batter dropped a little single into short centerfield, scoring Pilgrim with the winnign run.

GARAGEMEN BEAT S. P. STORES IN TEN INNINGS

Reno Garage defeated the Southern Pacific Stores 6 to 5 yesterday in a hectic ten-inning game which produced some fine baseball and plenty of arguments and which kept a large crowd of fans in their seats to the end.

The Garage men piled up five runs in a wild first inning in which they sent Carrozzo to the showers. The Stores came back and had the count knotted at five-all in the sixth, and the two teams struggled for four more exciting innings before Catcher Bob Snyder brought Pilgrim in with the winning run.

So many sensational plays were turned in along with the beefs and arguments that the crowd was kept busy trying to add up, but the outstanding feature of the afternoon was the work of the two relief pitchers, Monzo of the Stores and Bob Snyder, jr., of the Garage.

Monzo took the hill in the first after the Garage had tallied five runs off Carrozzo and allowed only two hits thereafter, while Snyder relieved Botto when the Stores tied the count in the sixth and limited the Oaklanders to three safeties.

Of the two, Snyder had more trouble but he was able to pitch himself out of holes on numerous occasions. Twice the visitors loaded the bags but effective work by the Wrecking Crew, featured by Bob Snyder, sr.'s handling of foul tips and Lefty Mayer's long pegs to home plate kept the Stores in check. Monzo didn't need a lot of support. He retired the Wreckers in apple-pie order, really pumping in his fast ball. The combination of T. Pacheco at shortstop and Mandish at first base backed him up to perfection. Pacheco made several seemingly impossible stops of scorching ground balls to cut off base hits. Mandish made a sensational leaping catch of a ball hard hit by Menante to rob him of a sure double.

The tight play and good pitching brought the game up to the tenth inning. The Stores went down one-two-three, and Eastland came up for the Garage and drew a walk, Pilgrim taking the bag to do his running. Stan Loyd sacrificed with Pilgrim going to third in a close play which precipitated a stormy argument. When it was settled, Bob Snyder, sr., came up and won the ball game with a Texas Leaguer to bring Pilgrim in with the winning run.

Reno Garage Wins 10 Inning Thriller From S. P. Stores

Father and Son Star For Garagemen Tuesday

Father and son—of the baseball-playing Snyder family—accounted for a hectic 10-inning 6-5 victory for Reno Garage over the Southern Pacific Stores Tuesday afternoon at Threlkel Park.

Bob Snyder, Sr., veteran catcher, blasted a sharp single to rightfield in the extra session to drive in Curtis Pilgrim with the run which won the game. The smooth pitching of his son, Bob, Jr., kept the Garagemen in the running for the last four innings and saved the game in several tight spots.

Going into the 10th inning, with the score knotted at 5-5 when the regulation nine frames ended, young Snyder retired the side in prompt order. Charles Eastland, first man up in the last of the 10th, drew a walk from Carl Monzo. Lloyd sacrificed to advance Pilgrim, running for Eastland, and the fleet-footed Pilgrim galloped completely around to third where he was called safe in a close play. The Espees rose up in wrath at Umpire Hastings' decision, and administered some shoving around. At this point "Pop" Snyder delivered the winning hit.

Despite a cold wind which whipped across the field, the fans warmed up with some lively rooting. Arguments were plentiful, with the Espees doing most of the beefing.

The Garagemen accounted for their win on only five hits. In the first inning two singles, two errors, a walk, man hit by pitcher and fly outs combined for five runs. Little Carl Monzo came in to stem the tide and allowed only two hits in the 9 1-3 innings he chucked. He forced the Garagemen to pop up when they swung at his fast-dropping "downer," and in general had them handcuffed.

Meanwhile, the Espees were steadily banging away at Stan Botto's offerings in an effort to redeem their first inning debacle fizzle. They touched him for three hits and two runs in the third and duplicated this feat in the fifth. In the sixth frame the Espees tied the score when singles by Fernandez and Carter and an error produced a run.

Young Snyder, who quit the Boise Club of the Pioneer three days ago and returned to Reno, was called into service with two out and two men on base and struck out the final batter. He was in trouble several times from then on, having two on in the seventh and the bags loaded in the eighth, but each time pitched himself out of the hole.

By the slim margin of one run, the S. P. club has lost its last three games, but will be out to reverse the order against the Coast All-Stars.

EXTRA FRAME

Over Fourth of July the S. P. Stores lost to Reno Garage in Nevada by a score of 6-5 in ten innings.

The Reno team scored five runs in the first inning, but the S. P. Stores kept pecking away at the lead to finally tie the game only to lose out in the extra frame.

Nick Williams 'Day' Planned

Under the directorship of Doc Renton, local bush umpire, baseball fans are rallying today in an effort to make the planned Nick Williams "day" scheduled for July 9 at Seals Stadium, a successful one. According to Renton, the program calls for two games, starting at 1 p. m., as well as music and other entertainments. The first game will bring together the Coast League all-stars versus S. P. Stores of Alameda. C & H Sugar of Crockett and Western Sugar of San Francisco will battle in the second game.

. . . The S. P. Stores of Alameda baseball club was singled out for an honor when it was chosen as the semi-pro team in this area to play the Pacific Coast league All-Stars for the Nick Williams benefit in San Francisco . . . The six California clubs in the Pacific Coast league are each sending two players to San Francisco for the game . . . Because of its record and the fact the S. P. day drew a record crowd last year, the club undoubtedly was selected to aid the former S. F. Seals manager . . .

Stores team honored: Selection of S. P. Stores baseball team of West Oakland from a long list of clubs to play the Coast League All-Stars in a benefit game at Seals Stadium on July 9, was announced by G. W. Gerichten, manager. The All-Stars team will consist of two players from each of the Coast League teams in California and the game is drawing the attention of hundreds of local fans who recognize the S. P. team as one of the strongest semi-pro organizations in the state.

S. P. Stores Win, 7-4

After a five-week lay-off due to a sore arm, "Gunny" Fagundas came back to pitch a masterful game and chuck the S. P. Stores of Alameda into a 7-4 victory over the Pacific Coast League All-Stars yesterday in the S. F. Seals stadium.

With Mayor Angelo Rossi and other city officials on hand to give speeches, the game was a benefit to Nick Williams, former manager of the S. F. Seals.

With Fagundas back in form and Johnny Malloy, former Tallant Tubbs chucker, signed, the S. P. Stores are ready for the opening of the Oakland Tribune tournament.

Southern Pacific Stores vs. Tye's Hop Gold.
Sunday, July 16th, 1939.
Washington Park, Alameda.

Southern Pacific Stores 2, Tye's Hop Gold 1.

In a very tight ball game, Southern Pacific Stores nosed out Tye's Hop Gold by the score of 2 to 1, at Washington Park, Alameda, before a large crowd. Corazzo, Malloy and Solari, devided the pitching assignment for the Espees, each pitching three innings, between them they allowed six scattered hits. G. Pacheco, T. Pacheco, Patch and Malloy hit doubles for Southern Pacific Stores. Three double plays by Tyes held the Espees score down.

Espees scored first when they shoved across their first run in the last of the fourth. Ivaldi led off with working pitcher Hanson for a free trip to first base, scoring on G. Pacheco's double to centerfield. Nelson fanned. Labetich walked and both runners advanced on a wild pitch. G. Pacheco was out attempting to steal third. T. Pacheco fouled out to Gibson at third.

Tyes tied up the score in the first of the fifth when W. Peacock singled to center. Benotti was safe at first and W. Peacock went to second when pitcher Malloy could not hold his pop up bunt and it dropped fair. Hanson was safe at first when Barovich threw too late to third attempting to force W. Peacock, filling the bags with none away. Castellotti singled to right, scoring W. Peacock and still leaving the bags bulging. Coleman fanned for the first out. Gibson popped up to Ivaldi at third. F. Peacock forced Castellotti at second, Ivaldi to G. Pacheco.

The Southern Pacific Stores forged into the lead again in the last of the fifth, when Patch doubled to left and scored on Malloy's double to centerfield. Fernandes popped up to catcher Hanson in attempting to bunt. Barovich walked. Ivaldi fanned. G. Pacheco walked filling the bases. Nelson flew out to rightfield.

S. P. Stores Play Tye's

New Pitcher Signed

With Tye's Hop Gold, a well balanced club of young players as opponents, the Southern Pacific Stores baseball team of Alameda will play in Washington park at 2:30 o'clock on Sunday afternoon.

With the signing of Pitcher Johnny Malloy, Southern Pacific Stores have strengthened their pitching staff for the forthcoming Tribune tournament, and will have one of the strongest teams that they have fielded in the past several years.

"Gunny" Fagundas will probably pitch half of next Sunday's game, with Espee's new addition, Johnny Malloy, finishing up. Tony Patch is having a great year behind the log and is hitting the ball at a terrific clip. Andy Ivaldi at third has proven that he is well capable to handle that position and has been doing fine work all season cutting off many base hits with his accurate throws to first.

S. P. Stores Win, 2 to 1

Fast Fielding Factor

Nine innings of fast baseball was captured by the Southern Pacific Stores when it won over Tye's Hop Gold 2-1 yesterday afternoon in Washington park.

Fast fielding, featuring three double plays, by Tye's killed off several threatening rallies by the S. P. club.

HITTING

Three pitchers—Corazzo, Malloy and Solari—each worked three innings apiece for the Stores and held Tye's to six hits.

The Pachecos — George and Honey—Tony Patch and Pitcher Malloy each hit doubles for the winners with Castolletti, Tye's first sacker, banging out three blows.

Southern Pacific Stores vs. San Quentin All-Stars.
Sunday, July 23rd, 1939.
State Prison, San Quentin, California.

Southern Pacific Stores 0, San Quentin All-Stars 1.

Pitching the best ball of his career, San Quentin's Ace lefthander, "Sugar" Cain turned back the Southern Pacific Stores by the score of 1 to 0, in their annual game at San Quentin Prison. Cain's curve ball was the best seen in many a day and scout Earl Sheeley of the Boston Red Sox, who was in attendance looking over this great lefthander, saw plenty. Cain did not allow the Espees a hit until the eighth, when "Jug" Mandish got a clean single to leftfield. The only otherhit made off of San Quentin's Ace was in the ninth when Corazzo, Southern Pacific pitcher lined one back at Cain, the ball bouncing off of his glove and rolling over to second base, Corazzo getting an infield hit. Not an Espee man reached third in the entire game. San Quentin scored their only run in the last of the third when with a man on third and one out they worked a perfect squeeze play. Corazzo for the losers pitched great ball but his efforts were overshadowed by the great exhibition of "Sugar" Cain, who is destined to go far in professional ball upon his release next February.

The lone run of the ball game was made by San Quentin in the last of the third when Mikorgesky, All-Star second baseman, got an infield hit to Corazzo to start off the inning. Moncier was out T. Pacheco to Mandish. Mikorgesky stole second and went to third when no once covered second and the ball was thrown out into centerfield. Williamson laid down a perfect bunt in front of the plate as Mikorgesky tore for home with what prooved to be the winning run of the ball game. Williamson was out Corazzo to Mandish. Hart was out G. Pacheco to Mandish.

San Quentin Vs. S. P.

Five Pitchers Signed

With a record crowd assured, the S. P. Stores will travel to San Quentin on Sunday to play one of its most important games of the season against Don Coughlin's Prison All-Stars, it was announced by Manager George Gerichten.

Daring daylight train robbery is planned by the prison team to spoil the record of the S. P. team, unbeaten in San Quentin games since 1933.

NEW TEAM

However, the Alameda club has a strong squad and this year has lost only five games while winning 11 contests.

With the Oakland Tribune tournament championship as its goal, the S. P. club has been strengthening and now has five pitchers—Leno Corazzo, Gunny Fagundas, Lefty Fernandez, Johnny Mollay and Bill Solari—signed and recently added Larry Dutra, hard hitting catcher from Franco's Market of Santa Clara, as an extra receiver.

Next Outside Game

George Wooding, Sec. of the Baseball League, relays the information that our next outside game will be with the strong Southern Pacific Stores. Unbeaten by the locals since 1934, the trainmen will be here Sunday, July 23.

Lieut. Coughlin and Star Pilot Lee Cochran are planning for a successful daylight train robbery.

S. P. Stores Play San Quentin

Traveling to San Quentin, the Southern Pacific Stores of Alameda will play the Prison All-Stars on Sunday, it was announced by Manager George Gerichten.

Not since 1933 have the All-Stars won over the S. P. Stores team.

The Southern Pacific Stores team were taken into camp Sunday by a score of 1 to 0 when they played the San Quentin All-Stars. "Sugar" Cain, All-Star pitcher, is scheduled to be released next February and was being looked over by Earl Sheeley, scout for the Boston Red Sox.

S. P. Stores Downed

With Earl Sheeley, Boston Red Sox scout, watching, "Sugar" Cain, San Quentin's star lefthander, pitched the best ball of his career to give the prison team a victory over the Southern Pacific Stores yesterday, by a score of 1-0.

It was the first victory for the prison team over the S. P. Stores since 1934, but Cain was unbeatable and did not allow a hit until the eighth inning when "Jug" Mandish got a clean single into left field.

NO PLAY

Lino Corazzo, S. P. pitcher, got credit for an infield hit in the ninth when he bounced one off of Cain's glove and it rolled to second base, where no play could be made on hit at first.

A beautifully executed squeeze play in the third inning, with one away, gave San Quentin its lone run. Williamson, All-Star catcher, laid down a perfect bunt and Mikorgesky tore in from third with what proved the winning run.

S. P. VICTIMS OF BOLD ROBBERY

CAIN & WILLIAMSON FLASH THEIR GUNS

All-Stars Steal Rare Victory 1 To 0

Recreational Field, July 23-- Horatio Alger, Frank Merriwell, the Rover Boys, Dale Carnegie, and all famous writers of Success Stories, small-town-boy-makes-good, How To Make Friends and Influence People themes, were put to shame today by a success story in the flesh with Sugar Cain the "A" character, but ably supported by the entire cast. To simplify the above statement, the S Q All-Stars took a sweet victory over the famous Southern Pacific Stores 1 to 0.

Today's setting was even more dramatic than it appears on the surface, for among Lieut. Coughlin's guests was Earl Sheely, former first sacker for the Chicago White Sox, and big league scout, also the head Baseball Coach at St. Mary's. Mr. Sheely had heard numerous and sundry rumors about a young left-hander on our team and decided to "have a look". He was agreeably surprised. He came to see one— and instead he saw a whole ball club.

Sugar was at his best today, pitching a masterful game. In fact it was a no-hit, no-run affair for seven innings until Mandish finally took the strain off Cain, getting a single to left. Cain allowed only one more hit— the scratch variety; Carazzo, S. P. chucker, getting an infield bingle in the ninth.

It used to be the exception when the All-Stars played a flawless game; lately it is just the opposite and it must be said in all fairness that the entire team is playing perfect ball. Today's game makes twenty scoreless innings in the last three outside games and only one run in twenty-nine frames.

Without any question, Sugar's increased effectiveness is due to "Silent" Bill Williamson behind the bat. The Old Gray Mare might not be what he used to be; but, boys, he is surely doing a "Class AA" job of catching and therein lies the answer. Bill is a tireless worker, is smart in his decisions, quick to find a batter's weakness; and last but not least, he stops 'em back there when Cain uncorks. He instills pepper in the gang and the result is the whole team is playing inspired ball. Earl Hart contributed 4 nice catches in the outfield, hit a double and has become (if not the most graceful) a most reliable flyhawk.

Capt. Willie Aguilar was there with his usual colorful playing, handling six chances perfectly and taking the batting honors with 2 for 3. Willie pulled off his "favorite", a swinging bunt and beat it out easily for a hit.

Hell, trying to cover today's game without too much prejudiced praise is really a task. From the San Quentin point of view everything was perfect and every player

Continued On Page 2 Column 4

Continued From Page 1 Column 5

contributed a share in the feast. An extra pat is in order for Lee Cochran in guiding the plays in big-league style.

The Game

Now: for the one and only tally of this exciting game. "Money" player, Joe Mikorgesky, started off the third inning with a clean hit. Cochran crossed up the S. P. gang by giving Joe the steal signal on the first pitch. Joe was off like a shot and Tony Patch whipped his peg right on the bag, but there was nary a soul there to catch it, and Joe continued on to third.

"Boo 'em up" Moncier went out short to first, Joe holding third. Up came Bill Williamson with the fans begging for a hit. Again Cochran showed his perfect judgement and called for a squeeze. Mikorgesky headed for home with the windup and Williamson just waited patiently for the pitch to arrive and laid down a perfect bunt, Joe scoring the biggest, sweetest, and most satisfying run of the year.

Another thing, never let it be said that the S. P. Stores are not competition, for they rate with the finest and fastest semi-pro organizations in the west. There was not a player on their team but that was disappointed in losing, but they also showed their fine sportsmanship by heartily heaping sincere praise on the All-Stars and particularly Cain. Tony Patch, the S. P. catcher, who has been over here before this year, claimed Cain was getting better each time and would have a cinch in organized ball. We all hope so.

Earl Sheely was rather reserved in his comments for publication. However, after the game, he showed enough interest to give Sugar a pointer or two for future use ???

This marks the seventh appearance of the Southern Pacific Stores Club at San Quentin and in commemoration of the fine competition they have given the All-Stars and the wonderful spirit they have shown on their previous visits, Geo. Geritchten, manager for the team, was presented a scroll prepared by George Green and Ray Colyar, and signed by hundreds of inmates and freemen. The wording follows:

"To our friends, the Southern Pacific Baseball Club, Geo. W. Gerichten Manager. In commemoration of Baseball's Hundredth Anniversary, and your Seventh Annual Visit to our diamond, we take this occasion to express our appreciation for your courtesy and good sportsmanship in affording us the pleasure of competing with your excellent team. Today, Sunday, July twenty-third, nineteen hundred and thirty-nine we wish you the best that life brings forth; a green light, a smooth track, and streamlined success in the great National sport of Baseball!

(Signed) "Sports Fans of San Quentin."

At the bottom was a seal—"Centennial of Baseball 1839-1939." The scroll was encased in a large 18 by 24 inch envelope, with a stamp "3 sacks, San Quentin postage." Orchids to Ray and George.

All we can say—'twas a lovely day—bring on those Greyhounds!!

With the 24 teams picked and rarin' to go, the stage is all set for the start of Oakland Tribune tournament getting under way at the Oakland Coast league baseball park on August 8.

Thirty-five teams had asked admission to the tournament but several were turned down when it was decided they were too weak for the tough competition and two teams were ruled out for failing to live up to certain entry rules.

Moffat Packers are defending champions and the teams who will be gunning for them are: Pacific Greyhounds, Southern Pacific Stores, Grace Bros., Oakland Caskets, Owl Drugs, Bercovich Furniture, White's Watsonville Cardinals, Chico, Atwater, Petersen's Liquors, Ben's Golden Glow Starchless, Union Oil of Oleum, Tallant Tubbs, Golden State Creamery, Orinda Reds, Chapel of the Oaks, Tye's Cafe, Rose Garden Chapel, California Giants, Pine's Cafe, California Eagles and the Chapel of the Palms.

My selection as to the five teams who will finish in the money goes something like this. I will not say how they will wind up, I just look for them to be in the money. Ben's Golden Glow, Pacific Greyhound, Southern Pacific Stores, Golden State Creamery and Moffat Packers. If these teams finish in the money I will say I told you so, but if they are out, please don't remind me of it.

Fans can be sure of a great game next Sunday when the S. P. Stores team clashes with the Ben's Golden Glow Starchless nine. In the last meeting of these two teams the railroad nine wound up on the best end of a 6 to 5 score after 13 innings of play. Their game previous to that one was one that will never be forgotten. It was played in the last Tribune tournament and was an elimination contest, each team having lost one at the time. After 14 innings of baseball and way past 1 a. m., the Southern Pacific team shoved across a tally and won by a score of 1 to 0.

This game will be played at Lincoln park and will start at 2:30 o'clock. Fans are reminded that Lincoln park is now equipped with a public address system and an attempt is being made to bring the game to the fans in the best manner. The announcer is new at the game and will do his best to improve as time goes along.

Any suggestion from fans that may go to improve the system will be welcomed by the announcer. Just step up to the press box when you are in Lincoln park and give your hints or suggestions.

Down at Washington park there will be a benefit softball game. This game is being played to raise funds with which to buy trophies for the various leagues. Starting time of the contest is 1:30 p. m.

Southern Pacific Stores vs. Bens Golden Glow.
Sunday, August 6th, 1939.
Lincoln Park, Alameda.

Southern Pacific Stores 2, Bens Golden Glow 7.

Bens finally handed the Southern Pacific a defeat when behind the pitching of young Ed. Van Lyden, Alameda High School youth, they trimmed Espees by the score of 7 to 2. Ivaldi hit three for the Espees, Brute Labetich two, one a long home run deep into leftcenterfield. Perry, another Alameda High School product, hit three for Bens. "Lefty" Fernandez started for Southern Pacific Stores and was wild, Bens scoring five runs in as many innings before he was relieved by Johnny Molloy who held the winners in check for the balance of the game except for the eighth inning when with the bags loaded he issued a walk and hit a batter to force in two runs.

Bens score twice in the first inning when Gonsalves walked to open the inning Perry sacraficed him to second and was out Fernandez to Madruga. Oliver tripled to centerfield scoring Gonsalves. S. P. Stores to Battle Ben's Sunday Afternoon In Lincoln Park Ball Game

Long awaited return game between the S. P. Stores and the Ben's Golden Glow is scheduled for Lincoln park on Sunday afternoon at 2:30 o'clock.

In two past baseball games, the clubs battled extra innings with the Southern Pacific Stores nosing out the Ben's Golden Glow club by one run each time.

Boasting one of the sweetest pitching staffs entered in the Oakland Tribune tournament, the S. P. Stores hope to set Ben's down again in next to its last game before entering the night championship.

The S. P. Stores always among the top teams in the tournament has its strongest pitching staff with "Gunny" Fagundas, Leno Corazzo, "Lefty" Fernandez, Johnny Molloy and Les Powers all ready to work.

Ben's to Play S. P. Sunday

Alameda's baseball teams — Ben's Golden Glow and Southern Pacific Stores—will clash in Lincoln park next Sunday afternoon at 2:30 o'clock.

The last two meetings of these teams were real thrillers with S. P. winning the first game 1-0 in 14 innings and then capturing the second 6-5 in 13 innings.

Bush Bushings

By RAY SEVINA

Eddie Van Leiden, Alameda hig school and American Legion pitcher, pitched the entire game for Ben's Golden Glow Starchless against the Southern Pacific Stores team on Sunday. Eddie held the hard-hitting railroad boys scoreless until the seventh inning. After his good showing against this fast club it is hard to understand why Ben's did not sign him for the Tribune tournament. He has signed with the E. Bercovich and Sons team.

* * * *

Ray Perry hit three for three in this game and seems to have regained his batting eye. Perry will make it tough on a lot of these tournament twirlers now that he is hitting in form again.

* * * *

Twenty-three men were left stranded on bases in this game, 10 by the S. P. and 13 by Ben's.

* * * *

Ben's draw a tough assignment in their first game. They play on Sunday, August the 20th, and drew the Tye's Cafe team. If they win that one they play the winner of the Pacific-Greyhound-California Eagles game. Game time on the 20th is 2 p. m.

* * * *

The Southern Pacific team plays the 9 o'clock game on opening night. They have drawn the California Negro Giants.

* * * *

Ben's will go into the tourney with four pitchers, two catchers, five infielders and four outfielders. Their complete roster follows, and looks like a money team:

Tony Ferrera p; Les Smith p; Bob Casteel p; Jimmy Antanazio p; John Abrew c; John Annunzio c; Carl Escobar 1b; Al Swick 2b; Billy Gonsalves ss; Ray Perry 3b; Tony Masucci, utility inf; Bill Enos lf; Ernie Oliver cf; Elmer Corbett rf; and Niggie Silva rf. "Spec" Espina will manage the team.

So don't forget, fans, the opening night of the Oakland Tribune State Baseball championships is Friday, August the 18th. Two games every night. Four games on Saturdays and four on Sundays. You can watch every game in one night or day for the single admission price of 25c and you can't beat that for a baseball bargain. So get behind your favorite team and go out to the Oakland Coast League park and root for your team.

Watsonville Nine Meets Orinda Reds

S.P. Stores to Tangle With Negro Giants In Second Feature

By EDDIE MURPHY

California's greatest baseball show gets under way tonight with a big bang and more bangs at the Oaks' ball park, San Pablo and Park Avenues.

There will be plenty of fireworks, plenty of apples and plenty of good baseball for the thousands of fans who will be on hand to witness the start of The Oakland Tribune's seventh State championship tourney.

Clyde C. White, whose Cardinals of Watsonvill battle Orinda Reds in the first game, starting at 7 p.m., is bringing the apples to advertise his home city.

TREMPY ARRANGES BANG

Roy Trempy, vice-president of the Triumph Fuse and Fireworks Company of Oakland, is quite an enthusiastic baseball fan and urged Phil Riley, manager of the Leamington Hotel, and also founder of the Oakland Boosters Club, to have the opening night of the tourney start with the big bang.

So Trempy arranged with Walter Brown, Tribune promotion manager, to have a fireworks display between the two games to be played. The display will start about 9 o'clock, following the end of the first game.

City Manager John Hassler will also be on hand to extend his greetings to the visiting clubs and fans.

Youngsters under 12 years of age will be admitted free to the bleachers, and those who are accompanied by a paying adult will be admitted free to the grandstand opening night.

STORES MEET GIANTS

Following the fireworks display and the greeting speech from Hassler, Southern Pacific Stores, who have been knocking at the championship door for the past six years, will battle California Negro Giants.

Admission price for the big firework display and the two games is only twenty five-cents and the same price will prevail throughout the tourney. Two games will be played tomorrow afternoon for the same admission, and there will be two more games tomorrow night.

A double bargain will be offered when fans can see four games for the same price.

Fans are coming from all parts of Northern California to witness tonight's openers and many of them will stay over until the four-game program of Sunday is completed.

PACKERS TOMORROW

Moffat Packers, the defending champions, will appear in tomorrow's program, meeting Atwater Packers at 9 p.m. and scores of Chinese will be out to watch their native favorite, Al Wong, the "Flying Chinaman," who will play outfield for the Packers. He is reputed to be the fastest man in organized or semipro on the Pacific Coast.

Chassie Silva, who has pitched and starred in four previous tourneys, will be on the firing line for Watsonville in the first game tonight and will be opposed by Carl Crisler or Fred Green.

Jack Phillips or Teddy Ortez will do the hurling for California Giants and Leno Corrazzo will fling them for the Railroadmen.

Negro fans throughout the county

have visions of the Giants or California Eagles, another Negro team, which plays Sunday, of winning the title and they will be out in force tonight to lend their support to the Giants.

Southern Pacific Stores have one of the biggest followings of any teams which have competed in any of the tourneys and their supporters are bound to be at the park tonight with bells and whistles to enliven the start of the great tourney.

Scouts for clubs will be on hand to look over the youngsters. Since the first tourney in 1933, more than two score of players graduated to minor or major league clubs. Willis Butler of St. Louis Browns, Joe Devine of the New York Yanks, Earl Sheely of the Boston Red Sox, and Jack "Doc" Silvey will be among them.

Southern Pacific Stores 3, Pines Cafe 1.

Southern Pacific Stores made it three straight and tied with Bercovich and Tallant Tubbs for the lead in the seventh anual Oakland Tribune ChampionsBaseball Tournament, by handing the Pines Cafe team a 3 to 1 defeat. Held to three hits the railroaders converted them into three runs. Molloy for the Espees pitched a great game allowing but five hits three of them coming in the fourth inning when Pines made their only run. Mandish's double in the fourth inning scored Patch who had previously walked giving Espees thier first run. George Pacheco walked in the sixth and scored later when **Dutra** hit to Jerome and no body covered first. Tony Patch's single scored Barovich who had walked in the same inning. Jerome's wildness cost him the ball game as he issued thirteen free trips to first.

Espee scored first in the second when T. Pacheco fanned, Patch walked, Molloy fanned, Mandish doubled to centerfield scoring Patch. Madruga was hit by a pitched ball. G. Pacheco flew out to deep centerfield.

Pines tied the score a 1 all in the fourth when Magill lined out to T. Pacheco at short. Fernandez popped up to T. Pacheco at short. Souza doubled to ~~short~~ rightfield. Xaivier siggled to right, scoring Souza. Romero singled to centerfield, Xavier going to third. Chapman popped up to G. Pacheco at second.

Southern Pacific put the game on ice in the seventh when G. Pacheco led off by working Jerome for a walk. Ivaldi flew out to leftfield. Barovich walked. Nelson, batting for Labetich, was out pitcher to first, both runners advancing. T. Pacheco singled to rightfield, scoring G. Pacheco and Barovich. T. Pacheco stole second. Patch fanned.

Undefeated Clubs Clash In Four Games

S.P. Stores-Pines, Tubbs-Chico Colts Top Day's Program

By EDDIE MURPHY

While eight teams were battling yesterday afternoon and evening to avoid elimination from the Oakland Tribune's State championship baseball tourney at the Oaks' Ball Park, managers of eight other teams were busy last night preparing their line-ups for the four crucial games that will be staged today on the same field.

Six of the clubs, undefeated in their first two starts, were getting in some practice licks yesterday on various diamonds of Northern California, in order to be primed for the first three games of which the first start at 10 o'clock this morning.

The fourth game will bring together the two winners of Friday night's game and the loser will join the list of those eliminated with the winning club chalking up its second win with one defeat. Meeting in the elimination tilt are White's Cardinals of Watsonville and Chapel of the Palms of Centerville.

First of the teams to battle today for the third win and virtually a hand-hold on a part of the "golden melon" will be Southern Pacific Stores and Pines Cafe, the latter of Hayward.

PINES SURPRISE TEAM

Pines staged one of the greatest upsets of the tourney by defeating Union Oil "76" the other evening. They had previously conquered Chapel of Palms who rep-

Cont. Page 10-A, Col. 6

Continued from First Sports Page

resent the southern section of Alameda County.

Dick Jerome, who assisted the Pines in their win over the Palms, is slated to start on the hilltop this morning with Leno Corazzo or Elly Fagundas working for the Railroadmen.

It will be San Francisco against Chico, when Tallant Tubbs meet Chico Colts in the noon game. Elmer Newman, who pitched Chico to a win over Rose Garden Chapel in their first game, probably will pitch today with Manager Larry Gillick being prepared for relief work. Stanley, who pitched less than two innings of good relief work against Atwater, or Stanley Anderson will work for Tallants.

What looms as a real grudge battle is that between Bercovich Furniture and Ben's Golden Glow Tavern of Alameda. The Glows, representing Alameda, and Bercovich, Oakland, have been rivals for a long time. Bercovich looked like a great ball club in trouncing Golden State the other evening and if they get the good pitching as they have and keep up the heavy sticking they will be hard for the Glows to stop.

Chet Steengrafe is ready to pitch for the Oakland team, but Manager Jimmy Santos will use the sensational Carl Lindsten.

Frank Espina has Bob Castel and Jim Atanazio ready to start.

PALMS HAVE STRONG BACKING

Chapel of Palms will bring a big crowd of fans from the southern section of Alameda County to root for them against the Cardinals from Watsonville. Hundreds of fans rooted them to the win over the Oaks Friday night and the young fellows are now pepped up to the point where they believe they have a good chance to finish one, two or three.

Tony Dutra or Johnny Arkinstall, for the Palms, and Jim Fitzgerald for Watsonville, will be the hurlers. Fitzgerald set a great pitching record while hurling for Pismo Beach.

Two more games of elimination will be played tomorrow night. The winners of the first two games of yesterday meeting in the 7 o'clock game, and the winners of the second two games clashing at 9 o'clock.

Announcement that Joe E. Brown will appear in person at the semi-final and final days of the tourney, September 3 and 4, has stirred up considerable interest among the tourney fans of whom many are looking forward to be on the job early those dates because they expect to run into overflow crowds.

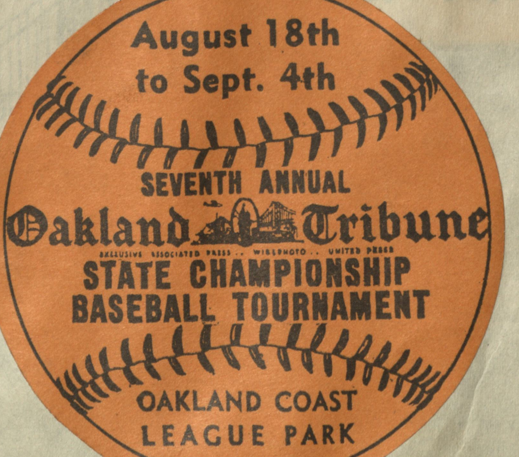
Games Today

10 a.m.—S.P. Stores vs. Pine's Cafe (Hayward).

12 noon—Chico Colts vs. Tallant Tubbs (San Francisco).

2 p.m.—Ben's Golden Glow (Alameda) vs. Bercovich Furniture (Oakland).

4 p.m.—Chapel of Palms vs. White's Cardinals of Watsonville.



Moffats Face Petersens

S.P. Stores, Bercovich, Tallant Tubbs Victors; Bud Lindsten Hero

By EDDIE MURPHY

As the biggest semipro baseball tournament ever staged on the Pacific Coast reaches the half way post at the Oaks' ball park tonight, Bercovich Furniture of Oakland, Southern Pacific Stores of Alameda and Tallant Tubbs of San Francisco are in a three-way tie and only 17 of the 24 starters now remain in the race.

The clubs came out winners in three thrilling and close games yesterday, the Railroadmen defeating Pine's Cafe, of Hayward, 3 to 1. Tallants beating Chico Colts, 4 to 3, and Bercovich downing Ben's Golden Glow, of Alameda, 4 to 3.

White's Cardinals, of Watsonville, narrowed the field of contestants to 17 by eliminating Chapel of Palms, scoring an 8 to 1 victory.

Moffat Packers, the defending champions, meet Al Petersen's Liquors at 7 o'clock and the California Eagles, who have made the best showing of any Negro team since the first tourney seven years ago, will tangle with Oakland Caskets at 9 o'clock.

MOFFATS PLAY PETERSENS

Tonight will see two more teams fall out of the race for the State title and two others, the winners, brighten their chances for the title, valuable trophies offered by The Tribune, and a part of the money to be distributed among the teams finishing in the first five places.

The first game tomorrow night, starting at 7 o'clock will bring together two Contra Costa County teams, the Orinda Reds and Union Oil "76" of Oleum. Atwater Packers, who defeated the defending champions, Moffat Packers, will clash with Grace Bros., of Richmond. So there being three Contra Costa teams on the program the Three "C" section will be well represented by fans.

Wednesday night will bring another elimination game between Pacific Greyhounds and Golden State and it will be followed by the crucial tilt between Southern Pacifics and Tallants to see which takes the lead in the race. Bercovichs will play Watsonville Thursday night.

GREAT GAMES YESTERDAY

Baseball of Coast League and in some instances of major league caliber, was dished out during the four-game program yesterday and the crowd of 3000 certainly got a run for its money.

Dick Jerome, of Pine's Cafe, held

Continued Page 11, Col. 2

Continued from First Sports Page

the S. P. team to only three hits, but he was wild and walked 13, three of the walks resulting in runs. A double by Gerald Mandish scored Patch, who walked in the second. George Pacheco walked in the sixth and scored later when Dutra hit to Jerome and nobody covered first base. A single by Tony Patch scored Martin Barovich, who walked in the same inning.

Johnny Molloy allowed the Pines only five hits, three of them in the fourth when the losers made their lone run.

Tallant Tubbs had things very much their own way for eight innings as Stan Anderson, former California star, held the Chico batters almost helpless, but he and the rest of the Tubbs never went through a more hectic ninth inning.

HECTIC NINTH INNING

Tubbs led, 4 to 0, in the final frame. Anderson walked Sigel, Hubbard and Al Spittler doubled. Sigel scoring. Frankie Gira popped out. Egrasser popped a single to center, scoring Hubbard and McCoy; Spittler scored when McCoy was safe on Miller's fumble. McCoy stole second and with the winning run on second and the count three and two on him, Dan Boone hit to Miller, who tossed him out.

Manager Larry Gillick of the Colts could not use Gordon Slade for a pinch hitter because the former Mission player was barred by Chairman Manuel Duarte, just before the game because he broke the tourney rules by playing with an outside team Wednesday at San Mateo. No player in the tourney is permitted to play with teams other than his own during the tourney. The banning of Slade should be a warning to other players. Gillick took the banning like a real sport because he knew that every player had been advised to read the rules which were printed on contracts they signed.

As was expected, the game between Bercovich Furniture and Ben's Golden Glow, of Alameda, was the most bitterly fought of the day and Umpire Edward Pesty Ryan was lucky to get out of it without taking a real pounding from the Glows, who surrounded him over calling Dick Tobin safe on a steal of home.

CRIPPLED LAD STARS

The wrangle was little as far as the fans were concerned. They got a bigger thrill out of watching Bud Lindsten, the crippled young pitcher, twirl the Furnituremen to a win, pulling himself out of a hot spot in the last inning when the Glows had men on second and third. The man on second was set to race home with the winning run when Joe Silva hit a wicked bounder which Ken Gerner scooped up and then dashed to third ahead of Masucci for a force play.

Lindsten, who has turned in two of the three wins for Bercovich, was a weary and worn boy when he walked from the mound and the fans gave him a great ovation.

He had made a hit in the seventh when Bercovichs scored three of their runs and like managers throughout the county have done in the past, Frank Espina showed the same sportsmanship by letting Joe Olsen run for the lame athlete. Olsen scored later when Gerner beat out an infield hit. It was the run that gave the Furnituremen the lead.

SWICK SENSATIONAL

Both Lindsten and Radinich were hit freely, but they had their nerve in the pinches and their mates played wonderful ball behind them. Swick, the Glow second sacker, made two sensational catches, one of them cutting off a run.

The Tobin incident came up in the big seventh when Manager Jimmy Santos used good strategy by sending the red-topped outfielder and pitcher in to hit for Nick Perata. Dick hit a slow bounding ball toward second and beat the play to first. Lindsten's single moved him over to third. Then like lightning out of a clear sky, Tobin made a dash for the plate as Radinich wound up. He made a great slide and Ryan called him safe to tie the score. Every member of the Glow team surrounded Ryan and pushed him around, some of them poking fists at him, but Ryan, who has been through many of the same situations, held his ground, stuck to his decision and the game went on.

CARDINALS SLUG BALL

Chapel of Palms, who surprised by beating the Owl Drugs a few nights ago, were no match for White's Cardinals, who belted out 14 hits, nor were they able to fathom the slants of Jim Fitzgerald, the southpaw, who drove all the way from Pismo Beach to twirl for White.

Gene Kersten, who pitched on sandlots 20 years ago, started for the Palms and his doom really came in the second inning when the Applegrowers scored four runs. Fitzgerald allowed eight hits and might have held the number down had he been forced to give his all, which he did not have to do with the lead always in his favor.

Southern Pacific Stores 7, Tallant Tubbs 1.

Southern Pacific Stores had little trouble in defeating the highly touted Tallant Tubb nine, landing on the offerings of Stanley Botto and Ragghinetti for eleven hits and seven runs, while pitcher Les Powers of the Espees was limiting the former State Senator's boys to six scattered hits and a lone run. George Pacheco, hard hitting second baseman of the railroaders hit two triples. Mandish, Barovich and Powers hit doubles for the winners. According to some of the sport writers Tallant Tubbs was strongly favored to whip the Espee club, but the railroaders had other plans and started right off in the first inning by gathering two rins, which prooved to be plenty to defeat the San Franciscoans.

Southern Pacific prooved that they were still hot after theif 3 to 1 victory over Pines Cafe, by not being a bit awed by the reputation of their opponants, and started right off in the first inning to handle the Tubbs a bit roughly, when Mandish walked, Madruga was out to Flanagan at first, unassisted. George Pacheco got a hold of one of Botto's fast one and drove it all the way to the clubhouse for three bases, scoring Mandish with the first run of the game. Ivaldi walked. Barovich singled to centerfield, scoring G. Pacheco with the second run of the inning. Botto then settled down to strike out Nelson and T. Pacheco.

The Cordage boys scored their lone run in the last of the second inning when Davis led off by driving a single into rightfield. Nielsen fanned. Miller forced Davis at second, G. Pacheco to T. Pacheco. Wolfman tripled to deep rightfield, scoring Miller. Botto was out Madruga to Powers who covered first.

Espees scored their third run in the third inning when Madruga fanned, G. Pacheco hit his second triple in as many trips to the plate again to the clubhouse in deep centerfield, Ivaldi was safe at first on Flanagan's error, G. Pacheco scoring. Barovich popped up to Miller at second base. Nelson walked. T. Pacheco struck out.

Espees turned on the heat in the ninth and drove Botto to the showers when Les Powers led off by driving a double into rightfield. Mandish duplicated the fete by hitting one in the same spot scoring Powers. Madruga was safe at first on his attempted sacrafice, Mandish going to third, when Botto threw the ball bad to Flanagan at first. G. Pacheco walked, filling the bases. Manager Davis waived Botto to the showers and sent in Ragghinetti to take up the mound duties for Tallant Tubbs. Ivaldi was out to Flanagan at first unassisted, Mandish scoring. Barovich doubled against the rightfield fence, scoring Madruga and G. Pacheco. Nelson fanned. T. Pacheco walked. Patch struckout.

Union Oil, Grace Bros. In Triumphs

Atwater Packers, Orinda Reds Out Of Tribune Play

By EDDIE MURPHY

Two of the three Contra Costa County teams competing in the Oakland Tribune's State championship baseball tournament at the Oaks' ball park, came through with flying colors last night to be listed among the 15 clubs which still remain in the title fight.

Union Oils of Oleum blanked the scrappy Orinda Reds, 3 to 0, and Grace Bros. nosed out the Atwater Packers, 5 to 4, when Elton Hamilton, Packer pitcher, made a wild heave in the ninth inning to allow George Beetem to score from first base.

Tonight brings one more elimination game between Pacific Greyhounds and Golden State at 7 p.m. and it is to be followed by a battle of Southern Pacific Stores and Tallant Tubbs to see which club will take the lead in the race for the State title and the biggest slice of the golden melon.

FOUR HURLERS READY

Billy Phebus, former Oak, or George Ragghianti will pitch for the Tallants with Lee Powers or Ellsworth Fagundas throwing them for the Railroadmen.

E. Bercovich and Sons Furniture team, which is in the triple tie with S. P. Stores and Tallants, will tangle with White's Cardinals of Watsonville tomorrow night.

With the tourney billed to close Monday when Joe E. Brown will present the winning team with the handsome Tribune trophy, interest is at high pitch and the teams playing tonight are due to compete before a few thousand fans.

Attendance is greater than at any of the six previous tourneys for the same number of games, and with Joe E. Brown billed here for Sunday and Monday afternoons, the players on clubs finishing in the first five places are due to get the biggest checks dealt out since the tourneys inception.

RESERVATIONS MADE

Hundreds of reservations have been made for the Sunday and Monday games. Top price for the reserved seats is only 40 cents and general admission to the grandstand 25 cents. Fans may make reservations by phoning the Oaks' ball park, Olympic 7700, or purchase tickets at the main office during tonight's program.

Managers of the 15 teams remaining in the title fight are probably doing a lot of thinking today in trying to figure what pitchers to use in the games coming up. Pitching is an important factor, especially with clubs getting into the semi-final and final games. Pressure will be put on their pitching staffs Sunday and Monday and the team boasting the largest number of pitchers will no doubt be the favorites in the betting.

Hundreds of railroad employees will be out tonight with bells and other noise makers to root for S. P. against Tallants and it should be a lively evening.

STONE WILL HURL

Pacific Greyhounds and Golden State, two veteran teams in tourney play, promise to put up a stiff battle. Manager Bill Hunrick has announced that he will have Vernon Stone pitch for the Greyhounds, but he might pull a last minute surprise and send Art Mangini to the hill. If not he is well protected with Mangini ready for relief work.

Steve LeGault, the big youngster who had a trial with the Cincinnati Reds and is now on their voluntarily retired list, was too much for the Orinda Reds and the Union Oil "76" won the right to meet Grace Bros. Beer Team of Richmond Friday night.

TEAMS OLD RIVALS

It will be a case of one Contra Costa team eliminating the other and hundreds of fans will come down from the "Three C" section to witness the battle. Graces and Unions are old rivals.

Eddie Robles and LeGault pitched shutout ball for six innings and then the Unions cracked the ice in the seventh by scoring two runs on hits by Charley Hardt and Roy Banducci, and an outfield error by Mel Goulat.

Hardt got another hit in the

Bercovich Whip Cards, Tie for Lead

Union Oil Tossers, Grace Bros. Clash in Feature Tonight

By EDDIE MURPHY

Moffat Packers have proved themselves to be real champions. They took it on the chin from the Atwater Packers, but staged a sensational comeback and are back making a game defense of their title as semipro baseball champions of California.

They put on a three run rally in the sixth inning last night at the Oaks' ball park to defeat Oakland Casket, 3 to 2, eliminating the latter team.

Their victory came on top of a 6 to 3 win which E. Bercovich and Sons put over on White's Cardinals of Watsonville, the latter team also being eliminated.

Bercovichs, by winning last night, moved into a first place tie with S.P. Stores in the drive for the title, and the two teams will meet tomorrow afternoon at 3:30 o'clock in the most crucial game of the tourney to date. The winners will move into the spot where it will be hard to beat them out of the title.

TEN TEAMS IN RUNNING

Other teams still in the fight for the title are Union Oils of Oleum, who meet Grace Bros. of Richmond at 7 p.m.; Golden State Ltds, who battle Pine's Cafe of Hayward at 9 o'clock, Ben's Tavern of Alameda and Chico Colts, who battle at 1:30 tomorrow afternoon and Tallant Tubbs, who drew a draw by virtue of Bercovichs winning over Watsonville.

At present the S.P. and Bercovich teams are favored to snag the title from the Moffat Packers, but one never can tell. A few years ago the Alameda Elks, then managed by Manuel Duarte, came from the same position which the Packers are in and won the title, an eighth game being necessary.

Manager Jimmy Santos of the Bercovich team announced that he will send Bud Lindste to the firing line and he probably will be opposed by Gunny Fagundas.

BROWN APPEARS SUNDAY

The tournament, which concludes Monday afternoon, is certain to wind up with the greatest crowd in attendance that has been at any tourney game. . . . In fact the Sunday triple bill, which starts at 11:30, is due to outdraw any tourney events to date. The reason is that Joe E. Brown, screen star, a former ballplayer at St. Paul and a lover of all kinds of sports, will be on deck Sunday and Monday.

Brown will make his personal appearance at 2 o'clock Sunday afternoon at the Oaks Park, following the completion of the first game which starts at 11:30 o'clock.

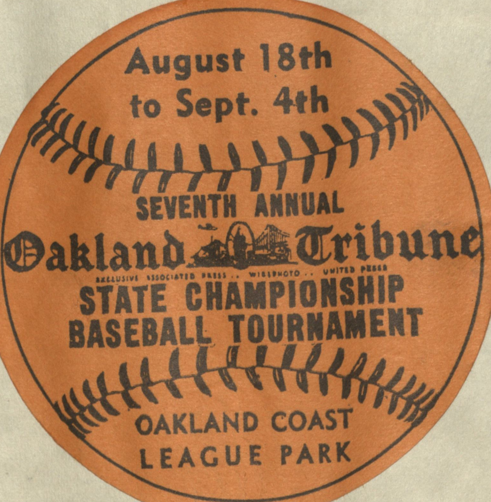
The Columbia and Paramount star is putting himself out to attend the games here Sunday and Monday because of the spirit that is behind the tourney. The Central California Managers Association will be benefited for their injured-player insurance fund and there's nothing that Brown likes to do better than to be helpful to someone.

BROWN PRESENTS TROPHY

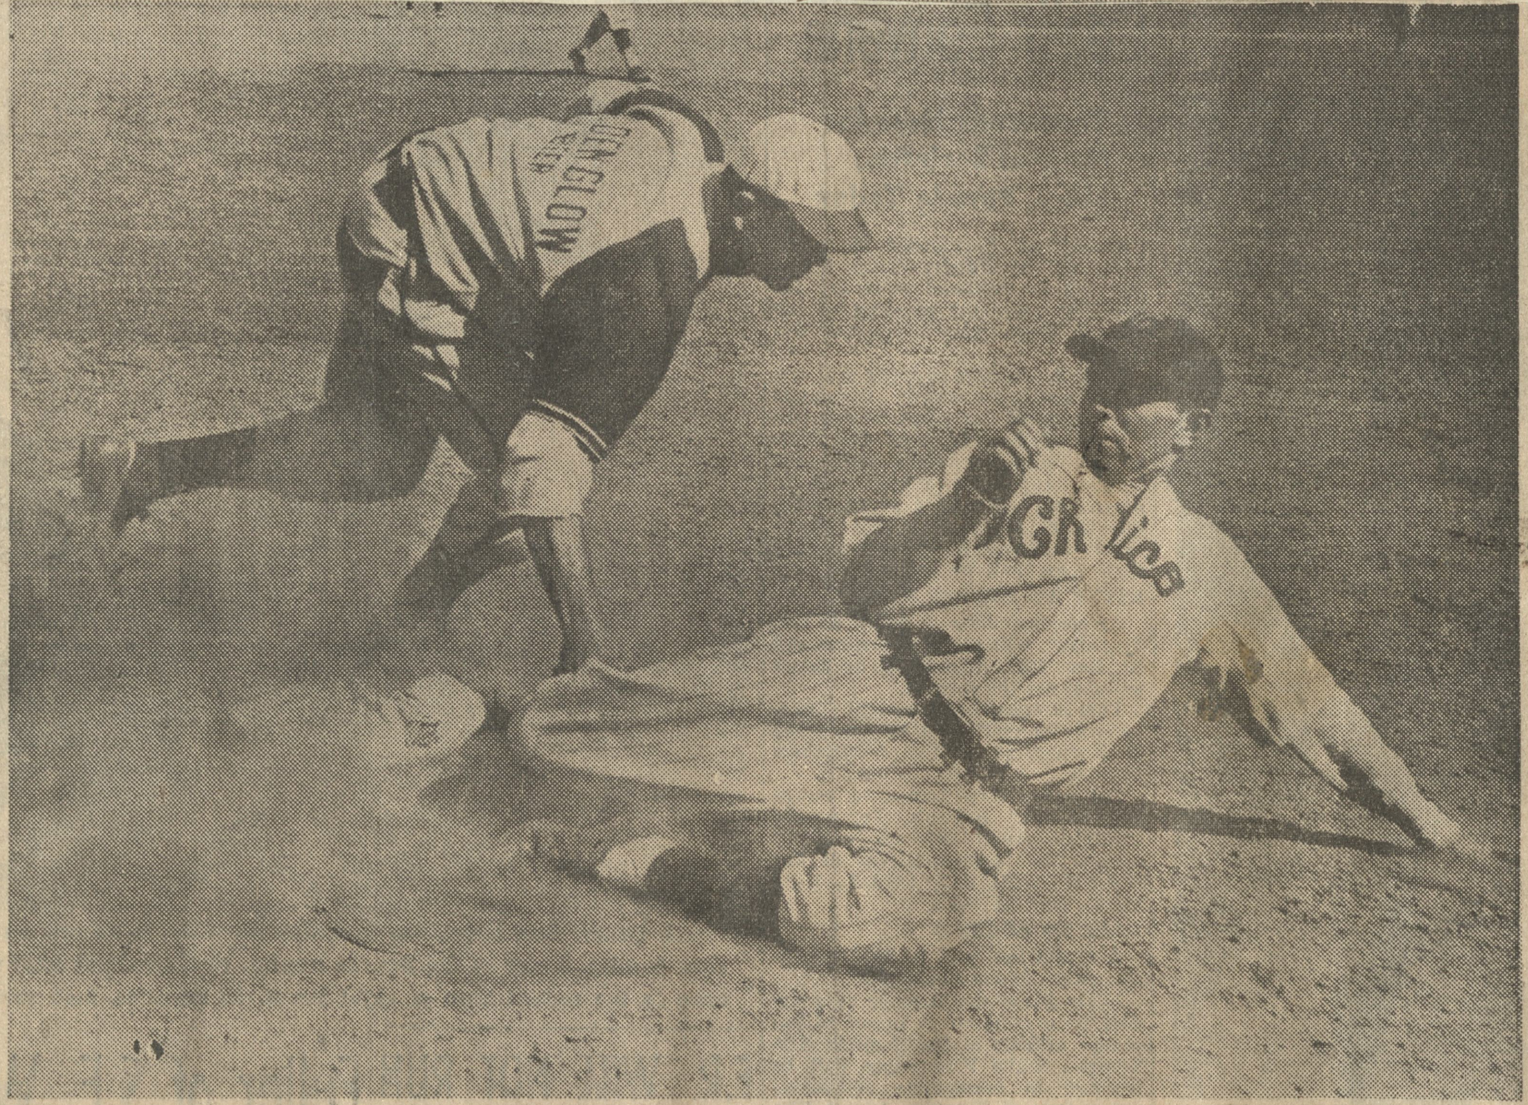
Brown will present the championship trophy to the team that wins the final game Sunday. Fans will come from all parts of California to see Brown and the crucial games Sunday and Monday. Hundreds of reservations have already been made for both games and fans wishing choice sets for the Brown appearances are advised to call the Oaks Ball Park, Olympic 7700, soon as possible.

Wins by Moffats and Bercovich last night narrowed the field of contestants for the title to 10 teams and two more will drop out of the running with the playing of tonight's games.

There are five of the 10 teams remaining in the running who will get checks following the conclusion of the tourney. What teams they will be is just as hard to predict as is to pick the winner of the Bercovich Furniture-S.P. Store game tomorrow.



Joe E. Brown Here for Tribune Tourney Games



Joe E. Brown, Hollywood's favorite comedian, and No. 1 baseball fan, arrived (left) here this morning to attend today's games in The Tribune State championship semipro tourney and to present The Tribune trophy (right) to the ultimate winner after tomorrow's games. Dutch Hubbard, Chico outfielder, slid safely back to first base under Carl Escobar of Ben's Golden Glows yesterday, but Ben's won the game, 12-1, to eliminate the Chicos.

S.P. Stores Meet Winner for Tribune State Championship

By EDDIE MURPHY

By staging a great comeback after being defeated in the first game of the triple bill of yesterday's Oakland Tribune's State semipro championship baseball tourney, Southern Pacific Stores, managed by George Geritchen, will battle Union Oils or Ben's Golden Glow Tavern in the final game this afternoon for the 1939 crown at the Oaks' ball park.

Unions handed the Storemen a 7 to 1 beating in the first game and then after the Glows defeated Tallant Tubbs, 5 to 1, the Railroadmen came back with more life and vigor than they showed in the first game of the day, to defeat Bercovich Furniture, 5 to 1.

Unions and Bens meet today at 1:30 o'clock in the semifinal game of the tourney, and hundreds will come from Contra Costa County to witness the windup. The winner will meet Southern Pacific Stores in the final, which starts at 3:30 p.m.

A crowd of more than 4000 fans yesterday witnessed the triple event

Continued from First Sports Page

which produced some flashy fielding and close competition to thrill Joe E. Brown, the radio and screen comedian, who will today present the champions with The Tribune trophy, symbolic of the State championship.

Brown was so enthused with the crowd and the keen competition of the teams, he gained an idea to enter a team from Southern California next year, making it the first time that a team from the movie colony or Los Angeles ever competed.

If Brown has a sore arm today it it will not be because he spent five minutes warming up with City Manager John Hassler and then pitched the first ball in the game between the Glows and Tallant Tubbs.

The soreness would come from his love for youngsters. Following his introduction to the fans by Promotion Manager Walter Brown and welcome by Hassler, Brown was surrounded by hundreds of boys and girls who wished baseballs, albums and other things signed.

CHILDREN HAPPY

Police officers tried to keep the kiddies from bothering the Paramount and Columbia star, but Joe E. said, "That's O.K. Let them come ahead." So Joe spent a good deal of his time during and between the games autographing.

Brown put on a real show for the fans as he prepared to pitch the first ball, and the fans had many a laugh. He was greeted at the Oakland city limits by City Manager Hassler and Walt Brown, and brought to the ball park by a motorcycle police escort of four.

He came into the park in an antiquated automobile which followed The Tribune's drum and bugle corps.

MORE LAUGHS DUE

A stunt was pulled on Brown whereby he was cited for speeding into Oakland, and he is supposed to give an explanation to Chief of Police Bodie Wallman at the park this afternoon, and if his act is half as good as it was yesterday, there will be many more laughs.

Brown, who was once a ballplayer, was the honored guest at a banquet given by Joseph R. Knowland Jr., at the Hotel Leamington last night and the screen star told of how it does his heart good to have the youngsters think so well of him and that it was his ambition of early life to always be able to do something to cheer other people.

Brown said that he liked baseball better than any other sport and as a closing remark of his interesting speech he asked those at the banquet table to pay a toast to baseball, the greatest pastime of all because it was a game that made real men out of youngsters.

Charles Graham, president of the San Francisco Seals, the dean of Pacific Coast League club owners, gave a talk along the lines of Joe Brown and told some interesting yarns of other days. Other speakers were President Vic Devincenzi, of the Oaks; Manager Frank O'Doul, of the Seals; Johnny Vergez, of the Oaks; City Manager John Hassler. Others at the banquet were Phil Reily, Leamington Hotel manager, who saw to it that Brown and other guests of Knowland were properly entertained; Manuel Duarte, president of the Central California Managers' Association and chairman of the tourney; Steve Graham and Art Macy, also of the association; Clint Evans, baseball coach at the University of California; Joe Hoffmeyer, Wood Soanes, Tribune editor; Walter Brown, Earl Leonard, president of the Oakland Chamber of Commerce; A. I. McGraw, Bill Kenworthy, coach for the Oaks, and George Hall, a cartoonist from the Southland.

The Railroadmen, Glows and Unions today will be battling for the title and the biggest slice from the "golden melon." All three teams seem to be more concentrated on getting the trophy which Brown will present this evening than they are of the cash they will get out of the "golden" melon when it is sliced.

COAD IN FORM

Norman Coad, Union pitcher, displayed the best form he has since the start of the tourney and let the S. P. teams down with only five hits, besides fanning 10.

The Union, "Spirit of '76" team, had the game in the bag as early as the second inning when it had a 2 to 0 lead. The four runs they added in the third inning on four hits off Fagundas, who relieved Carozzo, took all the starch out of the S. P. men.

Ben's Glows landed on the offerings of Anderson, Ragghinati and Botto for a total of 13 hits, but he was not touched for the payyoff run until the fourth when the Glows put over two runs on as many hits.

The Glows bunched four more hits in the sixth for two more runs, and added another run in the sixth for two more runs, and added another run in the eighth.

FARIA IN 7-HITTER

Faria, who pitched on the Hayward sandlots a few months ago, let the Tallants down with seven hits, and at the same time caught the eyes of several scouts who were on hand.

Billy Gonsalves, who comes close to rating as the outstanding player in the tourney, and Massucci each got three of the hits made for Bens.

Elmer Corbett helped the Glow cause by clouting a ball over the left field fence for one of the hardest hits and display of bat power as any scout would like to watch him do again.

Martin Barovich, third sacker, led the attack for the S. P. in their elimination duel with Bercovich Furniture by cracking out four hits and scoring a run.

Southern Pacific Stores 6, Union Oil 3.

In one of the wildest games seen at the Oakland Coast League Park in some time, Southern Pacific Stores of Alameda came from behind to win the Seventh Annual Oakland Tribune California State 6hampionship Baseball Tournament, defeating the strong Union Oil team of Oleum by the score of 6 to 3. Les Powers, pitched brilliantly for the winners allowing eight scattered hits and got better and better as the game progressed. A big seventh inning rally in which the Stores scored 4 runs on five hits changed the tide for the Espees and pulled the game out of the fire for the railroaders. Barovich continued his sensational hitting slaming out two doubles. Les Powers pitched a very smart ball game for the winners and after being a little wild in the opening innings settled down and had the Union boys eating out of his hand for the remainder of the game. Dutra, pinch hitting for Nelson in the big seventh came thru with a smashing line drive to rightfield. The game was played before some eitht thousand fans and the trophy was presented to the Champion Southern Pacific Stores Team immediately after the game by screen comedian Joe E. Brown.

Union Oil got off to a good start when they scored two runs in the opening inning. Kingsley popped up to G. Pacheco at second. Van Arsdale and Olsen walked. Parker popped up to T. Pacheco at short. Archer singled to leftfield, scoring Van Arsdale. Hardt walked filling the bases. Olsen was credited with scoring the second run for the boys from Oleum when he crossed the plate on a wild pitch by Powers. Banducci flew out to centerfield.

Union scored their third and final run in the fifth making the score 3 to 0 when Kingsley led off with a double to leftfield. Van Arsdale was safe at first and Kingsley went to third on Powers error. Olsen hit into a double play, G. Pacheco to Madruga, Kingsley scoring on the play. Parker flew out to left.

The Espees began to show signs of live in the seventh when G. Pacheco was out, lining a drive off of Kelley's shins which rolled to Van Arsdale who thru to Banducci for the out. This eemed to unsettle Kelly Unions pitcher, as Ivaldi next man up, singled to centerfield. Barovich was out third to first, but Nelson, T. Pacheco and Patch walked in succession, forcing in Ivaldi with the first run for the railroaders. Powers was out short to first.

The seventh saw the undoing of the Union Oils lead when the Southern Pacific Stores put on full steam to over come the 3 to 1 lead that Union was holding over them. Mandish lined a hard single to right field. Madruga placed a perfect bunt between the pitchers mound and first base that no one could get to, the ball finally rolling to Olsen, Union second baseman too late to make a play. G. Pacheco then laid down another bunt that rolled toward short, Kelley made a stab to pick up the ball and throw Pacheco out but missed picking up the ball all together. The sacks were loaded and no one was out for the Espees. The railroaders and their many hundreds of rooters went into a spasm when Andy Ivaldi strode to the plate and hit a terriffic drive to deep rightfield that scored Mandish and Madriga to tie up the ball game. That was the end of Kelly and Union Oil rushed in their ace pitcher LeGalt to halt the slugging Stores team. Barovich was an easy out, LeGalt to Banducci, but Dutra, batting for Nelson slammed a single to rightfield, scoring G. Pacheco. T. Pacheco lined a long sacrafice fly into rightfield, Ivaldi scoring after the catch. Patch fanned to end the inning.

The Stores scored their sixth and final run inthe ninth when Ivaldi beat out a bunt to LeGalt. Barovich double to leftfield, scoring Ivaldi. Labetich fanned. T. Pacheco popped up to Kingsley at short. Patch struck out.

UNION OIL CLUB DEFEATED, 8-7, IN TRIBUNE TOURNEY FINAL

Screen Star Joe E. Brown Presents Victors With Title Trophy; Ben's Glows Take Third

By EDDIE MURPHY

Southern Pacific Stores last evening enjoyed the honor of being the first ball club to be presented with a championship trophy by Joe E. Brown, Columbia and Paramount star, who made the presentation after the Railroadmen defeated Union Oil of Oleum, 6 to 3, at the Oaks' ball park.

The Unions put themselves into the final battle with the Railroadmen when they pounded out 12 hits off Joe Faria, J. Smith and Nick Radinich to defeat Ben's Golden Glows in the semifinal battle, 8 to 7.

Leslie Powers gets the credit of pitching the Railroadmen to the championship. He was nicked for 10 hits but managed to keep them scattered enough to hold the Unions down to three runs.

BLANKED FOUR FRAMES

However, the Railroadmen appeared to be in for a side-tracking when they were blanked for close to four innings by Charley Kelly with only three hits, but they started to overcome a 3 to 0 lead when they scored a run through the wildness of Kelly, who issued three straight walks in the frame, the free trip to Tony Patch forcing over the plate Andy Ivaldi, who had singled.

Kelly was lifted after he issued the walk to Patch and Norman Coad took his place.

The Railroadmen moved into the lead in the seventh inning when they bunched five hits to score four runs. Larry Dutra started the excitement when he singled.

FOUR STRAIGHT HITS

Then after Tony Pacheco and Tony Patch were retired, Gerald Mandish, Ted Madruga, George Pacheco and Andy Ivaldi clouted out singles to put over enough runs that assured the S.P. team of permanent possession of The Tribune trophy presented by Brown and also of the biggest slice of the "golden melon" to be split in the near future.

The four-run attack meant the Unions had to be satisfied with second place money with Golden Glows taking third and the remainder falling to Bercovich Furniture and Tallant Tubbs.

PACHECO BOYS AID

The Unions got their jump by scoring a run off Faria in the third and then they grabbed four more off Radanich who was rushed to the rescue of Faria.

Much credit for the Southern Pacific holding the championship is credited to the work of the Pacheco brothers around second base. Tony and George played great ball and so did Andy Ivaldi in the center garden. Ivaldi belted out three of the 10 hits which the Railroadmen

made off the Union pitchers in the final contest.

Brown, who sat in the press box until he put on his act with Chief of Police Bodie Wallman and Capt. Frank Lynch, who witnessed the first game with him, was so thrilled by the closeness of the games and the fielding of the teams that he did not miss a single play.

He sat throughout the last two games of Sunday and through both of yesterday. While in the press box he remarked that he saw some of the greatest fielding that he has in all his years as a player and follower of major and minor league baseball.

WOULD COME AGAIN

He expressed to the fans that he will gladly come back here next year when the seventh annual tournament will be staged.

The screen and radio comedian was tickled to present the trophy to the Southern Pacific Store team, because after watching them play in the game of Sunday, and also having seen Unions and Ben's Golden Glow in action, he made wagers with several of his friends that the railroad men would become the champs.

The appearance of Brown on Sunday and Monday had much to do with the great success of the tourney. A crowd in the neighborhood of 5000 saw the two battles yesterday, and players of clubs finishing in the first five places are due to get good-sized checks when the "golden melon" is split.

GERITCHEN WISE PILOT

Manager George Geritchen proved himself a wise pilot by the way in which he handled his pitching staff throughout the tourney. He worked the flingers so that he would have Johnny Molloy to pitch in their semifinal game Sunday and had rested Powers almost from the start of the tournament to put him into the championship battle yesterday.

It has been said that the Pacheco boys, George and Tony, are too light to play daily in organized ball, but several of the scouts think otherwise and maybe one or both of them will be among the many who have shown in the tourney and will be in the big time next year.

The winning of the championship put quite a feather in the hat of Geritchen for it was the fifth time during the seven tourneys that his club finished in the money.

Nick Radinich, the big pitcher, who tried to save the Glows from defeat in the semifinal tilt with Unions, is deserving of a lot of credit also. He hurled in practically every game the Glows played and had much to do with putting them right next to the championship.

JOE E. BROWN STICKS TO JOB DESPITE FEARS FOR SON'S FATE

Concern Over Son's Welfare in Europe Fails To Halt Comedian's Part in Tribune Tourney

By BILL TOBITT

Joe E. Brown's parting words to Oakland—those that could be heard above the chatter of idling motors of the plane which was waiting to carry him back to Hollywood last night—were:

"Anything to eat aboard?"

The stewardess assured the comedian that there was, thus wiping away his last care and bringing that Cheshire cat grin of his back to life.

It was the exit cue of a trouper finishing an engagement despite worry and a sleepless night over concern about his son's fate in the sinking of the British steamer Athenia Sunday.

The gag about the food was an unconscious one with Brown, but it tied a neat bow on a package of 36 hectic hours in the life of one of our better mimes.

He came here Sunday morning to participate in the last two days of the seventh annual Tribune State championship baseball tournament—and he played it through when many another might have ducked for home.

HIT CLOSE TO HOME

When word came Sunday evening, shortly after a banquet in Brown's honor, that the Athenia had been sunk, the actor immediately visualized death or injury for his son, Don, who MIGHT have been on board. He was due to have sailed at approximately the same time the Athenia cleared Glasgow.

Not until early yesterday morning, long after dawn, when word came from Mrs. Brown in Brentwood that she had received a cable from Don that he was "safe, sailing soon," did Joe E. abandon his radio and telephone for bed.

A late breakfast, a radio interview, no time for lunch, an extended double-header yesterday in the tournament' finale and a race to the airport to catch his plane at 8:45 p.m., placed a terrific strain on a stomach which likes lots of food often. Hence his concern over the commissary.

ENJOYED TOURNEY

Brown, who presented the championship trophy to George Geritchen, manager of the Southern Pacific Stores' nine, apparently sincerely enjoyed his part in the closing two days of the tournament.

"If you want me back again next year, don't hesitate to ask," he said to Walter Brown, Tribune promotion manager, at the airport. "I think this tournament of yours is one of the best I've ever seen, and I've seen plenty."

During the two days of play Brown was impressed with the conduct of the players on the field. He remarked on the excellent sportsmanship of the players, the lack of bickering despite keen rivalry and the fact that protests against umpires' decisions were made in a very gentlemanly fashion.

'CITED' BY CHIEF

His contribution to the success of the tournament's wind-up was another hilarious act rivaling his Sunday debut. Yesterday he submitted to a "citation" from Chief of Police Bodie A. Wallman in which he changed from mufti to an out-size police uniform (displaying ultra-collegiate shorts during the transfer) and accepted a huge honorary membership card from the Oakland Chamber of Commerce from Earl B. Leonard of that organization.

The thing which perhaps he enjoyed most of all, though, was the attention he received from the youngsters who made up a large part of yesterday's crowd. He's a great lover of kids and of baseball, too—and he wrapped them both up in his philosophy of the game which went something like this:

"Baseball for youngsters is the finest way to train them not to be dependent upon themselves alone.

During a game complete cooperation must be obtained from all members of a team, and to get it each player must coordinate his mind and muscles to a high point of efficiency.

PROPHESIZES WINNER

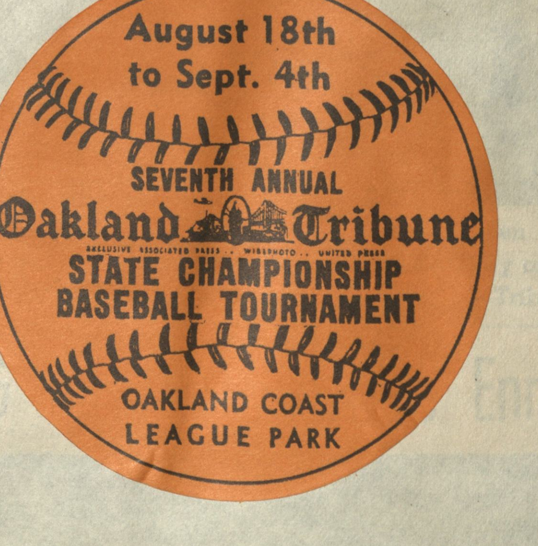
"It prepares youngsters better than any other sport for a world in which they must think and act quickly."

Brown knows the game well and proved it Sunday by foretelling the outcome of the tournament when, after watching them for but two innings, he pointed to the Southern Pacific Stores nine and said:

"There's your winning team. The boys know what they're doing. They play smart baseball."

Yesterday's victory over the Union Oils by the Stores bore out his prediction.

Brown promised Brown that he would send personally autographed photos of himself to each member of the Espee Stores team. He suggested it after being besieged by players who proffered everything from the lining of their mitts to cardboard box covers for Joe E. to sign.



Southern Pacific Stores vs. Reno Garage.
Sunday, September 24th, 1939.
Reno, Nevada.

Southern Pacific Stores 3, Reno Garage 6.

Southern Pacific Stores dropped the last game of their 1939 schedule to the Reno Garage team by the score of 6 to 3. The boys from the "Biggest Little City in the World" seem to have the Indian sign on the Espee team this year as they romped off with all three games. Fagundas twirled for the visitors but lacked his usual stuff and was hit hard. George Pacheco continued his sensational hitting for the railroaders, banging out three hits in five trips to the plate, on a long triple to centerfield in the first inning. Ivaldi hit two for the losers. Hony Pacheco hit one for three bases.

Espees started off in the first inning like they might break the jinx that has been following them in Reno this season and chalk up a win over the Garagemen after losing their first two games played earlier in the season, when they scored a run in the first inning on two hits. Mandish and M. Fernandes fanned. G. Pacheco hit a long triple over the centerfielders head, and scored when Ivaldi singled to rightfield. Ivaldi was out attempting to steal, Snyder to Memanti to Eastland.

Reno came right back in their half of the first to score twice and take the lead. B. Cassinelli led off with a triple to centerfield and score when T. Pacheco booted Menanti's grounder, Menanti going to second. Gomez was out at first, Mandish unassisted. Eastland was out, third to first. Westlake singled to leftfield, scoring Menanti. Loyd flew out to Labetich in right.

The Nevadans score ~~tew~~ two more runs in the third when Menanti was safe st second when G. Pacheco booted his roller. Gomez fouled out to Mandish at first. Eastland was out, T. Pacheco to Mandish. Westlake singled to center, scoring Menanti. Loyd tripled to center, scoring Westlake. F. Cassinelli struck out.

Espees came within one run of ~~thy~~ tying the score when the pushed over two runs in the first of the sixth. Eddie Fernandes singled to center. G. Pacheco singled to left. Ivaldi singled to left scoreing E. Fernandes. Barovich went out short to first. Nelson walked filling the bases. T. Pacheco's sacrafice fly to rightfield scored his brother. Patch forced Ivaldi at third, B. Cassinelli unassisted.

The Garagemen put the game on ice when in the last of the sixth Snyder fanned. Beaseley went all the way to second when Nelson erred on his high fly. B. Cassinelli slammed one over the leftfield fence for a home run, scoring Beasley ahead of him. Menanti singled off of Fagundas's glove. Gomez popped up to Barovich at third. Eastland fanned.

Reno Garage Ends Local Baseball Session Today

Bud Beasley Will Pitch Against Espee Stores, Semi-Pro Champs

Pacific Coast League Players May Appear In Lineup of Visiting Club Today

A star-studded aggregation representing Southern Pacific Stores, semi-pro champions for 1939, will wind up the Reno baseball schedule at Threlkel Park Sunday afternoon, meeting the Reno Garagemen at 2:30 p. m. It was reported Saturday night that the Stores may bring along a number of Pacific Coast League players who have finished their regular season.

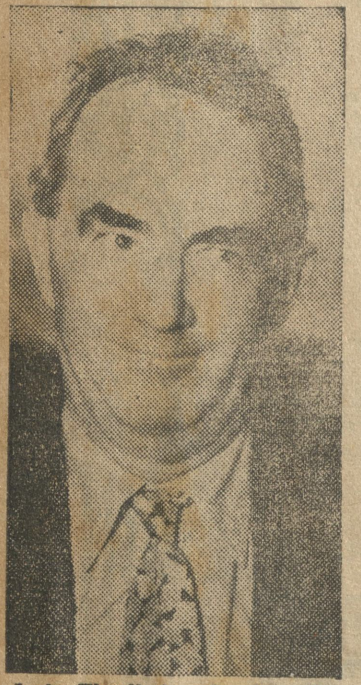
RENO MANAGER



Jack Threlkel, who has done years of hard work to bring good baseball to Reno, will wind up the schedule of his Reno Garage team here today.

The Espees, who pleased Reno fans with their previous appearances this season at Threlkel Park and Moana Park, have since hit a hot streak and blazed through with seven wins in eight games to win the semi-pro tournament last week.

Trap For Lefties

Jack Threlkel hopes to confuse the railroaders, however, by throwing Bud Beasley, left-hander, against them. The Espee lineup is normally loaded with southpaw batters, who would have a tough time against the deceptive slants of Beasley

George Gerichten, manager of the Espees, feels so good over winning the semi-pro tourney that he says he may alternate his pitchers through the game in order "to let Reno fans see the hurlers who won the championship." But the way the Garagemen have been powdering the pellet, particularly the home run clouts of Tony Gomez and "Pop" Snyder, it would be best for Gerichten to start his best man and forget the "exhibition."

Elated over the promise of night ball at Threlkel Park next year, the Garagemen are determined to wind up the season with a clean-cut victory.

7000 Present

The Espees won the title tourney Sunday in the final game from Union Oil before 7000 Oakland fans. Joe E. Brown, who presented the trophy, highly commended their ability. Pitching for the tournament was split between Powers, Molloy, Corazzo, Fagundas and Fernandez. Catchers were Larry Dutra and Tony Patch.

Reno Ends Season With 6-3 Victory Over S. P. Stores

B. Cassinelli Leads With Home Run And Triple

Baseball in Reno for the 1939 season came to a close Sunday afternoon at Threlkel Park with Reno Garage reaching a fine peak and winning one of the best-played games of the year from Southern Pacific Stores, 6 to 3.

Through the win, the Garage could well claim the unofficial semi-pro title, for this year they have three times trounced the Espees, recent winners of the championship tournament. George Gerichten, manager of the champs said after the game he thought Reno would win if the locals ever entered the Oakland tourney.

Bud Beasley pitched a great game and the entire team turned in some sparkling fielding to give him support, but it was the bombing of Bill Cassinelli, leading hitter of the club, which paced the final victory. The youthful third-sacker cracked a triple and home run, accounting for half the Reno scores.

In the opening inning "Belting Bill," the leadoff man, slammed a high fly which dropped in deep left center field for a three-bagger. He scored on Menante's single. In the fourth inning Cassinelli drove another one in the same direction. This time the ball cleared the fence for a homer, also scoring Beasley, who had just doubled.

Menante had a good day at the plate, as well as going far back in the field to snare a difficult fly. Lloyd barely missed a homer. His terrific drive hit the top of the centerfield fence and bounced back in for a triple. Eastland made a leaping catch of a high peg to first base and whirled to tag out Ivaldi, who was just about to step on the sack. Wally Westlake, in leftfield, played his best game of the year.

Ivaldi drew the ire of the crowd in the first inning when he took several punches at Umpire Hasting after a close first base decision.

Eddie Fernandez, outfilder for Portland in the Pacific Coast League, made the trip with the visitors and garnered one hit in three tries. The Pacheco brothers were Espee's best hitters.

Beasley pitched himself out of two serious holes without much damage.

GARAGE DEFEATS S. P. STORES IN LAST GAME OF YEAR

The Reno Garade defeated the Southern Pacific Stores yesterday in a good ball game by a score of 6 to 3. This makes three times they have defeated the S. P. boys this year. The Southern Pacific Stores won the Tribune tournament in Oakland this year, and the same club took the field against the Reno Garage yesterday.

Beasley was in true form and was only in real trouble once, in the sixth inning, when he allowed 3 hits and a walk, which netted the S. P. boys two runs. After that men got on bases but he worked himself out of the holes.

Bill Cassinelli led off on the first pitched ball with a three base hit. He also collected a home run in the sixth, with Beasley on. Menante led in hitting honors for the day with three hits for four times at bat.

The game closed the season at Threlkel"s park, making eighteen wins out of twenty-seven games played.

The game with Lovelock was called off on account of the Lovelock team breaking up.
